### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Companion Health Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2022 (liquidation basis) and December 31, 2021, and the related statement of changes in net assets available for benefits for the period ended September 30, 2022 (liquidation basis), and the related notes to the financial statements (liquidation basis).

Management, having determined it is permissible in the circumstances, has elected to have the audits of Companion Health Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of September 30, 2022 and December 31, 2021, and for the period ended September 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- 
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Companion Health Services 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Companion Health Services 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

---

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Companion Health Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Companion Health Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

---

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Emphasis of Matter – Plan Termination**

As further discussed in Notes 1 and 2 of the financial statements, those charged with governance made a decision on May 16, 2022 to terminate the Companion Health Services 401(k) Plan, upon the merger of Companion Health Services 401(k) Plan with a Principal Pooled Employer Plan. As a result, in accordance with accounting principles generally accepted in the United States of America, the Companion Health Services 401(k) Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. All participant accounts were transferred by October 11, 2022. Our opinion is not modified with respect to this matter.

**Companion Health Services 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended September 30, 2022 and Year Ended December 31, 2021**

**Note 1 – Description of Plan**

The following description of Companion Health Services 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

**Termination of the Plan**

On May 16, 2022, the Company signed a letter of intent to merge the Plan into a Principal Pooled Employer Plan. All participant accounts were transferred by October 11, 2022.

**General**

The Plan was a defined contribution plan established by Companion Health Service, LLC (the Plan Sponsor and Company) under the provisions of Section 401(a) of the United States Internal Revenue Code (the IRC), which included a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company and any adopting participating employers. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as certain provisions of the federal income tax laws.

On May 16, 2022, the Company signed a letter of intent to merge the Plan into a Principal Pooled Employer Plan. All participant accounts were transferred by October 11, 2022.

The following adopting employers were allowed to participate in the plan:

- Advanced Medical Equipment, LLC
- Ash Street Place, LLC
- CHAPCO, LLC
- Companion at Home, LLC
- Companion Home Health, LLC
- Companion Hospice, LLC
- Golden Age Nursing Home of Guthrie, LLC
- Golden Oaks Village of Stillwater, LLC
- Perry Green Valley Nursing Home, LLC
- Stillwell Nursing Home, LLC
- Willow Creek Health Care, LLC
- Red Bud Assisted Living, LLC

**Companion Health Services 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended September 30, 2022 and Year Ended December 31, 2021**

All employees of the Company and any participating affiliates were subject to the following eligibility requirements:

- Age: 21
- Service: 12 months
- Status Exclusions:
  - a. Leased Employees
  - b. Part-time or seasonal employees
  - c. Other exclusion
  - d. Non-resident aliens with no U.S. earned income

Upon satisfying the eligibility requirements, employees could participate in the Plan on the first day of next quarter.

**Contributions**

The Plan was funded through employee elective deferrals and Company contributions. Each year, participants could elect to contribute a portion of their compensation, subject to certain maximum limitations imposed by Section 402(g) of the IRC. At the discretion of the Plan Administrator, participants were permitted to deposit or “roll over” into the Plan distributions they have received from other plans and certain Individual Retirement Accounts (IRAs). Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions.

The following contribution types were allowed by the plan:

- Elective deferrals
- Roth deferrals
- Rollover contributions
- Employer matching

Participants directed the investment of their contributions into various investment options offered by the Plan.

**Participant Accounts**

Each participant's account was credited with the participant's contribution, allocation of the Company's contributions, and Plan earnings or losses and charged with an allocation of administrative expenses. Allocations were charged based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant was entitled is the benefit that can be provided from the participant's vested account.

**Companion Health Services 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended September 30, 2022 and Year Ended December 31, 2021**

**Vesting**

Participants were immediately 100% vested in their elective deferrals including catch-up contributions, rollover contributions from other plans, and actual earnings thereon. The method for crediting vesting service for company matching contributions was based on vesting periods of service. Participants were credited with a period of service for 1,000 hours earned. Participants were always 100% vested in their company matching contributions if they are employed on or after their Normal Retirement Age or if they terminate employment on account of their death or disability.

<u>Service Years</u>	<u>Matching</u>
<1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

**Forfeited Accounts**

Forfeitures represent unvested portions of terminated participants' accounts. The Plan allowed forfeitures of non-vested Company contributions to be used in the following ways:

- Reduce Company Contributions

At September 30, 2022 and December 31, 2021, forfeited non-vested accounts totaled \$0 and \$0, respectively. During the period ended September 30, 2022, forfeited non-vested accounts of \$14,190 were used.

**Investment Options**

Upon enrollment in the Plan, a participant could direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and Plan Sponsor and in such multiples as the participant prescribes. A participant could change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

**Benefits Paid to Participants**

Upon termination of service, disability, or retirement, a participant was entitled to receive a distribution equal to the value of the participant's vested interest in his or her account. Distribution of a deceased participant's account were to be made to the designated beneficiary.

**Companion Health Services 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended September 30, 2022 and Year Ended December 31, 2021**

As required under Section 401(a)(9) of the IRC, a participant must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (i) the year in which the participant reaches age 70½ or 72 if the participant is not 70½ prior to January 1, 2020, or (ii) the year in which the participant retires.

The following types of distributions were also allowed by the plan:

- Hardship
- In Service
- Involuntary cash-outs
- Rollover source withdrawal at any time

**Plan Expenses**

The Plan's expenses were paid by either the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company were excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that were paid by the Plan were recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses were included in net appreciation (depreciation) of fair value of investments.

**CARES Act**

The Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law on March 27, 2020. The CARES Act allows certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, delay the commencement date for required minimum distributions, and take a coronavirus-related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The Plan adopted the temporary provisions of the CARES Act.

**Companion Health Services 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended September 30, 2022 and Year Ended December 31, 2021**

**Note 2 – Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles (U.S. GAAP). Certain prior period disclosures have been revised to conform to current year's presentation. On May 16, 2022, the Company signed a letter of intent to merge the Plan into a Principal Pooled Employer Plan. As a result, the Plan's financial statements as of September 30, 2023 and for the period January 1, 2022 through September 30, 2022 have been prepared on the liquidation basis, in accordance with U.S. GAAP. This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimate net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of September 30, 2022 would be fair value. There were no material changes to the 2022 and 2021 financial statements as a result of using the liquidation basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Reclassification**

Certain reclassifications may have been made to the 2021 financial statement presentation to correspond to the current year's format. Total net assets available for benefits are unchanged due to these reclassifications.

**Investment Valuation and Income Recognition**

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. See Note 4 for discussion of fair value measurements. Interest and other income were recorded on the accrual basis. Purchases and sales of investments were recorded on the trade-date basis. Dividends were recorded on the ex-dividend date. The net appreciation (depreciation) of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year end, is presented in the statement of changes in net assets available for benefits.

**Payment of Benefits**

Benefits were recorded when paid.

**Subsequent Events**

Subsequent events were evaluated through July 18, 2023, which is the date the financial statements were available to be issued.

**Companion Health Services 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended September 30, 2022 and Year Ended December 31, 2021**

**Note 3 – Certified Investments**

Certain information summarized below related to the accompanying financial statements and ERISA-required supplemental schedules was obtained by management and agreed to or derived from information certified as complete and accurate by Standard Insurance Company, the custodian of the Plan.

	<b>2022</b>	<b>2021</b>
Investment values certified	\$ -	\$ 1,502,142
<b>Period ended September 30, 2022</b>		
Investment income certified:		
Net appreciation (depreciation) in fair value of investments		\$ (351,446)
Interest		\$ 680

**Note 4 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability; and
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**Companion Health Services 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended September 30, 2022 and Year Ended December 31, 2021**

The following is a description of the valuation methodologies used for assets measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts

Pooled separate accounts were valued using the net asset value (NAV) of units held by the Plan at year end. The NAV is determined by the custodian of the fund and was based upon the fair value of the underlying assets held by the fund. NAV was used as a practical expedient to estimate fair value. There were no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	<b>2022</b>	<b>2021</b>
<b>Level 1</b>	\$ -	\$ -
<b>Level 2</b>	-	-
<b>Level 3</b>	-	-
<b>Investments at fair value</b>	-	-
<b>Investments measured at net asset value</b>	-	1,342,521
 <b>Total Investments</b>	\$ -	\$ 1,342,521
	<b>2022</b>	<b>2021</b>
Pooled separate accounts		
Fair value	\$ -	\$ 1,342,521
Unfunded commitment	\$ -	\$ -
Redemption frequency	Daily	Daily
Redemption notice period	None	None

Gains and losses realized and unrealized, for the period ended September 30, 2022 are reported under net appreciation (depreciation) in fair value of investments on the accompanying statement of changes in net assets available for benefits.

**Note 5 – Fully Benefit-Responsive Investment Contracts**

The Plan invested in the Stable Asset Fund, which is a fully benefit-responsive guaranteed investment contract (GIC). This contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value was the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

**Companion Health Services 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended September 30, 2022 and Year Ended December 31, 2021**

The following represents the disaggregation of investment contracts held by the plan:

	2022	2021
Traditional investment contracts	\$ -	\$ 159,621
Total Fully Benefit-Responsive Investment Contracts	\$ -	\$ 159,621

The traditional investment contract held by the Plan was a guaranteed investment contract. The contract issuer was contractually obligated to repay the principal and interest at a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established in a contract between the Plan and the contract issuer, which could not fall below 0%. The crediting rate was reviewed on a quarterly basis for resetting. The contract could not be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts was dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may have been affected by future economic and regulatory developments.

Certain events might have limited the ability of the Plan to transact at contract value with the contract issuer. These events could have been different under each contract. Examples of such events included the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events were probable that might limit the ability of the Plan to transact at contract value with the contract issuers and that also could limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allowed the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events could have been different under each contract. Examples of such events included the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer.

**Period Ended September 30, 2022 and Year Ended December 31, 2021**

**Note 6 – Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS were recorded as a liability with a corresponding reduction to contributions.

The excess contributions as of September 30, 2021 were distributed by the Plan to the applicable participants within the allowable time frame as required by ERISA.

**Note 7 – Related Party Transactions and Transactions with Parties-in-Interest**

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the period ended September 30, 2022, the Plan made direct payments of \$5,094 to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan sponsor paid directly any other fees related to the operation of the Plan.

Fees incurred by the Plan for the investment management services were included in the net appreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

**Note 8 – Risks and Uncertainties**

Prior to plan termination, the Plan invested in various investment securities. Investment securities were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is, at least, reasonably possible that changes in values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Note 9 – Tax Status**

The Plan sponsor adopted a plan which received a favorable opinion letter, issued to the document provider, from the Internal Revenue Service dated March 31, 2014, which states that the Plan was designed in accordance with the applicable sections of the IRC and is, therefore, not subject to tax under present income tax law. The Plan was required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

GAAP requires Plan management to evaluate tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2022 there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended September 30, 2022 and Year Ended December 31, 2021**

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

**Note 10 – Reconciliation of Financial Statements to Form 5500**
