INDEPENDENT AUDITOR'S REPORT

Plan Administrators
DuPage Credit Union Employees 401(k) Profit Sharing Plan
Naperville, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **DuPage Credit Union Employees 401(k) Profit Sharing Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103 (a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at the end of the year – Schedule H, Line 4i as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is/are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DuPage Credit Union Employees 401(k) Profit Sharing Plan

Notes to the Financial Statements

1. Description of Plan

The following brief description of the DuPage Credit Union Employees 401(k) Profit Sharing Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a Section 401(k) defined contribution plan with salary deferral provisions, which was established on January 1, 1993. Under the Plan, all employees of DuPage Credit Union (the Credit Union) who have two months of service, as defined in the Plan document, and are age 20 or older, are eligible to participate in the Plan. The trustee of the Plan is Fidelity Management Trust Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Pre-tax or post-tax deferred savings contributions in the form of salary reductions by participants are allowed. The amount contributed is determined by the participant, subject to statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Participants are automatically enrolled in the Plan with a 6% pre-tax deferral and their contributions are invested in a designated target fund until changed by the participant. Participants who are enrolled automatically will also be enrolled in an automatic increase program. On every April 1, the participant's deferral election will be increased by 1% (up to a maximum of 10%). Participants may opt out of automatic enrollment, or the automatic increase program at any time.

The Credit Union may make a discretionary matching contribution equal to a uniform percentage or dollar amount of participant elective deferrals each payroll period. For 2022, the employer match is 50% of the first 6% of an employee's contribution. The Credit Union may also make an annual discretionary profit-sharing contribution in an amount determined by its governing board of directors. The Credit Union did not make a discretionary profit-sharing contribution in 2022.

Participants' Accounts – Each participant's account is credited with the participant's contributions, an allocation of the Credit Union's contributions, and gains and losses from the investment funds elected. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DuPage Credit Union Employees 401(k) Profit Sharing Plan
Notes to the Financial Statements (cont'd)

1. Description of Plan (cont'd)

Vesting – A participant is fully vested in participant contributions, plus actual earnings, gains and losses thereon, at all times. Vesting in the Credit Union's discretionary matching contribution portion of their accounts is as follows:

<u>Number of Completed Years of Service</u>	<u>Portion of Balance of Account Vested</u>
Less than three years	0%
Three or more years	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits – A participant's account balance may be withdrawn upon retirement, death, disability, hardship or termination of employment as defined by the Plan. Benefits are payable in a single lump-sum amount, annuity or installment payments equal to the value of the participant's account. In-service withdrawals from transfer accounts, distributions after age 59½ and hardship distributions are also allowed by the Plan.

Forfeited Accounts – For the 2022 Plan year, forfeitures were \$22,941. Accumulated forfeitures of \$13,022 were used to pay administrative expenses of the Plan. At December 31, 2022, forfeited nonvested accounts totaled \$20,070 (\$9,935 at December 31, 2021). These accounts are first used to pay administrative expenses under the Plan and then to reduce future employer contributions.

Plan Termination – Although the Credit Union has not expressed any intent to terminate the Plan, it may do so at any time. The termination of the Plan is subject to the provisions of ERISA. In the event of Plan termination, all account balances as of the date of termination shall be payable to the participants and beneficiaries.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

DuPage Credit Union Employees 401(k) Profit Sharing Plan
Notes to the Financial Statements (cont'd)

2. Summary of Significant Accounting Policies (cont'd)

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and are included in administrative expenses. Allocations are based on account balances. Investment related expenses are included in net depreciation of fair value of investments.

CARES Act – The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law on March 27, 2020. Section 2202 of the CARES Act permits Plan participants with qualifying coronavirus-related reasons to request penalty-free distributions of up to \$100,000. The Act also increases the loan limitation to the lesser of \$100,000 and all the vested account balance and permits loan repayments due between March 27, 2020 and December 31, 2020, to be delayed one year. The Plan has been operating in accordance with the distribution and loan repayment provisions of the CARES Act. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance. The plan document was amended in April 2023 to reflect these operational changes.

Subsequent Events – Subsequent events have been evaluated through July 21, 2023, which is the date the financial statements were available to be issued.

3. Information Prepared and Certified by Trustee

The Credit Union, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Fidelity Management Trust Company and furnished to the Credit Union. The Company has obtained certifications from the Trustee as of December 31, 2022 and December 31, 2021, and for the year ended December 31, 2022, that such information is complete and accurate.

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 10,896,866	\$ 12,044,553
Notes receivable from participants	185,200	182,855
Net depreciation in fair value of investments	(2,434,615)	
Dividends and interest	361,997	
Interest income – notes receivable from participants	7,242	

4. Fair Value Measurements

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Level 1 – Valuations are based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 – Valuations are based on quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose significant inputs are observable.

Level 3 – Valuations are based on unobservable inputs for the asset or liability that reflect the reporting entity's own data and assumptions that market participants would use in pricing the asset or liability. These unobservable inputs are significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

DuPage Credit Union Employees 401(k) Profit Sharing Plan
Notes to the Financial Statements (cont'd)

4. Fair Value Measurements (cont'd)

Investments recorded at fair value are exclusively mutual funds that are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These assets are categorized in Level 1 of the fair value hierarchy.

At December 31, the Plan's financial instruments were categorized as follows:

2022			
	Level 1	Level 2	Level 3
Mutual funds	\$ 10,896,866	\$ -	\$ -
			\$ 10,896,866
2021			
	Level 1	Level 2	Level 3
Mutual funds	\$ 12,044,553	\$ -	\$ -
			\$ 12,044,553

5. Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee for the Plan; therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third-party administrator of \$41,073. The Credit Union pays directly any other fees related to the Plan's operations.

6. Tax Status

The Plan has adopted the Fidelity Management and Research Company Pre-Approved Profit Sharing Plan. The Internal Revenue Service has determined and informed Fidelity Management and Research Company, by a letter dated June 30, 2020, that the Pre-Approved Profit Sharing Plan is designed in accordance with applicable sections of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to the Financial Statements (cont'd)

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITOR'S REPORT

Plan Administrators
DuPage Credit Union Employees 401(k) Profit Sharing Plan
Naperville, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **DuPage Credit Union Employees 401(k) Profit Sharing Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103 (a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at the end of the year – Schedule H, Line 4i as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is/are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DuPage Credit Union Employees 401(k) Profit Sharing Plan

Notes to the Financial Statements

1. Description of Plan

The following brief description of the DuPage Credit Union Employees 401(k) Profit Sharing Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a Section 401(k) defined contribution plan with salary deferral provisions, which was established on January 1, 1993. Under the Plan, all employees of DuPage Credit Union (the Credit Union) who have two months of service, as defined in the Plan document, and are age 20 or older, are eligible to participate in the Plan. The trustee of the Plan is Fidelity Management Trust Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Pre-tax or post-tax deferred savings contributions in the form of salary reductions by participants are allowed. The amount contributed is determined by the participant, subject to statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Participants are automatically enrolled in the Plan with a 6% pre-tax deferral and their contributions are invested in a designated target fund until changed by the participant. Participants who are enrolled automatically will also be enrolled in an automatic increase program. On every April 1, the participant's deferral election will be increased by 1% (up to a maximum of 10%). Participants may opt out of automatic enrollment, or the automatic increase program at any time.

The Credit Union may make a discretionary matching contribution equal to a uniform percentage or dollar amount of participant elective deferrals each payroll period. For 2022, the employer match is 50% of the first 6% of an employee's contribution. The Credit Union may also make an annual discretionary profit-sharing contribution in an amount determined by its governing board of directors. The Credit Union did not make a discretionary profit-sharing contribution in 2022.

Participants' Accounts – Each participant's account is credited with the participant's contributions, an allocation of the Credit Union's contributions, and gains and losses from the investment funds elected. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DuPage Credit Union Employees 401(k) Profit Sharing Plan
Notes to the Financial Statements (cont'd)

1. Description of Plan (cont'd)

Vesting – A participant is fully vested in participant contributions, plus actual earnings, gains and losses thereon, at all times. Vesting in the Credit Union's discretionary matching contribution portion of their accounts is as follows:

<u>Number of Completed Years of Service</u>	<u>Portion of Balance of Account Vested</u>
Less than three years	0%
Three or more years	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits – A participant's account balance may be withdrawn upon retirement, death, disability, hardship or termination of employment as defined by the Plan. Benefits are payable in a single lump-sum amount, annuity or installment payments equal to the value of the participant's account. In-service withdrawals from transfer accounts, distributions after age 59½ and hardship distributions are also allowed by the Plan.

Forfeited Accounts – For the 2022 Plan year, forfeitures were \$22,941. Accumulated forfeitures of \$13,022 were used to pay administrative expenses of the Plan. At December 31, 2022, forfeited nonvested accounts totaled \$20,070 (\$9,935 at December 31, 2021). These accounts are first used to pay administrative expenses under the Plan and then to reduce future employer contributions.

Plan Termination – Although the Credit Union has not expressed any intent to terminate the Plan, it may do so at any time. The termination of the Plan is subject to the provisions of ERISA. In the event of Plan termination, all account balances as of the date of termination shall be payable to the participants and beneficiaries.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

DuPage Credit Union Employees 401(k) Profit Sharing Plan
Notes to the Financial Statements (cont'd)

2. Summary of Significant Accounting Policies (cont'd)

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and are included in administrative expenses. Allocations are based on account balances. Investment related expenses are included in net depreciation of fair value of investments.

CARES Act – The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law on March 27, 2020. Section 2202 of the CARES Act permits Plan participants with qualifying coronavirus-related reasons to request penalty-free distributions of up to \$100,000. The Act also increases the loan limitation to the lesser of \$100,000 and all the vested account balance and permits loan repayments due between March 27, 2020 and December 31, 2020, to be delayed one year. The Plan has been operating in accordance with the distribution and loan repayment provisions of the CARES Act. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance. The plan document was amended in April 2023 to reflect these operational changes.

Subsequent Events – Subsequent events have been evaluated through July 21, 2023, which is the date the financial statements were available to be issued.

3. Information Prepared and Certified by Trustee

The Credit Union, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Fidelity Management Trust Company and furnished to the Credit Union. The Company has obtained certifications from the Trustee as of December 31, 2022 and December 31, 2021, and for the year ended December 31, 2022, that such information is complete and accurate.

	2022	2021
Investments, at fair value	\$ 10,896,866	\$ 12,044,553
Notes receivable from participants	185,200	182,855
Net depreciation in fair value of investments	(2,434,615)	
Dividends and interest	361,997	
Interest income – notes receivable from participants	7,242	

4. Fair Value Measurements

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Level 1 – Valuations are based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 – Valuations are based on quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose significant inputs are observable.

Level 3 – Valuations are based on unobservable inputs for the asset or liability that reflect the reporting entity's own data and assumptions that market participants would use in pricing the asset or liability. These unobservable inputs are significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to the Financial Statements (cont'd)

4. Fair Value Measurements (cont'd)

Investments recorded at fair value are exclusively mutual funds that are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These assets are categorized in Level 1 of the fair value hierarchy.

At December 31, the Plan's financial instruments were categorized as follows:

2022			
	Level 1	Level 2	Level 3
Mutual funds	\$ 10,896,866	\$ -	\$ -
			\$ 10,896,866
2021			
	Level 1	Level 2	Level 3
Mutual funds	\$ 12,044,553	\$ -	\$ -
			\$ 12,044,553

5. Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee for the Plan; therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third-party administrator of \$41,073. The Credit Union pays directly any other fees related to the Plan's operations.

6. Tax Status

The Plan has adopted the Fidelity Management and Research Company Pre-Approved Profit Sharing Plan. The Internal Revenue Service has determined and informed Fidelity Management and Research Company, by a letter dated June 30, 2020, that the Pre-Approved Profit Sharing Plan is designed in accordance with applicable sections of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
