Independent Auditor's Report

Plan Administrator
Eide Bailly LLP 401(k) Profit Sharing Plan
Fargo, North Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Eide Bailly LLP 401(k) Profit Sharing Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Eide Bailly LLP 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eide Bailly LLP 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eide Bailly LLP 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Eide Bailly LLP 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eide Bailly LLP 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Eide Bailly LLP 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note 1: Description of Plan

General

The following description of Eide Bailly LLP 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

The Plan is a defined-contribution plan sponsored by Eide Bailly LLP (Company) for the benefit of its full-time employees and partners. The Plan did not allow interns to contribute to the Plan until January 1, 2022, when the Plan was amended to include interns and allow immediate entry into the Plan upon employment commencement. Eide Bailly Financial Services, a related employer, also participates in the Plan. The Plan has no age or service requirements to make elective deferrals. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Alerus Financial, N.A. (Alerus) serves as a Plan trustee.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 80% of eligible compensation. Employees are automatically enrolled to contribute 3% of compensation unless the employee makes an affirmative election otherwise. The Plan provides for a voluntary contribution increase option for participants' contributions, which if elected by individual participants, will increase contributions on August 1st of each year by an amount specified by the participant. Employee rollover, Roth and catch-up contributions and in-plan Roth conversions are also permitted.

The employee (non-partner) Company contribution is 4% of eligible compensation with an annual deposit made by January 15 after the end of the applicable Plan calendar year, increased to 5% for 2022. Through April 30, 2022, employees were eligible for Company contributions if they had completed one year of service and were 21 years of age. A year of service for purposes of eligibility was a consecutive 12-month period during which the employee has 1,000 or more hours of service. Effective May 1, 2022, there are no longer service or age requirements for participants to receive Company contributions. Additionally, employees must be employed on December 31 of each Plan year to receive an allocation of Company contributions. The employee (non-partner) profit-sharing contributions are prorated in the initial year based on the employee's hire date. The partner age-weighted contributions are a percentage of eligible compensation, based on age. The eligibility requirements are waived for termination because of normal retirement age, disability or death.

Eide Bailly LLP 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2022 and 2021

The Company contributes and allocates profit-sharing contributions to eligible employees and partners as a percentage of their eligible compensation based on the following schedule:

Participant	Contribution Percentage	
	2022	2021
Employee	5%	4%
Partner not yet attained age 40 by end of Plan year	6%	6%
Partner age 40 but not attained age 45 by end of Plan year	9%	9%
Partner age 45 or over by end of Plan year	12%	12%

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Participants are 100% vested after five years of continuous service. Forfeitures are used to reduce Company contributions.

Payment of Benefits

Upon termination of service, participants may elect to receive a lump-sum amount or installments equal to the value of their accounts. Withdrawals other than for termination are permitted under certain circumstances provided by the Plan.

Eide Bailly LLP 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2022 and 2021

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant that demonstrates a safe harbor hardship. The minimum amount of a loan shall be \$1,000. The maximum amount of participant loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a primary residence) through payroll withholdings or periodic payments. Interest on the loans is based on market rates.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivables are reclassified as distributions based upon the terms of the Plan Document.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Subsequent Events

Subsequent events have been evaluated through July 20, 2023, which is the date the financial statements were available to be issued.

Notes to Financial Statements December 31, 2022 and 2021

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets available for benefits. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Quoted market prices, if available, are used to value investments. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Money market deposit accounts are valued at carrying value, which approximates fair value, based on the amount of net contributions plus any investment earnings allocated to the account.

Payment of Benefits

Benefits are recorded when paid. The designated beneficiary is entitled to a death benefit equal to the participant's vested account balance.

Plan Tax Status

The Plan operates under a nonstandardized profit-sharing 401(k) plan agreement in connection with a prototype retirement plan and trust document sponsored by Alerus Financial, N.A. This nonstandardized prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. The Plan has been amended since the nonstandardized plan received its opinion letter; however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Administrative Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan Document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net asset available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Notes to Financial Statements December 31, 2022 and 2021

Note 3: Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Alerus, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2022 and 2021
- Due from broker for securities sold and due to broker for securities purchased balances as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021
- Investment income (loss) and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at year end) as of December 31, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Disclosures About Fair Value of Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022 and 2021:

		2022

Notes to Financial Statements

December 31, 2022 and 2021

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation technique during the years ended December 31, 2022 and 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds and a money market fund. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows. There are no Level 2 or Level 3 investments in the Plan.

Note 5: Forfeitures

Forfeitures utilized to reduce employer contributions were \$254,980 and \$175,162 in 2022 and 2021, respectively. Unallocated forfeitures amounted to \$193,675 and \$254,984 at December 31, 2022 and 2021, respectively. The forfeitures as of December 31, 2022 and 2021 were utilized to offset a portion of the employer contribution receivable.

Note 6: Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Symmetry Partners, the investment advisor. Certain Plan investments are money market funds which are managed by Alerus, a Plan trustee. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are exempt party-in-interest transactions under ERISA. The Plan received revenue sharing equalization payment reimbursements of \$245,577 and \$235,348 for the years ended December 31, 2022 and 2021, respectively. These fees are netted with administrative expenses in the accompanying financial statements.

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or global conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Other Documents Containing Audited Financial Statements

The Plan's audited financial statements are included in the Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the Department of Labor Employee Benefits Security Administration. As part of our procedures, we read the draft Form 5500 that is substantially complete to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management's attention.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Qualitative Aspects of Significant Accounting Policies & Practices

The following matters are detailed in the following pages and included in our assessment:

Significant Accounting Policies

Significant accounting policies are described in Note 2 of the audited financial statements.

With respect to new accounting standards adopted during the year, we call to your attention the following topics detailed in the following pages:

- No matters are reportable

Unusual Policies or Methods

With respect to significant unusual accounting policies or accounting methods used for significant unusual transactions (significant transactions outside the normal course of business or that otherwise appear to be unusual due to their timing, size, or nature), we noted the following:

- No matters are reportable

Alternative Accounting Treatments

We did not have discussions with management regarding alternative accounting treatments within GAAP for policies and practices for material items, including recognition, measurement, and disclosure considerations related to the accounting for specific transactions as well as general accounting policies.

Management Judgments & Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. Significant areas of such estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates include:

- No matters are reportable

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Disclosures about the fair value of investments

Our Judgment About the Quality of the Plan's Accounting Principles

During the course of the audit, we made the following observations regarding the Plan's application of accounting principles:

- No matters are reportable

Adjustments Identified by Audit

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments that, in its judgment, are required to prevent the financial statements from being materially misstated.

A misstatement is a difference between the amount, classification, presentation, or disclosure of a reported financial statement item and that which is required for the item to be presented fairly in accordance with the applicable financial reporting framework.

There were no adjustments proposed as a result of the audit.

Other Matters

We observed other matters and offer these comments and suggestions with respect to matters which came to our attention during the course of the audit of the financial statements. Our audit procedures are designed primarily to enable us to form an opinion on the financial statements and, therefore, may not bring to light all weaknesses in policies and procedures that may exist.

However, these other matters are offered as constructive suggestions for the consideration of management as part of the ongoing process of modifying and improving financial and administrative practices and procedures.

We can discuss these matters further at your convenience and may provide implementation assistance for changes or improvements.

Plan Administrator
Eide Bailly LLP 401(k) Profit Sharing Plan
Fargo, North Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Eide Bailly LLP 401(k) Profit Sharing Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Eide Bailly LLP 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eide Bailly LLP 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eide Bailly LLP 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Eide Bailly LLP 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eide Bailly LLP 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Eide Bailly LLP 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note 1: Description of Plan

General

The following description of Eide Bailly LLP 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

The Plan is a defined-contribution plan sponsored by Eide Bailly LLP (Company) for the benefit of its full-time employees and partners. The Plan did not allow interns to contribute to the Plan until January 1, 2022, when the Plan was amended to include interns and allow immediate entry into the Plan upon employment commencement. Eide Bailly Financial Services, a related employer, also participates in the Plan. The Plan has no age or service requirements to make elective deferrals. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Alerus Financial, N.A. (Alerus) serves as a Plan trustee.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 80% of eligible compensation. Employees are automatically enrolled to contribute 3% of compensation unless the employee makes an affirmative election otherwise. The Plan provides for a voluntary contribution increase option for participants' contributions, which if elected by individual participants, will increase contributions on August 1st of each year by an amount specified by the participant. Employee rollover, Roth and catch-up contributions and in-plan Roth conversions are also permitted.

The employee (non-partner) Company contribution is 4% of eligible compensation with an annual deposit made by January 15 after the end of the applicable Plan calendar year, increased to 5% for 2022. Through April 30, 2022, employees were eligible for Company contributions if they had completed one year of service and were 21 years of age. A year of service for purposes of eligibility was a consecutive 12-month period during which the employee has 1,000 or more hours of service. Effective May 1, 2022, there are no longer service or age requirements for participants to receive Company contributions. Additionally, employees must be employed on December 31 of each Plan year to receive an allocation of Company contributions. The employee (non-partner) profit-sharing contributions are prorated in the initial year based on the employee's hire date. The partner age-weighted contributions are a percentage of eligible compensation, based on age. The eligibility requirements are waived for termination because of normal retirement age, disability or death.

Eide Bailly LLP 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2022 and 2021

The Company contributes and allocates profit-sharing contributions to eligible employees and partners as a percentage of their eligible compensation based on the following schedule:

Participant	Contribution Percentage	
	2022	2021
Employee	5%	4%
Partner not yet attained age 40 by end of Plan year	6%	6%
Partner age 40 but not attained age 45 by end of Plan year	9%	9%
Partner age 45 or over by end of Plan year	12%	12%

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Participants are 100% vested after five years of continuous service. Forfeitures are used to reduce Company contributions.

Payment of Benefits

Upon termination of service, participants may elect to receive a lump-sum amount or installments equal to the value of their accounts. Withdrawals other than for termination are permitted under certain circumstances provided by the Plan.

Notes to Financial Statements

December 31, 2022 and 2021

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant that demonstrates a safe harbor hardship. The minimum amount of a loan shall be \$1,000. The maximum amount of participant loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a primary residence) through payroll withholdings or periodic payments. Interest on the loans is based on market rates.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivables are reclassified as distributions based upon the terms of the Plan Document.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Subsequent Events

Subsequent events have been evaluated through July 20, 2023, which is the date the financial statements were available to be issued.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Eide Bailly LLP 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2022 and 2021

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets available for benefits. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Quoted market prices, if available, are used to value investments. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Money market deposit accounts are valued at carrying value, which approximates fair value, based on the amount of net contributions plus any investment earnings allocated to the account.

Payment of Benefits

Benefits are recorded when paid. The designated beneficiary is entitled to a death benefit equal to the participant's vested account balance.

Plan Tax Status

The Plan operates under a nonstandardized profit-sharing 401(k) plan agreement in connection with a prototype retirement plan and trust document sponsored by Alerus Financial, N.A. This nonstandardized prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. The Plan has been amended since the nonstandardized plan received its opinion letter; however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Administrative Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan Document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net asset available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Eide Bailly LLP 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2022 and 2021

Note 3: Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Alerus, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2022 and 2021
- Due from broker for securities sold and due to broker for securities purchased balances as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021
- Investment income (loss) and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at year end) as of December 31, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Disclosures About Fair Value of Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements December 31, 2022 and 2021

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022 and 2021:

		2022			
		Fair Value Measurements Using

Eide Bailly LLP 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2022 and 2021

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation technique during the years ended December 31, 2022 and 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds and a money market fund. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows. There are no Level 2 or Level 3 investments in the Plan.

Note 5: Forfeitures

Forfeitures utilized to reduce employer contributions were \$254,980 and \$175,162 in 2022 and 2021, respectively. Unallocated forfeitures amounted to \$193,675 and \$254,984 at December 31, 2022 and 2021, respectively. The forfeitures as of December 31, 2022 and 2021 were utilized to offset a portion of the employer contribution receivable.

Note 6: Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Symmetry Partners, the investment advisor. Certain Plan investments are money market funds which are managed by Alerus, a Plan trustee. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are exempt party-in-interest transactions under ERISA. The Plan received revenue sharing equalization payment reimbursements of \$245,577 and \$235,348 for the years ended December 31, 2022 and 2021, respectively. These fees are netted with administrative expenses in the accompanying financial statements.

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or global conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SECURE 2.0

FORV/S

FORVIS is a trademark of FORVIS, LLP, registration of which is pending with the U.S. Patent and Trademark Office

SECURE Act 2.0

The *Setting Every Community Up for Retirement Enhancement Act 2.0* was passed on December 29, 2022. Better known as “**SECURE 2.0**”, this sweeping legislation has a significant impact on individuals planning for retirement as well as plan administrators. Certain changes are effective in 2023 while other provisions are phased in over the next several years.

Nearer term provisions of the SECURE 2.0 Act impacting qualified retirement plans:

- **Student Loan Payments & Matching Contributions** – In an effort to allow those paying down student debt to also save for retirement, the SECURE 2.0 Act allows an employee to receive available matching contributions by way of paying down student loan debt. Employers are permitted to make matching contributions under 401(k), 403(b) or SIMPLE IRAs with respect to “qualified student loan payments.” This provision will generally begin in 2024.
- **Elimination of Required Minimum Distributions (RMDs) for Roth 401(k) Plans** – Roth 401(k) owners will no longer be required to take RMDs from those accounts beginning in 2024. Roth IRAs continue to have no RMD requirements.
- **Early Withdrawals** – Currently, withdrawals from retirement plans prior to age 59 ½ are subject to a 10% penalty on top of any income tax due on the withdrawal. Starting in 2024, the legislation allows for certain exceptions (with limitations) to be exempt from the additional penalty:
 - Terminally ill account holders (some administrative questions are an issue including if self-certification is allowed)
 - Domestic abuse survivors (self-certification allowed)
 - Payment of specific types of long-term care policy premiums
 - Survivors of federally declared disasters
- **Increase in Mandatory Cash Out Limit** – Effective in 2024, the mandatory cash out amount will increase from \$5,000 to \$7,000. This is an optional provision but should help employers manage the number of terminated participants in the plan.
- **Roth Employer Matching Contributions** – Participants may now elect for their employer matching contributions to be on a Roth basis. There are many procedural questions regarding the administrative challenges of updating payroll systems to handle the payroll tax implications of this type of arrangement. This provision is effective in 2024.
- **Roth Catch-Up Contributions** – Beginning in 2024, certain highly-compensated employees will be required to have their catch-up contributions classified as Roth contributions.
- **Employee Self-Certification of Hardships** – Participants are allowed to self-certify their hardship to qualify for a hardship withdrawal. This provision is effective for plan years beginning after the date of the enactment of SECURE 2.0.

- **Emergency Savings Provision** – One of the most impactful changes is the provision that is effective January 1, 2024, which allows employers to establish retirement plan linked emergency savings accounts for non-highly compensated employees. Employers will be able to automatically enroll participants up to a 3% participant Roth contribution (maximum limit of \$2,500). Employers could elect to set the maximum contribution at a lower dollar amount. Employers may also match the contributions (subject to the same \$2,500 cap); however, those contributions would have to flow into their retirement account and not the account for the emergency fund. Participants are limited to four withdrawals within a calendar plan year. Upon separation of service, the benefits are not taxable given their Roth nature.
- **Improved Self Correction of Auto Enrollment Errors** – Starting in 2024, plan sponsors are given more flexibility to correct errors. Plan management will have up to 9.5 months after the end of the year when the error occurred to correct the issue. The update also extends to auto-increase provisions as well.
- **De Minimis Financial Incentives** – Employers can incentivize participants to enroll in retirement plans with gift cards. Employers will need to assess the impact of the incentives on their plan's definition of eligible compensation. This feature is essentially effective in 2023.

Provisions of the SECURE 2.0 Act that impact plan sponsors further down the road (2025 or later):

- **Increased Catch-Up Contributions for ages 60-63** – Beginning in 2025, older 401(k) and 403(b) plan participants will be able to contribute more to their plan in the nature of catch-up contributions. The amount will be limited to \$10,000 or half of the catch-up limit for that applicable year. The catch-up contribution limit in 2023 for all other 401(k) and 403(b) participants over age 50 is \$7,500.
- **Auto Enrollment / Auto Increase Required for New Plans** – Starting in 2025, new 401(k) and 403(b) plans will be required to automatically enroll new participants in a range of 3-10%, including an auto-increase provision of 1% per year up to a cap of 10-15%. **Existing plans as well as smaller employers will be grandfathered and not required to make this change.**
- **Department of Labor (DOL) System for Lost Participants** – The DOL is essentially establishing a database for plan participants who have lost track of their retirement savings at various employers to identify the contact person at the applicable plan sponsor or third-party-administrator. The goal is for this system to be up and running by the end of 2024.
- **Long-Term Part-Time (LTPT) Employee Participation** – As a follow up to the initial SECURE legislation, the LTPT guidance has been reduced from 3 years of having 500 hours of service to 2 years. As this provision only applies to employee deferrals, many employers may loosen up their eligibility requirement but will also need to assess certain excludable employees and whether they should be included as a plan participant.

This legislation is expected to create an additional burden on those in human resources to determine the additional administrative requirements triggered by this Act. Plan amendments generally need not be made until the end of the first plan year beginning on or after January 1, 2025. We would encourage you to consult with your third-party administrator and/or your ERISA legal counsel to amend your plan appropriately for this legislation.

The undersigned ("We") are providing this letter in connection with FORVIS' audits of the financial statements of Eide Bailly LLP 401(k) Profit Sharing Plan (the Plan) as of and for the years ended December 31, 2022 and 2021, and supplemental schedule as of December 31, 2022.

Our representations are current and effective as of the date of FORVIS' report: July 20, 2023.

Our engagement with FORVIS is based on our contract for services dated: January 18, 2023.

Our Responsibility & Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to FORVIS' report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Confirmation of Matters Specific to the Subject Matter of FORVIS' Report

We confirm, to the best of our knowledge and belief, the following:

Broad Matters

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.
2. We acknowledge our responsibility for the design, implementation, and maintenance of:
 - a. Internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 - b. Internal control to prevent and detect fraud.
3. We have provided you with:
 - a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, documentation, and other matters.
 - b. The most current Plan instrument for the audit period, including all Plan amendments.
 - c. A draft of the Form 5500 that is substantially complete.
 - d. Additional information that you have requested from us for the purpose of the audit.
 - e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - f. All minutes of Board of Trustees meetings held through the date of this letter or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - g. All significant contracts.
4. We acknowledge the Plan does not the definition of a "public entity" under generally accepted accounting principles.
5. We have responded fully and truthfully to all your inquiries.

Plan Design and Operations

6. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
7. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.

8. The adoption date of the most recent Plan amendment was May 1, 2022 as provided to you.
9. The Plan operates under a nonstandardized profit-sharing 401(k) plan agreement with a prototype retirement plan sponsored by Alerus Financial, N.A. The nonstandardized prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. The Plan has been amended since the nonstandardized plan received its opinion letter. However, we believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
10. The Plan has complied with the fidelity bonding requirements of ERISA.
11. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
12. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations, or uncorrected misstatements.
13. We have complied with the Department of Labor's regulations concerning the timely remittance of participant contributions and loan repayments.
14. As applicable, we have complied with the Department of Labor's regulations concerning the services provider fee disclosures in accordance with Sec. 408(b)(2).
15. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the plan sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.
16. We have evaluated whether there are conditions or events known or reasonably knowable, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year of the date of this letter without consideration of potential mitigating effects of management's plans not yet fully implemented and concluded substantial doubt does not exist.

Misappropriation, Misstatements, & Fraud

17. We have informed you of all current risks of a material amount that are not adequately prevented or detected by our procedures with respect to:
 - a. Misappropriation of assets.
 - b. Misrepresented or misstated assets or liabilities.
18. We have no knowledge of fraud or suspected fraud affecting the Plan involving:
 - a. Management or employees who have significant roles in internal control over financial reporting, or
 - b. Others when the fraud could have a material effect on the financial statements.

19. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.
20. We have assessed the risk that the financial statements may be materially misstated as a result of fraud and disclosed to you any such risk identified.
21. We have no knowledge of illegal acts that may materially misstate the financial statements.

Related Parties

22. We have disclosed to you the identity of all of the Plan's related parties and all the related-party relationships of which we are aware.

In addition, we have disclosed to you all related-party transactions and amounts receivable from or payable to related parties of which we are aware.

Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

23. We understand that the term related party refers to:

- Affiliates.
- Entities for which investments are accounted for by the equity method.
- Trusts for the benefits of employees, such as pension and profit-sharing trusts that are managed by or under the trusteeship of management.
- Principal owners and members of their immediate families.
- Management and members of their immediate families.
- Any other party with which the Plan may deal if one party can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests.

Another party is also a related party if it can significantly influence the management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own separate interests.

The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with, the Plan.

Litigation, Laws, Rulings, & Regulations

24. Neither the Plan nor the Plan Sponsor are not aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the Plan Sponsor have not sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.
25. We have disclosed to you all known instances of violations or noncompliance or possible violations or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements or as a basis for recording a loss contingency.

26. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the plan.

Nonattest Services

27. You have provided nonattest services, including the following, during the period of this engagement:

- Assistance with the preparation of the trial balance and draft of the financial statements and related notes and supplementary information

28. With respect to these services:

- a. We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
- b. We have established and monitored the performance of the nonattest services to ensure they meet our objectives.
- c. We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.
- d. We have evaluated the adequacy of the services performed and any findings that resulted.
- e. Established and maintained internal controls, including monitoring ongoing activities.
- f. We have received the deliverables from you and have stored these deliverables in information systems controlled by us. We have taken responsibility for maintaining internal control over these deliverables.

Financial Statements & Reports

29. We have reviewed and approved a draft of the financial statements and related notes referred to above, which you prepared in connection with your audit of our financial statements. We acknowledge that we are responsible for the fair presentation of the financial statements and related notes.

30. With regard to supplementary information:

- a. We acknowledge our responsibility for the presentation of the supplementary information, including its form and content in conformity with relevant regulatory requirements or other applicable criteria.
- b. We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.
- c. The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.
- d. We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.

Page 6

- e. The supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- f. If the supplementary information is not presented with the audited financial statements, we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.

Transactions, Records, & Adjustments

- 31. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- 32. We have everything we need to keep our books and records.
- 33. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms, and business purpose of those transactions.

Accounting & Disclosure

- 34. We are not aware of any side agreements or other arrangements (either written or oral) that are in place.
- 35. Except as reflected in the financial statements, there are no:
 - a. Plans or intentions that may materially affect carrying values of assets and liabilities.
 - b. Material transactions omitted or improperly recorded in the financial records.
 - c. Material unasserted claims or assessments that are probable of assertion or other gain/loss contingencies requiring accrual or disclosure in accordance with Accounting Standards Codification (ASC) Topic 450, *Contingencies*, including those arising from environmental remediation obligations.
 - d. Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter, which is the date the financial statements were available to be issued, requiring adjustment or disclosure in the financial statements.
 - e. Agreements to purchase assets previously sold.
 - f. Reportable transactions as defined in Section 103(b)(3)(H) of ERISA

- 36. Except as disclosed in the financial statements, the Plan has:

- a. Satisfactory title to all recorded assets, and those assets are not subject to any liens, pledges, or other encumbrances.
- b. Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.

Receivables

- 37. Adequate allowances have been accrued for any material losses from uncollectible receivables.

Estimates

38. We have identified all accounting estimates that could be material to the financial statements, and we confirm the appropriateness of the methods and the consistency in their application, the accuracy and completeness of data, and the reasonableness of significant assumptions used by the Plan in making the accounting estimates, including those measured at fair value reported in the financial statements.
39. Significant estimates that may be subject to a material change in the near term have been properly disclosed in the financial statements. We understand that "near term" means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations, which refer to volumes of loans, investments, or deposits, existing at the date of the financial statements that would make the Plan vulnerable to the risk of severe impact in the near term that have not been properly disclosed in the financial statements.

Fair Value

40. With respect to the fair value measurements of financial assets and liabilities recognized in the financial statements or disclosed in the notes thereto:
- a. The underlying assumptions are reasonable and they appropriately reflect management's intent and ability to carry out its stated course of action.
 - b. The measurement methods and significant assumptions used in determining fair value are appropriate in the circumstances and have been consistently applied.
 - c. The significant assumptions appropriately reflect market participant assumptions.
 - d. The disclosures related to fair values are complete, adequate, and in conformity with U.S. GAAP.
 - e. There are no subsequent events that require adjustments to the fair value measurements and disclosures included in the financial statements.
41. The methods and significant inputs and assumptions used to determine fair value of financial instruments are as follows: Level 1 assets are valued using quoted market prices available in an active market. There are no Level 2 or Level 3 investments in the Plan. The methods and significant inputs and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.
