December 31, 2022 and 2021

Independent Auditors' Report

The Plan Administrator and Participants
Suburban Home Health Care Services Group Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Suburban Home Health Care Service Group Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Suburban Home Health Care Service Group Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Suburban Home Health Care Services Group Retirement Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Suburban Home Health Care Services Group Retirement Plan

Notes to Financial Statements
December 31, 2022 and 2021

1. Description of Plan

The following description of the Suburban Home Health Care Services Group Retirement Plan (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

General

The Plan is a defined contribution plan covering all employees of Suburban Home Health Care, Inc., Helping Hands Company, Inc., Suburban Homemaking and Maternity Agency Inc., and Suburban Home Care Medride Corp. (collectively the "Employer") who have completed one year of service, defined as 1,000 hours of service over a 12 month period beginning on the employees' hire date, and are at least 21 years of age, except for employees excluded as eligible by the plan adoption agreement, as defined ("Participants").

Nationwide Trust Company, FSB, is the custodian (the "Custodian") and record keeper for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). All investments are participant-directed.

Plan Administration

The Employer is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Three officers of the Employer serve as the Plan's trustees. Individual Participant accounts may be charged directly for all administrative expenses, if not paid by the Employer.

Participant Contributions

Participants may defer a dollar amount or percentage of their compensation, as defined by the Plan, not to exceed a dollar limit established under the Internal Revenue Code (the "IRC"). Participants may make pre-tax contributions to their accounts. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans ("Rollover Contributions").

Employer Matching Contributions

The Employer will make matching contributions equal to 25% of a Participant's elective deferrals, not to exceed 4% of eligible compensation. A Participant is entitled to Employer matching contributions once enrolled in the Plan and making deferral contributions. Employer matching contributions made to the Plan amounted to \$130,249 for the year ended December 31, 2022.

Participant Accounts

Each Participant's account is credited with the Participant's deferral contributions, the respective Employer contributions, an allocation of the Plan's investment earnings or losses, and is charged with an allocation of certain administrative expenses. Allocations are based on Participant compensation or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account balance.

Notes to Financial Statements
December 31, 2022 and 2021

1. Description of Plan (*continued*)

Vesting

Participants are immediately vested in all contributions and the investment earnings thereon.

Notes Receivable from Participants

Participants are not allowed to borrow from their accounts at any time.

Payment of Benefits

Upon termination of service due to death, disability, termination or retirement, a Participant or beneficiary may elect to receive either a lump-sum distribution or partial lump-sum distribution in an amount equal to the value of the Participant's interest in his or her account. The payment can either be a cash distribution to the Participant or beneficiary, subject to income tax withholdings, or a tax-free rollover to an Individual Retirement Account ("IRA") or another qualified plan. If a Participant's account balance is more than \$1,000 but less than \$5,000, the Plan administrator, after notification, may distribute the benefit into an IRA. If a Participant's account balance is less than \$1,000, the Plan administrator may distribute the account balance to the Participant in a lump-sum payment.

In-service withdrawals from a Participant's rollover contribution account are permitted without restriction. In-service withdrawals from a Participant's elective deferral account and Employer matching contribution account are permitted upon reaching age 59½. Additionally, in-service withdrawals are permitted due to financial hardship, as defined. Hardship distributions may be taken from the Participant's elective deferral account or employer matching account.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from those estimates.

Investments, Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

**Suburban Home Health Care Services Group
Retirement Plan**

Notes to Financial Statements
December 31, 2022 and 2021

2. Summary of Significant Accounting Policies (continued)

Investments, Investment Valuation and Income Recognition (continued)

The Plan's group annuity contract is reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount Participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for information on the group annuity contract.

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Payments of Benefits

Benefit payments to Participants are recorded during the period in which the Participant is paid.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, net depreciation in fair value of investments, and interest income on group annuity contract and dividend income for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Nationwide Trust Company, FSB, the custodian of the Plan.

4. Fair Value Measurements

Under GAAP, a framework for measuring fair values has been established to clarify the definition of those fair values and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under GAAP are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**Suburban Home Health Care Services Group
Retirement Plan**

Notes to Financial Statements
December 31, 2022 and 2021

4. Fair Value Measurements (*continued*)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 8,785,731</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,785,731</u>

Investments at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 9,734,304</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,734,304</u>

5. Group Annuity Contract

The Plan holds a fully benefit-responsive group annuity contract issued by Nationwide Life Insurance Company ("NLIC") called the Nationwide Fixed Select Contract (the "Investment Contract"). NLIC maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Investment Contract issuer is contractually obligated to repay the principal and a specified interest rate to the Plan, subject to the claims paying ability of NLIC. Participants invest in the Investment Contract through the Nationwide Fixed Select Contract.

Suburban Home Health Care Services Group Retirement Plan

Notes to Financial Statements
December 31, 2022 and 2021

5. Group Annuity Contract (*continued*)

As the Investment Contract is fully benefit-responsive, contract value is the relevant measurement for the portion of the net assets available for benefits attributable to the Investment Contract. Contract value, as reported to the Plan by NLIC represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the transfer of all or a portion of their investment at contract value. Participants may request a lump sum distribution with a market value adjustment determined by NLIC.

The Investment Contract is maintained under a group annuity contract which guarantees minimum interest rates and may credit interest that exceeds the minimum guaranteed rate. The crediting interest rate is based on several factors determined by NLIC including mortality and expense risks, interest rate guarantees, investment income earned on invested assets, and amortization of any capital gains or losses from the sale of invested assets. Such interest rates are reviewed on a quarterly basis for resetting. During 2022, the crediting interest rate ranged from 1.83% to 2.17%. The crediting interest rate may not be less than 0.50%. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with NLIC. Such events include the following: (i) amendments to the Plan documents (including complete or partial plan termination or merger with another plan) (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with Plan Participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (i) an uncured violation of the Plan's investment guidelines, (ii) a breach of material obligation under the contract, (iii) a material misrepresentation, or (iv) a material amendment to the agreement without consent of the issuer.

6. Risk and Uncertainties

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect Participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

**Suburban Home Health Care Services Group
Retirement Plan**

Notes to Financial Statements
December 31, 2022 and 2021

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the net assets of the Plan would be distributed to Participants based on their respective account balances.

Tax Status

The underlying prototype non-standardized profit sharing plan has received an opinion letter from the Internal Revenue Service ("IRS"), dated June 7, 2021, stating that the form of the Plan is qualified under Section 401(a) of the IRC. Any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of the Plan is considered a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

8. Party-In-Interest Transactions

The Plan paid administrative fees totaling \$33,432 to Nationwide Trust Company, FSB. Nationwide Trust Company, FSB is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan paid administrative fees totaling \$6,907 to The Pension Service. The Pension Service is the third-party administrator of the Plan and, therefore, this transaction qualifies as a party-in-interest transaction.

The Plan paid administrative fees totaling \$19,891 to LPL Financial, LLC, the investment advisor of the Plan and, therefore this transaction qualifies as a party-in-interest transaction.

9. Excess Contributions Payable

At December 31, 2022 and 2021, \$3,696 and \$22,493, respectively, were recorded for amounts refundable by the Plan to certain Participants as required to satisfy the relevant non-discrimination testing provisions of the Plan. The \$3,696 in excess contributions payable at December 31, 2022, is netted against the Employer matching contribution on the statement of changes in net assets available for benefits. The Plan distributed the 2022 and 2021 excess contributions to the applicable Participants prior to March 15, 2023 and 2022, respectively.
