Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Open Technology Solutions 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules (DOL'S) and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Open Technology Solutions 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Open Technology Solutions 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Open Technology Solutions 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

To the Plan Trustees of the
Open Technology Solutions, LLC 401(k) Plan
Page 3

Auditor's Responsibilities for the Audits of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Open Technology Solutions 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OPEN TECHNOLOGY SOLUTIONS, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 1 - Description of the Plan

General

The Open Technology Solutions, LLC 401(k) Plan (the Plan) is a safe harbor 401(k) defined contribution plan established January 1, 2004 to cover substantially all employees of Open Technology Solutions, LLC (the Company) who completed one month of service and are age 21 or older. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Administration

The Plan Administrator is Open Technology Solutions, LLC. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator has formed a Plan Committee made up of members of the Company's management team. The Plan Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and fees. The Plan's custodian is Minnesota Life Insurance Company. The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. The Plan has retained Securian Financial Group, Inc. to provide participant recordkeeping and administrative services.

Contributions to the Plan

Each pay period, participants may make salary deferred contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Plan has an automatic enrollment feature for new employees of the Company at a deferral rate of 5% of compensation as defined by the Plan document. The Company makes a tiered matching safe harbor contribution. The first 3% of deferrals is matched at 100%, and the second tier for 3% - 5% of deferrals is matched at 50%. Each year, the Company may make a discretionary profit-sharing contribution. During the year ended December 31, 2022, the Company made a profit-sharing contribution of approximately \$360,000. The contributions are subject to certain limitations. Participants direct the investment of their contributions into various investments options offered by the Plan.

Participant Accounts

Each participant's account is increased by the participant's contributions and allocation of (a) the Company's contributions and (b) Plan earnings/losses, reduced by distributions and administrative expenses. Allocations are based on participants' earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

OPEN TECHNOLOGY SOLUTIONS, LLC

401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1 - Description of the Plan (Continued)

Participant Notes Receivable

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have one loan outstanding at any time. Loans are secured by the balance in the participant's account. Rates are based on a formula of the U.S. prime rate plus 1% and are reset annually. As of December 31, 2022, outstanding loans bear interest at rates ranging from 4.25% - 7.75%. Principal and interest payments are made through ACH (automated clearing house system for electronic funds transfer) or check for prepayments.

Distribution of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of time not to exceed the participant's life expectancy, or the life expectancy of the participant's designated beneficiary. A lump-sum distribution is required if a participant's vested balance is less than \$1,000. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump-sum distribution, substantially equal installments, or partial withdrawals. In-service distributions are permitted for participants who have not separated employment and have attained age 59½ and completed five years of service. In addition, hardship distributions are permitted if certain criteria are met.

Vesting

Participants are immediately vested in their contributions and the safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's profit sharing portion of their account plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset Plan expenses and reduce plan contributions. Approximately \$6,000 and \$5,000 in forfeitures were used by the Company to offset Plan expenses and reduce Plan contributions, respectively during the Plan year ended December 31, 2022. As of December 31, 2022 and 2021, there were no forfeitures available to offset Plan expenses and reduce Plan contributions.

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

OPEN TECHNOLOGY SOLUTIONS, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 1 - Description of the Plan (Continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee determines the Plan's valuation policies utilizing information provided by the Plan's custodian and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Fees and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including July 26, 2023, which is the date the financial statements were available to be issued.

**NOTES TO THE FINANCIAL STATEMENTS

Note 2 - Unaudited Information Certified by the Custodian

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Minnesota Life as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021,
2. All investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022,
3. All investment-related information included in the Supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and
4. Notes receivable from participants as of December 31, 2022 and 2021 and the related income on notes receivable from participants for the year ended December 31, 2022.

Note 3 - Fair Value Measurements

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Pooled separate accounts (PSAs)

Valued at fair value based on the Net Asset Value (NAV) of units held of the pooled separate account. The NAV, as provided by the Investment Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the observable market prices of the underlying investments within the fund less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Fair Value of Investments in Entities that use NAV

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value (or its equivalent) as of December 31, 2022 and 2021:

	As of December 31,		Unfunded Commitment	Redemptio Frequency	Redemption Notice
	2022 Fair Value	2021 Fair Value

OPEN TECHNOLOGY SOLUTIONS, LLC

401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 4 - Party-in-Interest Transactions

The Company is majority owned by Bellco Credit Union. Bellco Credit Union preforms certain management functions for the Company. Therefore, Bellco Credit Union is considered a related party. Certain Plan investments are managed by Minnesota Life, who is the Investment Custodian. During the year ended December 31, 2022, the Plan paid direct compensation of approximately \$10,000 to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

Note 6 - Plan Amendment and Tax Status

On June 30, 2020, the Internal Revenue Service (IRS) stated that the prototype Plan document adopted by the Plan, as designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan document was most recently amended and restated, effective April 1, 2021. However, there were no significant changes from the prior Plan document.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Department of Labor or the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note 7 - Risks and Uncertainties

The Plan invests in investments which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**OPEN TECHNOLOGY SOLUTIONS, LLC

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 8 - Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	\$15,409,345	\$17,129,150
Contributions receivable	(359,229)	(350,366)
Net assets available for benefits per the Form 5500	<u>\$15,050,116</u>	<u>\$16,778,784</u>

The following is a reconciliation of contributions per the financial statements to the Form 5500 for the year ended December 31, 2022:

Contributions per the financial statements	\$2,559,754
Contributions receivable as of December 31, 2022	(359,229)
Contributions receivable as of December 31, 2021	350,366
Contributions per the Form 5500	<u>\$2,550,891</u>

Note 9 - Fully Benefit-Responsive Investment Contract

The Plan entered into a fully benefit-responsive investment contract with Minnesota Life Insurance Company. The Minnesota Life Insurance Company maintains the assets in a general account in the form of a guaranteed interest fund. The guaranteed interest fund is credited with a fixed rate of interest and charged for participant withdrawals and fees.

As described in the summary of significant accounting policies, because the investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contracts.

Contract value, as reported to the Plan by the Issuer, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

**OPEN TECHNOLOGY SOLUTIONS, LLC
401(k) PLAN**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 9 - Fully Benefit-Responsive Investment Contract (Continued)

Certain events limit the ability of the Plan to transact at contract value with the Issuer. Such events include but may not be limited to the following: (1) removal of a group of participants from Plan coverage as a result of temporary absence, change in position or other occurrence qualifying as a temporary break in service under the Plan; (2) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the Company; (3) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business; (4) removal from the Plan of one or more groups or classifications of participants; (5) partial or complete Plan termination; or (6) Plan disqualification.

The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.
