Independent Auditor's Report

To the Investment Committee, Plan Administrator, and Participants
Brown & Brown, Inc. Employee Savings Plan
Daytona Beach, Florida

Opinion

We have audited the accompanying financial statements of the Brown & Brown, Inc. Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the year ended December 31, 2022 are in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Responsibilities of Management for the Financial Statements (cont.)

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, was presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BROWN & BROWN, INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

1. DESCRIPTION OF THE PLAN

The following brief description of the Brown & Brown, Inc. Employee Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan. Substantially all employees who are at least 18 years of age and who are expected to complete a year of service (minimum of 1,000 hours) are eligible to participate in the Plan effective the first full payroll period after one month of service. The Plan is intended to assist Brown & Brown, Inc. and its subsidiaries (the “Employer”) in its efforts to attract and retain employees by enabling eligible employees who are U.S. citizens with the opportunity to invest a portion of their annual compensation in the Plan, augmented by employer contributions, to supplement the employees’ retirement income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Administration - The Plan is administered by a designated Plan Administrator (the “Administrator”), which has been appointed by the Board of Directors (the “Board”) of the Employer. Information about the Plan document, such as provisions for allocations to participants’ accounts, vesting, benefits, and withdrawals, is contained in the Summary Plan Description. Copies of this document are available on the employee benefits website accessible to employees of the Employer or from the Administrator. Schwab Retirement Plan Services, Inc. (“Schwab”) serves as the recordkeeper of the Plan.

Contributions - The Plan permits participants to contribute up to 70% of their eligible compensation to the Plan, subject to statutory limitations. The Employer makes a fully vested safe harbor matching contribution for each participant equal to the sum of (1) 100% of the participant’s elective deferrals up to 3% of compensation for the allocation period, plus (2) 50% of the participant’s elective deferrals that exceed 3% of compensation for the allocation period, but do not exceed 5% of compensation for the allocation period.

The Plan permits the Board to authorize discretionary additional matching contributions and/or discretionary profit-sharing contributions. No additional matching contributions and/or profit-sharing contributions were made for the 2021 or 2022 plan years.

Vesting - Participants are immediately vested in their voluntary contributions and actual earnings thereon. Participants are immediately vested in the Employer safe harbor matching contributions made pursuant to the formula described above. Vesting in any discretionary Employer matching contributions and discretionary profit-sharing contributions are based on years of service, as defined by the Plan, and are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20
2	40
3	60
4	80
5 or more	100

In accordance with Internal Revenue Service regulations, the Plan provides that the forfeited balances of terminated participants’ non-vested accounts may be used to pay administrative expenses incurred by the Plan or to reduce any Employer contribution, as determined by the Administrator. As of December 31, 2022 and 2021, forfeitures totaled approximately \$26,767 and \$0, respectively. For the 2022 Plan year, forfeitures of \$0 were used to pay administrative expenses or offset Employer contributions.

Benefit Payments - Benefits under the Plan are payable upon normal (after age 65) or early (after age 59-1/2 and five years of service, as defined in the Plan) retirement, death, disability, severe financial hardship, or termination of service and are based on

the vested balance in the participant's account. Distributions of vested account balances will be made in the form of a single lump-sum payment or in some other optional form of payment, as defined in the Plan. Prior to May 20, 2022, if the participant's vested account was \$5,000 or less at termination of employment or disability, the participant would elect a distribution as a lump sum payment or direct rollover to an eligible retirement plan or be subject to automatic direct rollover to an individual retirement plan designated by the Administrator. Effective May 20, 2022, if the participant's vested account was between \$250 and \$5,000 at time of termination or employment or disability, and the participant did not elect a distribution as a lump sum payment or direct rollover to an eligible retirement plan, the Administrator would make the distribution to an Individual Retirement Account administered by Charles Schwab Trust Bank. If the participant's vested balance is \$250 or less upon termination of employment or disability, the balance will be distributed as a single lump sum cash distribution.

Investment Income/(Loss) and Expenses - Each participant's account shall be allocated the investment income/loss and expenses of each fund based on the value of each participant's account invested in each fund, in proportion to the total value of all accounts in each fund, taking into consideration any contributions to or distributions from the participant's account in each fund. General expenses of the Plan that are not paid by the Employer and are not attributable to any particular fund shall be allocated among participants' accounts in proportion to the value of each account, taking into consideration each participant's contributions and distributions.

The agreement between the Trustee and the Plan includes a revenue-sharing arrangement, whereby the Trustee shares revenue generated by the Plan in excess of the Trustee's fee. These deposits are included in the "Other Income" amount in the Statement of Changes to Net Assets Available for Benefits. These funds are used to pay other Plan expenses, with any remaining amounts being reallocated to participants. During 2022, revenue of \$259,936 was deposited into the Plan related to this revenue-sharing arrangement. At December 31, 2022, and 2021, \$105,050 and \$117,201, respectively, was available to be reallocated or pay Plan expenses. For the Plan year ended December 31, 2022, Plan expenses of approximately \$156,829 were paid by these funds.

Notes Receivable from Participants - A participant may borrow from his or her own account a minimum of \$1,000, up to a maximum equal to the lesser of: (a) \$50,000 or (b) 50% of the participant's vested account balance. Participants may not have more than two loans outstanding at any time, with a limited exception for grandfathered outstanding loans transferred to the Plan as a result of mergers of plans maintained by acquired companies. Loans, which are repayable each pay period for periods ranging generally up to five years (and up to 15 years for the purchase of a principal residence), are collateralized by a security interest in the borrower's vested account balance. The loans bear interest at the prime rate plus 1%, determined at the time the loan is approved. As of December 31, 2022, interest rates applicable to such loans ranged from 3.25% to 9.25%.

2. SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Basis of Accounting- The accompanying financial statements of the Plan are presented on the accrual basis of accounting in accordance with U.S. GAAP.

Notes Receivable from Participants - Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was recorded as of December 31, 2022 or 2021. Defaulted participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments - Benefit payments are recorded when paid.

Administrative Expenses - All investment-related expenses are charged against the Plan's earnings or are paid by the Plan. All approved third-party administrative expenses are paid by the Plan, unless otherwise provided for by the Employer.

Valuation of Investments and Income Recognition - The Plan's investments are stated at fair value. Fair value of financial instruments is what would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The Plan's investments in money market funds, mutual funds and the personal choice retirement account, which includes investments in mutual funds and

common stock, are stated at fair value based on quoted market prices at year-end. The fair value of the Brown & Brown stock fund is measured using the unit value calculated from the observable market price of the stock plus the cost of the short-term investment fund, which approximates fair value. The fair value of the common collective trust account is based upon the net asset value ("NAV") of the fund's underlying assets less its liabilities. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as investments held during the year.

3. INVESTMENTS

Fair Value Measurements - The Plan adopted a fair value measurement method that establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. The fair values estimated and derived from each fair value calculation may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those utilized by other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Personal Choice Accounts- Investments included in the personal choice accounts include mutual funds (valued as noted above), common stocks and money market funds. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded. Money market funds are stated at fair value based upon quoted prices of the NAV of shares held by the Plan at year-end.

Employer Common Stock Fund – The Employer common stock fund is valued at the NAV at year-end, based upon (1) the quoted market price of the Company common stock shares held at year-end, and, (2) the NAV of the quoted market price of the money market fund shares held at year-end, which together comprise the Employer common stock fund.

The following tables set forth, by level, the fair value hierarchy of the Plan investment assets and investment liabilities as of December 31, 2022 and 2021. As required by Accounting Standards Codification Topic 820-Fair Value Measurement and Disclosures, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits. The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021, respectively.

	Fair Value 12/31/2022	Fair Value 12/31/2021	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective trust	\$ 78,949,046	\$ 76,222,310	None	Daily	12 months

Risks and Uncertainties and Concentrations-Investments - The Plan invests in various investment securities. The Vanguard Institutional Index Instl Pl Fund represents approximately 17.5% and 17.8% of the Plan's total investments at December 31, 2022 and 2021, respectively. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. INVESTMENT PROGRAMS

As of December 31, 2022, contributions to the Plan were invested in one or more investment fund options, including money market funds, mutual funds, a common collective trust fund, and an Employer stock fund, at the direction of each participant. The Plan also allows participants to invest in the Charles Schwab & Co. Personal Choice Retirement Account, which enables participants to self-direct their money into a full range of investment options, including individual stocks and bonds, as well as allowing access to over 8,000 additional mutual funds/ETF's.

One investment in the Plan is a common collective trust account called the Galliard Stable Return Fund E (the "Stable Return Fund"), which effective December 19, 2022 was changed from the Wells Fargo Stable Return Fund E. The Stable Return Fund invests in a variety of investment contracts such as guaranteed investment contracts ("GICs") issued by insurance companies and other financial institutions and other investment products (such as separate account contracts and synthetic GICs) with similar characteristics. The Stable Return Fund investment in each contract is presented at fair value. The fair value of a GIC is based on the present value of future cash flows using the current discount rate. The fair value of a security-backed contract includes the value of the underlying securities and the value of the wrapper contract. The fair value of a wrapper contract, which

is provided by a security-backed contract issuer, is the present value of the difference between the current wrapper fee and the contracted wrapper fee.

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include the Brown & Brown, Inc. common stock fund, which represents party-in-interest transactions that qualify as exempt prohibited transactions. For the 2022 Plan year, dividends of \$452,021 were received from the employer common stock fund. The employer common stock fund held 1,075,777 and 1,048,655 shares of Brown & Brown, Inc. stock valued at \$61,287,016 and \$73,699,473 at December 31, 2022 and 2021, respectively. Additionally, through the personal choice retirement account, certain investments are managed by affiliates of the Trustee of the Plan.

The Plan issues notes to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer may terminate the Plan at any time, either wholly or partially, by notice in writing to the participants and the Trustee. Upon termination, the rights of participants in their accounts will become 100% vested. The Employer may temporarily discontinue contributions to the Plan, either wholly or partially, without terminating the Plan.

7. SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since provisions of the SECURE Act 2.0 include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Certain provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

8. FEDERAL INCOME TAX STATUS

The Plan has received a favorable determination letter from the Internal Revenue Service dated November 16, 2015, relating to the qualification of the Plan under Section 401(a) of the IRC. The Plan's management believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and regulations issued thereunder and, therefore, believes the Plan, as amended and restated, is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress.

9. SUBSEQUENT EVENTS

The Plan has evaluated, for consideration of recognition or disclosure, subsequent events that have occurred through the date of issuance, June 27, 2023, and has determined that, no significant events occurred after December 31, 2022, but prior to the issuance of these financial statements, that would have a material impact on its financial statements.
