INDEPENDENT AUDITOR'S REPORT

To the Trustees of the Meadowbrook Golf Group, Inc. Savings Plan
Lakeland, Florida

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Meadowbrook Golf Group, Inc. Savings Plan, a plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Meadowbrook Golf Group, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In my opinion, based on my audit on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(30(C).

Basis for Opinion

I conducted my audit in accounting standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Meadowbrook Golf Group, Inc. Savings Plan and to meet other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Meadowbrook Golf Group, Inc. Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Meadowbrook Golf Group, Inc Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Meadowbrook Golf Group, Inc. Savings Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing, comparing the certified investment information with related information presented and disclosed in the financial statements, and reading disclosures relating to certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles accepted in the United States of America.

I am required to communicate with those charges with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during my audit.

Supplemental Schedules Required by ERISA

The supplemental Schedules H as of or for the years ended December 31, 2022 and 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information other than that derived from certified investment information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

MEADOWBROOK GOLF GROUP, INC.
SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of Meadowbrook Golf Group, Inc. (Company) Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General- The Plan is a defined contribution plan covering all employees of the Company who have completed 1 year of service and 1,000 hours of service and attained age 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established February 1, 1996.

Contributions- Participants may annually contribute up to 20% of pretax annual compensation, subject to annual limits, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans. Participants direct the investments of their contributions into various investment options offered by the Plan.

Participant Accounts- Each participant's account is credited with participant's contribution and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting- Participants are immediately vested in their contributions plus actual earning thereon.

Participant Notes Receivable- Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from 1 to 5 years or up to 25 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates range from 2% to 3% over prime. Principal and interest is paid ratably through monthly payroll deductions.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits- On termination of service, a participant may elect to receive either a lump-sum amount equal to the vested value of his or her account, or payments in monthly, quarterly, or annual installments over a period not exceeding the life expectancy of the participant and their beneficiary. Upon attainment of normal retirement age, participants who continue employment with the Company may elect to receive all or any portion of his or her vested account balance.

Absorption of Costs by the Company- The Company absorbs the Plan's audit expense and does not charge the Plan for administrative functions performed by employees of the Company on behalf of the Plan.

Trustees- The employer has appointed and Reliance Trust Company and ADP Retirement Services, Inc. as trustees for the Plan for plan years 2022 and 2021, respectively. Under agreements, the trustees hold all amounts contributed for the Plan and upon direction, make benefit payments and distributions to participants and beneficiaries.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Participants' Notes Receivable

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Related fees are charges directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If the participant fails to make any loan repayments and the plan administrator considers the loan to be in default, the loan balance is reduced and the delinquent amount is recorded as a benefit payment based upon the terms of the Plan document.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation

The Plan's investments are stated at fair value, except for investment contract, which is valued at contract value (Note 3). The assets are maintained in separate pooled accounts by the trustees/administrators. The trustees determine the values of each pooled account daily based on quoted market values, which represent the net asset value of units held by the Plan at year end.

Contributions of the accounts increase the number of units and withdrawals from the accounts decrease the number of units.

Federal Form 5500

The mutual funds are classified as "interest in pooled separate accounts" on the Federal Form 5500 and the guaranteed interest account is classified as "funds held in insurance general account". The Plan's net investment gains or losses from interest in pooled separate accounts are combined and presented on line 2b(7) of the Federal Form 5500. The Plan's interest incomes from guarantee insurance contracts are presented on line 2b(1)(F).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Management's Review of Subsequent Events

Events occurring subsequent to the Plan's year-end of December 31, 2022 and prior to June 28, 2023 the date the financial statements were available for issuance, were evaluated for potential impact to the financial statements.

NOTE 3 INVESTMENTS

The Plan's investments are held in a guaranteed interest account and in pooled separate accounts owned by a qualified institution.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan and Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stocks, corporate bonds and U.S. government securities are based on the closing price reported on the active market where the active securities are traded.

Level 2 Fair Value Measurements

The fair value of corporate bonds and U.S. government securities are valued using a market approach on yield currently available on comparable securities of issuers with similar credit ratings.

Level 3 Fair Value Measurements

The guaranteed investment contracts with insurance companies and participant notes receivable are not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed investment contracts are determined by discounting the related cash flows on the current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. The fair value of participant notes receivable approximates the amortized cost of the notes because these notes are secured by each respective participant's account balance.

NOTE 3 INVESTMENTS (CONTINUED)

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 5 TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.
