Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Sizzling Steak Concepts 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits arising from cash transactions as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits arising from cash transactions for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Sizzling Steak Concepts 401 (k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note J to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the cash basis of accounting described in Note B.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Sizzling Steak Concepts 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note B; this includes determining that the cash basis of accounting is an acceptable basis for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sizzling Steak Concept 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sizzling Steak Concepts 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sizzling Steak Concepts 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i--schedule of assets (held at end of year)--cash basis as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information

required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

SIZZLING STEAK CONCEPTS 401(K) PLAN

December 31, 2022

NOTE A--DESCRIPTION OF PLAN

The following description of the Sizzling Steak Concepts 401k Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Sizzling Steak Concepts, Inc. and certain affiliated companies ("Sizzling", "the Plan Administrator" and "the Employer"). During the year ended December 31, 2022, the affiliated companies included Prime, Inc., Alpharetta Sizzling, LLC, Alpharetta Rooftop LLC, Brooks Investments, Inc., PJMN, L.L.C., Columbia Sizzling, LLC, Kennesaw Sizzling, LLC, Greenville Sizzling, LLC, Huntsville Sizzling, LLC, Georgia Sizzling, Inc., Chattanooga Sizzling, LLC, Charleston Sizzling, LLC, Myrtle Beach Sizzling, LLC, Greenville Rooftop, LLC, and Greenville Sizzling Downtown, LLC. Eligibility requirements include a minimum age of twenty-one years and one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

In March 2020, the President of the United States signed the Coronavirus Aid, Relief, and Economic Security Act ("the CARES Act"), which provides special distribution options, rollover rules and expansion of permissible loans for qualified participants affected by COVID-19. The CARES Act allows the Plan to implement its provisions provided the Plan is appropriately amended by December 31, 2022. The Plan sponsor has implemented the provisions of the CARES Act and formally amended the Plan effective January 1, 2022.

In March 2021, the Plan determined that a partial plan termination had occurred as more fully described in Note H.

Contributions: The Plan provides for employee elective pre-tax and/or after-tax contributions with an Employer matching provision. Plan participants may make contributions from their compensation, as defined by the Plan, not to exceed the Federal statutory maximum. The Employer matching contribution is 50% of the participants' elective deferrals up to 6% of the participants' compensation.

Participant Accounts: Each participant's account is credited with their contributions, the Employer's matching contributions, and their account's earnings or losses less an allocation of administrative expenses. All investments are participant directed. Participants may change their investment options on a daily basis.

Vesting: Participants are immediately vested in their voluntary contributions and allocated earnings thereon. Employer contributions and earnings thereon vest on a vesting schedule of 0% for one year of service, and 25% per year for two to five years of

SIZZLING STEAK CONCEPTS 401(K) PLAN

NOTE A--DESCRIPTION OF PLAN--Continued

service. A participant becomes fully vested after five years of credited service, or in the event of participant death or disability. Forfeited amounts may be used first to pay administrative expenses of the Plan and then can be used to reduce future Employer contributions.

Notes Receivable from Participants: Participants may borrow from their accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have two loans outstanding at any given time. Loans are repaid through electronic funds transfer or by check over periods of up to five years, or longer if related to purchasing a principal residence. The loans are secured by the vested balance in the participants' accounts and bear interest at rates that range from 5.25% to 8.25%, which are commensurate with local prevailing rates as determined by the Plan Administrator.

Payment of Benefits: In the case of termination of service due to death, normal retirement (age 65), retirement due to permanent disability, or termination of employment, participants may elect to receive the value of their accumulated Plan benefits, in accordance with the provisions of the Plan, in lump-sum or partial distributions. Application may be made for withdrawal of funds from fully vested contribution accounts while the participant is an employee in the case of a financial hardship, as defined in the Plan, or when the participant reaches age 59 ½.

Administration: The Plan is administered by the Employer. All funds in the Plan are held by the Plan's Custodian, Minnesota Life Insurance Company ("the Custodian"), in pooled separate accounts or a guaranteed return account. The Custodian invests participants' contributions, as directed by the participants, in a combination of equity, fixed income, and balanced investments, or the guaranteed return account.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance.

The financial statements of the Plan are prepared utilizing the cash basis method of accounting, which differs from generally accepted accounting principles, which uses the accrual method.

The Plan's pooled separate accounts and guaranteed return account are stated at fair value and contract value, respectively, as further described in Notes C and D. Investment securities are exposed to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amounts reported in the statements of net assets available for benefits arising from cash transactions.

Notes receivable from participants are reported separately from Plan investments and measured at their unpaid principal balance.

Contributions are recorded on the cash basis, which recognizes participants' contributions and the related Employer matching contributions at the time such contributions are received in cash by the Plan.

Benefit payments are recorded when paid.

The Employer pays most administrative expenses of the Plan except those allocable to the accounts of particular participants, or expenses paid utilizing forfeitures.

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through July 14, 2023, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the accounting guidance are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that |

SIZZLING STEAK CONCEPTS 401(K) PLAN

NOTE C--FAIR VALUE MEASUREMENTS—Continued

are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts: Valued based on quoted market prices of the securities underlying the pooled separate accounts.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>Assets at Fair Value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ -0-	\$10,471,499	\$ -0-	\$10,471,499

NOTES TO FINANCIAL STATEMENTS--Continued

SIZZLING STEAK CONCEPTS 401(K) PLAN

NOTE D--GUARANTEED RETURN ACCOUNT

The Plan offers a guaranteed return account to its participants. The Custodian establishes a rate for funds invested in the account and this rate may change periodically. All benefits paid prior to contract liquidation are made at contract value, which is the principal invested plus interest earned.

The assets are invested in the general assets of the Custodian, which are predominately fixed income investments, such as bonds, mortgages, and private placements.

Current accounting guidance requires the reporting of investment contracts that are fully benefit-responsive at contract value. The Plan's investment in the guaranteed return account at December 31, 2022 and 2021 was fully benefit-responsive and is presented at contract value in the accompanying statements of net assets available for benefits arising from cash transactions.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE E--TRANSACTIONS WITH PARTIES IN INTEREST

The Plan has an agreement with the Custodian to maintain the investments of the Plan. For the year ended December 31, 2022, contributions to the Plan of \$1,080,942 were deposited with the Custodian for investment, and participants of the Plan received distributions of \$652,419 from funds held by the Custodian. Additionally, for the year ended December 31, 2022, the Plan recorded \$68,069 in administrative expenses paid to the Custodian and other service providers. At December 31, 2022 and 2021, the Plan had \$11,120,310 and \$13,106,075, respectively, of assets under the Custodian's custody.

NOTE F--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from federal income taxes. The amended Plan has not requested a favorable determination letter from the IRS since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the Internal Revenue Code.

NOTES TO FINANCIAL STATEMENTS--Continued

SIZZLING STEAK CONCEPTS 401(K) PLAN

NOTE G--FORFEITED NON-VESTED ACCOUNTS

At December 31, 2022 and 2021, net assets available for benefits arising from cash transactions included \$30,286 and \$17,379, respectively, in forfeited non-vested accounts. Forfeited amounts of \$31,473 and \$-0- were utilized to pay Plan expenses and Employer matching contributions, respectively, during the year ended December 31, 2022.

NOTE H--PLAN TERMINATION

As a result of adverse economic conditions, in March 2021 the Plan determined a partial plan termination occurred. All participants who were terminated from employment from March 31, 2020 through March 31, 2021 were fully vested in their accounts upon termination.

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of full Plan termination, participants would become fully vested in their accounts.

NOTE I--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years ended December 31, 2022 and 2021, there were no significant differences between the financial statements and Internal Revenue Service Form 5500.

NOTE J--SUMMARY OF INFORMATION CERTIFIED BY PLAN CUSTODIAN

The total value of the Plan's assets was \$11,120,310 and \$13,106,075 at December 31, 2022 and 2021, respectively. The Plan's Custodian has supplied the Plan Administrator with a certification as to the completeness and accuracy of all information presented in the accompanying statements of net assets available for benefits arising from cash transactions as of December 31, 2022 and 2021, and in the statement of changes in net assets available for benefits arising from cash transactions for the year ended December 31, 2022, in regards to investment activity.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.
