We have performed an audit of the financial statements of Banco Itaú International 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BANCO ITAÚ INTERNATIONAL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Banco Itaú International 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan, established on June 1, 2007, is a defined contribution plan covering all eligible full time employees of Banco Itaú International (the “Employer”, the “Company”, or “Plan Sponsor”), who have reached 21 years of age. Part-time, temporary or seasonal employees, with less than 1,000 regularly scheduled service hours (annually), nonresident aliens and leased employees are not eligible to join the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Custody of the Plan’s investments are entrusted to Reliance Trust Company (“the Trustee”). The Trustee holds the Plan’s assets and also performs certain administrative services including the maintenance of certain participant records.

The 401(k) Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Effective September 1, 2021, Itau Unibanco S.A. 401k Savings Plan (“Unibanco Plan”) and Itau BBA USA Securities, Inc. 401(k) Plan (“BBA Plan”) merged into the Plan. During 2021, approximately \$12,537,000 in Unibanco Plan assets and approximately \$5,896,000 in BBA Plan assets were transferred into the Plan. Effective September 1, 2021, all new employees under the respective plan sponsors of the Unibanco Plan and BBA Plan would need to meet the eligibility requirements established under the Plan in order to participate.

CONTRIBUTIONS

Each year, participants may contribute up to 90% of their pretax or after tax (Roth) annual eligible compensation, as defined in the Plan document, not to exceed annual limits established in the Internal Revenue Code (“IRC”) (\$19,500 in 2021). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 in 2021). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“Rollovers”). The Employer matches 100% of contributions up to a maximum of 5% of employee eligible compensation. The Employer may also make a discretionary profit sharing contribution to the Plan. In 2021, no discretionary profit sharing contributions were made.

BANCO ITAÚ INTERNATIONAL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participants direct the investment of their contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Rollovers, and an allocation of (a) the Employer's contributions and (b) Plan investment earnings or losses. Each participant's account is reduced by any withdrawals or distributions associated directly with the participant and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested portion of the account balance.

VESTING

Participants are vested immediately in their voluntary contributions, including Rollovers, plus actual earnings thereon. Vesting in the Employer's matching and discretionary profit sharing contributions is based on years of continuous service. Effective December 1, 2018, the Plan document was amended whereby participants became fully vested in the Employer discretionary profit sharing contributions. Effective January 1, 2019, the Plan document was amended whereby eligible participants became fully vested in Employer matching contributions, including those contributions prior to January 1, 2019.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan allows participants to borrow against their vested balances (minimum loan of \$500). The loans bear interest at a fixed rate of the prime rate plus 1%, as opposed to loans transferred in from previous plans which bear interest at varying rates. As of December 31, 2020, interest rates on outstanding loans ranged from 4.25% to 6.50%. The maximum amount available for loans is the lesser of 50% of the participants vested account balance or \$50,000, reduced by the highest outstanding loan balance during the prior 12-month period. Loan repayment periods are for a maximum of five years unless the loan is for the purchase of a primary residence, in which case a reasonable repayment period is determined at the time of the loan. Loan repayments are made through payroll deductions. A participant may have two loans outstanding at a time.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

During 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. Pursuant to the CARES Act, Plan participants could request a delay of note repayments that occurred between March 27, 2020 and December 31, 2020 for one year. Such participant notes are re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act temporarily permitted Plan participants to take loans during the 180 day period starting on the date of enactment, up to the lesser of either \$100,000 or 100% of the participant's vested account balance.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments over a period of no more than the participant's assumed life expectancy. Withdrawals under the Plan are allowed for hardships (as defined in the IRC) or the attainment of age 59-1/2. The Plan provides for certain involuntary distributions, for nonresponding terminated participants, with balances between \$1,000 and \$5,000, to be rolled over to an individual retirement account at Merrill Lynch. Additionally, nonresponding terminating participants with balances of less than \$1,000, will receive a cash distribution in the form of a check.

Pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

During 2020, the Plan adopted the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act"), which was signed into law on January 1, 2020. The SECURE Act changes the minimum distributions age from when distributions must begin from 70 ½ to 72.

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

HARDSHIP WITHDRAWALS

Under certain circumstances of financial hardships, the participant is allowed to withdraw funds from the Plan. For the year ended December 31, 2021, there was approximately \$26,000 in hardship distributions, which are included in benefits paid to participants in the accompanying Statement of Changes in Net Assets Available for Benefits.

FORFEITURES

Forfeitures are those amounts of Employer contributions in which a participant is not fully vested at the time of termination (prior to vesting changes in 2018 and 2019). Forfeitures will be used to reduce future Employer contributions. At December 31, 2021 and 2020 forfeited non-vested accounts were approximately \$1,800 and \$1,700, respectively. During 2021, there were no forfeited non-vested accounts used to offset Employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the Plan’s fully benefit-responsive investment contract which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401(k) Committee determines the Plan’s valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Administrative expenses incurred in relation to the maintenance of the Plan are substantially paid by the Plan Sponsor, however, if allowed under the Plan document, may be paid by the Plan. Expenses paid by the Plan Sponsor are excluded from these financial statements. Fees related to investment expenses and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits. The 401(k) Committee monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan believes minimizes these risks.

BANCO ITAÚ INTERNATIONAL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECENTLY ISSUED ACCOUNTING PRONOUNCEMENT

In August 2018, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements on fair value measurements under Accounting Standards Codification (“ASC”) Topic No. 820, *Fair Value Measurements and Disclosures*, as amended. For nonpublic companies, ASU 2018-13, removes (a) the prior requirement to disclose the amount and reason for transfers between Level 1 and Level 2 of the fair value hierarchy, (b) the policy for timing of transfers between levels, (c) the valuation process used for Level 3 fair value measurements, and (d) the requirement to disclose changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements. For nonpublic companies, ASU 2018-13 also adds, among other things, a requirement to disclose transfers into and out of Level 3 of the fair value hierarchy, and purchases and issuances of Level 3 assets and liabilities, rather than reconcile the opening balances to the closing balances of recurring Level 3 fair value measurements. The amendment is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption was permitted upon issuance of ASU 2018-13. The Plan adopted ASU 2018-13 effective January 1, 2020; however, it did not have a significant impact on the Plan’s financial statements.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2021, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820, *Fair Value Measurements and Disclosures* are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

BANCO ITAÚ INTERNATIONAL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2

Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts

The Plan is invested in a collective trust valued at the NAV of the units, as provided by the trustee at year end. The NAV is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value measurements at December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total

Investments at Fair Value	<u>\$ 8,315,894</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$21,752,326</u>

* In accordance with FASB ASC 820-10, certain investments (common/collective trusts) that were measured at NAV per share (or its equivalent), used as the practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying Statements of Net Assets Available for Benefits.

FAIR VALUE OF INVESTMENTS THAT CALCULATE NAV (PRACTICAL EXPEDIENT)

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

BANCO ITAÚ INTERNATIONAL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 4 – STABLE INCOME FUND

The PIMCO Stable Income Fund (the “Fund”) is a fund maintained by PIMCO Collective Investment Trust II (the “Trust”). The Trust’s investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. In monitoring liquidity, consideration of such factors as the benefit-responsiveness of the investments contract, the ability of the parties to the investment contracts to perform in accordance with the terms of the contracts, and the likelihood that plan-directed withdrawals would result in payments to plan participants at amounts other than contract value. As of December 31, 2021 and 2020, the Fund’s contract value reported in the accompanying Statements of Net Assets Available for Benefits is \$1,657,234 and \$602,310, respectively.

Benefit-responsive investment contracts are agreements with high quality banks and insurance companies which are designed to help preserve principal and provide a stable crediting rate. These contracts provide that plan participant initiated withdrawals permitted under a participating plan will be at contract value. In addition to certain wrap agreement and separate account contract termination provisions, the contracts generally provide that withdrawals associated with certain events which are not in the ordinary course of fund operations, and are determined by the issuer to have material adverse effect on the issuer’s financial interest, will be paid with a market value adjustment to the contract value amount of such withdrawal as defined in such contracts. Wrap agreements permit the Trust’s investment manager or issuer to terminate upon notice at any time, at market value and provide for automatic termination of the wrap contract if the book value or the market value of the contract equals zero.

NOTE 5 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained from management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan). This information has not been audited by the Plan’s independent auditors.

BANCO ITAÚ INTERNATIONAL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 6 - PARTY-IN INTEREST TRANSACTIONS

Fees paid by the Plan to ADP, LLC (“ADP”, the “Plan Record Keeper”), for investment advisory and administrative services for the year ended December 31, 2021 were approximately \$2,300.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA.

NOTE 8 - TAX STATUS

The Plan adopted a non-standardized pre-approved profit sharing plan/money purchase/CODA with CODA (“Non-Standardized Plan”) which received an opinion letter from the Internal Revenue Service (“IRS”) dated October 6, 2020, that the Plan and related trust, as then designed, was in accordance with applicable sections of the IRC. Although the Plan has been amended and certain provisions have been adopted since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
