Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: WATKINS UBERALL, PLLC

(2) EIN: 62-1804252

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Adams Keegan Retirement Savings Plan
Memphis, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Adams Keegan Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Adams Keegan Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Adams Keegan Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Adams Keegan Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Adams Keegan Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Adams Keegan Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 and the Schedule of Delinquent Participant Contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

ADAMS KEEGAN RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Adams Keegan Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a multiple employer defined contribution 401(k) retirement plan sponsored by Adams Keegan, Inc. (“the Company”). All employees of the Company and employees of its adopting employers, except employees covered under a collective bargaining agreement with the employer, non-resident alien, or employees classified as independent contractors, are eligible to participate in the Plan upon completion of six months of service. Effective January 1, 2021, the Plan was amended to offer the option of no service requirement for eligibility for participating employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 90% of their annual compensation, as defined in the Plan, subject to Internal Revenue Code limitations. Participants who have attained age 50 before the end of Plan year are eligible to make catch-up contributions. Participants may make tax deferred voluntary contributions or Roth (non tax-deferred) voluntary contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Each participating employer, at its discretion, may contribute a matching or non-elective profit-sharing contribution as defined in the respective employer’s adoption agreement.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Employer’s contributions and (b) Plan earnings. Allocations are based on a participant’s earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. All investments are participant-directed.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in all contributions, including employer contributions, plus actual earnings thereon.

Payment of Benefits

On termination of service due to death, disability, or retirement, the participant may elect to receive one lump-sum payment equal to the vested interest in his or her account. Normal retirement age is 65. Withdrawals by a participant while employed are limited to those requested upon the attainment of age 59 ½ as defined by the plan document.

Forfeitures

When an outside qualified plan is transferred into the Plan, the forfeitures transferred are credited to an interest bearing cash account where they can be used to pay plan expenses. Forfeitures may first be used to pay administrative expenses of the Plan or to reduce future employer contributions. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$1,108 and \$7,259, respectively. Forfeitures used to pay administrative expenses totaled \$66,341 for the year ended December 31, 2022.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the plan sponsor and are excluded from these financial statements. Recordkeeping and other administrative expenses may be charged directly to the participants' accounts and are included in administrative expenses. Investment and plan management related expenses are included in net appreciation of fair value of investments. Additional fees are charged to participants based on their use of certain plan features and are recorded as administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared using the accrual basis of accounting.

The Plan's investments are stated at fair market value, as defined by generally accepted accounting principles. See Note 3 for disclosure related to fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed loan distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of investment income, realized gains and (losses), and the unrealized appreciation (depreciation) on investments.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023.

Benefits are recorded when paid.

Date of Management's Review

The plan sponsor evaluated the Plan's December 31, 2022 financial statements for subsequent events through July 20, 2023, the date the financial statements were available to be issued. Other than the events noted in Note 12, the plan sponsor is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value of units held by the Plan at year end.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021, respectively.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets will be used solely to provide benefits for participants.

NOTE 5 – RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 6 – TAX STATUS

The Internal Revenue Service issued a determination letter dated July 31, 2013 stating that the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC) and, therefore, exempt from taxation. The Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan has not generated any taxable income and no federal or state income tax returns have been filed. Federal and state taxing authorities could request an examination of the financial records of the Plan to ascertain if any such taxable income exists, but no such examination has occurred or is pending.

NOTE 7 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Life Insurance Company and U.S. Bank, the asset custodians as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Plan expenses that are paid directly by the plan sponsor also qualify as party-in-interest transactions. Fees incurred by the Plan for administrative services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing rather than a direct payment. These transactions are exempt from the prohibited transaction provision of ERISA and the Internal Revenue Code.

NOTE 8 – SEPARATED PARTICIPANTS AND EMPLOYERS

At December 31, 2022, the Plan's assets included \$77,015 of benefits allocated to withdrawing participants for benefit claims that have been processed and approved for payment prior to year-end, but not yet paid as of that date. The Plan's assets also included \$27,160,361 of benefits to participants of employers who have elected to terminate participation in the Plan as of December 31, 2022.

NOTE 9 – SUMMARY OF INFORMATION CERTIFIED BY ASSET CUSTODIANS

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the asset custodians, John Hancock Life Insurance Company, (U.S.A) and U.S. Bank National Association, have certified that the following data included in the accompanying financial statements and supplemental information is complete and accurate:

- Investments at fair value as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021
- Investment activity, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022
- The schedule of assets (held at end of year) as of December 31, 2022
- Notes receivable from participants as of December 31, 2022 and 2021

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

NOTE 10 – RECONCILIATION OF FEDERAL FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to the Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	\$ 315,820,630	\$ 348,638,979
Add: Excess contributions payable	687,406	604,235
Rounding	-	1
Less: Employer contributions receivable	(301,850)	(227,303)
Participants contributions receivable	(800,575)	(650,934)
Rounding	(1)	-
Net assets available for benefits per the Form 5500	<u>\$ 315,405,610</u>	<u>\$ 348,364,978</u>

The following is a reconciliation of the net change in net assets available for benefits per the financial statements for the year ended December 31, 2022 to the Form 5500:

Net change in net assets available for benefits per the financial statements	\$ (38,831,116)
Add: Prior year employer and participants contributions receivable	878,237
Current year excess contributions payable	687,406
Less: Current year employer and participants contributions receivable	(1,102,425)
Prior year excess contributions payable	(604,235)
Rounding	(1)
Net change in net assets available for benefits per the Form 5500	<u>\$ (38,972,134)</u>

The above differences arise from the financial statements being prepared on an accrual basis and the Form 5500 on a cash basis.

NOTE 11 – PROHIBITED TRANSACTIONS

During 2021, the Company failed to remit to the Plan's trustees certain employee contributions totaling \$1,317 within the period prescribed by the regulations of the Department of Labor. The Company corrected the delinquent contributions, including remitting the lost earnings associated to the Plan in March 2022.

NOTE 12 – SUBSEQUENT EVENT

During 2023, U.S. Bank informed the Company that they would no longer be able to act as the administrator of the personal brokerage accounts (PBA). As of December 31, 2022, total assets in the PBA totaled \$4,976,982. The Company worked with the participants with PBA to either bring their balances back into the Plan, roll them over to an IRA, or pay out their accounts if eligible. As of July 20, 2023, all PBA balances have been transferred out of U.S. Bank.
