INDEPENDENT AUDITOR'S REPORT

Retirement Committee
Skyworks Solutions Savings
and Retirement 401(k) Plan
20 Sylvan Road
Woburn, Massachusetts 01801

Members of the Committee:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Skyworks Solutions Savings and Retirement 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all

Retirement Committee
Skyworks Solutions Savings
and Retirement 401(k) Plan

material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SKYWORKS SOLUTIONS SAVINGS AND RETIREMENT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The Skyworks Solutions Savings and Retirement 401(k) Plan (the "Plan") was established to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees, as defined in the Plan, of Skyworks Solutions, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Certain designated officers of the Company serve as the plan administrator. The assets of the Plan are held in a trust by Fidelity Management Trust Company.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Participation

Company employees are eligible to participate in the Plan immediately upon employment and may enter the Plan at any time during the year.

B. Benefits

Benefits under the Plan begin when a participant retires, becomes disabled, dies or ceases to be an employee, whichever applies. Normal retirement age is 55. The Plan allows for in-service distributions of the participant's vested account upon reaching the age of 59½ or due to hardship. Benefits are either paid in one lump-sum distribution or in installments over a period not to extend beyond the life expectancy of the participant.

C. Vesting

A participant is fully vested immediately as to voluntary contributions, rollover contributions, matching employer contributions, nonelective employer contributions and related earnings.

D. Contributions

Participants may contribute up to 60% of their annual pre-tax and post-tax compensation, as defined in the Plan, up to the statutory annual maximum determined by the Internal Revenue Code (the "Code"). Participants are automatically enrolled in the Plan 35 days (30 days prior to September 24, 2018) after their start date. Participants are allowed to enroll immediately by electing a deferral rate in the trustee's portal. The automatic default deferral rate is 4%, increasing 1% per year until 10% is reached. Effective August 2020, the automatic default deferral rate maximum increased from 10% to 15%.

The Company makes a matching contribution equal to 100% of the first 4% of a participant's eligible compensation contributed to the Plan. Participants who were employed by Alpha Industries, Inc. ("Alpha") prior to the June 25, 2002 merger of Alpha and Conexant Systems, Inc. to form the Company, receive an additional match if they meet certain criteria. Participants employed prior to June 25, 2002 who had at least 5 years of service and who contributed at least 6% of their eligible compensation, receive an additional match of 75% on the next 1% of eligible compensation. Company contributions are made in either cash or company common stock. Contributions of company common stock are non-participant directed; however, participants may diversify the company common stock allocated to their account into other investment options but may not purchase additional company common stock.

The Company may also contribute, at its discretion, a non-elective employer contribution. The Company did not make a nonelective employer contribution for the year ended December 31, 2022.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Notes Receivable from Participants

A participant is allowed to borrow a maximum of 50% of his or her vested account balance up to \$50,000. The minimum loan amount is \$1,000. Loans must be repaid through payroll deductions within 5 years (unless the loan is for the purchase of a primary residence in which case, loans must be repaid within 10 years). Loan interest rates shall be based on the prevailing interest rates at the time of loan issuance as determined by the Plan administrator. Participants may only have one outstanding loan at any given time.

F. Participant Accounts

Each participant's account is credited with the participant's contribution, the Company contribution and an allocation of plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

G. Expenses

A majority of administrative expenses are paid by the Plan as provided in the Plan document.

H. Forfeitures

Forfeitures may be used to reduce Plan expenses and Company contributions. Forfeitures for the year ended December 31, 2022 were \$8,624. No forfeitures were used to reduce Company contributions for the year ended December 31, 2022. Forfeitures available to be used total \$16,083 and \$7,253 as of December 31, 2022 and 2021, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments at December 31, 2022 and 2021 based on the inputs used to value them:

Description	December 31, 2022			
	Level 1	Level 2	Level 3	Total

Total Assets in the Fair Value Hierarchy	<u>\$ 819,730,970</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 819,730,970</u>

Level 1 investments consist of mutual funds, a money market fund, and common stock that are valued at closing market prices. Additionally, investments also include interest bearing cash that is valued at cost which approximates fair value. Purchases and sales of investments are reported on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is reported on the accrual basis.

D. Payments of Benefits

Benefits are recorded when paid.

E. Other Receivables

Other receivables represent the sale of shares in Skyworks Solutions Inc. common stock on December 31, 2022 and 2021 and the related proceeds that were not received by the Plan until subsequent to the respective year-end.

SKYWORKS SOLUTIONS SAVINGS AND RETIREMENT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Risks and Uncertainties

The Plan provides for investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Plan adopted a prototype plan, which has received tax exempt status from the Internal Revenue Service. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2022 and 2021 and investment (loss) for the year ended December 31, 2022 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

The Plan has investments in the common stock of Skyworks Solutions, Inc., the Plan sponsor, valued at \$105,517,513 and \$181,096,163 as of December 31, 2022 and 2021, respectively. The Plan also has other investments managed by the trustee or an affiliate. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibitions of party-in-interest transactions under ERISA.

NOTE 7 - PLAN AMENDMENTS

In January 2022, the Plan's eligibility provisions were amended to exclude interns, co-ops, and students from participating in the Plan.

SKYWORKS SOLUTIONS SAVINGS AND RETIREMENT 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****NOTE 7 - PLAN AMENDMENTS (Continued)**

In May 2022, the Plan was amended to limit catch-up contribution deferrals to 75% of compensation.

In September 2022, the Plan was amended to limit Company matching contributions of Company common stock to 50% of Company matching contributions. The Plan was amended to allow eligible participants to only transfers assets out of the Company common stock fund to other available investment options.

NOTE 9 - TRANSFER OF ASSETS

On April 22, 2021, the Company entered into an asset purchase agreement with Silicon Laboratories, Inc. (the "Seller"). As a result, participants of the Seller's sponsored Silicon Laboratories, Inc. 401(k) Plan transferred a portion of its Plan assets to the Plan, totaling \$2,911,501 during 2021.

NOTE 10 - INVESTMENT AT CONTRACT VALUE

The Fidelity Managed Income Portfolio is a common/collective trust that invests primarily in guaranteed insurance contracts issued by insurance companies and banks. The Plan is credited earnings on underlying investments and charged for participant withdrawals and administrative expenses. Because the fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fund. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value.

SKYWORKS SOLUTIONS SAVINGS AND RETIREMENT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 10 - INVESTMENT AT CONTRACT VALUE (Continued)

The average yield on the Fidelity Managed Income Portfolio was 1.55% and 0.85% for the years ended December 31, 2022 and 2021, respectively. Certain restrictions may limit the Plan's ability to redeem its investment in the fund at contract value, and market value adjustments and/or redemption charges may apply. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 11 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 12, 2023, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

INDEPENDENT AUDITOR'S REPORT

Retirement Committee
Skyworks Solutions Savings
and Retirement 401(k) Plan
20 Sylvan Road
Woburn, Massachusetts 01801

Members of the Committee:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Skyworks Solutions Savings and Retirement 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all

Retirement Committee
Skyworks Solutions Savings
and Retirement 401(k) Plan

material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SKYWORKS SOLUTIONS SAVINGS AND RETIREMENT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The Skyworks Solutions Savings and Retirement 401(k) Plan (the "Plan") was established to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees, as defined in the Plan, of Skyworks Solutions, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Certain designated officers of the Company serve as the plan administrator. The assets of the Plan are held in a trust by Fidelity Management Trust Company.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Participation

Company employees are eligible to participate in the Plan immediately upon employment and may enter the Plan at any time during the year.

B. Benefits

Benefits under the Plan begin when a participant retires, becomes disabled, dies or ceases to be an employee, whichever applies. Normal retirement age is 55. The Plan allows for in-service distributions of the participant's vested account upon reaching the age of 59½ or due to hardship. Benefits are either paid in one lump-sum distribution or in installments over a period not to extend beyond the life expectancy of the participant.

C. Vesting

A participant is fully vested immediately as to voluntary contributions, rollover contributions, matching employer contributions, nonelective employer contributions and related earnings.

D. Contributions

Participants may contribute up to 60% of their annual pre-tax and post-tax compensation, as defined in the Plan, up to the statutory annual maximum determined by the Internal Revenue Code (the "Code"). Participants are automatically enrolled in the Plan 35 days (30 days prior to September 24, 2018) after their start date. Participants are allowed to enroll immediately by electing a deferral rate in the trustee's portal. The automatic default deferral rate is 4%, increasing 1% per year until 10% is reached. Effective August 2020, the automatic default deferral rate maximum increased from 10% to 15%.

The Company makes a matching contribution equal to 100% of the first 4% of a participant's eligible compensation contributed to the Plan. Participants who were employed by Alpha Industries, Inc. ("Alpha") prior to the June 25, 2002 merger of Alpha and Conexant Systems, Inc. to form the Company, receive an additional match if they meet certain criteria. Participants employed prior to June 25, 2002 who had at least 5 years of service and who contributed at least 6% of their eligible compensation, receive an additional match of 75% on the next 1% of eligible compensation. Company contributions are made in either cash or company common stock. Contributions of company common stock are non-participant directed; however, participants may diversify the company common stock allocated to their account into other investment options but may not purchase additional company common stock.

The Company may also contribute, at its discretion, a non-elective employer contribution. The Company did not make a nonelective employer contribution for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Notes Receivable from Participants

A participant is allowed to borrow a maximum of 50% of his or her vested account balance up to \$50,000. The minimum loan amount is \$1,000. Loans must be repaid through payroll deductions within 5 years (unless the loan is for the purchase of a primary residence in which case, loans must be repaid within 10 years). Loan interest rates shall be based on the prevailing interest rates at the time of loan issuance as determined by the Plan administrator. Participants may only have one outstanding loan at any given time.

F. Participant Accounts

Each participant's account is credited with the participant's contribution, the Company contribution and an allocation of plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

G. Expenses

A majority of administrative expenses are paid by the Plan as provided in the Plan document.

H. Forfeitures

Forfeitures may be used to reduce Plan expenses and Company contributions. Forfeitures for the year ended December 31, 2022 were \$8,624. No forfeitures were used to reduce Company contributions for the year ended December 31, 2022. Forfeitures available to be used total \$16,083 and \$7,253 as of December 31, 2022 and 2021, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments at December 31, 2022 and 2021 based on the inputs used to value them:

Description	December 31, 2022			
	Level 1	Level 2	Level 3	Total

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Risks and Uncertainties

The Plan provides for investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Plan adopted a prototype plan, which has received tax exempt status from the Internal Revenue Service. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2022 and 2021 and investment (loss) for the year ended December 31, 2022 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

The Plan has investments in the common stock of Skyworks Solutions, Inc., the Plan sponsor, valued at \$105,517,513 and \$181,096,163 as of December 31, 2022 and 2021, respectively. The Plan also has other investments managed by the trustee or an affiliate. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibitions of party-in-interest transactions under ERISA.

NOTE 7 - PLAN AMENDMENTS

In January 2022, the Plan's eligibility provisions were amended to exclude interns, co-ops, and students from participating in the Plan.

SKYWORKS SOLUTIONS SAVINGS AND RETIREMENT 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****NOTE 7 - PLAN AMENDMENTS (Continued)**

In May 2022, the Plan was amended to limit catch-up contribution deferrals to 75% of compensation.

In September 2022, the Plan was amended to limit Company matching contributions of Company common stock to 50% of Company matching contributions. The Plan was amended to allow eligible participants to only transfers assets out of the Company common stock fund to other available investment options.

NOTE 9 - TRANSFER OF ASSETS

On April 22, 2021, the Company entered into an asset purchase agreement with Silicon Laboratories, Inc. (the "Seller"). As a result, participants of the Seller's sponsored Silicon Laboratories, Inc. 401(k) Plan transferred a portion of its Plan assets to the Plan, totaling \$2,911,501 during 2021.

NOTE 10 - INVESTMENT AT CONTRACT VALUE

The Fidelity Managed Income Portfolio is a common/collective trust that invests primarily in guaranteed insurance contracts issued by insurance companies and banks. The Plan is credited earnings on underlying investments and charged for participant withdrawals and administrative expenses. Because the fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fund. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 10 - INVESTMENT AT CONTRACT VALUE (Continued)

The average yield on the Fidelity Managed Income Portfolio was 1.55% and 0.85% for the years ended December 31, 2022 and 2021, respectively. Certain restrictions may limit the Plan's ability to redeem its investment in the fund at contract value, and market value adjustments and/or redemption charges may apply. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 11 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 12, 2023, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
