INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Trillium 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Trillium 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, schedule H, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following brief description of the Trillium 401(k) Plan (the "Plan") is provided for information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of Trillium Trading, LLC, Trillium Management, LLC (the "Plan Sponsor") and Trillium Labs, LLC (collectively, the "Company"), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility Requirements

An employee is eligible to participate in the Plan following three months of service with the Company and attaining 21 years of age.

Contributions

Participants may contribute the maximum amount prescribed by the Internal Revenue Service ("IRS"). Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may elect to contribute amounts on an after-tax basis. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan provides for non-elective safe harbor matching contributions and discretionary profit-sharing contributions. The non-elective safe harbor matching contributions are equal to 100% of the first 6% of compensation. Employer profit sharing contributions to the Plan are at the discretion of the Plan Sponsor and are not related to the profitability of the Company. Discretionary profit-sharing contribution for the plan year ended December 31, 2022 was \$528,133.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and Plan earnings. Allocation of Plan earnings are based on the participant's earnings or account balances, as defined. The participant's account is reduced by withdrawals, administrative expenses and losses on investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All employee contributions, employer safe harbor matching contributions, and discretionary employer profit sharing contributions, as well as earnings thereon, are 100% vested immediately.

Payment of Benefits

Payments of benefits are made on termination of service, or termination due to death, disability or retirement and severance from employment. Employees may choose to have their benefits distributed to them in one of the following ways:

- In a lump-sum payment;
- In partial payments;
- In installment payments with a minimum payment required beginning with the year the participant reaches age 70 ½.

Trillium 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Hardship Withdrawals

The Plan allows for “hardship withdrawals” of participant accounts based upon any of the following criteria:

- The payment of expenses for medical care (described in Section 213(d) of the Internal Revenue Code) previously incurred by the participant, spouse or dependent;
- The purchase of a principal residence for the participant (excluding mortgage payments);
- The payment of tuition and related educational fees for the next 12 months of post-secondary education for the participant, spouse or dependent;
- The payment necessary to prevent eviction from principal residence or foreclosure on the mortgage of the participant's principal residence;
- The payment of funeral or burial expenses for the participant's deceased parent, spouse, child or dependent;
- The payment of expenses to repair damage to principal residence that would qualify for a casualty loss deduction under Code Section 165;
- Any other financial need determined to be immediate and heavy under rules and regulations issued by the Secretary of the Treasury provided that any such financial need shall constitute an immediate and heavy financial need under the terms of the Plan document.

Administrative Expenses

Administrative expenses incurred by the Plan are absorbed by the Plan Sponsor. However, participants are charged for loan and investment fees. In addition, certain investment related expenses have been included with net depreciation in the fair value of investments and are not readily determinable.

Notes Receivable from Participants

Participants may borrow from their accounts, the lesser of a maximum of \$50,000 or 50% of their vested account balance. The notes receivable is secured by the balance in the participants' accounts and bear interest ranging from 4.25% to 7.25%, which is commensurate with local prevailing rates at the time of the loan as determined by the Plan administrator.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on an accrual basis. Under this method of accounting, contributions and investment income are recorded when earned, and expenses are recorded when incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Notes to Financial Statements
December 31, 2022 and 2021

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Investment transactions are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains and losses on sale of investments are based on the average cost method. The net depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits includes the total change in unrealized gains (losses) of investments held at year end plus realized gains (losses) on investments sold during the year.

Payment of Benefits

Benefits are recorded when paid.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Ascensus Trust Company (the "Trustee") has certified the completeness and accuracy of all investments and notes receivable from participants as of December 31, 2022 and 2021 in the accompanying statements of net assets available for benefits and the related investment activity and notes receivable from participants activity for the year ended December 31, 2022 in the accompanying statement of changes in net assets available for benefits, as well as the supplemental schedule of assets (held at end of year) as of December 31, 2022. No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee, except for comparing such information with the related information included in the financial statements and supplemental schedule. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

Trillium 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies and Money Market Fund: Shares of registered investment companies and money market fund are valued based on the quoted market prices that are available on an active market. These are priced daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2022 and 2021, respectively:

2022				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 231,051	\$ -	\$ -	\$ 231,051
Registered investment companies	14,929,740	-	-	14,929,740
	<u>\$ 15,160,791</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,160,791</u>
2021				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 486,346	\$ -	\$ -	\$ 486,346
Registered investment companies	18,102,032	-	-	18,102,032
	<u>\$ 18,588,378</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 18,588,378</u>

5. PARTY-IN-INTEREST TRANSACTIONS

All Plan investments were managed by Ascensus, Inc., an agent of Ascensus Trust Company, for the year ended December 31, 2022. Ascensus Trust Company is the trustee as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to Ascensus, Inc. for the year ended December 31, 2022 were \$1,335. Additionally, notes receivable from participants are transactions with participants. These loan transactions qualify as exempt party-in-interest transactions.

Notes to Financial Statements
December 31, 2022 and 2021

6. INCOME TAX STATUS

The Plan adopted a prototype volume submitter profit sharing 401(k) plan. By a letter dated June 30, 2020, the IRS has determined that the prototype plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

7. RISKS AND UNCERTAINTIES

The Plan provides for investments in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through July 21, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred that would require disclosure in the financial statements.
