INDEPENDENT AUDITORS' REPORT

To the Participants and the Administrator of
West Pharmaceutical Services, Inc. 401(k) Plan:

Opinion

We have audited the accompanying financial statements of West Pharmaceutical Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of West Pharmaceutical Services, Inc. 401(k) Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of West Pharmaceutical Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about West Pharmaceutical Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of West Pharmaceutical Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about West Pharmaceutical Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

To the Participants and the Administrator of
West Pharmaceutical Services, Inc. 401(k) Plan:

Opinion

We have audited the accompanying financial statements of West Pharmaceutical Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of West Pharmaceutical Services, Inc. 401(k) Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of West Pharmaceutical Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about West Pharmaceutical Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

WEST PHARMACEUTICAL SERVICES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE A - Description of Plan

The following description of the West Pharmaceutical Services, Inc. (the “Company” or “Plan Administrator”) 401(k) Plan (the “Plan”), as amended and restated effective October 26, 2012, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s current provisions. The Plan was most recently amended effective December 23, 2022.

General

The Plan is a defined contribution profit-sharing plan, designed to comply with Section 401(k) of the Internal Revenue Code (the “Code”), that also satisfies the matching contribution “safe harbor” provisions of the Code. Full-time employees of the Company and its participating affiliates who are at least eighteen years of age are immediately eligible to participate in the Plan. The Plan is subject to the provisions of the ERISA, as amended.

Master Trust

Effective January 3, 2011, the Company entered into an agreement with Vanguard Fiduciary Trust Company (“VFTC”) to form a master trust (“Master Trust”) to hold certain investments of the Plan and the West Contract Manufacturing Savings and Retirement Plan on a commingled basis, for investment purposes only. The sole investment in the Master Trust is common stock of the Company (the “West Stock Fund”). See Note C for more information regarding the Master Trust.

Automatic Enrollment and Escalation

Employees hired on January 1, 2020 or later are automatically enrolled in the Plan 30 days following their date of hire at a pre-tax contribution rate of 3% of eligible compensation. Furthermore, this rate will increase by 1% on April 1st every year until a 10% contribution deferral rate is reached. Employees may choose to decline participation or escalation by contacting The Vanguard Group, recordkeeper for the Plan.

Employee Contributions

Eligible employees may contribute up to 75% of pre-tax annual compensation to the Plan, of which all or a portion can be designated by the participant as Roth contributions, provided such contributions do not exceed the limits of the Code. Participants can also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, as well as Roth rollover contributions.

Company Matching Contributions

The Company matches 100% of the first 3% of compensation that a participant contributes to the Plan and 50% of the next 2% of compensation contributed to the Plan.

Non-Elective Company Contributions

Beginning in 2019, all employees were eligible to receive a Non-Elective Company Contribution to the Plan equal to 3% of the employee’s compensation. Employees must be employed on December 31 or have terminated employment during the year due to death, total and permanent disability, or in connection with an involuntary reduction in force

WEST PHARMACEUTICAL SERVICES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

such as a restructuring, reorganization, plant closure, or mass layoff or have reached age 55 with at least 10 years of service to be eligible for the annual Non-Elective Company Contribution.

The Non-Elective Company Contribution is made annually and will be allocated to participant accounts no later than the March 15 that follows the end of the previous calendar year.

Investments

The Plan offers mutual funds and the West Stock Fund as investment options for participants. The Company's Investment Committee periodically reviews, and may make changes to, the investment alternatives available.

Participants may change or transfer their investment options at any time. Participants may not allocate future contributions to, or make purchases into, the West Stock Fund. The portion of the Plan which is invested in the West Stock Fund has been designated as an Employee Stock Ownership Plan ("ESOP").

Company Matching Contributions and Non-Elective Company Contributions are invested according to the investment allocations made for participant contributions.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each account is self-directed and is credited with the participant's contribution, the Company's Matching Contribution and any applicable Non-Elective Company Contributions, and an allocation of Plan earnings (losses). Participant accounts are charged with certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and Company Matching Contributions, plus earnings thereon. Participants become vested in the Non-Elective Company Contributions after completing three years of service with the Company. All contributions are 100% vested when a participant reaches age 65, dies or becomes totally and permanently disabled.

Forfeited Accounts

At both December 31, 2022 and 2021, the balance of forfeited accounts totaled \$9,233 and \$37,182. During 2022 and 2021, forfeitures of \$549,404 and \$327,244, respectively, were used to reduce Company Matching Contributions. No forfeitures were used to pay administrative expenses during 2022 or 2021.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum amount equal to the lesser of \$50,000 or 50% of the vested portion of their account balances. The loans are secured by the balance in the participant's account. Loan terms generally range from one to five years, except for loans to purchase a principal residence which may be repaid over fifteen years, and bear interest at the Prime rate plus 1% as published on the first business day of each month following a change in the rate, as determined on the date the loan is made. At December 31, 2022, interest rates on outstanding loans ranged from 4.25% to 8.00%. At December 31, 2021, interest rates on outstanding loans ranged from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

Benefits

Benefits are payable upon termination of a participant's employment, or termination of service due to death, disability or retirement. Participants may make in-service withdrawals in accordance with the provisions outlined in the Plan document. Generally, any benefit due shall be paid as soon as administratively feasible.

NOTE B - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying footnotes. Actual results could differ from these estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. See Note D for discussion of fair value measurements, with the exception of the Master Trust, which is discussed in Note C. Purchases and sales of investments are recorded on a trade-date basis. The Plan presents in its statements of changes in net assets available for benefits the net (depreciation) appreciation in the fair value of its investments, which consists of both realized and unrealized gains and losses.

Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Interest income is accrued when earned.

Collective Investment Trusts ("CITs")

The Plan holds investments in multiple Vanguard target retirement trust funds. These trusts invest in other Vanguard mutual funds and trusts according to an asset allocation strategy designed for investors planning to retire and leave the workforce in or within a few years of the applicable target year. The Plan also holds an investment in a fixed income trust fund. This fund seeks maximum current income and total return through active asset allocation across fixed income sectors.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Payment of Benefits

Benefits are recorded when paid. Delinquent notes receivable from participants are treated as distributions based upon the terms of the Plan document.

Plan Expenses

Administrative expenses of the Plan are paid jointly by participants and the Company.

NOTE C - Master Trust

As mentioned in Note A, a portion of the Plan's investments are held in a Master Trust, commingled with assets of another Company-sponsored retirement plan. The sole investment in the Master Trust is the West Stock Fund.

The total fair value of the Master Trust's investment in the West Stock Fund, as of December 31, 2022 and 2021, was \$50,380,941 and \$115,002,066, respectively. The West Stock Fund is valued at the year-end unit closing price, which is comprised of the quoted market price of the Company stock plus an uninvested cash portion, which is considered a Level 1 fair value measurement.

Effective January 1, 2022, the Plan was amended to freeze the investment of contributions and accounts in the common stock of the Plan sponsor.

The changes in net assets for the Master Trust for the years ended December 31 are as follows:

	2022	2021
Dividends	\$ 166,548	\$ 190,643
Net (depreciation) appreciation in fair value of common stock	(53,922,978)	50,294,612
Net investment (loss) income	(53,756,430)	50,485,255
Net transfers	(10,864,695)	(21,139,650)
(Decrease) increase in net assets	(64,621,125)	29,345,605

Beginning of year	115,002,066	85,656,461
End of year	<u>\$ 50,380,941</u>	<u>\$ 115,002,066</u>

The Plan's share of the Master Trust's net assets and investment activities is based upon the total of each individual participant's share of the Master Trust. The Plan's interest in the net assets of the Master Trust was 99.38% and 99.31%, as of December 31, 2022 and 2021, respectively.

The following tables summarize the Plan's investments in the Master Trust for the years ended December 31:

NOTE D - Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

The following fair value hierarchy classifies the inputs to valuation techniques used to measure fair value into one of three levels:

- Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.
- Level 3: Unobservable inputs that reflect the reporting entity's own assumptions.

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

The following tables summarize the Plan's investments, excluding the Master Trust, that are measured at fair value on a recurring basis:

Mutual funds	\$ 181,177,464	\$ —	\$ —	\$ 181,177,464

Total Investments at fair value	\$ 387,011,261	\$ —	\$ —	<u>\$ 387,011,261</u>

(a) Certain investments measured at Net Asset Values ("NAV") have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The valuation methodologies used for assets measured at fair value are as follows:

Mutual funds: Valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end.

Collective investment trusts: Refer to Note B, *Collective Investment Trusts*, for a description of the investment strategies related to the CITs. CITs are valued at their respective NAV as provided by the trustee of each fund. The NAV, which is used as a practical expedient to estimate fair value, is based on the fair value of the underlying investments held by each trust less their liabilities. There are no unfunded commitments related to these trusts and there are no restrictions as to the redemption of these investments.

NOTE E - Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

WEST PHARMACEUTICAL SERVICES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE F - Related Party and Party-in-Interest Transactions

The Plan invests in shares of mutual funds which are managed by VFTC, a subsidiary of The Vanguard Group, Inc. VFTC acts as Trustee for these investments, as well as the West Stock Fund, as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. In addition, loans to participants qualify as party-in-interest transactions.

NOTE G - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants' accounts will be distributed in accordance with the provisions of the Plan.

NOTE H - Tax Status

The Plan obtained its latest determination letter on May 3, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since requesting the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. federal, state or local authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022, there were no uncertain positions taken or expected to be taken that require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations prior to 2019.
