INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Keystone Health Center Employee Retirement Plan
Chambersburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Keystone Health Center Employee Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Keystone Health Center Employee Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Brighthouse Life Insurance Company, MetLife and Reliance Trust Company (Reliance), all qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section of Keystone Health Center Employee Retirement Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note 11 to the financial statements, Keystone Health Center Employee Retirement Plan has excluded from investments in the accompanying statements of net assets available for plan benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for plan benefits. If the identified contracts, as reported by the custodian, were included, net assets available for plan benefits would increase by approximately \$323,146 and \$389,763 as of December 31, 2022 and 2021, respectively. Furthermore, investment losses of approximately \$66,617 related to such accounts, as identified by the custodian, have also been excluded in the accompanying statement of changes in net assets available for plan benefits for the year ended December 31, 2022. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keystone Health Center Employee Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Keystone Health Center Employee Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Keystone Health Center Employee Retirement Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, line 4i – Schedule of Assets (Held at Year End) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

KEYSTONE HEALTH CENTER EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

NOTE 1 DESCRIPTION OF PLAN

The following description of the Keystone Health Center Employee Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution (403(b)) plan covering all eligible employees of Keystone Health Center (the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Committee is responsible for oversight of the Plan. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance with the help of the investment advisor.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan document. The plan was amended effective January 1, 2022, to allow for participant post-tax (Roth) contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company contributes a safe harbor matching contribution equal to 100 percent of each participant's elective deferrals not exceeding 3 percent of the participant's compensation, plus 50 percent of each participant's elective deferrals in excess of 3 percent but not in excess of 5 percent of the participant compensation. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and Company safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts received prior to January 1, 2014, is based on years of continuous service. A participant is 100% vested after 3 years of service, (33% each year).

KEYSTONE HEALTH CENTER EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with the rate of interest charged on similar commercial loans by persons or institutions in the business of lending money in the same geographic area as the employer. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a specified period of time not to exceed a participant's life expectancy or the joint life expectancy of the participant and the participant's designated beneficiary. Distributions of less than \$5,000 that meet the provisions for a mandatory distribution will be directly rolled over into an individual retirement account with a qualified institution designated by the Plan in the participants name if the participant does not elect a distribution method. Participants with balances greater than \$5,000 may choose to leave their vested balance in the Plan. In addition, hardship and in-service distributions are permitted if certain criteria are met.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements. See also Note 11 regarding certain excluded investment contracts.

KEYSTONE HEALTH CENTER EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable, distributions from participants, and recordkeeping fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) in fair value of investments.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

KEYSTONE HEALTH CENTER EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Account

Values are reported daily based on the valuation method disclosed in the annuity contract as calculated by the annuity provider.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value

NOTE 4 CERTIFICATION BY CUSTODIANS

The financial statements as of December 31, 2022 and 2021 and for the year ended December 31, 2022 were prepared from information provided by Brighthouse Life Insurance Company, MetLife and Reliance Trust Company (Reliance) which they certified to be complete and accurate to the best of their knowledge. Following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedule that was prepared by the custodians of the Plan and furnished to the Plan Administrator.

NOTE 5 INSURANCE CONTRACT WITH STANDARD INSURANCE COMPANY

The Plan holds a traditional fully benefit-responsive guaranteed investment contract with Standard Insurance Company (Standard Stable Asset Fund A) totaling \$1,738,203 for 2022 and \$1,548,274 for 2021. Standard Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

KEYSTONE HEALTH CENTER EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

NOTE 5 INSURANCE CONTRACT WITH STANDARD INSURANCE COMPANY (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include:

1. amendments to the Plan documents (including complete or partial Plan termination or merger with another plan),
2. changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions,
3. bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan,
4. the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA,
5. premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include:

1. an uncured violation of the Plan's investment guidelines,
2. a breach of material obligations under the contract,
3. a material misrepresentation,
4. a material amendment to the agreements without the consent of the issuer.

NOTE 6 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and a fixed account managed by MetLife, Brighthouse Life Insurance Company, and the Standard Insurance Company and a traditional investment contract managed by Standard Insurance Company. MetLife, Brighthouse Life Insurance Company and Standard are custodians as defined by the Plan, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made a direct payment to the custodians and third-party administrator of \$145,764 which was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

KEYSTONE HEALTH CENTER EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

NOTE 8 TAX STATUS OF THE PLAN

The Company adopted a non-standardized prototype 403(b) plan sponsored by Standard Retirement Services Inc. that received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2017. The opinion letter stated that the prototype plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's consultant believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of IRC and, therefore, believe that the Plan is qualified, and the related trust is tax -exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, generally for a period of three years after the returns are filed; however, there are currently no audits for any tax periods in progress.

NOTE 9 CONCENTRATIONS OF INVESTMENTS

The following is a listing of significant concentrations of investments held as of December 31, 2022.

Vanguard 500 Index Admiral	11%
----------------------------	-----

NOTE 10 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 11 EXCLUDED INVESTMENT CONTRACTS

As permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Plan has excluded from investments in the accompanying statements of net assets available for plan benefits certain MetLife custodial accounts issued to certain current and former employees prior to January 1, 2009. The obligation to make contributions to the excluded contracts and accounts ceased, and in fact the Company ceased making contributions before January 1, 2009; the individual owner of the contract or account is fully vested; and all of the rights and benefits under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account. The exclusion of these contracts is a departure from generally accepted accounting principles.
