INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
PYRAMID COMPANIES 401(K) PLAN
Syracuse, New York 13202

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Pyramid Companies 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Pyramid Companies 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pyramid Companies 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pyramid Companies 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pyramid Companies 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pyramid Companies 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) - Schedule H, line 4(i) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves,

and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PYRAMID COMPANIES 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
For The Years Ended December 31, 2022 and 2021

Note 1. DESCRIPTION OF PLAN

The following description of the Pyramid Companies ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Plan originated in 2005 and as of December 16, 2009, the Pyramid Companies 401(k) Plan merged with the DestiNY USA Development, LLC 401(k) Plan. In 2011, the Plan changed from a Single Employer Plan to a Multi Employer Plan. As of December 31, 2022, the Plan covers the employees of Pyramid Management Group, LLC, and the employees of four related entities. The related entities participating in the Plan are: Carousel Center Company, LP, Destiny USA Careers for Tomorrow, LLC, and Savannah Dhu, LLC.

Eligibility

The Plan covers all employees who have two months of service and are age twenty-one or older.

Contributions

There are no employer matching contributions under this Plan. Employees' contributions are subject to an annual limit of the lesser of 100% of eligible compensation or $19,500 plus, if eligible, $6,500 catch-up contributions for the 2022 Plan year. The Plan allows all employees to designate all or part of their salary deferrals as Roth after-tax contributions. The Plan has an auto-enrollment provision whereby all newly eligible employees hired after September 30, 2015 are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation with annual increase of 1% occurring on the first day of the plan year to a maximum default election of 10%.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Plan earnings on these contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1. DESCRIPTION OF PLAN - CONTINUED

Vesting

The participants are immediately vested in their voluntary contributions and any earnings thereon.

Participant Loans

Participant loans are not allowed under this Plan.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may receive payment in the form of a lump-sum amount equal to the vested portion of their account, as specified in the Plan document. The Plan provides for the mandatory distribution of terminated employees full account balance if less than $5,000 upon separation from the Company. For participants who fail to provide investment direction for any of their Plan contributions or a mandatory distribution from their account, the amount of such contributions or distributions will be invested in the Qualified Default Investment Alternative (QDIA) in accordance with the Plan and IRS regulations.

Forfeited Accounts

Participants from the prior DestiNY USA Development, LLC 401(k) Plan who terminated before being fully vested in their account will forfeit the non-vested portion of their account balance. These forfeitures are retained in the Plan and may be used to reduce future fees to the Plan.

For the Plan years ended December 31, 2022 and 2021, forfeitures totaled $6,700 and $793, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to any of the investment options offered by this Plan.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

See Auditors' Report.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

The Company or the Plan pays administrative expenses of the Plan. Administrative expenses paid by the Plan are properly reflected in the accompanying statements of changes in net assets available for benefits.

Participants are charged directly by the third party administrator for withdrawals including lump sum distributions, hardship withdrawals and in service withdrawals.

The amount of administrative expenses charged to participants was $125,877 for the year ended December 31, 2022. Qualified Domestic Relations Order distribution fees are paid by the alternative payee.

An unallocated ERISA Budget Account was established under the Plan to hold ERISA Budget Account credits transferred to the Plan by the Plan's service provider in accordance with the ERISA Budget Account Agreement. For each year in which an ERISA Budget Account Agreement is in effect with a service provider, the Plan Administrator may, in its discretion direct the service provider to either pay reasonable Plan administrative expenses with the ERISA Budget Account credits or allocate the ERISA Budget Account credits among the accounts of the Participants with a balance in the Plan.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Subsequent Events

The Plan has evaluated events and transactions that occurred between December 31, 2022 and July 27, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

Note 3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority;

Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and;

Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Level 1 Fair Value Measurements

Mutual funds are measured using quoted prices in active markets for identical assets.

Level 2 Fair Value Measurements

Collective Trust Funds are valued based on the net asset value per unit which equals the total value of its assets, less its liabilities, divided by the number of its outstanding units.

Note 3. FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 Fair Value Measurements - Continued

Stable Value Funds are valued at contract value, a measurement which, according to the fund, approximates fair value and is based on its beginning balance plus any deposits and credited interest, less any withdrawals, charges and expenses.

Level 3 Fair Value Measurements

The Plan had no Level 3 measurements which are unobservable inputs for the asset or liability, to the extent observable inputs are not available, representing management's assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

Fully Benefit-Responsive Investment Contracts

Contract value represents contributions made to a contract, plus earnings, less participant withdrawals and administrative expenses. Participants in fully benefit-responsive contracts may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan holds an indirect interest in such contracts through its investments in Stable Value Funds.

The following table sets forth, by level, within the fair value hierarchy, the Plan's investments at fair value by year:

	Fair Value	Level 1 Quoted Prices in Active Markets For Identical Assets	Level 2 Significant Other Observable Inputs
December 31, 2022			
Mutual Funds	$ 3,868,717	$ 3,868,717	$ -
Collective Trust Funds	11,758,091	-	11,758,091
Stable Value Funds	577,062	-	577,062
Total	$16,203,870	$ 3,868,717	$12,335,153

See Auditors' Report.

Note 3. FAIR VALUE MEASUREMENTS - CONTINUED

Fully Benefit-Responsive Investment Contracts - Continued

	Fair Value	Level 1 Quoted Prices in Active Markets For Identical Assets	Level 2 Significant Other Observable Inputs
December 31, 2021			
Mutual Funds	$19,920,932	$ 19,920,932	$ -
Stable Value Funds	283,742	-	283,742
Total	$20,204,674	$ 19,920,932	$ 283,742

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers of investments into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2022, there were no transfers of investments into or out of Level 3.

Note 4. INVESTMENTS

During 2022 and 2021, the Plan's investments (including investments bought, sold and held during the year) and realized and unrealized gains and losses, as well as reinvested income (depreciated) appreciated in value as follows:

	December 31, 2022	December 31, 2021
Mutual Funds	$(3,965,721)	$2,594,626
Collective Trust Fund	617,869	-
Stable Value Funds	3,648	1,966
Expense Budget Account	49,155	53,632
	$(3,295,049)	$2,650,224

The expense budget account was established to pay plan expenses and is considered a plan holding, which is included in assets under Stable Value Funds.

See Auditors' Report.

Note 5. RELATED PARTY TRANSACTIONS

The Plan invests in certain mutual funds and stable value funds managed by Transamerica. Transamerica is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to $125,877 for the year ended December 31, 2022.

Note 6. EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants totaling $1,696 for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to 2022 contributions. The Plan distributed the 2022 excess contributions prior to March 15, 2023. Excess contributions for the year ended December 2021 amounted to $18,287 and were distributed prior to March 15, 2022.

Note 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 8. TAX STATUS

The Plan has adopted a pre-approved prototype plan, the DATAIR Volume-Submitter Defined Contribution Plan. The Internal Revenue Service (IRS) has determined by a letter dated March 31, 2014 that this prototype plan is designed in accordance with provisions of the Internal Revenue Code (IRC) for the employee retirement plan.

The Plan has been amended since receiving the determination letters. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. No provision for income taxes has been made in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely or not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

See Auditors' Report.

Note 10. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the custodian, has certified that the following data included in the accompanying financial statements is complete and accurate as of December 31, 2022 and 2021.

Note 10. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN - CONTINUED

All information in the supplemental schedule is presented upon the certification.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 11. RISKS AND UNCERTAINTIES

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near-term, that such change could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits. Therefore, neither the Plan Trustee nor Plan Administrator guarantees any investment results relative to this Plan.

Coronavirus Disease 2019

Due to the global viral pandemic outbreak caused by the Coronavirus Disease 2019 (COVID-19) in 2020, there have been resulting effects which could negatively impact the Plan's financial condition. While the effects of COVID-19 are not reflected in these Plan financial statements, there is substantial uncertainty in the nature and degree of its effects over time. The extent to which the COVID-19 pandemic impacts the Plan going forward will depend on numerous evolving factors which cannot be reliably predicted, including the duration and scope of the pandemic; governmental, business, and individuals' actions in response to the pandemic; and the impact on economic activity including the possibility of recession or further financial market instability.
