INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Maverick USA, Inc. 401(k) Retirement Plan
Little Rock, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Maverick USA, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Maverick USA, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities of the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Maverick USA, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Maverick USA, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Maverick USA, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Maverick USA, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1: Description of Plan

The following description of the Maverick USA, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of Maverick USA, Inc. and its wholly-owned subsidiary companies: Maverick Transportation, LLC; Maverick Logistics, LLC; Maverick Real Estate, LLC; Maverick Leasing, LLC and Cedar Rock Land and Cattle, LLC (together the "Employer"). Employees who have been employed by the Employer at least one month and are at least eighteen years of age are eligible to make contributions to the Plan and to participate in the employer match. Employees who have been employed by the Employer on the last day of the Plan year, complete a year of service and are at least eighteen years of age are eligible to participate in the profit sharing provisions of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments

Effective March 1, 2021, the Plan was amended to exclude Driving School Loan Forgiveness, also known as CDL Loan Forgiveness, and to exclude the stay bonus paid to the driver upon completion of the Driving School Loan Forgiveness from the definition of plan compensation.

Effective June 1, 2021, the Plan was amended to add Cedar Rock Land and Cattle, LLC as a Participating Employer of the Plan.

Effective May 1, 2022, the Plan was restated and the eligibility requirements were amended to change the service requirements from two months of service to one month of service.

On June 29, 2022, the Plan was retroactively amended to comply with the provisions of the Bipartisan Budget Act of 2018 and Treasury Regulation Section 1.401(k)-1(d) ("the Act"). The Act allows hardship distributions to be taken from earnings, corrective qualified nonelective contributions (QNEC), qualified matching contributions (QMAC), investment earnings, and safe harbor contributions. The Act also eliminates the requirement of a six-month suspension of deferrals after a hardship distribution and exhaustion of all other financial resources prior to receiving a hardship distribution. The amendment was effective January 1, 2019.

Contributions

Each year participants may contribute a percentage of pre-tax annual compensation as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans and a percentage of compensation as a Roth 401(k) deferral. Effective January 1, 2022, participants who meet eligibility requirements will receive employer matching contributions equaling 100% of employee contributions up to 5%, with an annual maximum match of \$5,000 per employee. Prior to January 1, 2022, eligible participants received employer matching contributions equaling 50% of the employee contribution with an annual maximum match of \$1,500 per employee. Each year, the Employer may contribute discretionary amounts to the Plan as determined by the Board of Directors for profit sharing contributions. Participants who have not met the years of service and age requirements or who have terminated employment for reasons other than death, total and permanent disability, or retirement as of the Plan's year end are not eligible for allocations of discretionary profit sharing contributions. There were no profit sharing contributions for the years ended December 31, 2022 and 2021. Contributions are subject to certain IRS limitations.

401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Employer's contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer matching contribution is based on the number of years of service with the Employer. After three years of service a participant will become 100% vested in the employer matching contribution. A participant is 100% vested in the Employer's profit sharing contributions plus actual earnings thereon after six years of credited service based on a graduated vesting schedule.

Investment Options

Upon enrollment in the Plan, a participant may elect to have any portion of their account allocated to the investment options under the Plan. Participants may change their investment selections at any time. The Plan currently offers 33 mutual funds, one collective trust fund, and a cash reserve account as investment options for participants.

Forfeitures

Forfeitures are used to restore participant accounts, offset Plan expenses, and then to reduce any Employer nonelective contributions. At December 31, 2022 and 2021, forfeiture accounts totaled \$1,408 and \$13, respectively. During 2022 and 2021, forfeitures of \$89,238 and \$96,630, respectively, were used to reduce the employer contributions. During 2022, forfeitures of \$2,262 were used to offset Plan expenses.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a fixed rate of interest at a rate commensurate with the prime rate charged by the trustee bank one week before the loan date. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Upon termination of service, a participant, limited by certain Plan provisions, may elect to withdraw all or part of his or her vested balance in a single lump sum or in installments. Any balance remaining with the Plan continues to be adjusted for Plan earnings, gains, or losses. According to the Plan, hardship withdrawals are allowed prior to termination. The reason for such hardship withdrawal must meet certain criteria as determined by the Plan. Early retirement withdrawals are permitted after a participant's attainment of age 55 and 6 years of service. There were no benefits requested during 2022 or 2021 that were not paid until the following year.

**MAVERICK USA, INC.
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan does not invest directly in fully benefit-responsive contracts, and therefore is not required to include in its financial statements the disclosures related to investment contracts.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Valuation of Investments and Income Recognition

The Plan's investments in shares of mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expenses when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

**MAVERICK USA, INC.
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding distribution. The Plan distributed 2022 excess contributions to the applicable participants before the IRS deadline. There were no excess contributions in 2021.

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, the trustees of the Plan are required to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. The Plan's most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

Subsequent Events

The Subsequent Events Topic of the FASB Accounting Standards Codification (ASC) establishes general standards of accounting for disclosure of events that occur after the balance sheet date but before financial statements are issued or are available to be issued. The Plan administrator has evaluated all subsequent events for potential recognition and disclosure through July 20, 2023, the date these financial statements were available to be issued.

Note 3: Fair Value Measurements

Accounting standards define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. They also establish a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Following are the three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

**MAVERICK USA, INC.
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash and Cash Equivalents	\$ 1,514	\$ 1,514	\$ -	\$ -
Mutual Funds	<u>32,006,920</u>	<u>32,006,920</u>	<u>-</u>	<u>-</u>
Total Assets in the Fair Value Hierarchy	32,008,434	32,008,434	-	-
Investments Measured at Net Asset Value	<u>596,819</u>	<u>-</u>	<u>-</u>	<u>-</u>
Investments at Fair Value	<u>\$ 32,605,253</u>	<u>\$ 32,008,434</u>	<u>\$ -</u>	<u>\$ -</u>

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2021:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash and Cash Equivalents	\$ 121	\$ 121	\$ -	\$ -
Mutual Funds	<u>33,552,542</u>	<u>33,552,542</u>	<u>-</u>	<u>-</u>
Total Assets in the Fair Value Hierarchy	33,552,663	33,552,663	-	-
Investments Measured at Net Asset Value	<u>554,610</u>	<u>-</u>	<u>-</u>	<u>-</u>
Investments at Fair Value	<u>\$ 34,107,273</u>	<u>\$ 33,552,663</u>	<u>\$ -</u>	<u>\$ -</u>

Following are the valuation methodologies the Plan uses to measure financial instruments at fair value:

Cash and Cash Equivalents: The fair value is based on stated values at year end.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Collective Trust Fund: Valued at the net asset value of units of the bank collective trusts as well as an underlying portfolio of fixed income securities. The Stable value collective trust fund is comprised of fully benefit-responsive investment contracts and the underlying portfolio of fixed income securities. The investment in a stable value collective trust fund is valued as a practical expedient utilizing the net asset valuation. The practical expedient is used for valuation, unless it is probable that the Fund will sell a portion of the investment at an amount different from the net asset valuation. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 90 days notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**MAVERICK USA, INC.
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

During 2022 and 2021, the Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation of the investments held at the end of the year) (depreciated) appreciated in value by (\$5,638,931) and \$3,504,041, respectively.

Fair Value of Investments in Entities that use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021, respectively.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Stable Value Collective Trust Fund	\$596,819	N/A	Daily	None

December 31, 2021	Fair Value	Unfunded Commitments	Redemption frequency (if currently eligible)	Redemption Notice Period
Stable Value Collective Trust Fund	\$554,610	N/A	Daily	None

Note 4: Income Tax Status

The plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the opinion letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 5: Party-in-Interest

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee association or relatives of such person.

Transamerica Retirement Solutions Corporation is the third party administrator and State Street Bank and Trust Company and Massachusetts Fidelity Trust Company are the trustees and custodians for the Plan. Certain Plan investments are shares and units of mutual funds and a stable value collective trust fund managed by State Street Bank and Trust Company and Massachusetts Fidelity Trust Company, and, therefore, these transactions qualify as party in interest transactions.

**MAVERICK USA, INC.
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Fees incurred by the plan for certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Employer and trustee and custodian are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Administrative fees paid directly by the Plan were \$153,237 in 2022 and \$148,460 in 2021 which were not covered by revenue sharing. These transactions are exempt from being prohibited transactions under ERISA.

Note 6: Information Prepared and Certified by Trustees and Custodians

All assets of the Plan are held by a bank-administered trust fund established under a trust agreement with State Street Bank and Trust Company and Massachusetts Fidelity Trust Company (the "Trustees"). Transamerica Retirement Solutions Corporation serves as the third party administrator and record-keeper of the Plan. All investment information and notes receivable from participants are disclosed in the accompanying financial statements and supplementary information, including investments held at December 31, 2022 and 2021, and the related net change in fair value of investments, interest and dividends for the years then ended, was obtained or derived from information supplied to the Plan's administrator and certified as complete and accurate by the Trustees.

Note 7: Reconciliation with Form 5500

Certain amounts reported in the Plan's 2022 Form 5500 for changes in net assets available for benefits are different from the amounts reported in the accompanying financial statements. These differences are due to different presentation of investments and investment income but are not materially different.

SUPPLEMENTARY INFORMATION
