INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
IntelliSurvey 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of IntelliSurvey 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2021 Financial Statements

Plan management is responsible for the accompanying financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of the Plan as of and for the year ended December 31, 2021.

INTELLISURVEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the IntelliSurvey 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan was originally effective January 1, 2013 and amended and restated effective January 1, 2022.

General - The Plan is a defined contribution 401(k) and profit-sharing plan and covers most full-time employees of IntelliSurvey, Inc. (the Company) who have completed six months of service with no age requirement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Subject to applicable limitations, each year, participants may contribute up to 100% of pretax annual compensation before certain fringe benefits, as defined in the Plan. Entry dates are monthly coinciding with or next following satisfaction of the minimum service requirements. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund accounts for participants. There is also a Roth option available for participant deferrals.

The Plan has an automatic contribution deferral amount of 5% for all eligible participants.

Employer Contributions - The Company has safe harbor match which matches 100% of the first 3% an employee contributes and matches 50% on the next 2% an employee contributes.

The Company may make an employer profit sharing contribution as a uniform percentage of deferrals or a flat dollar amount for each participant meeting eligibility requirements for employee contributions at the option of the board of directors. No such contributions were made during 2022 and 2021.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Accounts are adjusted daily for any change in the fair values of the account's investments. The participants may transfer existing assets between investment options.

Vesting - Participants are immediately 100% vested in their qualifying deferral contributions. Vesting for match and profit-sharing contributions is done on a 5-year graded schedule.

Notes Receivable from Participants - The Plan does not allow for participant notes receivable.

Payment of Benefits - On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount.

Participant Investment Rollovers - Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Forfeitures - The Company may decide at its discretion how to treat forfeitures under the Plan. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$45 and \$52, respectively. During 2022 and 2021, \$0 of the forfeiture balance was used to pay plan expenses each year.

INTELLISURVEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through June 19, 2023, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participants' contributions are recorded by the Plan as of the date such participants' elected contributions are withheld by the Company. Employer contributions are recorded by the Plan when committed by the plan sponsor.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for administration are included in administrative expenses and charged directly to the participants' accounts.

NOTE 3 - UNAUDITED INFORMATION CERTIFIED BY TRUSTEE

Substantially all information pertaining to the Plan's investments included in the financial statements, including the associated investment income (loss), was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan. This information has not been audited by independent accountants.

INTELLISURVEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at NAV of shares held by the Plan at year end based on quoted market price (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the bank or investment company. The NAV, as adjusted, approximates fair market value. The investments are redeemable at the adjusted NAV under agreements with the bank or investment company. Due to the nature of the investments, changes in market conditions, liquidity requirements, and the economic environment may significantly affect the NAV of the collective trust funds, and consequently, the fair value of the Plan's investments.

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS - continued

The following table presents the financial instruments measured at fair value as of December 31, 2022 and 2021 set forth by level within the fair value hierarchy, on a recurring basis:

Investments at fair value	<u>\$ 11,091,302</u>	<u>\$ 11,989,132</u>

The following table summarizes investments measured at NAV per share as a practical expedient as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
<u>Investments measured at net asset value:</u>		
Collective Trust Funds	\$ 15,443	\$ 79
Investments at fair value	<u>\$ 15,443</u>	<u>\$ 79</u>

NOTE 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative expenses, indirect fees, and costs of the Plan are paid to Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - INCOME TAX STATUS OF THE PLAN

The Plan uses a prototype plan document sponsored by McGregor & Associates, Inc. McGregor & Associates, Inc. received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan has analyzed its tax positions taken and has concluded that as of December 31, 2022, 2021, and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to income tax examinations generally for three years after filing.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various participant-directed investment options, which are exposed to various risks, such as interest rate, credit risks and market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

There are no reconciling items between the net assets available for benefits per the financial statements and Schedule H of Form 5500.

NOTE 10 - COVID-19

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) that contains provisions requiring significant changes to plan administration and recordkeeping. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that included numerous employee benefit plan provisions to assist plan sponsors and participants. The Plan adopted changes including changes to hardship distribution rules as stipulated by the CARES Act as of January 1, 2020.

On March 11, 2020, the World Health Organization declared Coronavirus (COVID-19) a pandemic. The extent of the operational and financial impact the COVID-19 pandemic may have on the Plan Sponsor has yet to be determined and is dependent on its duration and spread, any related operational restrictions and the overall economy. The Plan Sponsor is unable to accurately predict how COVID-19 will affect the results of its operations or the Plan because the virus's severity and the duration of the pandemic are uncertain. Potential impacts include, but are not limited to, additional costs for responding to COVID-19, potential shortages of personnel, delays, loss of, or reduction to revenue and overall market decline. Management believes the Plan Sponsor is taking appropriate actions to respond to the pandemic; however, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available for issuance.
