## **Independent Auditor's Report**

To Plan Participants and Benefits and Investment Committee  
Knowles Corporation 401(k) Plan  
Itasca, Illinois

### ***Opinion***

We have audited the financial statements of the Knowles Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

**Knowles Corporation 401(k) Plan  
Notes to Financial Statements**

**1. Description of the Plan**

The following description of the Knowles Corporation 401(k) Plan (the "Plan") provides only general information. This description of the provisions of the Plan is governed in all respects by the detailed terms and conditions contained in the Plan itself. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan established to encourage and facilitate retirement savings and investment by eligible employees of Knowles Corporation and its U.S. subsidiaries ("Knowles"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) (the "Trustee") has been granted authority by the Knowles Corporation Benefits & Investment Committee to purchase and sell securities.

**Eligibility**

All full-time employees of Knowles who have reached age 18 are immediately eligible to participate in the Plan. All part-time employees of Knowles who have reached the age of 18 and have completed at least 1,000 hours of service during a plan year are eligible to participate in the Plan.

**Automatic Enrollment**

The Plan has an automatic enrollment feature for all new employees. Eligible employees are enrolled automatically in the Plan at a 5% pre-tax contribution rate unless they formally opt-out of the Plan or elect to contribute at a higher or lower rate. Pre-tax contributions of participants who are automatically enrolled in the Plan will be invested in the appropriate Vanguard Target Retirement Funds based on the participant's date of birth unless the participant elects other investments permitted under the Plan.

On the first day of each Plan year, all participants who have an elective deferral of 0% will be automatically updated to a pre-tax deferral rate of 5%, except to the extent an affected participant makes an affirmative contrary election within the 31 days prior to the date that automatic contributions are to commence. All participants may complete a salary reduction agreement at any time to select an alternative deferral amount or to elect not to defer under the Plan in accordance with the deferral procedures of the Plan.

**Contributions**

*Participant*

Eligible employees of Knowles that have been enrolled or elected to participate in the Plan may make pre-tax and after-tax contributions to the Plan. Participants' pre-tax and after-tax deferrals are voluntary. Eligible compensation generally includes salary and wages, commissions, and certain bonuses. Generally, a participant may elect to exclude from 1% to 75% (in whole percentages) of his or her eligible compensation ("Participant Contribution") from current taxable income by having such amount contributed to his or her account in the Plan. The amount contributed by a participant is subject to applicable Internal Revenue Code ("IRC") limits. Employees may not exceed \$25 thousand of after-tax contributions in any Plan year. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions not to exceed \$7 thousand. Catch-up contributions are subject to applicable IRC limits. Each participant has the right to roll over into the Plan certain distributions from other tax-qualified plans or appropriate individual retirement accounts. Participants may make In-Plan Roth rollovers, which allows a participant to elect to change the tax treatment of all or some of their pre-tax accounts.

*Employer*

The Plan provides a fixed per-payroll matching contribution ("Employer Matching Contribution") equal to 100% of the participant's elective deferrals, not to exceed the lesser of 5% of the participant's compensation or IRC limits. Knowles may also elect to make profit-sharing contributions for a Plan year with respect to its employees who have satisfied the eligibility requirements set forth above. No profit-sharing contributions were provided to the Plan in 2022. Such contributions are allocated in proportion to the compensation of participants who are employed by Knowles and are employees on the last day of the Plan year whether or not they have deferred any of their compensation into the Plan. Profit-sharing contributions are invested consistent with participants' investment fund elections. If a participant has not made an investment fund election, profit-sharing contributions are invested in the age-based Vanguard Target Retirement Funds based on the participant's date of birth.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and employer matching contributions as well as allocations of profit-sharing contributions, if applicable, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participant contributions, employer matching contributions, and employer profit-sharing contributions for all participants, plus earnings thereon, vest immediately.

**Distributions**

A participant's vested account balance in the Plan is distributable following the participant's retirement, death, or other termination of employment.

Hardship withdrawals are permitted for any participants who are active employees and demonstrate a financial hardship which meets IRC regulations to be considered an "immediate and heavy financial need." The hardship withdrawal amount is limited to the amount "necessary" to satisfy the financial need, plus income taxes that the participant is expected to incur on the amount of the withdrawal.

Distributions from the Plan are generally made in the form of a single lump-sum payment or installment payments over a period of not more than a participant's assumed life expectancy. For distributions that include Knowles stock, the participant may elect to receive whole shares of Knowles stock "in-kind" and the remaining fractional share in cash. In-service distributions are permitted from a participant's account balance, provided the participant has attained the age of 59 ½. Participants may delay the distribution of their account balance following their termination; however distributions are required to begin no later than April 1<sup>st</sup> following the end of the year in which a participant reaches the age of 72 (73 if the participant reaches age 72 after December 31, 2022).

**Notes Receivable from Participants**

A participant may borrow up to 50% of their vested account balance, up to \$50 thousand, with a minimum loan amount of \$1 thousand from the vested portion of their account. A participant may have only one loan outstanding at any time. The notes receivable are secured by the balances in the participant's accounts. Each note receivable carries a reasonable rate of interest determined by the Plan Administrator to be commensurate with the prevailing interest rate charged on similar commercial loans made within the same locale and time period. Principal and interest is paid ratably through payroll deductions. Notes receivable outstanding as of December 31, 2022 bear interest at rates between 3.25% and 7.00%.

**Allocation Provisions**

Each participant has the right to direct the entire amount of his or her Plan account to be invested in one or more of the available investment funds in multiples of one percent. In addition, the Plan offers a self-directed brokerage account option that allows participants to invest in a wide array of securities including but not limited to publicly-traded stock, mutual funds, exchange traded funds, bonds, certificates of deposit, and money market funds at their discretion. Each participant has the right during any business day to transfer all or any portion of the amount in his or her account among the investment funds, except that participants who are considered Knowles "insiders" may complete transfers involving Knowles stock only during designated window periods. Participants are entitled to vote with respect to any Knowles shares in their account in the Plan in the same manner as other Knowles stockholders.

**Administrative Expenses**

Certain administrative expenses of the Plan related to the Trustee, recordkeeping, legal, and audit fees are paid by the Plan, unless otherwise paid by Knowles. Such administrative expenses are charged to the participants on a quarterly basis. Fees related to participant-initiated transactions are charged directly to the participant's account.

**Revenue Credits**

The Plan's agreement with the Trustee provides for a revenue credit arrangement. During 2022, the Plan utilized credits of \$224 thousand to pay administrative expenses. Administrative expenses are presented net of revenue credits in the Statement of Changes in Net Assets Available for Benefits.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

### **Investments - Valuation**

The Plan's investments are reported at fair value (see Note 3). Investments in common stock are valued at the closing market price on the last business day of the Plan year based on quotations from a national securities exchange. The fair value of investments in registered mutual funds and exchange traded funds are valued at the net asset value ("NAV") of shares held by the Plan at year end, which is obtained from an active market. Self-directed brokerage accounts are comprised of mutual funds, exchange traded funds, common stocks, and cash and cash equivalents. The individual investments in the self-directed brokerage accounts are valued on the basis of readily determinable market prices.

The fair value of units held in collective funds are based on the net asset values as of the last business day of the Plan year as determined by their respective investment managers and transactions occurring as of or close to the financial statement date. Plan management reviews the audited financial statements of the collective funds to assess the reasonableness of its NAV. The NAV, as provided by the trustees of the collective funds, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the collective fund less its liabilities. This practical expedient is not used when it is determined to be probable that the collective fund will sell for an amount different than the reported NAV. There are no unfunded commitments or redemption clauses.

The Knowles stock fund is tracked on a unitized basis. At December 31, 2022 and 2021, the Knowles stock fund consists of common stock of Knowles Corporation and a money market fund that are sufficient to meet the daily cash needs. Unitization of the Knowles stock fund allows for daily trades. The value of a unit reflects the combined market value of the common stock and the money market fund.

### **Investments - Transactions and Income Recognition**

Purchases and sales of investment securities are reflected on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year. Dividend income is recorded on the ex-dividend date.

### **Notes Receivable from Participants**

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest with no allowance for credit losses as of December 31, 2022 and 2021. Repayments of principal and interest are received through payroll deductions. The notes are collateralized by the participants' account balances. Interest income is recorded as earned.

### **Use of Estimates**

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Risks and Uncertainties**

The Plan provides for various investment options in any combination of stocks, collective funds, mutual funds, Knowles common stock, and participant self-directed brokerage accounts. Knowles periodically reviews the investment options available in the Plan to ensure that they continue to help participants reach retirement savings goals. Investment securities are exposed to various risks, including, but not limited to, interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

At December 31, 2022 and 2021, approximately 0.7% and 0.8%, respectively, of the Plan's assets were invested in Knowles common stock.

### **Distributions to Participants**

Distributions to participants are recorded in the Plan's financial statements when paid.

### Plan Termination

Although it has not expressed any intent to do so, Knowles has the right under the Plan to discontinue all contributions at any time and to terminate the Plan, subject to the provisions of the Plan, ERISA, and the IRC. As described in Note 1, participants are 100% vested in their Plan accounts.

### 3. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, Fair Value Measurement, defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

ASC 820 also establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. ASC 820 establishes three levels of inputs that may be used to measure fair value:

Level 1: quoted prices in active markets for identical assets or liabilities.

Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities or significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

There have been no changes in the methodologies used at December 31, 2022 or 2021. The methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's financial instruments carried at fair value on a recurring basis by their ASC 820 fair value hierarchy level as of December 31, 2022 and 2021 are as follows:

| (in thousands)                                       | December 31, 2022 |             |             |                   |

\* In accordance with ASC 820, certain investments that are measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

#### 4. Related-Party and Party-in-Interest Transactions

Certain Plan assets are invested in common stock of Knowles. Knowles, as the Plan sponsor, is a related party. At December 31, 2022 and 2021, the Plan held 69,515 and 68,926 shares of Knowles stock, respectively. There were no dividends received by the Plan on these shares for the year ended December 31, 2022. During the year ended December 31, 2022, the Plan recorded purchases of Knowles stock totaling \$201 thousand and sales of Knowles stock totaling \$208 thousand. Notes receivable from participants held by the Plan are also considered party-in-interest transactions.

Certain administrative functions are performed by employees of Knowles. No such employee receives compensation from the Plan. Certain other expenses relating to the Plan, including legal and consulting services, are paid directly by Knowles and subsequently charged to the Plan. Fees or commissions associated with each of the investment options and certain administrative expenses of the Plan are paid primarily by participants as a deduction from the amount invested or as an offset to investment earnings. The Plan also receives revenue credits from the Trustee.

#### 5. Income Tax Status

The Plan is governed by a pre-approved plan maintained by Great-West Trust Company, LLC. Great-West Trust Company, LLC received an opinion letter from the Internal Revenue Service dated June 30, 2020 concluding that the documents are acceptable under Section 401 of the IRC. Knowles relies upon this letter for the Plan's favorable tax treatment. Although the Plan has been amended since receiving the letter, Knowles believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC in all material respects. Therefore, Knowles believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

#### 6. Subsequent Events
