INDEPENDENT AUDITOR'S REPORT

Plan Management

Bass Underwriters, Inc. 401(k) P.S. Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Bass Underwriters, Inc. 401(k) P.S. Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements. ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the

override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 on page 13 is presented for purposes of additional analysis and is not a required

part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

I was engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 if the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed me not to perform and I did not perform any auditing procedures with respect to the information certified by a qualified institution. In my report August 20, 2021, I indicated that (a) because of the significance of the information that I did not audit, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, I did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BASS UNDERWRITERS, INC. 401(k) P.S. PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2021 and 2020

Note 1 - Description of Plan

The following description of the Bass Underwriters, Inc. 401(k) P.S. Plan (the "Plan"), effective January 1, 2002, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all eligible employees of Bass Underwriters, Inc., Broward Insurance Consulting, LLC, Bass Underwriters of Florida, Bulldog Premium Finance, LLC, Insurance Technologies, Inc. and Gridiron Insurance Underwriters, Inc. (collectively the "Sponsor") who have three months of service except for collectively bargained employees, non-resident aliens and employees who became employees as the result of a merger or acquisition, as defined in the Plan documents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Funding Policy

Each year, participants may contribute up to the maximum percentage allowable, not to exceed the limits of code sections 401(k), 402(g), 404 and 415, as defined in the Plan document. Participants direct their account balance into various investments offered by the Plan and may also contribute amounts representing distributions from other qualified defined benefit or contribution plan rollovers. The Company matches 100% of the first 3% and 50% of the next 2% of eligible participant's contributions, as defined by the plan document and may also contribute additional discretionary profit sharing contributions. For the year ended December 31, 2021, employer contributions were \$1,007,003.

Participant Accounts and Vesting

The Plan is a *safe harbor 401(k) plan*, which among other things provides that certain committed contributions are fully vested when made. The sponsor may elect to make additional discretionary non elective and matching contributions each year which vest at a rate of 20% after two years of credited service and become 100% vested after six years of credited service.

Each participant's account is credited with the participant's contribution, the sponsor's contribution, and plan earnings. Plan earnings are credited to the participants' accounts based on the performance of the investments selected by each participant. Participants are immediately vested in their voluntary and safe harbor sponsor contributions plus actual earnings thereon.

All non-vested benefits are forfeited by participants should they terminate employment prior to becoming vested. Such forfeitures are used by the Sponsor to offset administrative expenses or reduce future matching contributions to the Plan.

For the years ended December 31, 2021 and 2020, forfeited non-vested accounts totaled \$355 and \$1,252, respectively and all were used to reduce matching contributions in the year of forfeiture.

Plan Termination

The Sponsor can discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, each participating employee shall become 100% vested in the Plan, and the assets shall be allocated among participating employees and beneficiaries in proportion to the employees' respective account balances.

Payment of Benefits

Participants' vested account balances are payable upon termination, retirement, disability, death, and approved hardship either (1) in a lump-sum amount equal to the value of the account balance, (2) in installment payments over a period of not more than the assumed life expectancy of the participant and beneficiary, if any, (3) by an account balance transfer to an individual retirement account or other qualified plan, or (4) any combination of the foregoing.

Cash in Transit

Cash in transit are amounts received by the custodian (MidAtlantic) but not yet allocated to participant accounts and amounted to \$268 and \$8,810 at December 31, 2021 and 2020 respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants can only have one outstanding loan. The loans are secured by the balance in the participant's account and bear interest at the prevailing bank market interest rate at the time of the loan as determined by the plan administrator. Principal and interest is paid ratably through regular payroll deductions. At December 31, 2021 and 2020, loans collateralized by participant accounts amounted to \$463,200 and \$489,657, respectively and interest income of \$24,382 was recognized on these loans during 2021.

Investment and Administrative Expenses

Fees paid by the Plan during the year ended December 31, 2021 consisted of administration fees and third party administrator fees which amounted to \$159,271. All other expenses related to the Plan were paid by the Company.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting using Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 105-10, *FASB Codification* (the "Codification"). The Codification is the single source of authoritative U.S. generally accepted accounting principles (GAAP).

NOTES TO FINANCIAL STATEMENTS - CONTINUED
Years Ended December 31, 2021 and 2020

ASU 2010-25 "*Reporting Loans to Participants by Defined Contribution Pension Plans.*" ASU 2010-25 requires that participant loans be classified as participant notes receivable which are to be segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income from participant loans was \$24,382 for the year ended December 31, 2021.

Investment Valuation and Income Recognition

Investments are reported at fair value. As described in note 4, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

In accordance with the policy of stating investments at market value, the Plan presents in the statement of changes in net assets available for plan benefits, the net appreciation (depreciation) in the fair value of investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Recently Issued Accounting Pronouncements

In July 2019, the AICPA Auditing Standards Board (ASB) issued AICPA Statement on Auditing Standards No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA ("SAS No. 136"). This new standard prescribes certain new performance requirements for ERISA plan financial statement audits and changes the form and content of the related auditor's report to improve audit quality and enhance the communicative value and transparency of the auditor's report. It includes new requirements in all phases of an audit of ERISA plan financial statements including engagement acceptance, risk assessment and response, communication with those charged with governance, performance procedures, and reporting. SAS No. 136 is effective for audits of ERISA plan financial statements for periods ending on or after December 15, 2020.

Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts and disclosures of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investment options in various mutual and money market funds. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Tax Status

The Sponsor has established, and intends to maintain, the Plan as a qualified plan under IRC Section 401 which provides for exemptions from federal income taxation. The Plan obtained its latest determination letter on May 14, 2010, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter, however, the Employers and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Note 3 – Certified Investments and Notes Receivable from Participants

Information disclosed in the accompany financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the custodian, Mid Atlantic Trust Company.

Note 4 – Fair Value Measurement

In accordance with the accounting standards for fair value measurements for those assets and liabilities that are measured at fair value on a recurring basis, the Plan has categorized its applicable financial instruments into required fair value hierarchy. The fair value hierarchy gives the highest

Note 4 – Fair Value Measurement - continued

priority to quoted prices on active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Applicable financial assets and liabilities are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Inputs based on quoted prices (unadjusted) in active markets for identical assets or liabilities accessible at the measurement date.

Level 2 – Inputs based on quoted prices in markets that are not active or model inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability, such as quoted prices for similar assets or liabilities in active markets.

Level 3 – Unobservable inputs for the asset or liability including the reporting entity's own assumptions in determining the fair value measurement.

The following table summarizes the Plan's assets measured at fair value on a recurring basis:

	<u>2021</u>	<u>2020</u>
Fixed income funds (level 1)	\$ 726,043	\$ 785,335
Domestic equity funds (level 1)	6,722,828	5,065,452
International equity funds (level 1)	650,210	586,007
Balanced funds (level 1)	23,172,148	21,581,978
Managed account (level 1)	1,794,759	506,510
Money Market Funds/Cash (level 1)	268	8,810
Total	<u>\$ 33,066,256</u>	<u>\$ 28,534,092</u>

Funds are valued at the net asset value of shares held by the Plan at year-end, which represents quoted prices in an active market.

Note 5 – Party-in-Interest and Prohibited Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries and custodians or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Aris Corporation is an AssetMark company, the record keeper. Therefore plan investments and fees paid to AssetMark, Aris Corporation and participant loan activity are considered party-in-interest transactions, which are exempt from the prohibited transaction rules.

Note 6 – Subsequent Events

In January 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally and in March 2020 was declared a pandemic by the World Health Organization. Although it is not possible to estimate the length and severity of this outbreak and its impact on the Plan's financial, the fair value of the Plan's investments could be materially affected by the market volatility associated with COVID-19.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act's (the "CARES Act") was signed into law. The Plan was amended to implement changes per the provisions of the CARES Act. The CARES Act provisions implemented by the Plan allows Plan participants to receive coronavirus-related distribution is subject to certain requirements and limitations as set forth in the Cares Act and Plan documents.

The CARES Act also increased the limits on loans from an eligible retirement plan, from a maximum equal to the lesser of \$50,000 or 50% of their vested account balance; to a maximum equal to the lesser of \$100,000 or 100% of their vested account balance. These loans are available to eligible individuals for 180 days beginning on March 27, 2020. Coronavirus related loans are to be repaid over a five-year period, however if repayments are to begin prior to December 31, 2020, such repayment period shall be extended for an additional year. The CARES Act also temporarily waived the required minimum distribution rules for 2020, although beneficiaries may still request to receive a distribution.

The Plan evaluated events and transactions for potential recognition and disclosure through August 22, 2022, the date the financial statements were available to be issued.
