Independent Auditor's Report

To the Participants and Administrative Committee
Orlando Magic 401(k) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Orlando Magic 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Orlando Magic 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Orlando Magic 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Orlando Magic 401(k) Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Orlando Magic 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Orlando Magic 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The Supplemental Schedule of Schedule of Assets (Held at Year End) for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Orlando Magic 401(k) Savings Plan

Notes to the Financial Statements

December 31, 2022 and 2021

(1) Description of Plan

The following description of the Orlando Magic 401(k) Savings Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was originally established July 1, 1990 and was amended and restated effective February 1, 2021. The Plan is a defined contribution plan covering all full-time employees of Orlando Magic, Ltd. (“the Company”). All full-time and seasonal employees are eligible to participate in the Plan the first day of each month after one year of service in which they completed at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

(b) Contributions

Each year, participants may elect to make before-tax or roth contributions up to limits established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch- up contributions as permitted by the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“rollover contributions”). Participants direct the investment of their contributions into various investments options offered by the Plan. Participant contributions are transferred to the Plan throughout the year.

The employer may make matching contributions to eligible employees equal to 50% of participant’s elective deferrals not to exceed 6% of participant’s qualified compensation. For the year ended December 31, 2022, the employer contributions to the Plan were \$675,346.

All participant and employer contributions are subject to the limitations specified by the Plan and the Internal Revenue Code and Regulations.

Notes to the Financial Statements

December 31, 2022 and 2021

(1) Description of Plan (Continued)

(c) *Participant Accounts*

Each participant's account is credited with the participant's contributions, and employer matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

(d) *Vesting*

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service.

Vesting rights accrue as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	100%

(e) *Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are usually a maximum of five years except for the purchase or construction of a primary residence, which may be longer. The loans are secured by the balance in the participant's account and bear interest as of the date the loan is granted. Interest rates are commensurate with those used by the local commercial lenders for loans granted under similar circumstances. Loans outstanding at December 31, 2022 have interest rates ranging from 4.50%-8.00%.

Orlando Magic 401(k) Savings Plan

Notes to the Financial Statements

December 31, 2022 and 2021

(1) Description of Plan (Continued)

(f) Retirement, Death, and Disability

A participant is entitled to 100% of his or her account balance upon retirement, death, or disability.

(g) Payment and Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum equal to the value of the participant's vested interest in his or her account, or installment payments as requested by the participant.

(h) Forfeitures

Any sponsor matching contributions and earnings thereon credited to an employee's account that have not vested upon that employee's termination are used to first pay plan administrative cost and then to reduce future employer matching contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$7,702 and \$31,548, respectively. During 2022, \$11,884 was used to reduce future employer matching contributions and administrative costs, respectively.

(i) Administrative and Investment Management Expenses

Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan. All other expenses of the Plan are paid by the Company.

(j) Hardship Withdrawals

Subject to certain limits set by the Plan, hardship withdrawals will be considered for participants for certain medical expenses, to pay the costs related to the purchase of a principal residence, payment of tuition and related educational fees for the next twelve months of post-secondary education, and payments to prevent eviction from a principal residence. Hardship withdrawals may be made once in a twelve-month period and will be paid as soon as practical following the receipt of all information necessary to make payment. Participants will be suspended from making Elective Contributions to this Plan or any other qualified or nonqualified plan(s) of their Employer for six months following the hardship withdrawal. The withdrawal may not exceed the amount necessary to meet the need but may include amounts necessary to pay federal, state or local income taxes and penalties resulting from the withdrawal. The withdrawal may be subject to both the additional 10% federal tax penalty described below and ordinary income tax.

Orlando Magic 401(k) Savings Plan

Notes to the Financial Statements

December 31, 2022 and 2021

(1) Description of Plan (Continued)

(j) Hardship Withdrawals (Continued)

Hardship withdrawals may be made only if there are no other resources available to meet the financial need, including loans from this Plan (if provided under the Plan) or any other plan(s) maintained by the Employer. Hardship withdrawals may not be rolled over to another qualified employer plan or an Individual Retirement Account.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in net assets and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their amortized cost. Interest income is recorded on the accrual basis.

(d) Investment Valuation and Income Recognition

Investments are reported at fair value, except for the Key Guarantee Portfolio Fund, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Orlando Magic 401(k) Savings Plan

Notes to the Financial Statements

December 31, 2022 and 2021

(2) Summary of Significant Accounting Policies (Continued)

(d) *Investment Valuation and Income Recognition (Continued)*

Interest income is recognized when earned. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investment and unrealized appreciation or depreciation is recognized at period end when carrying values of the related investments are adjusted to their fair values. Purchases and sales of investments are recorded on a trade-date basis.

(e) *Risk and Uncertainties*

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

(f) *Benefits Paid*

The Plan records benefit payments when paid.

(3) Fair Value Measurements

FASB Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements required under other accounting pronouncements, but does not change existing guidance as to whether or not an instrument is carried at fair value. The fair value of our financial instruments is based on the closing market prices of the instruments when applicable, or alternatively, valuations utilizing market data and other observable inputs, inclusive of the risk of nonperformance. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Orlando Magic 401(k) Savings Plan

Notes to the Financial Statements

December 31, 2022 and 2021

(3) Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ('NAV') and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund – This investment is considered a deposit liability with no defined maturities and is valued at contract value. Since the contract value is the fair value according to U.S. GAAP, the average yield earned by the Plan is equal to the average yield earned by the Plan adjusted to reflect the actual interest rate credited to Plan participants.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to the Financial Statements

December 31, 2022 and 2021

(3) Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total

Total investments at fair value	<u>\$ 28,337,623</u>	<u>\$ 1,669,877</u>	<u>\$ -</u>	<u>\$ 30,007,500</u>

(4) Certification of Investment Information

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021; net depreciation in fair value of the investments and interest and dividends for the year ended December 31, 2022, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company, the custodian of the Plan.

(5) Tax Status

The Company has adopted a Great-West Trust Company Defined Contribution Prototype Plan and Trust that received a favorable opinion letter from the Internal Revenue Service dated November 14, 2022. The Plan has been amended since receiving the opinion letter, however the Company and its counsel believe the Plan is designed and currently being operated in compliance with the IRC and that, therefore, the Plan is tax exempt.

Notes to the Financial Statements

December 31, 2022 and 2021

(6) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(7) Party-In-Interest

Certain Plan investments are units or shares of mutual funds managed by Great-West Life & Annuity Insurance Company (the Plan Custodian). These transactions qualify as party in interest transactions. Fees paid by the Plan's participants for the investment management services amounted to \$71,330 for the year ended December 31, 2022.

(8) Subsequent Events

The Plan has evaluated subsequent events through July 13, 2023, the date the financial statements were available to be issued.
