## INDEPENDENT AUDITOR'S REPORT

July 28, 2023

To the Plan Administrator and Participants of  
Pike Companies Limited 401(k) Savings & Profit Sharing Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Pike Companies Limited 401(k) Savings & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Pike Companies Limited 401(k) Savings & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pike Companies Limited 401(k) Savings & Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pike Companies Limited 401(k) Savings & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## **INDEPENDENT AUDITOR'S REPORT**

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pike Companies Limited 401(k) Savings & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pike Companies Limited 401(k) Savings & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. # PIKE COMPANIES LIMITED 401(K) SAVINGS AND PROFIT SHARING PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

---

### 1. DESCRIPTION OF PLAN

The following description of Pike Companies Limited 401(k) Savings & Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan sponsored by Pike Construction Services, Inc. (Pike). Pike Companies Limited (Pike LTD), Structural Services of New York (SSNY) and LeCesse Construction Services (LCS) are related companies that participate in the Plan. The Plan contains both 401(k) and profit-sharing components. Except where otherwise indicated, the provisions for both components are identical. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Administration**

American Trust and Savings Bank (American Trust Company), is the trustee of the Plan and custodian of the Plan's assets as of December 31, 2022 and 2021.

#### **Eligibility**

Generally, employees who have attained twenty-one (21) years of age and completed six months of continuous service are eligible to participate in the Plan and receive employer matching and profit-sharing contributions. Employees are eligible to participate as of the first quarterly Plan entrance date following satisfaction of the Plan's eligibility requirements. Participants not employed at the end of the Plan year will not share in allocations of profit-sharing contributions. In November 2022, the Plan was amended to allow employees who were hired as part of an asset purchase agreement between the Plan Sponsor and three other companies to be credited with years of service to the predecessor employer for purposes of eligibility, allocation and vesting.

#### **Contributions**

Participants may make contributions up to the maximum percentage of compensation and dollar amount permissible under the Internal Revenue Code. The Plan provides an automatic enrollment provision in which newly eligible participants are enrolled to contribute 4% of their annual salary, unless the participant elects otherwise. The Plan has an automatic increase provision in which a participant's elective deferral amount will automatically increase 1% per year, at the beginning of each Plan year, not to exceed 10%, unless otherwise directed by the participant. Pike, Pike LTD, SSNY, and LCS (together, the Company) provide matching contributions equal to 50% of salary deferrals not to exceed 4% of the employee's salary deferral. Participants may direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The Company may also make discretionary profit-sharing contributions to the Plan. The Company made a discretionary profit-sharing contribution of \$648,465 and \$614,525 for the years ended December 31, 2022 and 2021, respectively.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, employer matching contributions and actual earnings/losses thereon. Profit-sharing contributions are allocated to each participant's account based on compensation, while investment income and losses and Plan expenses are allocated to each participant's account based on account balances.

## **1. DESCRIPTION OF PLAN (Continued)**

### **Vesting**

Participants are immediately vested in their contributions, employer matching contributions and actual earnings thereon. Discretionary profit-sharing contributions and earnings/losses thereon vest 20% per year with 1,000 service hours worked, commencing with the second year of service.

### **Benefit Payments**

Upon termination due to retirement, death, resignation or permanent and total disability, the value of the participant's account may be paid in a lump sum or rolled over to another qualified plan. The normal retirement date for participants is age 65, although the Plan allows early retirement for participants who have attained age 55. In-service distributions of fully vested accounts may be made to participants who have not separated from service provided the participant has attained age 59 ½. Benefit payments from the Plan will be made in a lump sum distribution if the balance is less than \$5,000 and the participant does not direct the Plan otherwise.

### **Notes Receivable from Participants**

Participants may borrow up to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, but are extended if the proceeds are used for the purchase of a principal residence. The loans are secured by the participant's account and bear interest at the prime rate plus 2% per annum.

### **Hardship Withdrawals**

Hardship withdrawals from the Plan are permitted from fully-vested accounts.

### **Administrative Expenses**

The Plan permits the payment of Plan expenses to be made from the Plan's assets. These expenses will be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. The method of allocating the expenses depends on the nature of the expense itself.

### **Forfeitures**

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$2,131 and \$121, respectively. Forfeitures of non-vested account balances are to be used to first pay Plan administrative expenses and then to reduce any employer contributions. Forfeitures of \$19,964 and \$42,464 were used to pay for administrative expenses in 2022 and 2021, respectively. Forfeitures generated during 2022 and 2021 totaled \$21,989 and \$28,636, respectively.

### **Plan Termination**

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the Plan Document. As of December 31, 2022 and 2021, no allowance for credit losses had been recorded.

### **Fair Value Measurement - Definition and Hierarchy**

Generally accepted accounting principles defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of the Plan's investments within the hierarchy is provided in Note 4.

### **Risks and Uncertainties**

Investment securities are exposed to various risks, such as interest rate, market, economic conditions, world affairs, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the accompanying financial statements.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Benefit Payments

Benefit payments are recorded when paid.

### Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### Reclassifications

Certain reclassifications have been made to the 2021 financial statements to conform with the current year presentation.

| Common collective trust fund, at<br>net asset value |                      |                |                | <u>8,817,931</u>     |
| Total investments, at fair value                    |                      |                |                | <u>\$ 64,734,094</u> |

The following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual funds:* Valued at fair value based on quoted market prices when active markets are available.

*Common collective trust fund:* Valued at fair value using the net asset value per share practical expedient based on the value of underlying investments.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

##### **Investment in Entities that Calculate Net Asset Value**

The Plan is invested in a common collective trust that calculates net asset value on a daily basis. Units are issued and redeemed as of the end of each day at the daily net asset value.

The common collective trust's primary investment objectives are to seek income while preserving principal and provide daily liquidity at contract value for participant withdrawals and transfers. Redemptions are generally restricted to processing on a valuation date at the daily net asset value per unit computed on that date. There are currently no redemption restrictions on this investment. The trust does not have any unfunded commitments.

#### 5. INCOME TAX STATUS

In December 2013, the Plan was amended and restated to remain compliant with the Pension Protection Act of 2006. Following the amendment and restatement, the Plan began using a prototype plan document sponsored by American Trust Company (formerly Unified Trust Company, NA until acquired by American Trust Company). American Trust Company received an opinion letter from the Internal Revenue Service (IRS) dated March, 31, 2014, which states that the prototype plan document satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. However, the Plan's management and tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the code. Therefore, no provision for income taxes has been included in the financial statements.

## 6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by American Trust Company. Because American Trust Company is the custodian of the Plan's assets and the trustee of the Plan, these transactions qualify as party-in-interest transactions. In addition, transactions involving notes receivable from participants also qualify as party-in-interest transactions.

## 7. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 at December 31:

## 8. SUBSEQUENT EVENTS

The Plan was amended in January of 2023. The new amendments to the Plan include the following provisions: eligibility requirements were amended to require three months of continuous service for eligibility in the Plan, the entry date was revised to the first day of the month following satisfaction of the eligibility requirements, prevailing wages are no longer excluded from eligible compensation, in-plan Roth transfers are now allowed, and leased employees are now excluded from eligibility to the Plan.
