Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 financial Statements

We have performed an audit of the financial statement of Bernards Bros. Inc. 401(k) Profit Sharing Plan (the Plan), and employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements (2022 financial statements).

Management, have determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted to our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) at December 31, 2022 is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statement of the Plan. As permitted by 29 CFR 22520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 18, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BERNARDS BROS. INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Bernards Bros. Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all eligible employees of Bernards Bros. Inc. (the Sponsor).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Eligibility and Participation

Employees of the Sponsor are eligible to participate in the Plan if they are at least 21 years of age, have completed thirty days of service as of each monthly Plan entry date and are not subject to a collective bargaining agreement (Participants). Participants generally are eligible to receive discretionary employer profit sharing and/or matching contributions as determined annually by the Sponsor's board of directors if they have met the requirements to participate in the Plan, have completed at least 1,000 hours of service during the Plan year and remain employed as of the last day of the Plan year. A Plan year is defined as a calendar year.

A Participant ceases to participate in the Plan in any Plan year in which he/she has not received credit for more than 1,000 hours of service. Participants who terminate employment prior to the last day of the Plan year due to retirement, disability or death are not required to meet the hours of service or continued employment restrictions in order to receive a profit sharing and/or matching contribution for such year.

(c) Contributions

Participants may contribute 1% to 60% of their annual compensation excluding bonuses, fringe benefits and other compensation categories specified in the Plan amendment effective January 1, 2019 (Participant Contributions). Participant Contributions are limited to the maximum amount allowable under the Internal Revenue Code. In 2022, the maximum amount allowable is \$20,500 plus an additional \$6,500 for Participants who have attained or will attain age 50 during the year.

The Sponsor may make discretionary profit sharing and/or matching contributions to the Plan. The Sponsor's contributions, if any, are allocated to the Participants at the end of each Plan year. No discretionary profit sharing contributions were made by the Sponsor for the year ended December 31, 2022.

Notes to Financial Statements

December 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(c) Contributions (Continued)

In 2022, the Sponsor provided a matching contribution equal to the lesser of Participant Contributions or 3% of Participant annual compensation excluding bonuses, fringe benefits and other compensation categories specified in the Plan amendment effective January 1, 2019 subject to the maximum compensation limit allowed by the Internal Revenue Code. In 2022, the maximum compensation limit allowed by the Internal Revenue Code is \$305,000. The discretionary matching contribution for the year ended December 31, 2022 totaled \$999,826 of which \$165,193 was funded from funds forfeited by terminated Participants as of December 31, 2022.

(d) Participant Accounts

Each Participant's account is credited with the Participant's contributions, the Sponsor's profit sharing and matching contributions and earnings/expenses specifically attributable to the Participant's account. Participants may rollover account balances from a prior employer's qualified retirement plan to the extent that the nature of the funds rolled over is consistent with Plan design. Participants may not rollover Roth 401(k) funds to the Plan.

Participant accounts are invested in accordance with Plan terms as directed by the Participant. Participant accounts for which no Participant investment election has been received are invested in the Fidelity Freedom Fund which is most closely targeted to the Participant's retirement date.

The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's account.

(e) Vesting and Forfeitures

Participants are immediately vested in their Participant Contributions plus earnings on those contributions. Participants vest in the Sponsor's discretionary profit sharing and matching contributions (Employer Contributions) plus earnings on those contributions based upon years of service. The following is the Plan's vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(e) Vesting and Forfeitures (Continued)

Unvested Employer Contributions plus accumulated earnings on those contributions for terminated Participants are forfeited and used by the Sponsor to offset future Employer Contributions and/or Plan fees due from them. The forfeiture balance available to offset future Employer Contributions and/or Plan fees were \$165,193 and \$129,751 at December 31, 2022 and December 31, 2021, respectively.

(f) Payment of Benefits

Participants may elect to receive lump-sum distributions of rollover contributions accounts or when any of the following events occur: financial hardship, termination of employment, retirement, attainment of age 59 ½, disability or death. Distribution or rollover to a separate individual retirement account of a terminated Participant's vested benefit may be processed without a Participant's consent if the terminated Participant's vested benefit totals less than \$5,000. Vested benefits totaling \$1,000 or less may be distributed as a lump-sum payment. Vested benefits greater than \$1,000 but less than \$5,000 may be rolled into a separate individual retirement account. Terminated Participants may keep vested benefits totaling \$5,000 or more in the Plan.

(g) Plan Termination

Although the Sponsor has not expressed any intent to do so, the Sponsor has the right at any time to amend or terminate the Plan subject to the provisions of ERISA. In the event of permanent discontinuance of contributions or termination of the Plan, all Participants shall become fully vested and the net assets of the Plan shall be distributed to the Participants in accordance with the terms of the Plan.

(h) Notes Receivable from Participants

Under the terms of the Plan, Participants may borrow from their accounts up to \$50,000 or 50%, whichever is less, of their vested account balance. The loans are secured by the respective Participant's vested account balance and are subject to interest charges. Interest rates applicable to new loans are determined by the Plan Administrator, are fixed for the term of the loan and generally reflect the prevailing prime rate charged by major banks at the funding date of each loan. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. A Participant may have a maximum of two loans outstanding at a time.

(i) ERISA Bond Requirement

The Employee Retirement Income Security Act of 1974 (ERISA) requires every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the plan's assets at the beginning of the plan year or \$500,000.

Notes to Financial Statements

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investment income is recorded as earned. Distributions of Plan benefits to Participants who withdraw from the Plan are recorded when distributed.

(b) Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis.

(c) Fair Value Measurements

Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Quoted prices are available in active markets for identical investments as of the reporting date. The types of investments in Level 1 include listed equities and other securities held in the name of the Plan, and exclude listed equities and other securities held indirectly through commingled funds.

Level 2 – Pricing inputs, including broker quotes, are generally those other than exchange quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.

Level 3 – Pricing inputs are unobservable for the investment and include situations where there is little, if any market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. Investments that are included in this category generally include privately held investments and partnership interests.

Following is a description of the valuation methodologies used for the Plan's investment assets measured at fair value. During the year, the Plan applied the Net Asset Value (NAV) methodology as a practical expedient to fair value for its investment in a Common Collective Trust.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

(c) Fair Value Measurements (Continued)

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fidelity Brokeragelink

The Plan's Fidelity Brokeragelink accounts are self-directed brokerage accounts that reside within the Plan. Accounts primarily consist of publicly traded stocks, bonds, and mutual funds that are valued on the basis of quoted market prices.

Stable Value Common Collective Trust Fund

The Plan's stable value fund is a common collective trust which invests solely in the Fidelity Advisor Stable Value Fund, which invests in fully benefit-responsive investment contracts and that is valued at the net asset value of the units of the common collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. The stable value common collective trust fund has no unfunded commitments and has daily redemption frequency; however, the Plan is required to provide a one-year redemption notice to liquidate its entire interest in this common collective trust. Were the Plan to initiate a full redemption of the common collective trust, Fidelity reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 37,098,052	\$ -	\$ -	\$ 37,098,052

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

(d) Risks and Uncertainties

The Plan provides for investments in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for Plan benefits.

(e) Plan Expenses

Under a service and expense agreement, the Plan and its Sponsor bear expenses related to Plan administration. For the year ended December 31, 2022, the Plan recognized administrative expenses of \$10,227.

(f) Estimates

The Plan's administrator has made a number of estimates and assumptions relating to the reporting of assets, liabilities, additions and deductions and disclosure of contingent assets and liabilities to prepare these financial statements in accordance with accounting principles generally accepted in the United States of America. Accordingly, actual results may differ from those estimates.

BERNARDS BROS. INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

(g) Notes Receivable from Participants

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE 3 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments including shares of mutual funds and Fidelity Brokeragelink accounts are offered by affiliates of Fidelity Management Trust Company (Fidelity), the Plan's trustee. Therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for Fidelity's administrative services amounted to \$10,227 for the year ended December 31, 2022.

The above transactions including the notes receivable from participants, qualify as allowable party-in-interest transactions for which there are statutory exemptions.

NOTE 4 - TAX STATUS

The Plan obtained its latest determination letter from the Internal Revenue Service on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

BERNARDS BROS. INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022

NOTE 5 - CERTIFICATION BY TRUSTEE

During 2022, the Plan administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, Fidelity, has certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- a. Investments, as shown in the Statements of Net Assets Available for Plan Benefits as of December 31, 2022 and 2021.
- b. Investment activity, as shown in the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2022.
- c. Schedule of Assets (Held at End of Year) at December 31, 2022, as shown on Schedule H.
- d. Party-in-interest transactions

NOTE 6 - SUBSEQUENT EVENTS

A Plan amendment was executed on July 12, 2023, effective November 3, 2023, Participants shall be permitted to irrevocably designate a portion (or all) of the Deferral Contributions made as Roth 401(k) Contributions, and are includable in the Participant's gross income at the time deferred.

In preparing these financial statements, the Plan administrator evaluated events and transactions for potential recognition or disclosure through July 26, 2023, the date the financial statements were available to be issued.
