INDEPENDENT AUDITOR'S REPORT

July 27, 2023

To the Plan Administrator and Participants of the
Mirabito Holdings, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mirabito Holdings, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mirabito Holdings, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mirabito Holdings, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mirabito Holdings, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mirabito Holdings, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mirabito Holdings, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MIRABITO HOLDINGS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Mirabito Holdings, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Mirabito Holdings, Inc. and subsidiaries (collectively, the Company). The Plan contains both 401(k) and profit-sharing provisions. Unless otherwise indicated, the Plan provisions are identical for both components. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the sponsor and administrator of the Plan. Ameritas Life Insurance Corp. (Ameritas) is the custodian, third-party administrator and recordkeeper of the Plan. Two members of management and NBT Bank serve as the trustees of the Plan.

Eligibility

Employees are eligible to participate in the Plan upon the attainment of age twenty-one. Employees participate in the Plan as soon as administratively feasible upon completion of these eligibility requirements.

Participant Contributions

Participants may make voluntary tax-deferred contributions up to 100% of eligible compensation to the Plan, up to the maximum amount allowable in accordance with applicable sections of the Internal Revenue Code (IRC).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation and their contributions treated as a pre-tax deferral. Participants who are automatically enrolled in the Plan have the option to cease contributions and withdraw funds contributed to the Plan within 90 days of the first automatic deferral.

The Plan also includes an auto-increase provision whereby, after the third year of participation, on January 1st of each Plan year, participants' deferral rates will increase by 1% up to a maximum of 10% of eligible compensation. The auto-increase provision applies only to those participants who were auto-enrolled and have not opted out of the auto-increase or completed a salary deferral agreement electing an alternative deferral amount. Participants may complete a salary deferral agreement to elect an alternative deferral amount or to elect not to defer under the Plan in accordance with the deferral procedures of the Plan.

Employer Matching Contributions

The Plan includes a qualified automatic contribution arrangement safe harbor provision. The employer matching safe harbor contributions is equal to 100% of the first 1% of a participant's salary deferral plus 50% of a participant's salary deferral between 1% and 6%.

1. DESCRIPTION OF PLAN (Continued)

Employer Matching Contributions (Continued)

The Company may also make matching contributions on behalf of its employees on a discretionary basis. Effective April 22, 2022, the Plan was restated to change the discretionary matching contribution matching limit on elective deferrals from 6% to a discretionary percentage or amount to be determined by the Company on a uniform basis for all participants. The Company did not make any discretionary matching contributions to the Plan during 2022 or 2021.

Employer Discretionary Profit-Sharing Contributions

The Company may also make discretionary profit-sharing contributions on behalf of participants as determined annually by the Company. The Company made no discretionary profit-sharing contributions to the Plan for the Plan years ended December 31, 2022 and 2021.

Participant Accounts

Participants direct the investment of their contributions and Company contributions into the various investment options offered by the Plan. Each participant's account is credited with the participant's contribution, employer matching contributions, actual account earnings/losses, and allocations of (a) the employer discretionary profit-sharing contributions, and (b) Plan expenses. Allocations of profit-sharing contributions and Plan expenses are allocated based on participant compensation and account balances, respectively, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The Company's discretionary matching and profit-sharing contributions vest 50% after one year of service and are fully vested after two years of service. Employer matching safe harbor contributions are 100% vested after two years of service.

Participants are considered to have completed one year of service for vesting purposes upon completion of 1,000 hours of service at any time during the plan year for those participants for whom hourly records are kept. Other participants for whom hourly records are not kept, the Plan uses an equivalency method. Under this method, participants are credited with 45 hours of service for each week during the Plan year in which they would otherwise be credited with at least 1 hour of service. A participant also becomes fully vested upon attaining normal retirement age, death, or total and permanent disability.

Forfeitures

Forfeitures of non-vested account balances are used to reduce Company contributions or pay plan expenses. Forfeitures, including gains (losses) thereon, totaled \$13,472 and \$9,532 during 2022 and 2021, respectively. Forfeited non-vested accounts totaled \$16,810 and \$3,338 at December 31, 2022 and 2021, respectively. No forfeitures were used to reduce Company contribution or pay plan expenses in 2022. The Company applied \$15,000 of forfeitures to reduce Company matching contributions and Plan expenses in 2021.

Notes Receivable from Participants

Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Notes receivable are payable over a period not to exceed 5 years, except when used to acquire a principal residence. Notes receivable are secured by the participant's account and bear interest at a fixed rate of Prime plus 1% at the first business day of the month that the loan is originated. Principal and interest are paid ratably through weekly payroll deductions over the term of the loan.

1. DESCRIPTION OF PLAN (Continued)

Benefit Payments

The Plan provides for benefit payments upon termination of service due to death, disability or attainment of retirement age. Participants may elect disbursement of their vested account balance in a lump-sum amount or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. Participants whose vested account balance is \$5,000 or less at the time of termination are subject to the involuntary cash-out provisions of the Plan.

In-Service Withdrawals

Participants may elect disbursement of all or part of the elective deferral portion of their account balance upon the attainment of age 59 $\frac{1}{2}$. Employer contributions may not be disbursed until the attainment of age 65, unless the participant is fully vested in the employer contributions and has attained the age of 59 $\frac{1}{2}$. Participants may also withdraw their rollover contribution account balance at any time.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's account under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Administrative Expenses

The Plan pays most of the administrative expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Company.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

The Plan's investments in the pooled separate accounts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

The Plan's investment in the guaranteed investment contract is a fully benefit-responsive investment contract stated at contract value as reported by Ameritas. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at either December 31, 2022 or 2021.

Benefit Payments

Benefits are recorded when paid.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Ameritas, the custodian of the Plan, and is included in the accompanying financial statements and supplemental schedule:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	<u>\$ 27,399,896</u>	<u>\$ 31,907,757</u>
Investment, at contract value	<u>\$ 3,847,398</u>	<u>\$ 3,764,727</u>
Net appreciation (depreciation) in fair value of investments	<u>\$ (5,037,166)</u>	<u>\$ 4,052,554</u>
Notes receivable from participants	<u>\$ 636,887</u>	<u>\$ 639,063</u>
Interest income on notes receivable from participants	<u>\$ 29,111</u>	<u>\$ 31,320</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	<u>\$ -</u>	<u>\$ 27,399,896</u>	<u>\$ -</u>	<u>\$ 27,399,896</u>

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	<u>\$ -</u>	<u>\$ 31,907,757</u>	<u>\$ -</u>	<u>\$ 31,907,757</u>

The following is a description of the valuation methodology used for assets measured at fair value:

Pooled separate accounts are valued daily based on the market value of the underlying net assets in each separate account.

The majority of the underlying net assets have observable Level 1 quoted pricing inputs that are used to determine the unit value of the pooled separate account, which is not publicly quoted. These pooled separate accounts are classified as Level 2.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in different fair value measurements at the reporting date.

5. GUARANTEED INVESTMENT CONTRACT

The Plan's investment in the guaranteed investment contract is a traditional fully-benefit responsive investment contract (Guaranteed Account) with Ameritas that is reported at contract value. Ameritas maintains the contributions in a general account. The Guaranteed Account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The average yield in the Plan is the percentage earnings credited in the Guaranteed Account for the Plan year, based on the end of year fair value of Guaranteed Account assets. These earnings represent the entire investment return of the Guaranteed Account within this contract. The weighted average interest crediting rate is the weighted average of all new and renewal rates of the contract for each calendar quarter. These rates are guaranteed for the entire duration of the guaranteed period and do not vary with the subsequent performance of assets of the Ameritas general account which back these guarantees. The average yields for the investment contract and weighted average interest crediting rates on the investment contract as reported by Ameritas were 2.35% and 2.08%, and 2.77% and 2.32%, respectively, for the years ended December 31, 2022 and 2021, respectively. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the issuer's ability to meet its financial obligation, which may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan Sponsor and/or Plan participants to transact at contract value with Ameritas. Examples of these events would include (but would not be limited to) premature termination of this contract and termination of the Plan. In these examples, the contract value could be reduced by any applicable surrender charges upon distribution of contract's funds.

The Plan Administrator does not believe any events which would limit the Plan's ability to transact at contract value with participants are probable.

6. PARTY-IN-INTEREST TRANSACTIONS

Plan investments include pooled separate accounts and a guaranteed investment contract managed by Ameritas, the custodian of the Plan. Therefore, transactions involving these securities qualify as party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions.

7. INCOME TAX STATUS

The Plan operates under a volume submitter plan developed by Ameritas. The IRS has determined and informed Ameritas, by letter dated September 30, 2014, that the written form of the underlying volume submitter plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has not applied for its own determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain classifications may differ between the financial statements and Form 5500. Net assets available for benefits per the financial statements agreed to Form 5500 in total as of December 31, 2022 and 2021. Changes in net assets available for benefits per the financial statements agreed to Form 5500 in total for the years ended December 31, 2022.

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2021:

Change in net assets available for benefits per the financial statements	\$ 6,205,549
Excess contributions payable at December 31, 2020, paid in 2021	<u>(18,556)</u>
Change in net assets available for benefits per Form 5500	<u>\$ 6,186,993</u>

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 27, 2023, which is the date the financial statements were available to be issued.
