INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Replacements, Ltd. 401(k) Plan
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Replacements, Ltd. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Replacements, Ltd. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan available to eligible employees of Replacements, Ltd. (the “Company”). To be eligible to participate in the Plan, an employee must have completed at least 30 days of service. Employees may begin participation immediately upon meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions

Newly eligible employees are automatically enrolled at a 3% before-tax deferral percentage (unless they elect an alternative deferral percentage or decline participation), which will increase by increments of 1% annually each July 1 up to a maximum of 6%. Participants may otherwise elect to contribute a percentage of their before- or after-tax annual compensation, as defined, not to exceed the limits set by the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

During 2022 and 2021, the Company matched participant contributions as follows: 100% of the first 3%, plus 50% of the next 3% of compensation that each participant contributed to the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s and the Company’s contributions and an allocation of the Plan’s net earnings. Participant accounts are also charged with an allocation of administrative expenses as further discussed below. Allocations are based on participant earnings, account balances, specific participant transactions, or on a per-participant basis, as defined. Participants direct the investment of their account balances into various investment options offered by the Plan. The Plan offers certain mutual funds, a money market fund, a stable value common collective trust fund, and a self-directed brokerage account as investment options for participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

See accompanying independent auditor’s report.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN (CONCLUDED)

Notes Receivable from Participants

A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Notes are secured by the balance in the participant's account and bear interest at the prevailing Prime rate plus 1% as determined at the beginning of the month in which the note originates. The repayment period for general purpose and principal residence loans cannot exceed five and 30 years, respectively. Principal and interest are repaid ratably through payroll deductions.

Vesting

Participants are immediately vested in their voluntary contributions and the Company's matching contributions, plus any income or loss thereon.

Payment of Benefits

On termination of service due to retirement, disability, or other reasons, a participant may elect to receive the value of their vested account in a lump-sum amount, partial payment, installments, or an annuity. In-service distributions may be made to participants who have reached age 59½. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified by the Plan.

Forfeited Accounts

Although forfeited account balances are generally used to reduce Company matching contributions, no forfeitures were utilized in 2022 or 2021. Forfeited non-vested accounts totaled \$3,382 and \$894 at December 31, 2022 and 2021.

Administrative Expenses

The Plan absorbs, and allocates to participant accounts, substantially all expenses of the Plan including trustee, asset, advisor, and most professional fees. Fees incidental to the administration of the Plan are paid by the Company. Distribution and loan fees are paid out of affected participants' accounts.

See accompanying independent auditor's report.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received upon sale of an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are reclassified as distributions, based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

See accompanying independent auditor's report.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONCLUDED)

Subsequent Events

Management has evaluated events occurring subsequent to the date of the financial statements through July 19, 2023, the date the financial statements were available to be issued, and has determined that no events have occurred that require adjustments to or additional disclosure in the financial statements.

NOTE 3 – CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, net appreciation (depreciation) in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (“Vanguard”).

NOTE 4 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is possible that changes in the values of investment securities could occur in the near term, and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 5 – TAX STATUS

The Plan has adopted a non-standardized plan document sponsored by Vanguard. The IRS has determined, and informed Vanguard by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since the date of the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

See accompanying independent auditor’s report.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify or discontinue its contributions to the Plan at any time, or to terminate the Plan subject to the provisions of ERISA.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by The Vanguard Group, Inc. (“VGI”), an affiliate of the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to VGI for the recordkeeping and investment management services amounted to \$93,673 (net of \$2,240 in origination fees added to notes receivable from participants) and \$85,313 (net of \$1,220 in origination fees added to notes receivable from participants) for 2022 and 2021, respectively.

Administrative fees paid by the Plan to Lockton Investment Advisors, LLC (name changed to Creative Planning in 2022) for plan consulting services amounted to \$35,000 and \$35,000 for 2022 and 2021.

Administrative fees paid by the Plan to Smith Leonard PLLC for accounting services amounted to \$7,000 and \$6,500 for 2022 and 2021.

See accompanying independent auditor’s report.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan has adopted Accounting Standards Codification, “Fair Value Measurements and Disclosures” (“ASC 820”). ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are as follows:

Basis of Fair Value Measurement

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds and money market funds: Valued at the net asset value (“NAV”) of shares held by the Plan at year-end. The NAV for these investments is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

Common stocks (included in VGI Brokerage Option): Valued at the quoted price reported in an active market and classified within Level 1 of the valuation hierarchy.

Common collective trust funds: Valued at NAV of units held by the Plan at year-end. This investment is classified within Level 2 of the valuation hierarchy as the NAV is a derived price in an active market as determined by the fund trustee based on the contractual terms of the underlying contracts.

See accompanying independent auditor’s report.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 8 – FAIR VALUE MEASUREMENTS (CONCLUDED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with others in the marketplace, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize the investments by level as defined within the fair value hierarchy as of:

December 31, 2022				
Investments at Fair Value				
	Level 1	Level 2	Level 3	Total

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Replacements, Ltd. 401(k) Plan
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Replacements, Ltd. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Replacements, Ltd. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan available to eligible employees of Replacements, Ltd. (the “Company”). To be eligible to participate in the Plan, an employee must have completed at least 30 days of service. Employees may begin participation immediately upon meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions

Newly eligible employees are automatically enrolled at a 3% before-tax deferral percentage (unless they elect an alternative deferral percentage or decline participation), which will increase by increments of 1% annually each July 1 up to a maximum of 6%. Participants may otherwise elect to contribute a percentage of their before- or after-tax annual compensation, as defined, not to exceed the limits set by the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

During 2022 and 2021, the Company matched participant contributions as follows: 100% of the first 3%, plus 50% of the next 3% of compensation that each participant contributed to the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s and the Company’s contributions and an allocation of the Plan’s net earnings. Participant accounts are also charged with an allocation of administrative expenses as further discussed below. Allocations are based on participant earnings, account balances, specific participant transactions, or on a per-participant basis, as defined. Participants direct the investment of their account balances into various investment options offered by the Plan. The Plan offers certain mutual funds, a money market fund, a stable value common collective trust fund, and a self-directed brokerage account as investment options for participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN (CONCLUDED)

Notes Receivable from Participants

A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Notes are secured by the balance in the participant's account and bear interest at the prevailing Prime rate plus 1% as determined at the beginning of the month in which the note originates. The repayment period for general purpose and principal residence loans cannot exceed five and 30 years, respectively. Principal and interest are repaid ratably through payroll deductions.

Vesting

Participants are immediately vested in their voluntary contributions and the Company's matching contributions, plus any income or loss thereon.

Payment of Benefits

On termination of service due to retirement, disability, or other reasons, a participant may elect to receive the value of their vested account in a lump-sum amount, partial payment, installments, or an annuity. In-service distributions may be made to participants who have reached age 59½. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified by the Plan.

Forfeited Accounts

Although forfeited account balances are generally used to reduce Company matching contributions, no forfeitures were utilized in 2022 or 2021. Forfeited non-vested accounts totaled \$3,382 and \$894 at December 31, 2022 and 2021.

Administrative Expenses

The Plan absorbs, and allocates to participant accounts, substantially all expenses of the Plan including trustee, asset, advisor, and most professional fees. Fees incidental to the administration of the Plan are paid by the Company. Distribution and loan fees are paid out of affected participants' accounts.

See accompanying independent auditor's report.

December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received upon sale of an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are reclassified as distributions, based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

See accompanying independent auditor's report.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONCLUDED)

Subsequent Events

Management has evaluated events occurring subsequent to the date of the financial statements through July 19, 2023, the date the financial statements were available to be issued, and has determined that no events have occurred that require adjustments to or additional disclosure in the financial statements.

NOTE 3 – CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, net appreciation (depreciation) in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (“Vanguard”).

NOTE 4 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is possible that changes in the values of investment securities could occur in the near term, and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 5 – TAX STATUS

The Plan has adopted a non-standardized plan document sponsored by Vanguard. The IRS has determined, and informed Vanguard by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since the date of the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

See accompanying independent auditor’s report.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify or discontinue its contributions to the Plan at any time, or to terminate the Plan subject to the provisions of ERISA.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by The Vanguard Group, Inc. (“VGI”), an affiliate of the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to VGI for the recordkeeping and investment management services amounted to \$93,673 (net of \$2,240 in origination fees added to notes receivable from participants) and \$85,313 (net of \$1,220 in origination fees added to notes receivable from participants) for 2022 and 2021, respectively.

Administrative fees paid by the Plan to Lockton Investment Advisors, LLC (name changed to Creative Planning in 2022) for plan consulting services amounted to \$35,000 and \$35,000 for 2022 and 2021.

Administrative fees paid by the Plan to Smith Leonard PLLC for accounting services amounted to \$7,000 and \$6,500 for 2022 and 2021.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan has adopted Accounting Standards Codification, “Fair Value Measurements and Disclosures” (“ASC 820”). ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are as follows:

Basis of Fair Value Measurement

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds and money market funds: Valued at the net asset value (“NAV”) of shares held by the Plan at year-end. The NAV for these investments is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

Common stocks (included in VGI Brokerage Option): Valued at the quoted price reported in an active market and classified within Level 1 of the valuation hierarchy.

Common collective trust funds: Valued at NAV of units held by the Plan at year-end. This investment is classified within Level 2 of the valuation hierarchy as the NAV is a derived price in an active market as determined by the fund trustee based on the contractual terms of the underlying contracts.

See accompanying independent auditor’s report.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 8 – FAIR VALUE MEASUREMENTS (CONCLUDED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with others in the marketplace, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize the investments by level as defined within the fair value hierarchy as of:

December 31, 2022

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Replacements, Ltd. 401(k) Plan
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Replacements, Ltd. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Replacements, Ltd. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan available to eligible employees of Replacements, Ltd. (the “Company”). To be eligible to participate in the Plan, an employee must have completed at least 30 days of service. Employees may begin participation immediately upon meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions

Newly eligible employees are automatically enrolled at a 3% before-tax deferral percentage (unless they elect an alternative deferral percentage or decline participation), which will increase by increments of 1% annually each July 1 up to a maximum of 6%. Participants may otherwise elect to contribute a percentage of their before- or after-tax annual compensation, as defined, not to exceed the limits set by the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

During 2022 and 2021, the Company matched participant contributions as follows: 100% of the first 3%, plus 50% of the next 3% of compensation that each participant contributed to the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s and the Company’s contributions and an allocation of the Plan’s net earnings. Participant accounts are also charged with an allocation of administrative expenses as further discussed below. Allocations are based on participant earnings, account balances, specific participant transactions, or on a per-participant basis, as defined. Participants direct the investment of their account balances into various investment options offered by the Plan. The Plan offers certain mutual funds, a money market fund, a stable value common collective trust fund, and a self-directed brokerage account as investment options for participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

See accompanying independent auditor’s report.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN (CONCLUDED)

Notes Receivable from Participants

A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Notes are secured by the balance in the participant's account and bear interest at the prevailing Prime rate plus 1% as determined at the beginning of the month in which the note originates. The repayment period for general purpose and principal residence loans cannot exceed five and 30 years, respectively. Principal and interest are repaid ratably through payroll deductions.

Vesting

Participants are immediately vested in their voluntary contributions and the Company's matching contributions, plus any income or loss thereon.

Payment of Benefits

On termination of service due to retirement, disability, or other reasons, a participant may elect to receive the value of their vested account in a lump-sum amount, partial payment, installments, or an annuity. In-service distributions may be made to participants who have reached age 59½. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified by the Plan.

Forfeited Accounts

Although forfeited account balances are generally used to reduce Company matching contributions, no forfeitures were utilized in 2022 or 2021. Forfeited non-vested accounts totaled \$3,382 and \$894 at December 31, 2022 and 2021.

Administrative Expenses

The Plan absorbs, and allocates to participant accounts, substantially all expenses of the Plan including trustee, asset, advisor, and most professional fees. Fees incidental to the administration of the Plan are paid by the Company. Distribution and loan fees are paid out of affected participants' accounts.

See accompanying independent auditor's report.

REPLACEMENTS, LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received upon sale of an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are reclassified as distributions, based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONCLUDED)

Subsequent Events

Management has evaluated events occurring subsequent to the date of the financial statements through July 19, 2023, the date the financial statements were available to be issued, and has determined that no events have occurred that require adjustments to or additional disclosure in the financial statements.

NOTE 3 – CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, net appreciation (depreciation) in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (“Vanguard”).

NOTE 4 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is possible that changes in the values of investment securities could occur in the near term, and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 5 – TAX STATUS

The Plan has adopted a non-standardized plan document sponsored by Vanguard. The IRS has determined, and informed Vanguard by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since the date of the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify or discontinue its contributions to the Plan at any time, or to terminate the Plan subject to the provisions of ERISA.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by The Vanguard Group, Inc. (“VGI”), an affiliate of the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to VGI for the recordkeeping and investment management services amounted to \$93,673 (net of \$2,240 in origination fees added to notes receivable from participants) and \$85,313 (net of \$1,220 in origination fees added to notes receivable from participants) for 2022 and 2021, respectively.

Administrative fees paid by the Plan to Lockton Investment Advisors, LLC (name changed to Creative Planning in 2022) for plan consulting services amounted to \$35,000 and \$35,000 for 2022 and 2021.

Administrative fees paid by the Plan to Smith Leonard PLLC for accounting services amounted to \$7,000 and \$6,500 for 2022 and 2021.

See accompanying independent auditor’s report.

NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan has adopted Accounting Standards Codification, “Fair Value Measurements and Disclosures” (“ASC 820”). ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are as follows:

Basis of Fair Value Measurement

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds and money market funds: Valued at the net asset value (“NAV”) of shares held by the Plan at year-end. The NAV for these investments is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

Common stocks (included in VGI Brokerage Option): Valued at the quoted price reported in an active market and classified within Level 1 of the valuation hierarchy.

Common collective trust funds: Valued at NAV of units held by the Plan at year-end. This investment is classified within Level 2 of the valuation hierarchy as the NAV is a derived price in an active market as determined by the fund trustee based on the contractual terms of the underlying contracts.

See accompanying independent auditor’s report.

NOTE 8 – FAIR VALUE MEASUREMENTS (CONCLUDED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with others in the marketplace, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize the investments by level as defined within the fair value hierarchy as of:

December 31, 2022				
Investments at Fair Value				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 46,015,524	\$ -	\$ -	\$ 46,015,524
