INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Directed Account Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Directed Account Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 — DESCRIPTION OF PLAN

The following description of the Directed Account Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering former pilots of Trans World Airlines (TWA), the employees of Community America Credit Union (the Plan Sponsor), the employees of Community America CUSO One LLC (CUSO), Community America Financial Solutions (CAFS), and TruHome Solutions, LLC, and beneficiaries of these participant groups. Employees are eligible if they are age eighteen (twenty-one through May 26, 2021). Excluded employees include contract workers and employees subject to a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Empower Retirement provides recordkeeping services to the Plan. Empower Trust Company, LLC is the custodian and trustee of the Plan's investments. The Directed Account Plan Board of Directors is the Plan Administrator and has overall responsibility for the operation and administration of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance. Certain members of management serve as the Plan's trustees.

Amendments

Effective May 27, 2021, the Plan was amended and restated to decrease the age of eligibility for participants from twenty-one to eighteen years old.

Effective November 3, 2021, the Plan was amended and restated to update the hardship distribution requirements as follows:

- Remove the requirement that participants who had taken a hardship distribution must forgo making contributions to the plan for six months.

- Add the requirement that the participant must show that they are unable to satisfy need through other liquid assets before taking a hardship distribution.

Effective January 1, 2022, the Plan Document was restated to adopt the most recent Thompson Coburn Pre-Approved Profit Sharing Plan with CODA. The annual company matching true-up contribution was reinstated for the Plan.

Contributions

The Plan provides automatic enrollment for employees who meet the eligibility requirements. Employees have the option to decline enrollment. Automatic enrollment contributions of 6% (pre-tax) begin on the first payroll period up to 45 days after an employee has met the eligibility requirements. Deferrals will increase by 1% each year, up to 9% of compensation, unless the participant elects a specific deferral. Participants may contribute up to 75% of annual eligible compensation, as defined in the Plan (up to IRS limits). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

The Employers contribute for each Plan year an amount equal to 100% of the before-tax and Roth contributions deferral, not to exceed 6% of base compensation. A matching true-up contribution of $104,843 for the year ended December 31, 2022 was allocated to participant accounts in February 2023.

Discretionary profit-sharing contributions are determined annually by each Employer's Board of Directors. Full-time, part-time, and seasonal employees are eligible for profit sharing if they are age eighteen, worked 1,000 hours and were employed on the last day of the Plan year. Seasonal employees must have 1,000 hours prior to the entry date to be eligible for-profit sharing contributions. Profit sharing contributions are allocated to each participant based upon the ratio of the participant's compensation to the total compensation for the Employer. Profit sharing contributions (net of forfeitures) were $1,208,874 and $1,210,909 for the years ended December 31, 2022 and 2021, respectively, and were allocated to participant accounts in February 2023 and February 2022, respectively.

Contributions are subject to certain limitations. Former TWA pilots and their beneficiaries may not make contributions to the Plan. Active employees and former TWA pilots may also transfer funds to the Plan from other qualified retirement plans and individual retirement accounts.

Participants of the Plan elect investment accounts in which their contributions, as well as Employer contributions, are invested. The Board of Directors selects the default investment fund in absence of an election by the participant. The investment account options comprise various degrees of risk and return, including a self-directed brokerage account which is limited to the investment of mutual funds and exchange traded funds.

The Plan offers four tiers in which the participants may direct their investments. The asset allocation for each of these is provided by the Plan at its website.

Tier One:	Asset Allocation Funds - Target Date Funds, Target Risk Funds including the Model Portfolios (Income, Conservative, Moderate, and Aggressive)
Tier Two:	Index Funds - Fixed Income Index, Inflation-Protected Securities Index, All Cap Index, International Stock Index
Tier Three:	Actively Managed Funds - Stable Value, Fixed Income, Diversified Inflation/Real Return, Large Cap Core Stock, Small/Mid Cap Core Stock, International Stock
Tier Four:	Specialty Funds - 15 Specialty Funds, Self-Directed Brokerage

Participants may change their investment elections at any time. However, the Plan charges excess trading fees and/or redemption fees on early withdrawals from certain investment options.

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and Employer matching contributions, an allocation of Employer profit sharing contributions, and investment earnings based on their selected investments. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus earnings thereon. TWA participant accounts are fully vested. Vesting in the Employer's contribution portion of their accounts is based on years of service, as follows:

Years of Service	Vesting %
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Notes Receivable From Participants

Participants (other than TWA participants) may borrow from their accounts a minimum of $1,000 up to a maximum equal to $50,000 or 50% of the participant's vested account balance, whichever is less. The loans are secured by the balance in the participant's account. The loan interest rate, as of the date of loan origination, is set at 1% above the prime rate for principal residence loans and prime rate for general purpose loans, as defined. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

TWA participants may request a distribution at any time. The default form of payment for individual participant accounts in the Plan prior to July 1, 2001, excluding beneficiaries and rollover balances, consists of the purchase of a joint and survivor annuity for married participants and a single life annuity for unmarried participants. Participants may waive the default form of payment and choose from one lump-sum payment, partial lump-sum, installments, or an optional joint and survivor annuity. Payments of death benefits vary for pilots and non-pilots and are described in the plan document.

Benefits for participants other than TWA participants are payable in the event of retirement, death, total or permanent disability, termination of employment, and, with prior approval of the plan administrator, to comply with qualified domestic relations orders.

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued)

Benefits are payable in lump-sum form, partial lump-sum, installments, or annuities. Participants with a vested account balance of less than $1,000 must take a lump-sum distribution.

The Employer may authorize certain withdrawals from a participant's account in the event of proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeited Accounts

Forfeited balances of terminated participants' nonvested accounts are used to reduce Employer contributions. Forfeitures of $375,552 and $389,157 were used to reduce Employer contributions for the years ended December 31, 2022 and 2021, respectively. Unallocated forfeitures were $69,522 and $63,016 at December 31, 2022 and 2021, respectively.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Fees related to the administration of notes receivable from participants and benefit payments to participants are charged directly to the participant's account and are included in net appreciation in fair value of investments. Fees incurred by the Plan for recordkeeping, plan administration, and trustee services are included in administrative expenses. The net asset value of the investment funds is net of investment management fees.

Subsequent Events

Subsequent events were evaluated through July 26 2023, which is the date the financial statements were available to be issued.

NOTE 3 — INFORMATION CERTIFIED BY THE TRUSTEE

Information regarding investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years then ended, disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from data provided to the plan administrator and certified to as complete and accurate by Empower Trust Company, LLC, trustee of the Plan.

NOTE 4 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price reported by the fund, which is the quoted NAV of shares.

Common and preferred stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Common/collective trusts: Valued at the NAV of the fund, which is based on the estimated market value of the underlying investments. The stable value common/collective trust invests in a fund in which the underlying assets consist primarily of fully benefit-responsive investment contracts. The fund is valued at NAV, the practical expedient to estimate fair value.

Pooled separate accounts: Valued at the NAV of units of the fund, which is based on the estimated market value of the underlying investments less its liabilities. The NAV is used as a practical expedient to estimate fair value.

Cash equivalents: Valued at cost plus earned interest, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 166,673,202	$ -	$ -	$ 166,673,202

	$ 260,444,285	$ 250,488,883	$ -	$ 510,933,168

NOTE 5 — FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a portfolio of synthetic investment contracts. These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The key difference between a synthetic investment contract and a traditional investment contract is that the Plan owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Plan in certain circumstances. The wrapper contract typically includes certain conditions and limitations on the underlying assets owned by the Plan. With traditional investment contracts, the Plan owns only the contract itself. Synthetic and traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers. The Plan did not hold any traditional investment contracts at December 31, 2022 and 2021. The Plan held synthetic investment contracts totaling $179,295,890 and $189,323,423 at December 31, 2022 and 2021, respectively.

The synthetic investment contracts held by the Plan include wrapper contracts that provide a guarantee that the credit rate will not fall below zero percent. Cash flow volatility as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Crediting rates are reviewed monthly for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participant, is probable.

NOTE 6 — PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain expenses to Empower Trust Company, LLC, trustee of the Plan, related to plan operations and investment activity.

NOTE 7 — PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

NOTE 8 — TAX STATUS

The Plan has adopted a volume submitter defined contribution plan, and therefore, can rely on the determination letter issued by the Internal Revenue Service on September 21, 2022, which stated that the Plan is acceptable under Section 401 of the Internal Revenue Code. Management believes that the Plan is operating in compliance with all the terms provided in the nonstandardized plan agreement.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 — RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 — RECONCILIATION TO FORM 5500
