INDEPENDENT AUDITOR'S REPORT

To Trustee of
Professional Office Services, Inc.
401(k) Plan

Opinion

I have audited the accompanying statements of Professional Office Services, Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Professional Office Services, Inc. 401(k) Plan, as of December 31, 2022, and 2021, and the changes in its financial status for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements of my report. I am required to be independent of Professional Office Serves, Inc 401(k) Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Professional Office Services, Inc. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the balance sheet, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the balance sheet.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Professional Office Services, Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Professional Office Services, Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charges with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

My audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets (held at end of year) are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements

and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Informing my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion, the information in the accompanying schedules is fairly stated in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Departments of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFESSIONAL OFFICE SERVICES, INC.
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDING DECEMBER 31, 2022 AND 2021

A. Plan Description and Basis of Presentation

Professional Office Services, Inc. ("Company") established the Professional Office Services, Inc. 401(k) Plan ("Plan") effective as of January 1, 1994. The following description of the Plan is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. General. The Plan is a defined contribution plan covering substantially all employees of Professional Office Services, Inc. and the POS Corporation who have worked at least three months of service and are age twenty-one or older. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and updated effective January 1, 2020.

On December 29, 2022, President Biden signed into law the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system, finding ways for them to accumulate more assets, and then ensuring they get connected with those assets when retirement comes.

Many of the provisions of the SECURE 2.0 are effective on January 1, 2023, and beyond and will require significant changes to plan administration and record keeping.

2. Contributions. Upon meeting the eligibility requirements, participants may contribute on a pre-tax basis or as a Roth elective deferral contribution. Each year, participants may contribute up to the 401(k) elective deferral limits set by law, not to exceed \$20,500 in 2022 and \$19,500 in 2021, subject to certain discrimination tests prescribed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investments options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% with an automatic 1% increase each April 1st up to a maximum automatic Elective Deferral Contribution of 10%. Their contributions are invested in a designated balanced fund until changed by the participant. The Company may make a matching contribution equal to a percentage of participants 401(k) elective deferral contributions. The Company may also make a discretionary contribution each year. The Company made contributions of 3% qualified nonelective contribution for year ended December 31, 2022, and 2021 plus a discretionary contribution which was aged-weighted. The contribution was based on participants' compensation.

Participants may also contribute certain rollovers amounts representing distributions from other qualified defined benefit or defined contribution plans.

3. Participants Accounts. Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, Plan earnings, and charged with an allocation of investments gains or losses, withdrawals, and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may not borrow from their accounts.
4. Vesting. Participants are vested immediately in their contributions plus actual earnings thereon. Vesting the Company's contribution portion of their accounts is based on years of continuous service. Employees vest 20% per year after completing two years of service until becoming 100% vested after six years of credited service in accordance with the Plan document.
5. Forfeited Accounts. At December 31, 2022 and 2021, there were no forfeited non-vested accounts. In 2022 and 2021, employer contributions were reduced \$10,598 and \$10,449 respectfully, from forfeited nonvested accounts.

6. Payment of Benefits. A participant may withdraw, in a single sum, any part of their vested account in the event of undue hardship. Upon termination, if the participant's vested account balance has not exceeded \$5,000 at any time during employment with the Company, it is disbursed as soon as possible in a single payment. If the a participant's account balance is more than \$5,000, the distribution will be made at the time the participant elects or the first day of the month after the participant retires. If an employed participant attains age 72 1/2, the benefits must commence distribution no later than April 1, following the calendar year in which the participant reaches that age. Upon death of a participant, benefits are distributed to a spouse or beneficiary.

B. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

1. Basis of Accounting. The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America, except those benefits paid to Plan participants are recorded on a cash basis.
2. Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note C for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gain and losses on investments bought and sold as well as held during the year.

3. Payment of Benefits. Benefits are recorded when paid.
4. Contributions. Contributions from employees are recorded as they are withheld from the participants' wages.
5. Use of Estimate. The preparation of financial statements in conformity with accounting principles generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.
6. Date of Management Review. Subsequent events were evaluated through June 15, 2023, which is the date the financial statements were available to be issued.

C. Fair Value Measurements

The fair value measurements authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for input investments for which Level 1 inputs were not available. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the period presented.

Fair Value Measurements (Continued)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the plan are deemed to be actively traded.

Pooled Separate Account and Common/Collective Trust: Valued at the NAV, as provided by the trustee, is used as a readily determinable fair value to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This readily determinable fair value is not used when it is determined to be probable that the fund will sell the investment for an amount different than the NAV. Participant transactions may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021.

Fair Value Measurements at Reporting Date Using:

D. Administration of Plan Assets

In 1994, the Plan entered a group annuity contract with Principal Mutual Life Insurance Company ("Principal"). Principal maintains the contributions in pooled separate accounts and common/collective trusts. The Participants allocate their funds to the investment option of their choice available under the annuity contract. Participants may change their investments at any time at their discretion. The Company absorbs most administration costs.

PROFESSIONAL OFFICE SERVICES, INC.
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDING DECEMBER 31, 2022 AND 2021

E. Tax Status

The IRS has determined and informed the Company by a letter dated March 24, 1995, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Company and Plan administrator believe that the Plan is designed and operated in compliance with the applicable requirements of the IRC and believe that the Plan and the related trust continue to be tax-exempt. Therefore, no provision of income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Party-in-interest

Certain plan investments are managed by Principal Life Insurance Company. Principal Life Insurance Company is the trustee as defined by the Plan and qualifies as a party-in-interest.

These parties-in-interest are exempt from the prohibited transaction rules of ERISA.

G. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time, subject to the provisions of ERISA. Upon such termination of the Plan, each account will be 100% vested and non-forfeitable.

H. Risks and Uncertainties

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
