Independent Auditor's Report

To the Plan Trustees
Credit Control, LLC 401(k) Plan
Earth City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Credit Control, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Credit Control, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Credit Control, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Credit Control, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Credit Control, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Credit Control, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Credit Control, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Credit Control, LLC (the Company) for the benefit of its employees who are not covered by a collective bargaining agreement. Employees who are at least 18 years of age and have completed one year of service, defined as 12 consecutive months of employment during which the employee has 1,000 hours of service, are eligible to contribute to the Plan and participate in the Company match and profit-sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). John Hancock Life Insurance Company is the custodian and John Hancock Retirement Plan Services is the recordkeeper of the Plan (collectively referred to as John Hancock).

Contributions

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 90% of eligible compensation. Employee rollover contributions are also permitted. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Company matching and profit-sharing contributions are discretionary as determined by the Company's Board of Directors. During 2022, the Company made matching contributions of 50% of employees' salary deferral amounts on the first 4% of employees' compensation. There were no profit-sharing contributions in 2022.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Investment Account Options

Each participant has the option of directing his or her contributions into any of the various investment options offered by the Plan and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus the earnings thereon and are vested in employer contributions and the earnings thereon based on years of service, as defined. A participant is 20% vested after each year of service and is 100% vested at five years of service.

Credit Control, LLC 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Notes Receivable From Participants

Participants may borrow a minimum of \$1,000 and up to 50% of their vested account balance; however, in no case shall the maximum loan amount be greater than \$50,000, minus the highest outstanding balance of loans in the past twelve months. The loans are secured by the balance in the participant's account. Participants may only have one loan outstanding at any given time. Interest on loans is based on local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. The loan must be repaid, among other events, upon the participant's death, termination, distribution of account balance, or Plan termination.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a certain period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

Forfeited non-vested accounts may be used to pay Plan expenses or to reduce any employer contributions. During 2022, forfeited non-vested amounts totaling \$15,173 were used to pay for employer contributions. The forfeited non-vested account balance was zero at December 31, 2022 and 2021.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP, requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Credit Control, LLC 401(k) Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The custodian of the Plan determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the Plan year.

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Administrative expenses of the Plan are paid both by the Plan sponsor and the participants of the Plan. Certain expenses of maintaining the Plan are paid directly by the Plan's sponsor and are excluded from these financial statements. Brokerage commissions, transfer taxes, and other charges and expenses in connection with the purchase or sale of securities are charged against the trust fund and added to the cost of such securities or deducted from the sale proceeds, as the case may be. Participants are also charged check processing fees in certain circumstances.

Subsequent Events

Effective February 2023, the Plan switched custodians from John Hancock Life Insurance Company to Voya Financial.

The Plan has evaluated subsequent events through the date of July 18, 2023, the independent auditor's report, which is the date the financial statements were available to be issued.

Credit Control, LLC 401(k) Plan

Notes to Financial Statements

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: The fair value of pooled separate accounts is based on the fair value of the underlying mutual funds held by the pooled separate accounts, as adjusted for earnings and certain expenses. Each pooled separate account holds shares of a single underlying fund, and although the underlying funds make distributions from time to time, the pooled separate accounts never make any distributions to unit holders. Distributions received from an underlying fund are reinvested into additional shares of the underlying fund and the reinvestment of such distributions results in the pooled separate account holding more fund shares, at a lower per share price, but the total dollar amount invested does not change. In addition, the pooled separate accounts levy administrative maintenance charges and can also include Cost of Class Funds. These are paid by each pooled separate account unit class by selling sufficient shares of respective underlying funds to pay the charges. These charges are levied daily at a class level for each pooled separate account, and therefore reduce the price per unit of each class of a pooled separate account from what it would be in the absence of these charges.

Stable Value Fund: Composed primarily of fully benefit-responsive investment contracts issued by state regulated insurance companies and banks, including but not limited to, John Hancock. The fund is valued at fair value which is the relevant measure of fair value for this type of investment. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 3: Fair Value Measurements (Continued)

The following tables present fair value measurements of assets recognized in the accompanying Statements of Net Assets Available for Benefits measured at fair value on a reoccurring basis and the Level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022 and 2021.

	Assets at Fair Value as of			
	Fair Value	Level I	Level II	Level III

Pooled separate accounts	\$ 7,106,043	\$ -	\$ 7,106,043	\$ -
John Hancock Stable Value Fund	581,189	-	581,189	-
Investments at fair value	\$ 7,687,232	\$ -	\$ 7,687,232	\$ -

Note 4: Information Prepared and Certified by the Custodian

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to be complete and accurate by John Hancock as of December 31:

	2022	2021
Pooled separate accounts	\$ 6,970,640	\$ 7,106,043
John Hancock Stable Value Fund	37,531	581,189
Notes receivable from participants	335,718	233,295
Interest income on notes receivable from participants	15,807	
Net depreciation of pooled separate accounts	(1,213,872)	
Net appreciation of John Hancock Stable Value Fund	3,827	

Credit Control, LLC 401(k) Plan

Notes to Financial Statements

Note 5: Excess Contributions Payable

As a result of discrimination testing, excess contributions amounting to \$23,890 were recorded as a liability in the accompanying Statements of Net Assets Available for Benefits at December 31, 2022, and as a deduction in the statement of changes in net assets available for benefits for the year then ended. The Plan reimbursed these excess contributions to its participants during the 2023 plan year.

Note 6: Tax Status

The Plan is designed to be a qualified trust under Section 401(a) of the Internal Revenue Code (IRC), which provides that a qualified trust is exempt from federal income taxes. The Plan is required to operate in accordance with the Plan agreement and the applicable federal laws in order to maintain its qualification. The prototype plan received a favorable opinion letter, dated March 31, 2014, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently being operated in accordance with the IRC. The Plan sponsor is not aware of any action or event that has occurred that might affect the Plan's qualified status.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 7: Related Party and Party In Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, or a person who owns 50% or more of such an employer or employee association or relatives of such persons.

The Company, which is the Plan sponsor, provides certain administrative services at no cost to the Plan.

Certain Plan investments were managed by John Hancock. John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

Notes to Financial Statements

Note 8: Plan Termination

Although it has not expressed any intent to do so, Credit Control, LLC, the Plan's sponsor, has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
