INDEPENDENT AUDITOR'S REPORT

July 21, 2023

To the Plan Administrator of the
United Radio, Inc. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of United Radio, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of United Radio, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Radio, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Radio, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Radio, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Radio, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED RADIO, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following brief description of the United Radio, Inc. 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on October 1, 1991 and is a salary reduction plan pursuant to Section 401(k) of the Internal Revenue Code. The Plan is a defined contribution plan covering substantially all employees of United Radio, Inc. (the "Company") who meet certain age and length of service requirements. The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration and Custodian

The Company is the sponsor and the administrator of the Plan. Empower Trust Company, LLC ("Empower") (formerly known as Great-West Trust Company, LLC ("Great-West") for the year ended December 31, 2021), is the trustee and custodian of the Plan's assets. Empower is also the Plan's third-party administrator and provides recordkeeping services to the Plan.

Eligibility

Each employee shall be entitled to make his or her own contributions (elective deferrals) to the Plan upon the completion of one month of service. Eligible employees may become participants on the first day of the month immediately following or coincident with the date the employee completes the eligibility conditions.

Effective July 1, 2021, the Plan was restated, and a new adoption agreement was signed. The restatement changed the eligibility requirement for employer matching contributions to be 30 days of employment with an entry date on the first day of the month following when the eligibility requirement is met.

Prior to July 1, 2021, each employee was eligible for Company contributions upon the completion of one year of service and at least 1,000 hours of service during the Plan year. Eligible employees became participants commencing on the earlier of the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the attainment of the eligibility requirements.

Contributions

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 5% of eligible pretax compensation. The maximum contribution each participant may make each year is subject to federal limits.

Each year, the Company shall make matching contributions on behalf of each participant in an amount equal to 25% of the participant's elective deferrals, not to exceed 5% of the participant's compensation. The Company may also contribute a discretionary matching contribution that shall be allocated to qualified employees.

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

For 2022 and 2021, the Company has elected to make an additional discretionary matching contribution in an amount equal to 35% of participant's elective deferrals, not to exceed 5% of the participant's compensation. In 2022 and 2021, total matching and discretionary matching contributions totaled \$548,561 and \$498,098, respectively.

The Company may also decide each Plan year to make a discretionary profit-sharing contribution on behalf of the eligible participants. Such contributions shall be allocated to eligible participants in the ratio that each participant's compensation bears to the total compensation paid to all eligible participants for the Plan year. In order for a participant to qualify to receive a discretionary profit-sharing contribution, the participant must be employed on the last day of the Plan year. The Company did not make any discretionary profit-sharing contributions in either 2022 or 2021.

Rollovers

Participants may transfer funds from other qualified plans with the consent of the Plan administrator.

Investments

Participants direct the investment of their contributions, all Company contributions, and related earnings thereon into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan earnings (losses), and (c) an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their elective deferrals plus actual earnings (losses) thereon. The Plan provides for the vesting of employer contributions at the following rate:

<u>Years of Service</u>	<u>Percent of Account Vested</u>
One year	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years or more	100%

A year of service is defined as a minimum of 1,000 hours worked during a Plan year. Additionally, accounts become fully vested upon attainment of age 65, death, or total disability.

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan provides for mandatory distribution of a participant's vested account balance following severance from employment when an account balance is less than \$5,000. The mandatory distribution is subject to automatic rollover if it exceeds \$1,000.

1. DESCRIPTION OF PLAN (Continued)

Forfeited Accounts

Under the terms of the Plan, forfeited amounts will be used first to reduce the employer's matching contributions to the Plan and then reduce non-elective contributions. Forfeiture activity in 2022 and 2021 consisted of the following:

	<u>2022</u>	<u>2021</u>
Forfeitures available for use, beginning of year	\$ 63,506	\$ 54,488
Forfeitures generated	51,221	16,373
Earnings on forfeitures	815	592
Fees expense adjustment	18,674	8,025
Forfeitures used to reduce employer contributions	<u>(50,725)</u>	<u>(15,972)</u>
Forfeitures available for use, end of year	<u>\$ 83,491</u>	<u>\$ 63,506</u>

Administrative expenses

All administrative expenses are paid by the Plan. Investment management fees are paid out of Plan assets. Recordkeeping fees are charged directly against the related investments of the Plan. Administrative expenses consisted of the following:

	<u>2022</u>	<u>2021</u>
Total administrative expenses	\$ 131,807	\$ 96,363
Less: Fees expense adjustment	<u>(18,674)</u>	<u>(22,213)</u>
Administrative expenses, net	<u>\$ 113,133</u>	<u>\$ 74,150</u>

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The fixed annuity is benefit responsive for participant-initiated transactions. However, there is a provision that prevents the immediate and full payout of the contract value for Plan-initiated transactions, therefore it is not deemed to be fully benefit responsive.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

<i>Level 1</i>	Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
<i>Level 2</i>	Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
<i>Level 3</i>	Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, currency, market and credit risk. Due to the level of risk associated with investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

4. FAIR VALUE MEASUREMENTS

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 21,574,247	\$ -	\$ -	\$ 21,574,247

Collective trust funds, at net asset value (a)				<u>3,070,359</u>
	<u>\$ 21,574,247</u>	<u>\$ 2,930,083</u>	<u>\$ -</u>	<u>\$ 27,574,689</u>

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 25,266,301	\$ -	\$ -	\$ 25,266,301
Fixed annuity	<u>-</u>	<u>3,211,828</u>	<u>-</u>	3,211,828
Collective trust funds, at net asset value (a)				<u>3,602,389</u>
	<u>\$ 25,266,301</u>	<u>\$ 3,211,828</u>	<u>\$ -</u>	<u>\$ 32,080,518</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at fair value by quoted prices in active markets for identical assets.

Fixed annuity: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Collective trust funds: The value of each fund's units is based on its NAV, which is in turn based on the NAVs of each portfolio in which it invests, which are classified as Level 2. The NAV of each portfolio is determined based on the policies contained in each portfolio's financial statements.

The NAV per unit of each class equals the total value of its assets, less its liabilities, divided by the number of its outstanding units. Units are only valued as of the close of regular trading on the New York Stock Exchange (NYSE) each day the exchange is open. Each Portfolio values its investments for which market quotations are readily available at fair market value and values its short-term investments that will mature within 60 days at amortized cost, which approximates fair value.

4. FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value of Investments in Entities that Use NAV Per Share Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

<u>Collective Trust Funds</u>	<u>2022</u>	<u>2021</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

Core Plus Bond Fund seek to provide capital appreciation and current income by investing in portfolios according to an asset allocation strategy targeted at a specific retirement date.

Putnam Retirement Advantage Maturity Trust seek to provide capital appreciation and current income by investing in portfolios according to an asset allocation strategy for those who are in retirement.

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Empower (formerly known as Great-West), the trustee and custodian of the Plan's assets, and therefore transactions involving securities managed by Empower qualify as party-in-interest transactions.

6. TAX STATUS

The Plan uses a prototype plan document sponsored by Empower Retirement, LLC. Empower Retirement, LLC received an opinion letter from the Internal Revenue Service dated November 14, 2014, stating that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. RECONCILIATION TO FORM 5500
