Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Austrian Motors Corp. 401(k) Profit-Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Austrian Motors Corp. 401(k) Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Austrian Motors Corp. 401(k) Profit-Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Austrian Motors Corp. 401(k) Profit-Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Austrian Motors Corp. 401(k) Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Austrian Motors Corp. 401(k) Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes To Financial Statements

Note 1: Description Of Plan

The following description of the Austrian Motors Corp. 401(k) Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Austrian Motors Corp. 401(k) Profit-Sharing Plan was established to provide retirement benefits for employees of Austrian Motors Corp. (the Company). Eligible employees become participants in the Plan following six months of eligible service and attainment of age 21, as defined in the Plan Agreement. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute between 2% and 75% of annual compensation. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has an automatic enrollment provision. Newly eligible participants are enrolled at 2% of compensation unless they opt out. On an annual basis, participants are subject to an automatic 1% increase in their salary deferrals until their annual deferrals reach 10% unless the participant opts out. The annual salary deferral increase occurs on the first day of each Plan year.

The Company may make a discretionary matching contribution each year to the Plan equal to a percentage of the amount contributed by participants. For the years ended December 31, 2022 and 2021, employer matching contributions were 100% of the first 2% of participant's Plan compensation. The Company may also make a discretionary profit-sharing contribution. No profit-sharing contributions were made in 2022 or 2021. All contributions are subject to Internal Revenue Code limitations.

Participant accounts - Each participant's account is credited or charged, as applicable, with all participant contributions and allocations of the Company's contributions, transfers, Plan earnings (losses), forfeitures, withdrawals, expenses, or other distributions made to or from such accounts during the year. Allocations are based on participant earnings (losses), or account balances, in accordance with terms of the Plan. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting in the Company's portion of their accounts is based on years of continuous service. As defined by the Plan Document, a participant is 100% vested after six years of credited service, with a year of service for vesting purposes defined as 1,000 hours of service during any Plan year. Additionally, a participant is considered 100% vested in the Company's portion on the date in which the participant attains the Normal Retirement Age of 65 years.

Note 1: Description Of Plan (Continued)

Payment of benefits - On termination of service due to death, disability, retirement, or separation from service, a participant or their beneficiary will be entitled to receive a distribution of the participant's total vested account balance. Benefits will be paid in accordance with the terms of the Plan. If a terminated participant's account balance does not exceed \$5,000, a distribution will be made regardless of whether the participant consents to receive the distribution. The distribution will be rolled over to an Individual Retirement Account.

Plan termination - Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested and be distributed in accordance with the Plan Agreement.

Forfeited accounts - At December 31, 2022 and 2021, the Plan had forfeitures from terminated, non-vested participant accounts of \$31 and \$8,435, respectively. These amounts can be used to pay for Plan expenses or reduce Company contributions. The Company used \$35,824 and \$89,116 of Plan forfeitures in 2022 and 2021, respectively, to reduce contributions.

Note 2: Summary Of Significant Accounting Policies

Investment valuation - Investments held by the Plan measured at contract value and those measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy and a description of the hierarchy levels is not included in the disclosures.

The accompanying financial statements are presented on the accrual basis of accounting. Purchases and sales of securities are recorded on a trade-date basis with the gain or loss based upon the actual cost of the securities. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Income taxes - The Plan is exempt from federal income tax under the Internal Revenue Code. Tax positions are evaluated and recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities.

The Plan has adopted a prototype plan document which has an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 2: Summary Of Significant Accounting Policies (Continued)

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. The application of these accounting principles involves the exercise of judgment and use of assumptions as to future uncertainties and, as a result, actual results could differ from these estimates. The Plan periodically evaluates estimates and assumptions used in the preparation of the financial statements and makes changes on a prospective basis when adjustments are necessary.

Presentation - Certain reclassifications, when applicable, are made to the prior year financial statement presentation to correspond to the current year's format. Reclassifications, when made, have no effect on net assets available for benefits or changes in net assets available for benefits.

Note 3: Investments

The statements of net assets available for benefits, the investment activities included in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Nationwide Life Insurance Company, the Custodian of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes investments of \$54,085,987 and \$62,152,835 at December 31, 2022 and 2021, respectively, and related investment income (loss) of \$(8,838,681) and \$7,999,656 for the years ended December 31, 2022 and 2021, respectively.

Note 4: Fair Value And Contract Value Measurements

The following is a description of the valuation methodologies used for assets at fair value at December 31, 2022 and 2021:

Nationwide Life Insurance Best of America Fixed Contract: The Nationwide Life Insurance Best of America Fixed Contract (the Contract) is a group annuity contract with Nationwide Life Insurance Company. This is an unallocated, guaranteed deposit administration contract. Each year, the interest rate will be reviewed and changed, if applicable, based upon an interest rate calculated by Nationwide Life Insurance Company. Any change in the interest rate will be effective at the beginning of each calendar year. The interest rate as of December 31, 2022 and 2021 was 2.14% and 2.40%, respectively. The Contract does not restrict participant-directed exchanges. However, the Contract does restrict participants from making exchanges into to any other competing fixed investment option (either directly or after a subsequent exchange). The fair value is equal to the Contract value less any contingent deferred sales charge. The contractual obligations under this Contract are backed by the assets of the General Account of Nationwide Life Insurance Company.

Nationwide Flexible Advantage Trust Contract: The underlying mutual funds are traded daily using their net asset value (NAV) determined by Nationwide.

The preceding methods may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Fair Value Measurements At Reporting Date Using:

December 31, 2022

Investments measured at net asset value as a practical expedient:

Nationwide Flexible Advantage Trust Contract	\$ 50,148,630
--	---------------

Total Investments At Fair Value	<u>\$ 50,148,630</u>
--	-----------------------------

December 31, 2021

Investments measured at net asset value as a practical expedient:

Nationwide Flexible Advantage Trust Contract	\$ 58,128,314
--	---------------

Total Investments At Fair Value	<u>\$ 58,128,314</u>
--	-----------------------------

Notes To Financial Statements

Note 5: Related Party Transactions

Fees for certain administrative services may be paid by the Company.

All Plan investments are managed by Nationwide, as denoted on the supplementary Schedule of Assets (Held at End of Year). Nationwide is the recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services provided by Nationwide were included as a reduction of the return earned on each fund.

Note 6: Commitments And Contingencies

The Plan follows the guidance for uncertainty in income taxes. As of December 31, 2022, the Plan believes that it has appropriate support for the income tax positions taken and to be taken on its returns based on an assessment of many factors including experience and interpretations of tax laws applied to the facts of each matter. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits.

Note 7: Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8: Subsequent Events

Subsequent events have been evaluated through July 25, 2023, which is the date the financial statements were available to be issued.
