INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Coastline EAP 403(b) Retirement Plan
Warwick, Rhode Island

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Coastline EAP 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying financial statement of the Plan, which comprises the statement of net assets available for benefits as of June 30, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

Supplemental Information Required by ERISA

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COASTLINE EAP 403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the Coastline EAP 403(b) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on July 1, 1988, for the benefit of qualifying employees of Coastline EAP (the "Employer"). The Plan is a contributory 403(b) retirement plan that has two components: a deferred matching compensation component and a discretionary employer contribution component. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective March 27, 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act, as amended (the "CARES Act"). The CARES Act provisions that were adopted are as follows:

- (a) Participants that meet eligible CARES Act criteria can take penalty free withdrawals of up to \$100,000.
- (b) Participants will have the ability to repay the CARES Act distribution within three years, though repayment is not required.
- (c) The maximum loan amount is temporarily increased up to \$100,000.
- (d) Participants are allowed to defer loan repayments for one year.
- (e) Required minimum distributions are suspended for 2020.

Eligibility

Employees are eligible to participate in the Plan on their date of hire. Participants are eligible for Employer contributions immediately upon entry into the Plan.

Contributions

Participants may elect to defer a whole dollar portion of their eligible compensation, in an amount equal to the lesser of 100% of eligible compensation, or the maximum amount allowed by the Internal Revenue Code ("IRC"). Participants who are at least age 50 before the end of the Plan year may make catch-up contributions equal to any whole dollar amount up to the maximum amount allowed by the IRC. Participants may cease deferrals at any time or may change their elective deferrals on a per pay period basis.

Employer contributions to the Plan are discretionary. For the year ended June 30, 2022, the Employer matched up to 4% of participants' eligible compensation, and provided an additional discretionary contribution based on the attainment of the following years of service:

<u>Years of Service</u>	<u>Additional Contribution</u>
4 years	1%
10 years	1%

Rollovers and transfers of funds from other qualified plans in which employees cease to participate are permitted and are fully vested.

COASTLINE EAP 403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Nonelective contributions are immediately vested. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service.

Vesting of the Employer's contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 1 year	0%
1 year but less than 2	25%
2 years but less than 3	50%
3 years but less than 4	75%
4 years or more	100%

A participant's interest in their account shall become fully vested if employment terminated due to death, disability or attainment of normal retirement age (65).

Eligible compensation

Eligible compensation is defined as the taxable compensation reported by the Employer on a participant's Internal Revenue Service ("IRS") Form W-2. The IRC limits the amount of compensation that may be considered as eligible compensation each year.

Participant accounts

Participants' accounts are credited with their contributions and Employer contributions made on their behalf and charged with an allocation of administrative expenses. Earnings (losses) on investments are allocated to participants' accounts on each valuation date. The allocation is based on the ratio of each participant's account balance to the total of all participants' account balances as of the preceding valuation date.

Payment of benefits

Upon termination of employment by reason of normal retirement (age 65), death or disability, participants will be entitled to 100% of the amounts credited to their accounts. Upon termination of employment for other than normal retirement, death or disability, participants will be entitled to the vested amounts credited to their accounts.

Upon termination, participants may elect to receive an amount equal to their vested value of their accounts in either a lump-sum payment or substantially equal installments over a period not to exceed the life of the participant.

In-service withdrawals

In-service withdrawals are permitted by the Plan in an amount up to 100% of a participant's vested account balance for participants whose accounts are fully vested.

COASTLINE EAP 403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum term of a note for general purpose may not exceed 5 years, however, if the loan is used for the purchase of a primary residence, the maximum term may not exceed 15 years. Participants are allowed to have one outstanding note at any given time. Principal and interest are paid ratably through payroll deductions. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 7.5%, which is commensurate with local prevailing rates as determined by the plan administrator.

Forfeited accounts

Forfeitures of the non-vested portion of terminated participants' accounts are used to pay administrative expenses or reduce future employer contributions. At June 30, 2022 and 2021, forfeited nonvested accounts totaled \$12,868 and \$10,173, respectively. For the year ended June 30, 2022, no forfeitures were used to reduce employer matching contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

The Plan's investments are held by Newport Trust Company, the trustee, in various mutual funds. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by the trustee.

U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under are described as follows:

COASTLINE EAP 403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition (continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual funds

Valued at the daily closing prices as reported by the fund. The mutual fund held by the Plan is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily Net Asset Value ("NAV") and to transact at that price. The mutual fund held by the Plan are deemed to be actively traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through July 27, 2023, the date on which these financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855 *Subsequent Events*.

NOTE 3. INFORMATION CERTIFIED BY THE TRUSTEE

The following tables summarize information regarding the Plan as of June 30, 2022 and 2021, and for the year ended June 30, 2022, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from, without audit, information prepared by Newport Trust Company, the trustee, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

NOTE 4. FAIR VALUE MEASUREMENTS

Assets measured at fair value are based on one or more of the following valuation techniques:

- (a) *Market approach*: Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) *Cost approach*: Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach*: Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following tables, set forth by level within the fair value hierarchy, summarize the Plan's assets measured at fair value as of June 30, 2022 and 2021.

	Assets at Fair Value as of June 30, 2022				
	Level 1	Level 2	Level 3	Total	Valuation Technique
Mutual funds	\$ 11,520,630	\$ -	\$ -	\$ 11,520,630	(a)

	Assets at Fair Value as of June 30, 2021				Valuation
	Level 1	Level 2	Level 3	Total	Technique
Mutual funds	\$ 13,849,816	\$ -	\$ -	\$ 13,849,816	(a)

During the years ended June 30, 2022 and 2021, there were no transfers between levels of the fair value hierarchy.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

All Plan investments are in the custody of Newport Trust Company; therefore, any transactions between the Plan and the trustee qualify as party-in-interest transactions. Transactions relating to notes receivable from participants are also party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of investments, as they are paid through revenue-sharing, rather than a direct payment. The plan sponsor pays directly any other fees related to the Plan's operations.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

NOTE 7. TAX STATUS

The Plan has adopted The Angell Pension Group 403(b) Prototype Plan Basic Plan Document #01 (the "Prototype Plan"), which received a favorable opinion letter from the IRS dated March 31, 2017, indicating that the Prototype Plan is designed in accordance with applicable sections of the IRC. Although the Prototype Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022 and 2021, there are no uncertain tax positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods in progress.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
