INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Participants
Erdman, Anthony Holding Company, Inc.
401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Erdman, Anthony Holding Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Erdman, Anthony Holding Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Erdman, Anthony Holding Company, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Erdman, Anthony Holding Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Erdman, Anthony Holding Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Erdman, Anthony Holding Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year - December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Erdman, Anthony Holding Company, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Erdman, Anthony Holding Company, Inc.; Erdman, Anthony and Associates, Inc., a New York corporation; Erdman, Anthony Associates, Inc., a Pennsylvania corporation; Erdman, Anthony and Associates of Massachusetts, Inc., a former Massachusetts corporation; and Erdman, Anthony of Florida, Inc., a Florida corporation; except leased employees, nonresident aliens with no U.S. source of income and union employees. The minimum age requirement is 18 years for entry into the Plan. Employees are eligible to enter the Plan on the first day of the month following the date the employee satisfies the eligibility requirements. The eligibility requirements for the employer's discretionary contributions are the same as the employee deferral eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). As described in Note H, on February 12, 2003, Erdman Anthony and Associates of Massachusetts, Inc. ceased operations and sold the majority of its net assets. As a result, the employees of this operation ceased being active plan participants.

Contributions

Participants may contribute up to 60% of their compensation in any one calendar year subject to Internal Revenue Service limitations. The Company contributed and allocated to each participant's account an amount equal to 30% of the employee's elective deferrals, up to a maximum of 8% of the employee's compensation. In addition, the Company, at its sole discretion, may make a contribution to the Plan and allocate this contribution to each participant based on the ratio of the participant's compensation to total compensation of all the Plan's eligible participants for the year.

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions and (b) Plan earnings or losses. A participant is entitled only to the benefit that can be provided from the participant's account.

Investment options

Participants direct contributions, including employer match contributions and employer discretionary contributions, into various investment options of their choice allowed by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions and employer discretionary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Participants will be 100% vested in the employer's matching contributions after three years of service.

ERDMAN, ANTHONY HOLDING COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2022 AND 2021

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Accounts withdrawn or forfeited

Participants who terminate employment prior to the vesting of the employer matching contributions to their retirement accounts forfeit such contributions. Such forfeitures are used to pay administrative expenses and any excess may be allocated to remaining participants through the employer's discretionary contribution or used to offset future matching contributions required by the employer. During 2022 and 2021, \$11,467 and \$6,045, respectively, of forfeitures were used to reduce the Company's matching contributions.

Payment of benefits

On termination of service, a participant with less than \$1,000 of vested interest in his or her account will receive a lump-sum distribution. If the participant's vested interest in his or her account exceeds \$1,000 at termination of service, a lump-sum amount or installment payments equal to the vested value of his or her account will be made if requested by the participant. Effective January 1, 2020, the plan was amended to include an alternative annuity distribution option if requested by the participant. Benefits are recorded when paid.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Valuation of investments and income recognition

The investments are valued at fair value as determined by the trustees at December 31, 2022 and 2021. Fair value measurements are described in Note J. Dividend income is recorded on the ex-dividend date and interest income is recorded as earned on the accrual basis.

Valuation of guaranteed investment contracts

The guaranteed investment contracts are valued at contract value because they are fully benefit responsive. Contract value represents contributions made under the contracts, plus interest at the contract rate, less funds used to pay retirement benefits and administrative expenses. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Contributions made to the guaranteed investment contracts are invested in the Empower Life & Annuity Insurance Company of New York's Guaranteed Interest Fund. The principal invested in the Fund is guaranteed as long as the contract is in force. The Guaranteed Interest Fund has interest rates established quarterly, for the entire fund, regardless of when the funds are deposited. The credited interest rate may stay the same or change each quarter.

The Guaranteed Interest Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The effective annual interest rate will never be less than 0%. The gross guaranteed interest rate was 1.30% and 1.15% at December 31, 2022 and 2021, respectively.

ERDMAN, ANTHONY HOLDING COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2022 AND 2021

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

The average yield earned by the plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average was 1.18% and 1.15% for 2022 and 2021, respectively.

Certain events may limit the ability of the plan sponsor and/or plan participants to transact at contract value with Empower Life & Annuity Insurance Company of New York. Examples of these events would include (but would not be limited to) full or partial plan termination and premature termination of the guaranteed investment contract. The Plan administrator does not believe that the occurrence of any of the aforementioned events, which would limit the Plan's ability to transact with Empower Life & Annuity Insurance Company of New York at contract value with participants, are probable.

The investment in guaranteed investment contracts is an alternative investment. Because alternative investments are not readily marketable, their estimated value is subject to uncertainty and therefore may differ from the value that would have been used had a ready market for such investments existed. Such difference could be material.

Administrative expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Uses of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the statement of net assets available for benefits date through July 20, 2023 which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

ERDMAN, ANTHONY HOLDING COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2022 AND 2021

NOTE C: CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, as listed below, was obtained from management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York, trustees of the Plan and custodians of the Plan's assets as of and for the years ended December 31, 2022 and 2021.

- Investments, at fair value
- Guaranteed investment contracts, at contract value
- Notes receivable from participants
- Investment interest and dividend income
- Investment results from guaranteed investment contracts
- Interest income attributable to notes receivable from participants
- Net appreciation or depreciation in fair value of investments
- Schedule of Assets Held for Investment Purposes at End of Year – December 31, 2022

NOTE D: NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured and valued at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow an amount which does not exceed the lesser of \$50,000 or 50% of the participants' account. The interest rate charged on notes is based on prevailing interest rates charged by persons in the business of lending money from loans which would be made under similar circumstances. The interest rate remains fixed throughout the duration of the loan. Principal and interest payments on the loans are redeposited in the participants' accounts based on their current allocation elections. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTE E: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend the Plan at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

NOTE F: TAX STATUS

The Internal Revenue Service has determined and informed the Plan applicant by a letter dated November 2022, that the Non-Standardized Pre-Approved Plan adopted by the Company and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or reduce an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or reduction of an asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2019.

NOTE G: PARTY-IN-INTEREST TRANSACTIONS

In 2022 and 2021, certain plan investments are managed by Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York, the trustees, as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

As described in Note B, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA.

NOTE H: DISCONTINUED OPERATION

Effective February 12, 2003, Erdman Anthony and Associates of Massachusetts, Inc. ceased operations and sold the majority of its net assets. As a result, the employees of this operation ceased being active participants of the Plan on February 12, 2003. Participants are able to remain in the Plan once terminated from employment. Approximately \$141,000 and \$203,000 of plan assets at December 31, 2022 and 2021, respectively, relate to the participants from the Massachusetts operation.

NOTE I: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J: FAIR VALUE MEASUREMENTS

Guidance issued by the Financial Accounting Standards Board establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

- Level 1 - Quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Instruments whose significant inputs are unobservable.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Variable annuity: Valued at the net asset value (NAV) of shares of the underlying funds that the fund is directly invested, which is then adjusted to apply the expense factor disclosed in the annuity contract.

Collective trusts: Valued on the basis of the relative interest of each participating investor (including each participant) in the fair value of the underlying net assets of the collective trusts. The Fidelity Freedom Blend investments seek capital appreciation and income consistent with their current asset allocation, which vary based on the target date; after the target date of the applicable fund, it seeks income and secondarily capital growth. The funds invest in a professionally selected mix of underlying funds, including equity securities and fixed income securities, that is tailored for investors planning to retire in or close to the applicable target date of the fund. While the funds are non-diversified, they each invest in diversified underlying holdings. There are no unfunded commitments for the collective trusts as of December 31, 2022 and 2021. In addition, there were no waiting periods or other restrictions on redemptions from the collective trusts as of December 31, 2022 and 2021.

NOTE J: FAIR VALUE MEASUREMENTS, Cont'd

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

The following presents the financial instruments measured at fair value on a recurring basis at December 31, 2022 and 2021:
