Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Bank of England Mortgage 401(k) Plan (the Plan)**, formerly known as ENG Lending 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bank of England Mortgage 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the Bank of England Mortgage 401(k) Plan, formerly the ENG Lending 401(k) Plan, (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established January 1, 2007, is a defined contribution retirement plan maintained for the benefit of employees of the mortgage division of the Bank of England (BOE), formerly ENG Lending, (the Employer, Plan Sponsor and Plan Administrator) who have met eligibility requirements defined in the Plan agreement. Generally, an employee is eligible to participate in the Plan at the next entry date upon attaining age twenty-one and completing one year of service. Entry dates are January 1 and July 1.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The employer utilizes the services of ADP Retirement Services (ADP), a third-party administrator, to process participant transactions and maintain participant account balances. Reliance Trust Company is the trustee of the Plan's assets. The Plan also maintains a money market account at Bank of England. The Employer has an agreement with Stephens Inc. to provide investment advisory services related to the Plan's investment portfolio.

The administrative committee of the Plan is responsible for the oversight of the Plan. In addition, the administrative committee determines the appropriateness of the Plan's investment offerings and monitors investment performance based on information provided by the third-party administrator and investment advisor.

Certain duties related to the administration of the Plan are performed by employees of the Plan Sponsor; however, the Plan Sponsor does not charge the Plan for the estimated cost of such services. Other expenses paid directly by the Plan Sponsor related to administration of the Plan totaled approximately \$15,000 for the year ended December 31, 2022.

Plan Amendment

Effective January 1, 2022, the Plan was amended and restated to conform with recent changes in legislation and the issuance of final regulations.

Contributions

Participants may contribute up to 90% of annual compensation, as defined in the Plan agreement, not to exceed limitations imposed by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Employer will make a safe harbor matching contribution of 100% of each participant's contributions up to 3% of eligible compensation, plus 50% of each participant's contributions between 3% and 5% of the participant's eligible compensation. In addition, the Employer may make a profit-sharing contribution. The amount of this profit-sharing contribution, if any, is discretionary and may only be received by eligible employees who are employed on the last day of the year.

Bank of England Mortgage 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, Employer contributions and earnings, net of certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested at all times in their own contributions and safe harbor matching contributions made by the Employer, plus earnings thereon. Vesting in the Employer's profit-sharing contributions and earnings thereon is based on years of service, as defined in the Plan agreement. A participant is one hundred percent vested in Employer contributions upon retirement, permanent disability or death, or after six years of credited service.

Investment Options

Contributions to the Plan are invested as directed by the participants. Participants may invest in various mutual funds offered by the Plan. Participants may change their investment options at any time.

Forfeitures

The nonvested portion of a participant's account to which the participant is not entitled upon termination is deemed a forfeiture. Under the terms of the Plan agreement, forfeitures may be used to pay administrative expenses or reduce the employer's profit-sharing contribution. There were no forfeitures used to pay Plan expenses or reduce an employer profit-sharing contribution during the year ended December 31, 2022. For each of the years ending December 31, 2022 and 2021, the Plan had forfeited, nonvested accounts available for future allocation totaling approximately \$2,600.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant (or designated beneficiary) may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or a direct transfer to an IRA or another qualified plan.

Qualified Birth or Adoption Distribution

Effective January 1, 2022, a participant may request a distribution from the participant's vested account balance up to \$5,000 per child to assist with the payment of any expenses associated with the birth or adoption of a child. Any such distribution must be initiated by the participant within one year after the birth of the child or the legal adoption is finalized. Additionally, the participant may repay the distribution back to the Plan as long as the participant remains eligible to make contributions to the Plan.

Hardship Withdrawals

In case of immediate and heavy financial hardship, a participant may withdraw all or a portion of the participant's vested account balance. A withdrawal shall be deemed for purposes of an immediate and heavy financial hardship if the withdrawal is necessary for certain eligible expenses, such as

medical care, the purchase of a principal residence for the participant, payment of tuition and related education fees for the next twelve months of post-secondary education, payments necessary to prevent eviction of the participant from his or her principal residence or to avoid foreclosure on said residence, payments for funeral or burial expenses, expenses to repair damage to the participant's principal residence and expenses and losses incurred on account of a disaster declared by the Federal Emergency Management Agency (FEMA).

Termination of the Plan

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for further discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as those held during the year.

Payment of Benefits

Benefits are recorded when paid. There are no amounts allocated to withdrawing participants that were not yet paid as of December 31, 2022, and 2021.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY PLAN TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Plan's trustee, Reliance Trust Company, as of December 31, 2022 and 2021, and for the year ended December 31, 2022. This information was not subject to audit procedures except for comparing it to the related information included in the financial statements and supplemental schedule.

The following information included in the accompanying financial statements, related notes and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Plan's trustee.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation method include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Bank of England Mortgage 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

The Plan's money market account is a short-term instrument in which the carrying amount provides a reasonable estimate of fair value.

The Plan's mutual funds, including money market mutual funds, are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
December 31, 2022				
Money market account	\$ 96,170	\$ 96,170	\$ -	\$ -

NOTE 5: TAX STATUS

Effective January 1, 2007, the Plan executed an adoption agreement for the provisions of the Friday, Eldredge & Clark LLP Volume Submitter Profit Sharing Plan and Trust (the Prototype). As an adopter of the Prototype, the Plan is not subject to tax under present income tax law.

The Prototype obtained its latest opinion letter on June 30, 2020, in which the IRS informed Friday, Eldredge & Clark that the Prototype, as then designed, was in compliance with the applicable

Bank of England Mortgage 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

NOTE 5: TAX STATUS (Continued)

requirements of the Internal Revenue Code. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

Accounting standards require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however, there are currently no audits for any tax periods in progress.

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

The Plan maintains a money market account at Bank of England, the Plan Sponsor. These transactions qualify as party in interest transactions and are denoted as such on the supplemental schedule of assets (held at end of year).

NOTE 7: RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. In addition, certain of the investment options available to Plan participants may invest in foreign securities. There are certain additional risks involved when investing in funds with underlying foreign securities that are not present with investments in domestic securities. These risks may involve foreign currency exchange rate fluctuations, adverse political and economic developments, and the possible prevention of currency exchange due to foreign governmental laws or restrictions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Plan's financial statements.

Market disruptions associated with the current geopolitical events have had a global impact, and uncertainty exists as to their implications. Such disruptions can adversely affect asset and thus performance of investments; however, at this time, an aggregate effect on assets and performance cannot be reasonably estimated. Management of the Plan is continuing to monitor these developments and evaluate other impacts they may have on the Plan's investments.

NOTE 8: SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 12, 2023, the date that the financial statements were available to be issued.
