Opinion

We have audited the accompanying financial statements of ***Lutheran Social Services Group, Inc. 401(k) Retirement Plan***, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ***Lutheran Social Services Group, Inc. 401(k) Retirement Plan*** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise a substantial doubt about ***Lutheran Social Services Group, Inc. 401(k) Retirement Plan's*** ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the [*Lutheran Social Services Group, Inc. 401\(k\) Retirement Plan's*](#) ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

General

The **Lutheran Social Services Group, Inc. 401(k) Retirement Plan** is a safe harbor defined contribution plan that covers all eligible employees of **Lutheran Social Services Group, Inc.** (the Plan Sponsor). The Plan Sponsor is a not-for-profit social service agency exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors oversees governance of the Plan. The Pension Subcommittee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Eligible pension salaries are salaries of all employees who are at least 21 years of age and have completed at least 1,000 hours of service during the plan year. Upon employee termination, any nonvested benefits are forfeited by the employee and become available to offset expenses of the Plan and to reduce Plan Sponsor contributions. Benefit payments to retired or terminated employees represent one-time disbursements from Plan assets for the purchase of annuities or cash payments.

Contributions

The Plan Sponsor makes 100% matching contributions up to 5% of the employees' eligible compensation. Employees are 100% vested for matching contributions. Participants may contribute a percentage of eligible pay on a pretax basis every pay period, not to exceed IRS limits (\$20,500 for 2022 and \$19,500 for 2021). Plan participants also have the option of contributing on a post-tax basis (Roth elective deferrals). Plan participants may make catch-up elective deferral contributions (\$6,500 for 2022 and 2021) in a taxable year if the plan participant will be at least age 50 by the end of that year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan Sponsor maintains the right to make discretionary contributions to the plan. Vesting of discretionary employer contributions occurs after the first year (20%), and increases by 20% for each succeeding eligible year through year five, at which time the participant becomes fully vested. There were no discretionary contributions for 2022 or 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's matching contribution, (b) the Plan Sponsor's discretionary contribution and, (c) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investments

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

The Plan provides for individual self-directed accounts which permit participants to exercise investment control over the assets held in their individual accounts. The Plan provides approximately thirty investment options to the Plan participants. Participants should refer to the Plan Enrollment Form for descriptions of these options.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes; disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Payments of Benefits

Benefits are recorded when paid.

Unrealized Appreciation or Depreciation of Investments

In accordance with the policy of stating investments at fair value, unrealized appreciation or depreciation on investments held at year end is reflected in the statements of changes in net assets available for benefits. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Capital gains totaling \$370,612 are reported as dividends and capital gain distributions in the Statements of Changes in Net Assets Available for Benefits but are included in net investment loss from registered investment companies on the Form 5500.

Administrative Fees

Administrative expenses of the plan are paid by plan participants or through forfeitures.

NOTE 3 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are sponsored by the Plan Custodian, Principal Life Insurance Company. Total investments held by the custodian at December 31, 2022 and 2021 that are party-in-interest transactions under ERISA amounted to \$2,111,400 and \$2,117,483, respectively. Also, the Plan paid certain expenses related to plan operations and investment activity to various service providers. Total expenses paid by the Plan to Principal Life Insurance Company were \$68,664 and \$82,945 for the years ended December 31, 2022 and 2021, respectively.

These transactions are party-in-interest transactions under ERISA and are exempt from the prohibited transaction rules.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account.

NOTE 5 - FAIR VALUE MEASUREMENTS

Certain Plan investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices in active markets for similar assets or liabilities or quoted prices in inactive markets for identical or similar assets or liabilities. Level 3 inputs on the hierarchy are unobservable and significant to the fair value measurement, and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments.

The following is a description of the valuation methodologies used for the investments measured at fair value.

Registered investment companies – Funds are valued at quoted market prices in an active market. These investments are classified as Level I investments.

Common/collective trusts – The Principal Stable Value Fund has a fair value that is based on the Fund's net asset value (NAV) per share of units held, which is obtained from audited information and is used as a practical expedient. The objective of the fund is to provide preservation of capital and relatively stable returns regardless of the volatility of the financial markets.

As of December 31, the Plan's investments measured at fair value consisted of the following instruments and classifications within the fair value hierarchy.

	Quoted Prices in Active Markets for Identical Assets (Level I)	Significant Other Observable Inputs (Level II)	Significant Unobservable Inputs (Level III)	Total at December 31, 2022
Investments				
Registered investment companies	\$ 11,584,220	\$ --	\$ --	\$ 11,584,220

The fair value amounts presented in this table are shown for the purpose of reconciling to the Statements of Net Assets Available for Benefits. There are no restrictions as to the redemption of these investments, nor does the Plan have any contractual obligations to further invest in.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - TAX EXEMPT STATUS

The *Lutheran Social Services Group, Inc. 401(k) Retirement Plan* is exempt from federal and state taxation under Section 401 of the Internal Revenue Code. The Plan follows a prototype plan, which has obtained its latest determination letter in March 2014. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan's Form 5500 is subject to examination by the Internal Revenue Service; plan years that remain open for examination include the years ended December 31, 2019 and later.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – SUBSEQUENT EVENTS

Subsequent events were evaluated by Management through July 17, 2023, which is the date the financial statements were available to be issued.
