INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor of Selip & Stylianou, LLP 401(k) Savings Plan
Woodbury, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements Selip & Stylianou, LLP 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Selip & Stylianou, LLP 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Selip & Stylianou, LLP 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Selip & Stylianou, LLP 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Selip & Stylianou, LLP 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Selip & Stylianou, LLP 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SELIP & STYLIANOU, LLP 401(K) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the Selip & Stylianou, LLP 401(k) Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan covering all eligible employees of Selip & Stylianou, LLP with retirement benefits in accordance with section 401(k) of the Internal Revenue Code (the IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established on January 1, 1997.

Effective February 18, 2022, the Plan has been restated by executing the Cycle 3 Non-Standardized Plan adoption agreement.

On December 22, 2022, the Senate passed the Consolidated Appropriations Act of 2023 (the "CAA") to fund the government through September 30, 2023. Division T of the legislation is the SECURE 2.0 Act of 2022 ("SECURE 2.0"), which builds upon 2019's Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"). SECURE 2.0 contains 90 provisions aimed at modernizing the retirement system, encouraging additional retirement savings, and easing administrative requirements. Most of SECURE 2.0's provisions take effect on or after 2024.

Eligibility

To be eligible to participate in the Plan, employees must have reached the age of eighteen and have completed sixty days of service with the Company. Eligible participants may enter the Plan at the beginning of the month coincident or following date eligibility requirements are met.

Contributions

Participant Contributions: Participants elect to have amounts withheld from their paychecks and contributed to the Plan by the Company. Participants may contribute the maximum of 100% of their compensation in pre-tax or Roth deferrals as defined as in the Plan and by the Internal Revenue Service. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefits or defined contribution plans.

Employer Contributions: To receive Company's allocations, participants are required to be active participants at any time during the Plan Year and be employed by the Company on the last day of the Plan Year or have completed at least 500 hours of service with the Company.

SELIP & STYLIANOU, LLP 401(K) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

- Discretionary Matching Contributions: The Company makes discretionary matching contributions in an amount as determined by the Company, up to the limit of \$500 for the Plan year ended. The matching percentages on deferral contributions are determined by the company.
- Qualified Non-Elective Contributions (QNECs): The Company may also make QNECs to non-highly compensated employees. Company contributions are made in the ratio that each participant's compensation bears to the compensation of all eligible participants.

All of the forgoing contributions are subject to limits as set by federal law.

Participant Accounts

Each participant's account is credited with the participant's own contributions, an allocation of net earnings from investments, and changes in investment values. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on each participant's contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account. Participants select the investments into which their contributions are invested. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

Investment Options

Participants may direct the investment of all contributions into various investment options offered by the Plan and Principal Life Insurance Company.

Vesting

Participants are always fully vested in their own contributions and all earnings thereon. Participants become fully vested in Company's contributions after three years of credited service.

Participant Loans

The Plan provides a provision that allows participants to borrow from their vested balance. Loans must be at least \$1,000. The loans are secured by the participants' vested account balances. The interest rate is determined based on the prime rate plus one percentage point. The principal balance plus interest is repaid through employee payroll deductions. The number of loans approved for a participant is limited to two loans in any twelve-month period. The maximum term for a loan is 30 years when the loan is made for the purpose of acquiring their primary residence.

SELIP & STYLIANOU, LLP 401(K) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive life annuities or installments equal to the value of the participant's vested interest in his or her account. Terminated participants whose balances are less than \$5,000 will be automatically distributed. For such balances exceeding \$5,000, subject to certain requirements, participants may leave their account balance in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal from their contribution accounts for financial hardship or after attaining the age of 59½. The distribution of the participant's account must commence no later than April 1 following the calendar year in which the participant attains age 72.

Forfeitures

Forfeitures of nonvested employer contributions if any shall be used to reduce employer contributions and can be applied to reduce administrative expenses charged to the Plan, for the plan year in which they occurred or thereafter. For the year ended December 31, 2022, forfeitures totaling \$1,369 were utilized to reduce employer contributions. As of December 31, 2022 and 2021, there were \$2,581 and \$2,891 in forfeiture nonvested funds available for future use.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisors, custodians, and the insurance company. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis.

Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

SELIP & STYLIANOU, LLP 401(K) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Reclassification

Certain amounts in the prior period financial statements have been reclassified to conform to the presentation of the current period financial statements. These reclassifications had no effect on the previously reported net increase in assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Principal Life Insurance Company, the custodian of the Plan, has certified as being complete and accurate the following information as of December 31, 2022 and 2021, for the year then ended December 31, 2022.

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits
- Net depreciation in fair value of investments and interest on participant loans reflected on the accompanying statement of changes in net assets available for benefits
- Investments reflected on the schedule of assets (held at the end of the year)

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- | | |
|----------|--|
| Level 1) | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets. |
| Level 2) | Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3) | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common collective trust funds: The Principal Trust Income and Target Funds are held in common collective trust funds, which consist of investments in mutual funds, collective trusts, and pooled separate accounts ("PSAs"). The Stable Value Fund, held in a common collective trust fund, invests in conventional and synthetic guaranteed investment contracts ("GICs") issued by life insurance companies, banks, and other financial institutions with excess cash invested in cash equivalents. These investments are valued at their net asset values ("NAV") per share as of the close of business on the valuation date as a practical expedient for the estimated fair value. The NAV is quoted on a private market that is not active; however, the unit price is based on the value of the underlying investment assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.

SELIP & STYLIANOU, LLP 401(K) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

The NAV for the Stable Value Fund is based on the contract value of fully benefit-responsive contracts, conventional and synthetic GICs, which represents invested principal plus accrued interest thereon. The Principal Trust Income Fund seeks current income and, as a secondary objective, capital appreciation. The Principal Trust Target Funds seek total return consisting of long-term growth of capital and current income, consistent with the investment strategy of an investor who expects to retire in a specific year. The Stable Value Fund seeks to provide preservation of capital and relatively stable returns regardless of the volatility of the financial markets.

Pooled separate accounts: These investments are public investment securities valued using the Net Asset Value (NAV) provided by the investment contract issuer. The NAV is quoted on a private market that is not active, however, the unit price is based on the underlying investments. A majority of the investments held by each fund are traded on an active market.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Net depreciation in fair value of investments includes net unrealized and net realized gains and losses on investments during the year and is presented net of investment expenses. Investment income is allocated to individual participant accounts based upon the participant's share of the investment fund.

As of December 31, 2022, assets in the plan, as defined by ASC Topic 820, were as follows:

<u>Assets at fair value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common/collective trusts	\$ -	-	-	\$ 500,214 *
Pooled separate accounts	-	-	-	5,170,890 *
Total investments, at fair value	\$ -	-	-	\$ 5,671,104

As of December 31, 2021, assets in the plan, as defined by ASC Topic 820, were as follows:

<u>Assets at fair value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common/collective trusts	\$ -	-	-	\$ 464,637 *

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in the net change in fair value of investments.

NOTE 5: PLAN TERMINATION

Although the Company expects to continue the Plan indefinitely, it has the right under the Plan to suspend its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accounts become fully vested and non-forfeitable. Plan assets would first be used to pay any expenses properly charged to the Plan. The remaining Plan assets would then be distributed to participants.

NOTE 6: TAX STATUS

The Company has adopted the Principal Life Insurance Company Non-Standardized Pre-Approved Profit-Sharing Plan with CODA. The Internal Revenue Service ("IRS") has informed the Principal Life Insurance Company in a letter dated June 30, 2020, that its Non-Standardized Pre-Approved Profit-Sharing Plan is designed in accordance with applicable sections of the IRC, and any Plan sponsor adopting this form of the Non-Standardized Pre-Approved Profit-Sharing Plan will be considered to have a plan qualified under applicable sections of the IRC. Therefore, the Plan and related trust are tax-exempt, and once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified as a tax-exempt trust.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2019.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: RESTATEMENT

Beginning net assets available for benefits as of December 31, 2021, were restated for prior period adjustment. The adjustments related to the overstatement of excess contributions payable and overstatement of corrective distributions. Net assets available for benefits of the Plan as of December 31, 2021, have been restated from \$7,259,111 to \$7,305,228.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements on December 31, 2022 and 2021, to the Plan's Form 5500:

	<u>2022</u>	<u>2021 (Restated)</u>
Net assets available for benefits per the financial statements	\$ 5,909,680	\$ 7,305,228
Employer contribution receivables	-	(365)
Excess contributions payables	-	3,018
Net assets available for benefits per the Form 5500	<u>\$ 5,909,680</u>	<u>\$ 7,307,881</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2022, to Form 5500:

Change in net assets available for benefits per the financial statements	\$ (1,395,548)
Add: Employer contribution receivables at December 31, 2021	365
Less: Excess contribution payable at December 31, 2021	<u>(3,018)</u>
Change in net assets available for benefits per the Form 5500	<u>\$ (1,398,201)</u>

NOTE 10: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by Principal Life Insurance Company. Principal Life Insurance Company is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Any purchase and sales of investments in the custodian are open market transactions at fair market value. Fees incurred by the Plan for investment management services are included in net appreciation in the fair value of investments. These fees are paid to the investment fund manager and may include certain revenue-sharing fees that are paid to the Principal Life Insurance Company, other investment custodians, and investment advisors.

Additionally, the Plan sponsor, Selip & Stylianou, LLP, is a party in interest to the plan. The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 11: SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The plan has evaluated subsequent events through July 12, 2023, the date the financial statements were available to be issued.
