Report of Independent Certified Public Accountants

To the Participants and Plan Administrator,
Anthology Marketing Group, Inc., Pauahi I 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Anthology Marketing Group, Inc., Pauahi I 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statements of Net Assets Available for Benefits (Modified Cash Basis) as of the periods ended March 7, 2022 and December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) for the period ended March 7, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from Transamerica Life Insurance Company ("Transamerica"), the Trustee of the Plan, as of the periods ended March 7, 2022 and December 31, 2021, and for the period ended March 7, 2022, stating that the certified investment information, as described in Note 3, 4, and 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified to by Transamerica agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, the Board of Directors of the Anthology Marketing Group, Inc., the Plan’s sponsor, voted on November 1, 2021, to merge the Plan into the Finn Partners, Inc., 401(k) Plan effective March 1, 2022. All plan assets were transferred to the control of Finn Partners, Inc., 401(k) Plan on March 25, 2022. Our opinion has not been modified with respect to this matter.

Other Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for twelve months from the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis)

March 7, 2022 and December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

Anthology Marketing Group, Inc. (the “Company”) established the Anthology Marketing Group, Inc., Pauahi I 401(k) Profit Sharing Plan (the “Plan”) on January 1, 1990, for the exclusive benefit of all eligible employees and their beneficiaries. The following description of the Plan provides general information only. For a more complete description of the Plan’s provisions, Participants should refer to the Plan Agreement and Summary Plan Description.

General

The Plan is a profit-sharing plan covering substantially all full-time employees of the Company who are not covered by a collective bargaining agreement and who are at least 21 years of age and have completed 170 hours of service within the first three consecutive months of service. An employee will become a participant on the first day of the month following the completion of the service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Merger

On November 1, 2021, the Company was acquired by Finn Partners, Inc. As a result, all investments were transferred from the Plan into the Finn Partners, Inc., 401(k) Plan (the “Successor Plan”) on March 25, 2022.

Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of 100% of their eligible compensation or \$20,500 and \$19,500 for the calendar years ended December 31, 2022 and 2021, respectively, adjusted annually for the cost of living, plus an additional \$6,500 for employees age 50 and over for the calendar years ended December 31, 2022 and 2021. Such contributions are non-forfeitable and are credited to the individual account of the participant.

Discretionary matching contributions may be contributed at the option of the Company’s Management. Company discretionary matching contributions are subject to certain limitations. There were no matching contributions during the period ended March 7, 2022.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as investment options for participants.

Participant accounts

Each participant’s account is credited with the participant’s contributions and any discretionary matching contributions made by the Company; plus, the participant’s share of the Plan’s income and any related administrative expenses.

Vesting

Discretionary matching contributions are 100% vested after two years of service. The employees’ salary deferral and voluntary contribution accounts are always 100% vested.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

March 7, 2022 and December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Participant loans

Participants may borrow from their fund accounts, upon the approval of the Plan's administrative committee, up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance, which is the amount limited under the Internal Revenue Code ("IRC"). Loans bear interest at 1% above the prime interest rate and carry a maximum maturity of five years. In cases where loans are used to acquire principal residences, the maturity may exceed five years.

Payment of benefits

The full amount in each participant's account is payable upon severance, normal retirement, disability, death, or termination of the Plan by the Company. Participants may elect to receive the entire value of their accounts in a lump sum or through installment payments. Participants may withdraw all or a portion of their contributions upon a showing of financial hardship and compliance with other restrictions in the Plan.

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant's account balance. Forfeitures are used to pay plan administrative expenses and reduce Company contributions. No forfeitures were used to pay plan expenses during the period ended March 7, 2022. There were no unused forfeitures during the periods ended March 7, 2022 and December 31, 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies, consistently applied in the preparation of the accompanying financial statements are as follows:

Basis of accounting

The financial statements of the Plan have been prepared on the cash-basis of accounting, modified to record assets or liabilities with respect to cash transactions and events that provide a benefit or result in an obligation that covers a period greater than the period in which the cash transaction or event occurred. The modifications result in the recording of investments and related short-term term obligations on the Statements of Net Assets Available for Benefits (Modified Cash Basis).

This method of accounting represents a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). The modified cash basis of accounting differs from U.S. GAAP primarily because certain income and related assets (such as contributions not yet collected, and other accrued assets and income) have been recognized when received rather than when earned and certain expenses and related liabilities (such as distributions not yet paid and other accrued liabilities and expenses) have been recognized when paid rather than when the obligations were incurred.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

March 7, 2022 and December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment contract

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for the portion of the net assets available for plan benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Therefore, the Statements of Net Assets Available for Benefits (Modified Cash Basis) is required to present the fair value of the Plan's investment as well as the adjustment from fair value to contract value for the fully benefit-responsive investment contracts, and the Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) is required to be prepared on a contract value basis for the fully benefit-responsive investment contracts.

The Plan has an investment contract with Transamerica Life Insurance Company ("Transamerica") through the stable value fund. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account balances at contract value. Thus, the investment contract is considered fully benefit-responsive.

Transamerica maintains the contributions and invests them in Transamerica's general account. The investment seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and with no set maturity. Contract charges may reduce this return. The effective credited interest rate is set monthly and effective on the first day of the month.

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (1) the Plan is changed so as to significantly affect Transamerica's obligations to the contract, (2) the contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) failure to comply with the contract requirements, (5) failure to provide information, (6) the sum of the contract account values at any time equals \$20,000 or less, or (7) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

During the year ended December 31, 2021, the minimum, average, and closing rates were 1.45%. As of March 7, 2022, there were no investments in the Stable Value Fund.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

March 7, 2022 and December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation

The pooled separate accounts with Transamerica are stated at fair value as reported to the Plan by Transamerica based on the quoted market prices of the underlying funds. The unit value of the pooled separate account is calculated by dividing the total value of the assets of the separate account by the number of units in the separate account. For separate accounts that invest exclusively in mutual funds, the total value of the assets of the separate account is based on the net asset value ("NAV"), or price per share, of the underlying mutual fund. The mutual fund calculates its NAV by dividing the mutual fund's net assets by the mutual fund's outstanding number of shares. Those separate accounts investing in mutual funds or equity securities are measured using quoted prices in active markets for identical assets. Those separate accounts directly investing in fixed maturity securities are measured based on the pricing data provided by outside valuation service providers who in turn generally use the means of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

Investment in the stable value fund, which is a fully benefit-responsive contract, is carried at contract value. The contract value of this contract approximates fair value due to the monthly resetting of interest rates and no stated maturity dates. Also, the amount payable on demand is the contract value. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

All Plan assets were transferred to the Successor Plan before close of business on March 25, 2022.

Recognition of income

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant loans

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the cash basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent participant loans are deemed distributed based upon the terms of the plan document or if there is a failure to make regular loan repayments for more than one quarter in accordance with the IRC. No allowance for credit losses has been recorded as of March 7, 2022.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The Plan is sponsored and administered by the Company. Certain administrative functions are performed by officers or employees of the Company, who received no compensation from the Plan. All administrative expenses are the responsibility of the Plan; however, the Company at its discretion may pay such expenses. Investments are in the custody of Transamerica, which also provides recordkeeping services to the Plan.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

March 7, 2022 and December 31, 2021

NOTE 3 – UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Statements of Net Assets Available for Plan Benefits (Modified Cash Basis) as of the periods ended March 7, 2022 and December 31, 2021, the investment activities included on the Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) for the period ended March 7, 2022, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. The information certified includes total investments of \$0 and \$7,386,431 at March 7, 2022 and December 31, 2021, respectively, and related losses of \$644,403, for the period ended March 7, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS (unaudited)

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: Valued at the NAV of units held by the Plan at year end as provided by Transamerica. The NAV is based on the fair value or the market value of its underlying investments. The NAV is not a public-quoted price in an active market but is equal to the total value of all the securities in each fund's portfolio, less any liabilities based on the closing market prices of the underlying investments. There are currently no redemption restrictions on these investments.

Investment contract: Valued at a contract value (book value) basis and is deemed to be fair value for an insurance company.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

March 7, 2022 and December 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (unaudited, continued)

There have been no changes in the methodologies used during the periods ended March 7, 2022 and December 31, 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of March 7, 2022:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ -	\$ -	\$ -
Total investments in the fair value hierarchy	-	-	-	-
Investment contract	-	-	-	-
Total investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 1,681,787	\$ 5,114,703	\$ -	\$ 6,796,490
Total investments in the fair value hierarchy	1,681,787	5,114,703	-	6,796,490
Investment contract	-	-	-	589,941
Total investments at fair value	<u>\$ 1,681,787</u>	<u>\$ 5,114,703</u>	<u>\$ -</u>	<u>\$ 7,386,431</u>

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Transamerica is the trustee as defined by the Plan and, therefore, qualifies as a party-in-interest. Fees paid by the Plan for contract administrator services amounted to \$7,538 and \$35,123 for the periods ended March 7, 2022 and December 31, 2021, respectively.

NOTE 6 – PLAN TERMINATION

The Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. On November 1, 2021, the Company was acquired by Finn Partners, Inc. The Plan merged with Finn Partners, Inc., 401(k) Plan as of March 1, 2022.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

March 7, 2022 and December 31, 2021

NOTE 7 – TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Company by a letter dated September 9, 2016, that the Plan and related trust are designed in accordance with applicable sections of Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan’s policy to recognize interest accrued related to underpayment of income taxes in interest expense and penalties in administrative expenses. The Plan has no uncertain tax positions as of the periods ended March 7, 2022 and December 31, 2021.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statements of Net Assets Available for Benefits (Modified Cash Basis).

NOTE 9 – SUBSEQUENT EVENTS

The Plan evaluated its March 7, 2022, financial statements for subsequent events through July 19, 2023, the date the financial statements were available to be issued and was not aware of any subsequent events that would require additional recognition or disclosure in the financial statements.
