Independent Auditors' Report

To the Administrative Committee
Sherwood Mechanical, Inc. Employee Stock Ownership Plan

Opinion

We have audited the accompanying financial statements of Sherwood Mechanical, Inc. Employee Stock Ownership Plan, an employee benefit subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Sherwood Mechanical, Inc. Employee Stock Ownership Plan as of December 31, 2021, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sherwood Mechanical, Inc. Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sherwood Mechanical, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the Participants, to determine the benefits due or which may become due to such Participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sherwood Mechanical, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sherwood Mechanical, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. PLAN DESCRIPTION AND BASIS OF PRESENTATION

The following description of the Sherwood Mechanical, Inc. Employee Stock Option Ownership Plan (“the Plan”) is provided for general information purposes only. Eligible employees, as defined by the Plan (“Participants”), should refer to the Plan document for a complete description of the Plan provisions.

General

Sherwood Mechanical, Inc. (“the Company”) established the Plan effective as of January 1, 2021. The Plan operates, in relevant part, as an employee stock ownership Plan (“ESOP”), and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (“Code”) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan is administered by an Administrative Committee appointed by the Company's Board of Directors. The Company established the Sherwood Mechanical, Inc. Employee Stock Ownership Plan Trust (“the Trust”) for the purpose of receiving contributions made under the Plan.

The financial statements of the Plan as of December 31, 2021 and for the year then ended present separately the assets and liabilities and changes therein pertaining to:

- (a) the accounts of Participants with rights in allocated common stock (Allocated) and
- (b) common stock not yet allocated to Participants (Unallocated).

Eligibility

Employees of the Company are eligible to participate in the Plan after one year of service, providing they have reached age 18, worked at least 1,000 hours during such Plan year, are not an employee whose employment is governed by a collective bargaining agreement under which retirement benefits are bargained, and are not a leased employee. Participants who do not have at least 1,000 hours of service during such Plan year or are not employed on the last working day of a Plan year are generally not eligible for an allocation of Company contributions for such year.

Contributions

The Company may make contributions to the Trust in one or more installments without regard to its net profits for such year in such amounts as the Board may determine in its sole discretion.

Employee contributions are not permitted.

Payment of Benefits

Distributions on account of death, disability, or retirement are made in a lump sum in the Plan year following the event. Distributions for other separations from service commence in the fifth Plan year following the separation from service and are made in five annual installments. The amount to be distributed is based upon the immediately preceding valuation date. Balances of less than \$1,000 will be paid out without consent of the Participant.

Notes to the Financial Statements

1. PLAN DESCRIPTION AND BASIS OF PRESENTATION (CONTINUED)

Payment of Benefits (Continued)

Distributions are made in cash, or, if a Participant elects, in the form of Company common stock if permitted at such time under the ESOP. If ownership of stock of the Company is limited to employees (or the ESOP), or if the Company is a Subchapter S Corporation under the Internal Revenue Code, a terminated employee will receive benefits in cash only. Under the provisions of the Plan, the Company is obligated to repurchase Participant shares, which have been distributed under the terms of the Plan if the shares are not publicly traded or if the shares are subject to trading limitations.

Administrative Expenses

As provided in the Plan agreement, administrative expenses may be paid either by the Plan or by the Company. The Company pays the operating expenses for the Plan.

Voting Rights

Each Participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to vote any allocated share for which instructions have not been given by a Participant. The Trustee is required, however, to vote any unallocated shares on behalf of the collective best interests of the Plan Participants and beneficiaries.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each Participant. Each Participant's account is credited as of the last day of each Plan year with an allocation of shares of the Company's common stock released by the Trustee from the unallocated account and forfeitures of terminated Participants' non-vested accounts. Only those Participants who are eligible employees of the Company as of the last day of the Plan year will receive an allocation. Allocations are based on a Participant's eligible compensation, relative to total eligible compensation. Plan earnings are allocated to each Participant's account based on the ratio of the Participant's account balance.

Vesting

If a Participant's employment with the Company ends for any reason other than retirement, permanent disability or death, he or she will vest in the balances of his or her account based on total years of service with the Company according to the following schedule:

<u>Years of Service</u>	<u>Vested %</u>
1 or Less	0%
2	20%
3	40%
4	60%
5	80%
6	100%

1. PLAN DESCRIPTION AND BASIS OF PRESENTATION (CONTINUED)

Put Option

Under federal income tax regulations, the employer stock that is held by the Plan and its Participants and is not readily tradeable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to Participants for which there is no market. The put price is representative of the current appraised value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the Participant has the ability to ultimately obtain cash.

Diversification

Diversification is offered to Participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company common stock into investments that are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible Participant over a 6-year period. In each of the first 5 years, a Participant may diversify up to 25% of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%. Participants who elect to diversify receive a cash distribution.

Forfeitures

Plan forfeitures are allocated to each Participant's account based upon the relation of the Participant's eligible compensation to total eligible compensation for the Plan year. Forfeitures allocated to Participants during December 31, 2021 totaled \$0. Forfeited non-vested accounts to be allocated to Participant accounts in future years as of December 31, 2021 was \$0.

The Coronavirus Aid, Relief, and Economic Security (CARES) Act

The CARES Act was signed into law on March 27, 2020 in response to the COVID-19 pandemic. The Act allows employers to loosen the Participant distribution provisions. The Company has adopted the new provisions in the CARES Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Sherwood Mechanical, Inc.
Employee Stock Ownership Plan
Notes to the Financial Statements
December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allocations

The financial statements of the Plan present separately the assets and liabilities and changes therein pertaining to (a) the accounts of employees with rights in allocated stock ("allocated") and (b) stock not yet allocated to employees ("unallocated"), including shares that are committed to be released. Shares are released from collateral and become allocated generally in the period in which debt service is actually service paid.

Investment Valuation and Income Recognition

The shares of Company common stock are reported at fair value. See Note 4 for a discussion of the fair value measurements. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the average cost method. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through July 26, 2023, the date the financial statements were available to be issued.

3. INVESTMENTS

The Plan's investments, at December 31, 2021 are \$0.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

Sherwood Mechanical, Inc.
Employee Stock Ownership Plan
Notes to the Financial Statements
December 31, 2021

4. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in non-active markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<i>Assets at Fair Value</i> <i>As of December 31, 2021</i>	
	Level 3	Total
Investment in Sherwood Mechanical, Inc. common stock	\$ -	\$ -
Total assets at fair value	<u>\$ -</u>	<u>\$ -</u>

5. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in Company common stock and may have indebtedness guaranteed by the Company. These are related party and party in interest transactions. As described in Note 1, the Company pays all plan expenses. The Plan has a number of service providers. Such providers are parties in interest under ERISA.

6. RISKS AND UNCERTAINTIES

The Plan investments may consist primarily of the Company's common stock, which is exposed to various risks, such as interest rate, market, and credit risks, as well as valuation assumptions based on earnings, cash flows, and other such techniques. Due to the level of risk associated with the investments in the common stock and to uncertainties inherent in estimates and assumptions, it is at least reasonably possible that changes in the value of the common stock will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Sherwood Mechanical, Inc.
Employee Stock Ownership Plan
Notes to the Financial Statements
December 31, 2021

7. PLAN TERMINATION

The Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon termination of the Plan, the Employee Benefits Administration Committee directs the Trustee to pay all liabilities and expenses of the ESOP and to sell shares of financed common stock held as collateral to the extent it determines such sale to be necessary in order to repay the loan. Subsequently, the interest of each Participant in the trust fund will be distributed to such Participant or his or her beneficiary at the time prescribed by the Plan terms and the IRC.

8. TAX STATUS

The Pre-Approved ESOP Plan has received a determination letter from the IRS dated December 31, 2018, stating that the Plan is qualified under the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Company has taken a significant uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 26, 2023, the date the financial statements were available to be issued.

On May 31, 2022, the Plan was amended to comply with CARES Act and SECURE Act requirements.

On October 31, 2022, a stock purchase agreement was made between Mitchell Roberts and the ESOP. Mitchell Roberts desired to sell 21,875 shares of the Company stock for the fair market value of \$63/share as determined by an appraisal. The Company will contribute additional funds to the ESOP by October 16, 2023. These funds will then be used to pay the purchase price.
