INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
JN White Associates Inc. Profit Sharing Plan
Perry, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of JN White Associates Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of JN White Associates Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JN White Associates Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JN White Associates Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JN White Associates Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JN White Associates Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JN WHITE ASSOCIATES INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022
(SEE INDEPENDENT AUDITORS' REPORT)

NOTE 1 DESCRIPTION OF PLAN:

The following description of the JN White Associates Inc. Profit Sharing Plan (the Plan), as restated January 2021 provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees, except excluded employees which include union employees, nonresident aliens, leased employees, and temporary employees. Eligible employees who are age eighteen or older may participate in the employee elective deferral contributions of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible participants may make tax-deferred cash contributions of up to 92% of total compensation subject to applicable limits of the Internal Revenue Code (IRC). Participants age 50 or older may defer additional catch-up amounts to the Plan.

The Company may make a discretionary matching contribution equal to a uniform percentage of each tier of participants' salary deferrals. Each year, the Company will determine the amount of the discretionary percentage, if any. The match will be contributed if participants are employed on the last day of the plan year and completed 1000 hours of service during the plan year. There was no discretionary match for the year ended December 31, 2022. The Company may also make a discretionary profit sharing contribution. The profit sharing contribution will be allocated proportionally if participants are employed on the last day of the plan year and completed 1000 hours of service during the plan year. The profit sharing contribution for the year ended December 31, 2022 was \$282,914.

Participant Accounts

Each participant's account is credited with the participant's contribution and the company's matching contribution and allocation of (A) the company's discretionary contribution, (B) plan earnings, and (C) forfeitures of terminated participants' non-vested accounts. Allocation of participant contributions, company contributions and forfeitures are based on compensation while allocation of plan earnings are based on participant account balance as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022
(SEE INDEPENDENT AUDITORS' REPORT)

NOTE 1 ***DESCRIPTION OF PLAN (continued):***

Participant Accounts (continued)

The maximum contribution for the Plan is the total amount of the participant's contribution not to exceed 100% of the participant's salary or the annual Internal Revenue Services (IRS) contribution limit, whichever is less. The IRS contribution limit was \$20,500 for the year ended December 31, 2022. The catch-up contribution for participants over 50 years old was \$6,500 for the year ended December 31, 2022.

Vesting

Participants are fully and immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions portion plus actual earnings thereon is based on years of service.

Employees are vested in the Company's discretionary matching and profit-sharing contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon termination of service, a participant has the following options: lump sum rollover into a qualified plan; lump sum distribution; installment payments; or deferred distribution until a later date or age 72 if the account is over \$5,000. In the event of a participant's death, the balance in the participant's account is paid to a participant's beneficiaries.

Investment Options

Upon enrollment in the plan, a participant may direct employee contributions in 1% increments in any of the following options. Participants may change their investment mix anytime during the year.

American Funds Target Date Retirement Series

Depending on the proximity to its target date, the fund will seek to achieve the following objectives to varying degrees: growth, income and conservation of capital. The fund will increasingly emphasis income and conservation of capital by investing a greater portion of its assets in bond, equity income and balanced funds as it approaches and passes its target date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022
(SEE INDEPENDENT AUDITORS' REPORT)

NOTE 1 ***DESCRIPTION OF PLAN (continued):***

American Funds New World Fund

The fund invests primarily in common stocks of companies with significant exposure to countries with developing economies and/or markets. Under normal market conditions, the fund invests at least 35% of its assets in equity and debt securities of issuers primarily based in qualified countries that have developing economies and/or markets.

Empower International Value Fund

The fund will, under normal circumstances, invest at least 80% of its net assets (plus the amount of any borrowings for investment purposes) in equity securities. Under normal circumstances, it will invest primarily in companies located outside the U.S., including those in emerging markets. The fund may have significant investments in a particular country, a small number of countries, or a particular geographic region.

Vanguard Developed Markets Index Fund

The fund employs an indexing investment approach designed to track the performance of the FTSE Developed All Cap ex US Index, a market-capitalization-weighted index that is made up of approximately 4,006 common stocks of large-, mid-, and small-cap companies located in Canada and the major markets of Europe and the Pacific region. The Advisor attempts to replicate the target index by investing all, or substantially all, of its assets in the stocks that make up the index, holding each stock in approximately the same proportion as its weighting in the index.

Cohen & Steers Real Estate Securities Fund

The fund invests at least 80% of its total assets in income-producing common stocks and other equity securities issued by real estate companies, such as real estate investment trusts ("REITs"). It may invest up to 20% of its total assets in securities of foreign issuers (including emerging market issuers) which meet the same criteria for investment as domestic companies, including investments in such companies in the form of American Depositary Receipts ("ADRs"), Global Depositary Receipts ("GDRs") and European Depositary Receipts ("EDRs"). The fund is non-diversified.

Vanguard Small Cap Index Fund

The fund employs an indexing investment approach designed to track the performance of the CRSP US Small Cap Index, a broadly diversified index of stocks of small U.S. companies. The advisor attempts to replicate the target index by investing all, or substantially all, of its assets in the stocks that make up the index, holding each stock in approximately the same proportion as its weighting in the index.

NOTE 1 ***DESCRIPTION OF PLAN (continued):***

T. Rowe Price Diversified Mid Cap Growth Fund

The fund will normally invest at least 80% of its net assets (including any borrowings for investment purposes) in a broadly diversified portfolio of common stocks of mid-cap growth companies. The Management expects the earnings of these companies to grow at a faster rate than the average company. The Management defines mid-cap companies as those whose market capitalization falls within the range of either the S&P MidCap 400 Index or the Russell Midcap Growth Index.

Vanguard Mid Cap Index Fund

The fund employs an indexing investment approach designed to track the performance of the CRSP US Mid Cap Index, a broadly diversified index of stocks of mid-size U.S. companies. The advisor attempts to replicate the target index by investing all, or substantially all, of its assets in the stocks that make up the index, holding each stock in approximately the same proportion as its weighting in the index.

Victory Sycamore Established Value Fund

Under normal circumstances, at least 80% of the fund's assets will be invested in equity securities of companies with market capitalizations, at the time of purchase, within the range of companies comprising the Russell Midcap® Value Index. It may invest a portion of its assets in equity securities of foreign companies traded in the U.S., including American Depositary Receipts and Global Depositary Receipts ("ADRs" and "GDRs").

JP Morgan Equity Income Fund

Under normal circumstances, at least 80% of the fund's assets will be invested in the equity securities of corporations that regularly pay dividends, including common stocks and debt securities and preferred securities convertible to common stock. "Assets" means net assets, plus the amount of borrowings for investment purposes. Although the fund invests primarily in securities of large cap companies, it may invest in equity investments of companies across all market capitalizations.

JP Morgan Large Cap Growth Fund

Under normal circumstances, at least 80% of the fund's assets will be invested in the equity securities of large, well-established companies. "Assets" means net assets, plus the amount of borrowings for investment purposes. Large, well-established companies are companies with market capitalizations equal to those within the universe of the Russell 1000® Growth Index at the time of purchase.

Vanguard 500 Index Fund

The fund employs an indexing investment approach designed to track the performance of the Standard & Poor's 500 Index, a widely recognized benchmark of U.S. stock market performance that is dominated by the stocks of large U.S. companies. The advisor attempts to replicate the target index by investing all, or substantially all, of its assets in the stocks that make up the index, holding each stock in approximately the same proportion as its weighting in the index.

The Hartford Balanced Income Fund

The fund targets an allocation of approximately 45% equity securities and 55% fixed income investments, with the allocation generally varying by no more than +/- 5%. The equity portion of the fund invests primarily in common stocks with a history of above-average dividends or expectations of increasing dividends. It may invest up to 20% of the fixed income portion of the portfolio in domestic non-investment grade debt.

Metropolitan West Total Return Bond Fund

The fund pursues its objective by investing, under normal circumstances, at least 80% of its net assets in investment grade fixed income securities or unrated securities determined by the Adviser to be of comparable quality. Up to 20% of the fund's net assets may be invested in securities rated below investment grade or unrated securities determined by the Adviser to be of comparable quality. The fund also invests at least 80% of its net assets, plus any borrowings for investment purposes in fixed income securities it regards as bonds.

Vanguard Inflation-Protected Securities Fund

The fund invests at least 80% of its assets in inflation-indexed bonds issued by the U.S. government, its agencies and instrumentalities, and corporations. It may invest in bonds of any maturity; however, its dollar-weighted average maturity is expected to be in the range of 7 to 20 years. At a minimum, all bonds purchased by the fund will be rated investment-grade or, if unrated, will be considered by the advisor to be investment-grade.

Vanguard Total Bond Market Index Fund

This index measures the performance of a wide spectrum of public, investment-grade, taxable, fixed income securities in the United States-including government, corporate, and international dollar-denominated bonds, as well as mortgage-backed and asset-backed securities-all with maturities of more than 1 year. All of the fund's investments will be selected through the sampling process, and at least 80% of its assets will be invested in bonds held in the index.

NOTE 1 *DESCRIPTION OF PLAN (continued):*

Government Obligations Fund

This investment seeks current income consistent with stability of principal by investing in a portfolio of U.S. Treasury and government securities maturing in 397 days or less and repurchase agreements collateralized fully by U.S. Treasury and government securities.

NOTE 2 *SUMMARY OF SIGNIFICANT ACCOUNTING POLICES:*

Basis of Accounting

The Plan maintains its accounting records and financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments

The Plan's investments are recorded at market value, as established by the trustee, as of December 31, 2022.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Accounts Forfeited

Participants who terminate employment prior to the vesting of the employer non-elective contribution to their retirement accounts forfeit such contributions. No forfeitures were used for the year ended December 31, 2022.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan include recordkeeping fees and legal fees and are paid by the Plan and Plan Sponsor in 2022. The amount charged for administrative expenses totaled \$34,045 for the year ended December 31, 2022.

Economic Dependency/Concentration of Credit Risk

For the year ended December 31, 2022, all of the investments are held and administered by Empower Trust Company, LLC.

NOTE 3 INVESTMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation, or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual funds: Valued at the daily closing price as reported on the active market on which the individual securities are traded.

Investments at fair value	<u>\$ 8,056,440</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,056,440</u>

NOTE 4 *TAX STATUS:*

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified.

Accounting principles generally accepted in the United State of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 *RISKS AND UNCERTAINTIES:*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market credits, foreign currency, custodial credit, and concentration of credit risks. Due to level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially offset participants' account balances and the amounts reported in the statement of net assets available for benefits.

JN WHITE ASSOCIATES INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022
(SEE INDEPENDENT AUDITORS' REPORT)

NOTE 5 *RISKS AND UNCERTAINTIES (continued):*

Foreign Currency Risk:

Foreign currency risk is the risk that changes in exchange rates may occur that could adversely affect the fair value of the investment. The Plan allows participants the option of purchasing investments that invest outside of the United States which would increase the investment foreign currency risk.

Custodial Credit Risk:

Custodial credit risk is the risk that, in the event of a bank failure, the Plan's deposits may not be returned to it. Deposits are exposed to custodial credit risk if they are not covered by depository insurance and that deposits are (a) uncollateralized, (b) collateralized with securities held by the pledging financial institution, or (c) collateralized with securities held by the pledging financial institution's trust department or agent by not in the Plan's name. All deposits of the Plan are held on behalf of the Plan by the Plan custodian in accordance with the formal deposit policy for the custodial credit risk and are not exposed to custodial credit risk.

Concentration of Credit Risk:

Concentration of credit risk is the risk of loss attributed to the magnitude of the Plan's investment in a single issuer. The Plan's investments are managed by several fund managers. The concentration of investments is determined by participants' elections to invest in the available investment options as selected by the Plan Sponsor and its advisers. Since all investments are participant directed, all risks exist at the participant level. Each individual within the Plan has the ability to liquidate his/her position on demand and has responsibility to manage his/her exposure to fair value loss.

NOTE 6 *SUMMARY OF INFORMATION CERTIFICATE:*

The Trustees of the plan, Empower Trust Company LLC, has supplied the Plan administrator with a certification as to the completeness and accuracy of the information regarding the investment in JN White Associates Inc. Profit Sharing Plan presented in accompanying statement of net assets available for Plan benefits as of December 31, 2022 and in the statement of changes in net assets for the year then ended and related schedules.

NOTE 7 *RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS:*

The Company, the participants and the Trustee have all been identified as parties-in-interest. The Plan invests in shares of mutual funds and money market funds managed by the Trustee. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules. Certain administrative expenses of the Plan are paid by the Company and qualify as party-in-interest transactions. The Company has a Master Service Agreement with the Trustee. The Plan pays for the services of the Trustee through net fees charged to the participants in the Plan.

NOTE 8 *COVID-19:*

In March 2020, a global pandemic was declared by the World Health Organization over the spread of COVID-19, commonly known as the coronavirus. This outbreak has significantly disrupted supply chains and has affected production and sales across a range of industries throughout the United States. While multiple vaccines have been developed and their distribution has begun in the United States, COVID-19 remains a global pandemic as of the issuance of these financial statements. The extent of the impact of COVID-19 on the Company's future operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and impact on customers, employees, and vendors, all of which are still uncertain and cannot be predicted. As a result of COVID-19, since March 2020 there have been numerous instances of government restrictions on operations. These restrictions have impacted Company's revenue. It is at least reasonably possible that changes in the estimates contained in these financial statements could occur in the near-term and such changes could be material. However, at this point, the extent of which COVID-19 may ultimately impact the financial condition or results of operations remains uncertain.

NOTE 9 *PLAN TERMINATION:*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contribution.

NOTE 10 *SUBSEQUENT EVENTS:*

Management has evaluated subsequent events through June 29, 2023, the date on which the financial statements were available to be issued. No events have occurred which would have a material effect on the financial statements of the Plan as of the date.
