INDEPENDENT AUDITOR'S REPORT

Plan Trustee
Frontwave Credit Union Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Frontwave Credit Union Retirement Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Frontwave Credit Union Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Frontwave Credit Union Retirement Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Minnesota Life Insurance Company (Minnesota Life), the trustee of the Frontwave Credit Union Retirement Plan as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information as described in Note 9 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by Minnesota Life agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Frontwave Credit Union Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Frontwave Credit Union Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Frontwave Credit Union Retirement Plan; and determining whether the Frontwave Credit Union Retirement Plan's transactions that are presented and disclosed in the financial statements are in conformity with Frontwave Credit Union Retirement Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Frontwave Credit Union Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Frontwave Credit Union Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Minnesota Life agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FRONTWAVE CREDIT UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Frontwave Credit Union Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document and plan amendments for a more complete description of the Plan's provisions.

General: Adopted January 1, 1980, the Plan is a defined contribution plan covering substantially all employees of Frontwave Credit Union (the Plan Sponsor) who have completed two months of service and are age 18 or older effective January 1, 2019. The conditions of eligibility changed from completion of six months and 500 hours of service and attainment of age 21 or older before January 1, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management elected the safe harbor provision effective January 1, 2008. A safe harbor 401(k) plan is similar to a traditional 401(k) plan but, among other things, must provide for employer contributions that are fully vested when made. However, the safe harbor 401(k) is not subject to many of the complex tax rules associated with a traditional 401(k) plan, including annual nondiscrimination testing.

Contributions: The Plan allows participants to contribute up to 100% of their annual income on a pre-tax basis up to the maximum amount allowed by law for the plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants over the age of 50 may also make catch-up contributions of \$6,500 for 2022 and 2021. Catch-up contributions can be in excess of the deferral limits described below.

Participants may direct the investment of their contributions into various investment options offered by the Plan. In 2020, the employer made a safe harbor matching contribution equal to 100% of participants' salary deferrals that did not exceed 3% of compensation, plus 50% of salary deferrals that exceeded 3% but did not exceed 5% of compensation. Since 2021, the Plan Sponsor matches 100% of up to 5% of the participant's compensation. This safe harbor matching contribution is 100% vested. The matching employer contribution is invested directly into employees' self-directed accounts. Additional profit sharing amounts may be contributed at the option of the Plan Sponsor. During the years ended December 31, 2022 and 2021, the Plan Sponsor provided profit sharing contributions totaling 10% of net income. The contributions were equally provided among eligible participants, subject to certain limitations. The Plan also contains automatic enrollment and automatic escalation features. The participants will be notified approximately 30 days prior to the date of rehire or entry date and will be automatically enrolled with a 3% pre-tax contribution. Auto escalation is 1% each year up to 6%.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and (b) the Plan's earnings (losses). The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account, subject to the Plan's provisions.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 7.25%, which are commensurate with local prevailing rates. Loan terms may range from one to five years, or longer if used to purchase the primary residence of the participant. Principal and interest are paid ratably through payroll deductions.

Vesting: Participants are immediately vested in their voluntary contributions and the Plan Sponsor's matching contributions plus actual earnings thereon. Prior to 2008, vesting in the Plan Sponsor's contribution portion of participants' accounts was based on equally graduated levels beginning after two years of credited service and participants were 100% vested after six years of credited service. Beginning in 2008, in order to maintain the safe harbor status, employer contributions are 100% vested. Vesting in the remainder of participants' accounts is based on years of continuous service, and participants are 100% vested after six years.

FRONTWAVE CREDIT UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits: Upon termination of service due to death, disability or retirement from the Plan Sponsor, a participant may elect to receive the vested interest in their account in the form of an annuity, a single sum cash payment or a combination of the two options. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeited Accounts: Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures are used first to reduce the Plan Sponsor's contributions to the Plan and second to cover the costs of administration of the Plan.

As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$46,797 and \$18,859, respectively, which are used to reduce future employer contributions and as payment for administrative expenses. Payments were made from forfeitures totaling \$14,865 for administrative expenses and \$18,859 to reduce the employer contribution for the plan year ended December 31, 2022.

Plan Administration: The Plan is administered by the Plan Sponsor. The Plan Administrator controls and manages the operation and administration of the Plan. Minnesota Life Insurance Company (Minnesota Life) serves as the trustee of the Plan.

Administrative Expenses: Any fees related to the administration of the Plan or associated with the investment of the Plan's assets may be paid by the Plan or the Plan Sponsor. If the Plan Sponsor does not pay plan fees, such fees will generally be allocated to the accounts of participants, either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan. Certain fees may be paid from plan forfeitures if available.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue the contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. Upon termination of the Plan, the trust shall continue until all benefits have been distributed under the Plan.

Investment Options: Participants may direct both employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by the Plan are provided below.

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates: The preparation of financial statements in conformity with US GAAP requires the Plan Administrator to make a number of estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

FRONTWAVE CREDIT UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms specified in the plan document.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Investment contracts held by a defined contribution plan are required to be reported at fair value unless considered fully benefit responsive. Since the general account is not considered to be fully benefit responsive, it is also stated at fair value. The fair value of the general account is determined using the income approach valuation technique, which converts the future amounts to a single current amount. The fair value measurement is determined on the basis of the value indicated by current market expectations about those future cash flow amounts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement: The Accounting Standards Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three-tier fair value hierarchy includes the following categories:

- *Level 1* – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- *Level 2* – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in markets that are not active;
 - Observable inputs other than quoted prices that are used in the valuation of the asset or liability (e.g., interest rate and yield curve quotes at commonly quoted intervals); and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- *Level 3* – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FRONTWAVE CREDIT UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

- *Pooled Separate Accounts (PSAs)* – Valued at the net asset value (NAV) provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient should not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. While PSAs are not reported on exchanges or other public means, these investments are similar to mutual funds and NAV is the basis for current transactions being published because it is available via investor online reporting. PSAs are classified as Level 2 measurements.
- *General Account* – The fair value of the general account assets is determined by discounting the related cash flows based on current yields of similar instruments with comparable durations. General account assets are classified as Level 3 measurements.

The Plan's financial instruments and other accounts that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Administrative Expenses: The Plan Sponsor pays the Plan's administration expenses, and participants pay withdrawal and loan fees.

Subsequent Events: The Plan has evaluated subsequent events through July 24, 2023, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments at fair value, by level within the fair value hierarchy, are as follows:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2022	Fair Value			
General account (unallocated)	\$ 1,695,570	\$ -	\$ -	\$ 1,695,570
Pooled separate accounts	21,219,313	-	21,219,313	-
	<u>\$ 22,914,883</u>	<u>\$ -</u>	<u>\$ 21,219,313</u>	<u>\$ 1,695,570</u>

General account (unallocated)	\$ 1,874,962	\$ -	\$ -	\$ 1,874,962
Pooled separate accounts	24,696,447	-	24,696,447	-

FRONTWAVE CREDIT UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

A reconciliation of the beginning and ending balances of the fair value measurements using the significant unobservable inputs (Level 3) of the insurance company fixed income investment contract is as follows:

	General Account Assets	
	2022	2021
Beginning balance, January 1	\$ 1,874,962	\$ 1,774,396
Total gains (realized/unrealized) included in changes in net assets available for plan benefits	48,704	50,599
Purchases, sales, issuances and settlements (net)	(168,889)	68,979
Transfers in and/or out of Level 3	(59,207)	(19,012)
Ending balance, December 31	<u>\$ 1,695,570</u>	<u>\$ 1,874,962</u>

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2022 and 2021, there were transfers into or out of Level 3 from or to pooled separate accounts.

Qualitative information about significant unobservable inputs used in Level 3 fair value measurements is as follows:

Name	2022	Technique	Inputs	Range of Input Values (Weighted Average)
General account assets	\$ 1,695,570	Discounted cash flow (income approach)	Crediting rate	1.55%–2.72%

NOTE 4 – RELATED PARTY TRANSACTIONS AND PARTIES-IN-INTEREST

Certain investments of the Plan are shares of mutual funds managed by Minnesota Life. Minnesota Life is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$14,865 and \$14,640 for the years ended December 31, 2022 and 2021, respectively.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. These services constitute exempt party-in-interest transactions under ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in the Plan Sponsor's contributions and the funds would become nonforfeitable.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 6 – RECONCILIATION OF FORM 5500 TO THE FINANCIAL STATEMENTS

A reconciliation of the net assets available for plan benefits per the financial statements to Schedule H of Form 5500 is as follows:

	2022	2021
Net assets available for plan benefits per the financial statements	\$ 23,556,394	\$ 27,493,107
Net assets available for plan benefits per Form 5500	23,302,728	27,021,684
Difference – employer contribution receivable	<u>\$ 253,666</u>	<u>\$ 471,423</u>

A reconciliation of employer contributions per the financial statements to Schedule H of Form 5500 is as follows:

	2022
Employer contributions per the financial statements	\$ 967,517
Employer contributions per Form 5500	<u>1,185,274</u>
Difference – employer contribution receivable	<u>\$ (217,757)</u>

NOTE 7 – TAX STATUS

The Plan obtained its latest determination letter, dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan and the related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code (IRC); therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan was designed and is being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and that the related trust is tax exempt.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2022 and 2021, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of cash, investments and participant loans.
