INDEPENDENT AUDITORS' REPORT

403(b) Committee
Interim, Incorporated 403(b) Plan
Monterey, California

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Interim, Incorporated 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Interim, Incorporated 403(b) Plan 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Interim, Incorporated 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Interim, Incorporated 403(b) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Interim, Incorporated 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Interim, Incorporated 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of Interim, Incorporated 403(b) Plan were audited by Hayashi Wayland LLP, whose partners and professional staff joined CliftonLarsonAllen LLP as of November 1, 2022, and has subsequently ceased operations. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed Hayashi Wayland LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated January 26, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INTERIM, INCORPORATED 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Interim, Incorporated 403(b) Plan (the Plan) is for general information purposes only. Participants should refer to the Plan document for more complete information of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan that was established in 1987 and amended and restated effective July 1, 2021. The Plan is sponsored by Interim, Incorporated (the Organization), a California nonprofit corporation. The Plan was established to provide benefits to eligible employees as defined in the Plan document. The Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code (IRC) and the provisions of ERISA, as amended.

Eligibility

Effective July 1, 2021, all employees are eligible to make an elective deferral contribution to the Plan. Prior to this date, all employees, except for employees who work less than 20 hours per week, were eligible to make an elective deferral contribution to the Plan. All employees must complete one year of service to be eligible to receive the employer matching and nonelective contribution. One year of service is defined as working at least 1,000 hours at the end of the 12-month period beginning on the date of hire. If the hour requirement is not met by the end of this period, then the year of service eligibility shifts to the next Plan year.

Contributions

Prior to July 1, 2021, eligible employees had an automatic deferral of 3% of the employees' eligible compensation, until they make a contrary election. Automatic provisions were removed effective July 1, 2021. Participants' contributions may not exceed certain dollar limits, as defined by the Plan, not to exceed the maximum allowed by Sections 415, 402(g) and 403(b) of the IRC. Participants who have attained age 50 before the end of the Plan fiscal year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to limitations under current income tax regulations.

Employer nonelective contributions and matching contributions are discretionary and are determined each year by the Organization's Board of Directors. To be eligible for the employer matching contribution, the employee must have attained one year of service. In addition, the employee must be employed on the last day of the Plan year and have worked 1,000 hours of service during the plan year in order to be eligible for the employer nonelective contribution. For the years ended June 30, 2022 and 2021, the Organization made a matching contribution equal to 100% of an eligible participant's contributions up to 3% of eligible compensation. For the years ended June 30, 2022 and 2021, the Organization made matching contributions of employee deferrals in the amounts of \$238,455 and \$253,132, respectively. The Organization also made nonelective contributions of \$131,723 and \$194,545, respectively, for total employer contributions of \$370,178 and \$447,677 for the years ended June 30, 2022 and 2021.

INTERIM, INCORPORATED 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited or debited with the participant's contribution, together with any matching and nonelective employer contribution, any loans made to or repaid by participants, and an allocated portion of the Plan's earnings, gains or losses, and expenses. Plan earnings and gains or losses are allocated to each participant's account based on the ratio of each participant's account in each investment fund to the total of all participants' accounts in each investment fund.

Vesting

Participants are immediately vested in their voluntary contributions and employer matching contributions plus actual earnings thereon. Vesting in employer nonelective contributions is based on years of continuous service. The vesting schedule is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 Years	- %
2 Years	20
3 Years	40
4 Years	60
5 Years	80
6 Years or More	100

Payments of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in their account in the form of a lump sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Participant Investment Options

Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their allocation on a daily basis.

Notes Receivable from Participants

Participants may apply to borrow from the Plan a minimum amount of \$1,000 and a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Loan transactions are treated as a transfer from the investment fund to the notes receivable from participants' fund. Notes receivable from participants may be repaid over any reasonable period, not to exceed the fifth anniversary of the date the funds were borrowed, with the exception of loans used for the purchase of a principal residence, which can be repaid over a period of up to 10 years.

**INTERIM, INCORPORATED 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants (Continued)

The loans are secured by the balance in the participant's account and bear interest at the Prime rate plus 1%. The interest rates in effect for the years ended June 30, 2022 and 2021 range from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Any portion of such forfeitures not used to pay Plan administrative expenses shall be applied to reduce employer contributions. At June 30, 2022 and 2021, forfeited nonvested accounts totaled \$51,582 and \$3,916, respectively. Forfeited nonvested amounts used to pay Plan expenses totaled \$-0- and \$17,911 for the years ended June 30, 2022 and 2021. Forfeited nonvested amounts used to reduce the employer's contributions totaled \$-0- and \$196 for the years ended June 30, 2022 and 2021.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, which is in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized as it is earned, and dividends are recorded on the ex-dividend date.

Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

**INTERIM, INCORPORATED 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits payments are recorded when paid.

Plan Expenses

Expenses to administer the Plan, if not paid by the sponsor, may be paid by the Plan as provided by the Plan document. Certain fees are allocated to the individual participant accounts.

Subsequent Events

The Plan has evaluated subsequent events through June 21, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INFORMATION

Voya Retirement Insurance and Annuity Company (current insurance company) and Voya Institutional Trust Company (current custodian), the qualified institutions of the Plan, have supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of June 30, 2022 and the related investment activity reflected in the statement of changes in net assets available for benefits for the period from July 13, 2021 to June 30, 2022, and the supplemental schedule of assets (held at end of year) as of June 30, 2022. Newport Trust Company (former trustee), the former qualified institution of the plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of June 30, 2021 and the related investment activity and notes receivable from participants activity reflected in the statement of changes in net assets available for benefits for the period July 1, 2021 to July 12, 2021 and for the year ended June 30, 2021.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

INTERIM, INCORPORATED 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

	Level 1	Level 2	Level 3	Total

Total Investments at Fair Value	<u>\$ 10,078,841</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,078,841</u>

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY

At June 30, 2022, the Plan held an investment contract, the Voya Fixed Account, with Voya Retirement Insurance and Annuity Company (VRIAC). This investment contract met the fully benefit-responsive criteria and therefore is reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

VRIAC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate may change at any time and is based on a formula agreed upon with the issuer. Restrictions may apply to transfers of funds from the Fixed Account to other contract investment options. The contract cannot be terminated before the scheduled maturity date.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Company or other Company events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants are probable of occurring.

INTERIM, INCORPORATED 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

In addition, certain events allow the contract issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of the contract issuer.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Plan investments are managed by Voya Retirement Insurance and Annuity Company, the current custodian of the Plan, and Newport Trust Company, the former trustee of the Plan. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments. These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

As described in Note 2, the Plan pays for certain administrative expenses related to Plan operations and investment transactions. Fees paid by the Plan for certain administrative expenses are paid to the following service providers:

- Voya Retirement Insurance and Annuity Company – Plan current recordkeeper
- Voya Institutional Trust Company – Plan current custodian
- Quintes Administrative and Insurance – Plan third-party administrator
- Quintes Financial Services, LLC – Plan financial advisor
- Newport Group Inc.– Plan former recordkeeper
- Pensionmark Retirement Group – Plan former financial advisor

These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right to discontinue its contributions and to terminate this Plan subject to the provisions of ERISA. In the event of termination, the participants would become 100% vested in their Organization contributions.

INTERIM, INCORPORATED 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 8 INCOME TAX STATUS

403(b) plans are not required to receive a favorable determination letter from the Internal Revenue Service (IRS) indicating that the Plan is tax-exempt under present income tax law. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan Sponsor adopted a volume submitter document effective July 1, 2021 with a favorable opinion letter dated November 30, 2020 in which the IRS stated the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not, would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of the investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Variations in the timing of the recognition of certain transactions affecting the Plan have resulted in differences between the financial statements and the IRS Form 5500. The following is a reconciliation of these differences:
