INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Shaub-Ellison Company 401(k) Profit Sharing Plan and Trust
Tacoma, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Shaub-Ellison Company 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Shaub-Ellison Company 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company, the trustee of the Plan, as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Shaub-Ellison Company 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Shaub-Ellison Company 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Shaub-Ellison Company 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Shaub-Ellison Company 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Shaub-Ellison Company 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Shaub-Ellison Company (the Company), also known as a salary reduction or 401(k) plan. An eligible employee is an employee of the Company who has worked two months and has attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible employees may contribute the maximum allowed under the Internal Revenue Code (IRC) Section 402(g) and can defer up to 90% of their compensation or the maximum allowed by the IRC. The Plan will also allow a portion of the employee contributions to be designated as a Roth contribution to the participant's account. The Company will make a safe harbor matching contribution equal to 3% of eligible employee's compensation. A profit sharing contribution and a discretionary additional matching contribution may be made at the option of the Company's management. A participant is eligible for the profit sharing and discretionary additional matching contributions after they reach one year of service and 1,000 hours.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions, and Plan earnings. Allocations are based on participant earnings, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their contributions and the safe harbor employer matching contributions. Vesting in the Company's contributions to their accounts is based on years of continuous service. Participants are fully vested after four years of credited service for the profit sharing and discretionary matching contributions.

Notes Receivable from Participants

Participants may borrow from their vested account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance as of the most recent valuation date. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus two percent determined by the Plan administrator (5.25% to 8.25% at December 31, 2022 and 2021). Loan repayments are made ratably through payroll deductions over a period not to exceed five years, unless the loans are used to purchase a primary residence in which case the loan repayment period may not extend beyond 10 years from the date of the loan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits

A participant's vested account balance is payable to the participant or the participant's beneficiaries in-full according to the terms of the Plan upon death, permanent disability or termination of employment after the normal retirement age of 60 years old. Termination of employment for certain other reasons prior to normal retirement age, death or disability, results in a mandatory distribution of a participant's account with a vested balance of \$5,000 or less. A participant's account with a vested balance between \$1,000 to \$5,000 will be rolled over into an individual retirement plan designated by the Plan sponsor if no election is otherwise requested by the participant.

Forfeitures

Forfeited balances of terminated participants' nonvested accounts may be used to pay plan expenses, or be used to reduce future employer contributions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 3). The Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians.

SHAUB-ELLISON COMPANY
401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded upon distribution.

Plan Expenses

The Company pays the expenses associated with the administration of the Plan, except for certain investment management fees and loan fees that are directly deducted from the participant's account.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Evaluation of Subsequent Events

Management has reviewed subsequent events through July 26, 2023, which is the date that the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Fair Value Measurements Topic 820 of the FASB Accounting Standards Codification (ASC) establishes a fair value hierarchy for reporting that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable units other than quoted prices for identical assets; and Level 3 inputs have the lowest priority.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SHAUB-ELLISON COMPANY
401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

The investments in mutual funds are valued utilizing a market approach wherein the Plan uses the quoted prices in the active market for identical assets. All of these investments are traded in active markets.

Common Collective Trust Fund

The common collective trust fund is a stable value fund which is composed primarily of guaranteed investment contracts, synthetic investment contracts, wrapper contracts and short-term investments which are valued at the net asset value of the fund's underlying net assets. The net asset value is used as a practical expedient to estimate fair value and therefore the fund has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

SHAUB-ELLISON COMPANY
401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Common Collective Trust Fund (Continued)

This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that the securities liquidations will be carried out in an orderly business manner.

The fair value of investments as of December 31, 2022, by level within the fair value hierarchy, were as follows:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 791			\$ 791
Mutual Funds	8,599,187			8,599,187
Common Collective Trust Fund				<u>501,210</u>
Investments	\$ <u>8,599,978</u>			\$ <u>9,101,188</u>

The fair value of investments as of December 31, 2021, by level within the fair value hierarchy, were as follows:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 677			\$ 677
Mutual Funds	10,119,390			10,119,390
Common Collective Trust Fund				<u>484,345</u>
Investments	<u>\$ 10,120,067</u>			<u>\$ 10,604,412</u>

NOTE 4 - INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the auditors not to perform any auditing procedures with respect to information which was certified as complete and accurate by Fidelity Management Trust Company, the trustee. The information certified by Fidelity Management Trust Company includes investments, the related investment activity, and notes receivable from participants that are described in the accompanying financial statements.

**SHAUB-ELLISON COMPANY
401(K) PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in accordance with the Plan provisions.

NOTE 6 - TAX STATUS

The Plan obtained its latest opinion letter on a volume submitter profit sharing plan on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or Department of Labor. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Company has filed its Form 5500 return timely with the Department of Labor. The Plan administrator believes it is no longer subject to income tax examinations for tax years prior to 2019.

NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan currently offers various investment options issued by Fidelity Management Trust Company, who serves as the trustee, as defined by the Plan, for the years ended December 31, 2022 and 2021. Therefore, these transactions are recognized as party-in-interest transactions. In addition, the Plan paid certain expenses to various service providers. These expenses are exempt party-in-interest transactions under ERISA.

SHAUB-ELLISON COMPANY
401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
