Independent Auditors' Report

To the Trustee and Participants of
United Contractors Midwest, Inc.
401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of United Contractors Midwest, Inc. 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the United Contractors Midwest, Inc. 401(k) Retirement Savings Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the years ended, December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Contractors Midwest, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Contractors Midwest, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the United Contractors Midwest, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Contractors Midwest, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021**

NOTE A | DESCRIPTION OF PLAN

The following description of the United Contractors Midwest, Inc. 401(k) Retirement Savings Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan was adopted effective January 1, 2002, as a defined contribution profit sharing plan covering all full-time non-excluded employees of United Contractors Midwest, Inc. (“the Company”) who are of age 21 or older. Effective January 1, 2022, the age requirement was removed from eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is administered by the Administrative Committee consisting of persons appointed by the Board of Directors of the Company. State Street Bank & Trust Company, as trustee for the Plan, accumulates and invests contributions as directed by the Administrative Committee.

2. Contributions

Deferral Contributions - Each year participants may contribute up to the maximum dollar amount as determined by the Federal government of pretax annual compensation or designated Roth contributions, as defined in the Plan. The maximum deferral was \$ 20,500 for 2022 and \$ 19,500 for 2021, with the option of an additional catch-up contributions, for those 50 years of age or over, of \$ 6,500 for 2022 and 2021.

Discretionary Employer Contributions - The Company has a right to make a discretionary contribution to the Plan on behalf of each participant for the Plan year. The Plan allows the Company to annually determine a discretionary amount for a nonelective contribution, matching contribution, and/or profit sharing contribution, which are derived from formulas specified in the Plan.

Safe Harbor Contributions - Matching contributions are made in an amount equal to 100% of the amount of the eligible participant’s elective deferrals that do not exceed 3% of the participant’s compensation and 50% of the amount of the participant’s elective deferrals that exceed 3% of the participant’s compensation but that do not exceed 5% of the participant’s compensation.

NOTE A | DESCRIPTION OF PLAN

3. Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's safe harbor matching contributions, as well as allocations of the Company's discretionary contributions, investment earnings, and administrative expenses. Allocations are based on participant earnings, contributions, or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are immediately vested in their salary deferral and safe harbor matching contributions plus or minus any earnings or losses thereon. Vesting in the Company's discretionary contributions, if any, plus or minus any actual earnings or losses thereon, is based on years of continuous service as follows:

<u>Years of Credited Service</u>	<u>Percent Vested</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

5. Investments

Upon enrollment in the Plan, participants have a choice of a variety of professionally managed investment funds to invest their account balances. Investment elections can be changed daily and become effective immediately.

NOTE A | DESCRIPTION OF PLAN

6. Notes Receivable from Participants

Participants may borrow from their salary deferral and rollover contributions from a minimum of \$ 1,000 to a maximum equal to the lesser of 50% of the total value of the participants' vested account balances or \$ 50,000 less the amount of the participants' highest outstanding loan balances in the previous 12 months. Participants can have no more than two loans outstanding at any time. Participant loans are secured by the balance in the participants' accounts and bear interest at 1% over the current prime rate. Principal and interest payments are paid through payroll deductions.

7. Benefits

On termination of service, a participant may elect to receive a lump-sum amount, installment payments, or partial cash payments equal to the value of the participant's vested interest in his or her account. However, if the participant's vested account balance is \$ 5,000 or less, payment will be made in a lump sum.

8. Forfeited Accounts

Amounts that are forfeited will be first used to restore participant accounts upon re-hire, then used to offset Plan expenses and then used to reduce future Employer contributions to the Plan. At December 31, 2022 and 2021, there was \$ 203 and \$ 434, respectively, remaining in forfeited accounts. In 2022 and 2021, fees paid by the Plan were reduced by \$ 435 and \$ 3,523, respectively, from forfeited nonvested accounts.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

5. Payment of Benefits

Benefits are recorded when paid.

6. Plan Expenses

Expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Certain investment related expenses are included in the net appreciation (depreciation) of investments. Recordkeeping fees are charged directly to participant accounts.

7. Hardship Withdrawals

Safe harbor hardship withdrawals are permitted under the Plan for the following contribution types: elective deferrals, Roth elective deferrals, and rollover contributions plus earnings.

8. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through July 24, 2023, which is the date the financial statements were available to be issued. Through July 24, 2023, no subsequent events required recognition or disclosure in the financial statement.

NOTE D | FAIR VALUE MEASUREMENTS

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring fair value and expands disclosure about fair value measurements.

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The fair value of mutual funds is equal to the net asset value of the funds multiplied by the number of shares held by the Plan, primarily using quoted market prices. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed investment accounts consist of mutual funds, equities, mortgage-backed securities, unit investment trusts, and money market funds, which are valued at quoted market prices as determined by the Plan's trustee.

NOTE D | FAIR VALUE MEASUREMENTS

The Plan invests in a collective trust ("Trust"), which provides for various investment options. Fair values of the Trust are reported to the Plan based on the NAV of the units of the Trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value.

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2022 and 2021.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2022</u>

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE E | INVESTMENTS IN ENTITIES THAT CALCULATE NET ASSET VALUE PER SHARE

As a part of the Plan's investment portfolio, there are investments in entities in which purchases and withdrawals are not made in an open market. Instead, the purchases and withdrawals occur with the entity, and in certain circumstances, those transactions are entirely controlled and/or restricted by the entity. The fair values of these investments are determined by the management of the entities and are reported to the Plan as the Plan's proportionate share of the net asset value of the entity.

The following table provides information as of December 31, 2022 and 2021, relative to these types of investments. Additional information on those investments which are direct filing entities can be found by viewing their U.S. Department of Labor Form 5500.

NOTE F | PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

December 31, 2022 and 2021

NOTE G | TAX STATUS

The Plan is intended to be qualified under Section 401(a) and tax exempt under Section 501(a) of the Internal Revenue Code. The Plan is a non-standardized pre-approved profit sharing plan with CODA and obtained its last opinion letter dated June 30, 2020 in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended and restated since receiving the determination letter. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken any uncertain positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H | RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Transamerica. Transamerica Retirement Solutions is the Plan recordkeeper and, therefore, these transactions qualify as party-in-interest transactions.

Transamerica Retirement Services provides certain administrative services to the Plan pursuant to a Pension Services Agreement between the Company and Transamerica Retirement Services. Under this agreement, an expense budget account has been established and is credited with revenue shared from participant accounts. Quarterly, this revenue is used to offset fees owed to Transamerica Retirement Services for its administrative services to the Plan. The Recordkeeping fees are charged directly to participant accounts and not deposited into the expense budget account. A portion of the advance expense payment is deposited into the expense budget account for use on other expenses, which may include the balance of the investment advisory fees.

NOTE I | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
