Independent Auditor's Report

To Samet Corporation 401(k) Profit Sharing Plan
and participants
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Samet Corporation 401(k) Profit Sharing Plan (the 'Plan'), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Samet Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Samet Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Samet Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Samet Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAMET CORPORATION 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of Samet Corporation 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Samet Corporation, Inc., WxProofing, LLC, and WxTITE, LLC (collectively the "Company") who have completed 60 days of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator is responsible for oversight of the Plan. The 401k Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan administrator.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation or may make qualified Roth contributions, as defined by the Plan document. Participants who have attained age 50 before the end of the Plan year are able to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). The Company can make discretionary matching and profit sharing contributions as defined by the Plan document. For the years ended December 31, 2022 and 2021, the Company's discretionary match was 50 percent of the first 6 percent of compensation that a participant contributed to the Plan. There were no discretionary profit sharing contributions for the years ended December 31, 2022 and 2021. Eligibility for the Company's discretionary matching and profit sharing contributions are for employees who have completed 6 months of service and are age 21 or older. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, the Company's discretionary matching and discretionary contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, including amounts rolled over from other qualified plans, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after 6 years of credited service.

SAMET CORPORATION 401(K) PROFIT SHARING PLAN
Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. A participant may have up to two loans outstanding at a time. The loans are secured by the vested balance in the participant's account and bear interest ranging from 4.25 percent to 7.25 percent, which is commensurate with local prevailing rates as determined periodically by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, or attainment of age 59½, a participant can receive a lump-sum distribution equal to the vested interest in his or her account. Installment payments are permitted only for required minimum distributions. If a participant's vested interest does not exceed \$5,000, a lump-sum distribution will be made immediately regardless of whether the participant consents to receive the payment. Any distribution greater than \$1,000 that is made without the participant's consent is immediately rolled over to an individual retirement plan designated by the Plan administrator. Participants are permitted to take hardship distributions from selected accounts, as defined by the Plan, upon demonstrations of financial hardship.

Forfeited Accounts

Forfeitures from Company contributions may be used to reduce administrative expenses of the Plan or future Company contributions. During the year ended December 31, 2022, forfeitures of \$39,120 were used to reduce administrative expenses of the Plan. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$154,888 and \$145,831, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

SAMET CORPORATION 401(K) PROFIT SHARING PLAN
Notes to Financial Statements

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401k Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. A loan becomes immediately due and payable upon expiration of the cure period after a participant's termination, missed payment, distribution of vested account balance or declination of repayment authorization. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Excess Contributions Refundable

Amounts refunded to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to participant contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses are paid using the Plan's assets and are either included in net depreciation of fair value of investments or allocated among participants in the Plan. Certain expenses relating to specific transactions, such as mail services, loan maintenance, and distributions are paid directly by the participant and are included in administrative expenses.

Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure through July 25, 2023, which is the date the financial statements were available to be issued.

SAMET CORPORATION 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 3 - INFORMATION CERTIFIED (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable held at December 31, 2022 and 2021, and net depreciation in fair value of investments, and interest and dividends for the year ended December 31, 2022 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 - *Fair Value Measurement* are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2022 and 2021.

	Level 1	Level 2	Level 3	Total
Cash and Mutual funds	\$24,369,113	\$ -	\$ -	\$24,369,113

Investments measured at net asset value (a)	-	-	-	392,567
Investments at fair value	\$24,369,113	\$ -	\$ -	\$24,761,680

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31, 2022 and 2021.

Common Collective Trust - A stable value fund that is composed primarily of benefit-responsive investment contracts valued at the net asset value ("NAV") of units of the collective trust. There are certain redemption restrictions for this investment. Transferred funds from this investment must be held in a non-competing investment option for 90 days before subsequent transfer to a competing fund can occur. The redemption notice period shown below is only applicable to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2022	\$ 373,279	None	Daily	12 months

NOTE 5 - INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT (Continued)

Pooled Separate Accounts - Valued at the net asset value ("NAV") of units of a separate account. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the accounts. NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment contract with the Principal Life Insurance Company ("PLIC") through a group annuity contract, which is backed by the PLIC general account. The guaranteed investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. PLIC maintains the contributions in a general fixed account. The account is credited with earnings on the underlying investments and reduced by participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The investment contract held by the Plan is a guaranteed investment contract and the contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting interest rate, net rate, and average yield earned are reset annually. In no case will the guaranteed minimum interest rate be less than 1% or greater than 3%.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The fixed account contract does not have a specified maturity date. The contract continues until all assets have been distributed or no further payments are due.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- (1) Amendments to the Plan documents (including complete or partial Plan termination or merger with another plan).
- (2) Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions.
- (3) Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan.
- (4) The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code ("IRC") or failure of the trust to qualify for exemption from federal income taxes under 501(a) of the IRC or any required prohibited transaction exemption under ERISA.

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to suspend or terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- (1) An uncured violation of the Plan's investment guidelines.
- (2) A breach of material obligation under the contract.
- (3) A material misrepresentation.
- (4) A material amendment to the agreements without the consent of the issuer.

NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan recordkeeping, transaction processing, fund management, custodial services and loan maintenance services were provided by the Principal Financial Group, subsidiaries and affiliates. Brokerage, investment and compliance services were provided by Global Retirement Partners, LLC d/b/a Strategic Retirement Partners, and its affiliates. Fees associated with these services qualify as party-in-interest transactions. The Plan receives revenue sharing payments from the mutual fund service providers, which offset fees paid by the Plan. Investment fees in excess of revenue sharing amounts are allocated to participant accounts and expensed.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 9 - TAX STATUS

The Plan adopted a prototype plan sponsored by Principal Life Insurance Company as of January 1, 2022. The Internal Revenue Service issued an opinion letter to Principal Life Insurance Company dated June 30, 2020, that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to net assets per Form 5500:

NOTE 12 - SUBSEQUENT EVENT

The Plan's management approved automatic enrollment and automatic annual escalation effective July 1, 2023. As a result, all employees without an existing affirmative decision as of the effective date will be automatically enrolled at 2%. The automatic escalation is effective the first day of the second Plan Year following enrollment. No other changes to plan provisions were made during the amendments.
