Form 5500-SF (2022)
v.220413

...from the BEGC perspective, the most important factor is the ability to attract and retain talent. The BEGC is currently facing a significant challenge in this regard, as it is unable to attract and retain the talent it needs to succeed. This is due to a number of factors, including the lack of a clear career path, the lack of competitive compensation, and the lack of a supportive work environment. The BEGC is currently working to address these issues, but it is not yet clear when it will be able to attract and retain the talent it needs to succeed.
