INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Participants of the
HEICO Savings and Investment Plan
Hollywood, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the HEICO Savings and Investment Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HEICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the HEICO Savings and Investment Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for more complete information. Unless specified otherwise, all capitalized terms herein are as defined in the Plan document.

The Plan, adopted by HEICO Corporation (the “Company,” “Employer” or “HEICO”) effective January 1, 1985, and amended and restated as of January 1, 2012, for the benefit of Eligible Employees of the Company and its participating subsidiaries (“participating employers”), is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan has been designated as an Employee Stock Ownership Plan. Participation in the Plan is voluntary. The Plan includes a deferred compensation arrangement permitted by Section 401(k) of the Internal Revenue Code of 1986, as amended (the “Code”), which permits a participant to elect to defer federal income taxes on his or her contributions until they are distributed from the Plan.

The Plan also includes leveraged employee stock ownership plan (“Leveraged ESOP”) provisions. The Leveraged ESOP is a stock bonus plan within the meaning of Treasury Regulation Section 1.401-1(b)(1)(iii) that is qualified under Section 401(a) of the Code and is designed to invest primarily in the Company’s common stock (“Company stock”). The Plan can purchase stock from the Company using the proceeds of a loan (“Acquisition Indebtedness”). Any Company stock acquired by the Plan through a loan is initially held in a separate account (“Leveraged ESOP Account”). As the Acquisition Indebtedness (including interest) is repaid, each participant’s account is allocated its portion of Company stock released from the Leveraged ESOP Account. The Plan did not have any Acquisition Indebtedness as of December 31, 2022 and 2021.

During 2021, the Company's Board of Directors (the "Board") approved the admission of Pyramid Semiconductor Corp. ("Pyramid"), Camtronics, LLC ("Camtronics"), Connect Tech Inc. ("Connect Tech"), R.H. Laboratories, Inc., Ridge Engineering, LLC and The Bechdon Company, LLC as participating employers in the Plan effective July 1, 2021 for Pyramid, October 1, 2021 for Camtronics and January 1, 2022 for all other employers. The Board elected to treat a participant's prior service toward the vesting schedule as specified in the Plan document for these

participating employers. The Board also approved an Employer Matching Contribution for these participating employers that is generally consistent with that of its other participating employers, with the exception of Connect Tech, which was not approved for an Employer Matching Contribution.

During 2022, the Board approved the merger of the Aerospace & Commercial Technologies, LLC Retirement Plan ("ACT Plan") into the Plan effective March 30, 2022. The merger of the ACT Plan into the Plan is shown as a transfer to the Plan in the Statement of Changes in Net Assets Available for Benefits. Additionally, the Board approved the admission of Pioneer Industries, LLC ("Pioneer"), Ironwood Electronics, Inc. ("Ironwood"), Charter Engineering, Inc., Sensor Systems, Inc. and Accurate Metal Machining, Inc. as participating employers in the Plan effective July 1, 2022 for Pioneer, November 1, 2022 for Ironwood and October 1, 2022 for all other employers. The Board elected to treat a participant's prior service toward the vesting schedule as specified in the Plan document for these participating employers. The Board also approved an Employer Matching Contribution for these participating employers that is generally consistent with that of its other participating employers.

In March 2022, the Board approved an amended and restated Plan effective March 30, 2022 (except for those sections of the Plan that have an alternate effective date). Most significantly, the amended and restated Plan offers Plan participants the option to elect to classify all or a portion of an Elective Deferral Contribution as a Roth Elective Deferral effective July 1, 2022. Further, Roth rollovers began being accepted into the Plan effective March 30, 2022. The Company believes the amended and restated Plan is in compliance with applicable ERISA and Code requirements.

Eligibility - Except as otherwise set forth below, any person employed by the Employer can participate in the Plan upon; (i) the date the Employee is credited with one Hour of Service; or (ii) the date the Employee becomes an Eligible Employee.

The following employees are not eligible to participate in the Plan: (i) any Employee included in a collective bargaining unit for which a labor organization is recognized as a collective bargaining agent unless such Employee has been designated by the Committee as an Eligible Employee for purposes of this Plan; (ii) any Employee who is employed by an Affiliate that is not a participating employer; (iii) any Employee who is a nonresident alien and who does not receive earned income from the Employer that constitutes income from sources within the United States; or (iv) Employees who are, according to the Employer's records, characterized as temporary, seasonal or occasional employees unless such Employee completes one Year of Service.

Plan Administration - Fidelity Investments ("Fidelity") serves as recordkeeper and custodian for the Plan's assets and Fidelity Management Trust Company serves as the Plan's trustee (the "Trustee"). Overall responsibility for administering the Plan (reporting and disclosure, interpretation of provisions, and benefit distributions) rests with the Company's Board.

Participant Accounts - Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's Elective Deferral Contributions, the Company's Employer Matching Contributions, and allocations of any other Employer Contributions (e.g., Equity Builder Contributions) as well as Plan dividends and earnings, and charged with withdrawals, an allocation of the Plan's administrative expenses not paid directly by the Company, and an allocation of Plan losses. Allocations of Plan earnings and losses are based on participant account balances. Additionally, participants holding positions in certain of the Plan's investment options receive an allocation of revenue credits associated with the funds. See Note 8, Exempt Party-In-Interest Transactions, for additional information. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Employee Contributions - Each year, participants may make Elective Deferral Contributions up to the limitations set forth in Section 402(g) of the Code. Participants who are at least 50 years of age prior to the end of a Plan year may elect to make catch-up contributions, up to the limitations set forth in the Code. Participants may also make Rollover Contributions to the Plan of amounts received from a tax-qualified plan of a former employer. Participants hired on or after January 1, 2006 are automatically enrolled in the Plan upon meeting the Plan's eligibility requirements at an Elective Deferral Contribution rate of 3% of the participant's Compensation unless the participant elects a greater or lesser deferral percentage, or elects not to contribute to the Plan.

Employer Contributions - The Company generally makes a 50% Employer Matching Contribution, as determined by the Board, based on a participant's Elective Deferral Contribution up to 6% of the participant's Compensation for the Elective Deferral Contribution period. The Plan also provides that the Company may make additional Employer Contributions (e.g., Equity Builder Contributions). Employer Contributions may be contributed in the form of Company stock or cash, as determined by the Company, and were principally paid in Company stock for the years ended December 31, 2022 and 2021.

Employer Matching Contributions are calculated quarterly based on Elective Deferral Contributions made during that calendar quarter and Compensation paid for each payroll period for which Elective Deferral Contributions are made. Employer Matching Contributions are allocated after the end of a calendar quarter to participants who made Elective Deferral

Contributions during that calendar quarter and were employed on the last day of such calendar quarter.

Equity Builder Contributions, which may be awarded by the Company at the discretion of the Board, are allocated in the same proportion that the Compensation of a participant bears to the total Compensation of all participants from the same participating employer for the Plan Year to which the contributions are attributable. Equity Builder Contributions, if any, are allocated after the end of a Plan Year to participants who are credited with 1,000 hours of service during the Plan Year with a participating employer and are employed on the last day of such Plan Year.

Forfeitures - Forfeitures of participants' nonvested Employer Contributions due to termination of employment shall be made available to reinstate previously forfeited account balances of participants, pay administrative expenses of the Plan, and/or reduce the amount of Employer Contributions to the Plan that would otherwise be made on behalf of the participants. Forfeitures used to reduce the amount of Employer Contributions were \$1,231,774 and \$1,493,147 for the years ended December 31, 2022 and 2021, respectively.

Participant Investment Options - Employee Contributions are allocated at the participant's discretion among eleven target date funds, eight mid- and small-cap funds, four large-cap funds, three bond funds, three foreign equity funds, one balanced fund, and one stable value fund. Employer Contributions are generally made in Company stock, which consists of HEICO Corporation Common Stock and/or HEICO Corporation Class A Common Stock. Employer Contributions may be diversified by a participant into any of the participant-directed investment options; however, Employee Contributions may not be invested in Company stock.

Vesting - Participants receive 100% vesting in Employee Contributions and on cash dividends received on Company stock. Vesting in Employer Contributions is based on a participant's number of Years of Service as calculated on a Plan Year (calendar year) basis. A participant is 20% vested after two Years of Service, 40% after three years, 60% after four years, 80% after five years, and 100% after six years. A participant becomes 100% vested in Employer Contributions upon retirement, disability, or death.

Withdrawals and Notes Receivable from Participants - Participants can withdraw contributed amounts under certain circumstances of immediate and heavy financial need through a "hardship withdrawal" or borrow against the vested portion of their account balance for certain financial needs. A participant is limited to no more than two loans outstanding at any given time, the amount of any loan may not be less than \$1,000, and the aggregate of a participant's loans may not exceed the lesser of \$50,000 or 50% of the participant's vested account balance. Loans are secured by the vested portion of a participant's account. The annual interest rate on all loans is

equal to the prime rate as published on the last day of the calendar quarter preceding the date the loan is made plus one percent (1%). The repayment term of any loan may not exceed five years, except with respect to a residential loan, which may not exceed 15 years.

Payment of Benefits - In addition to distributions related to retirement, disability, death, or termination of employment, participants who have attained 59½ years of age may withdraw their account balances in which they are 100% vested. Further, any participant's vested account with a value less than or equal to \$1,000 will be distributed in a lump sum payment as soon as administratively feasible after that participant's termination date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan utilizes various investment instruments, including Company stock, mutual funds, and a stable value fund. Investment securities, in general, are exposed to various risks, such as stock market volatility, interest rate risk, foreign investing risk, industry risk, credit risk, investment style risk, market capitalization risk, liquidity risk, and security selection risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and could materially affect participants' account balances and the amounts reported in the financial statements.

Valuation of Investments - The Plan's investments are stated at fair value. Quoted market prices in active markets are used to value investments in Company stock, mutual funds, and money market mutual funds. The Plan also invests in a stable value fund, which is measured at net asset value ("NAV"). See Note 4, Fair Value Measurements, for additional details.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividend income is recorded as of the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on

investments bought and sold, as well as held during the year. Capital gain distributions from mutual funds are recorded as dividends in the Statements of Changes in Net Assets Available for Benefits.

Concentration of Investments - The Plan's investments in HEICO Corporation Common Stock and HEICO Corporation Class A Common Stock aggregated approximately 34% and 25% of total investments as of December 31, 2022, respectively, and 30% and 25% of total investments as of December 31, 2021, respectively.

Notes Receivable from Participants - Notes receivable from participants (participant loans) are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

3. FEDERAL INCOME TAX STATUS

The Plan received a favorable determination letter from the Internal Revenue Service dated September 24, 2013, stating that the Plan, as amended and restated effective January 1, 2012, is designed in accordance with the applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan's Administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Code. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

4. FAIR VALUE MEASUREMENTS

The Plan's investments that were measured at fair value on a recurring basis are set forth by level within the fair value hierarchy in the following tables:

	As of December 31, 2022			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Company stock	\$400,681,652	\$—	\$—	\$400,681,652
Mutual funds	265,608,997	—	—	265,608,997
Money market mutual fund	43,314	—	—	43,314
Total investments in the fair value hierarchy	\$666,333,963	\$—	\$—	666,333,963
Investment measured at NAV				22,048,884
Total investments at fair value				\$688,382,847

	As of December 31, 2021			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Company stock	\$407,515,952	\$—	\$—	\$407,515,952
Mutual funds	302,809,640	—	—	302,809,640
Money market mutual fund	27,290	—	—	27,290
Total investments in the fair value hierarchy	\$710,352,882	\$—	\$—	710,352,882
Investment measured at NAV				18,410,398
Total investments at fair value				\$728,763,280

Company stock, mutual funds, and the money market mutual fund were valued based on the closing prices reported for the active markets on which the underlying securities are traded. Investment measured at NAV pertains to the Plan's investment in the Galliard Stable Return Fund M ("Galliard Fund") (common/collective trust) which was valued using the NAV per share practical expedient computed by dividing the value of the fund's underlying net assets by the number of units outstanding and is presented immediately below the fair value hierarchy to facilitate a reconciliation to the Plan's total investments at fair value as presented in the Statements of Net Assets Available for Benefits.

The Galliard Fund is a collective investment fund under the Allspring Collective Investment Trust. The Galliard Fund's investment objective is to provide a moderate level of stable income without principal volatility. To achieve its investment objective, the Galliard Fund invests all of its assets in the Galliard Stable Return Fund Core, a collective trust fund. The Galliard Stable Return Fund Core holds fully benefit-responsive investment contracts through its investments

including investment contracts and security-backed contracts. An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time. A security-backed contract has similar characteristics as a traditional investment contract and is comprised of two parts: the first part is a fixed income security or portfolio of fixed-income securities; and the second part is a contract value guarantee (“wrapper”) provided by a third party. Wrappers provide contract value payments for certain participant-initiated withdrawals and transfers, a floor crediting rate, and return of fully accrued contract value at maturity.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV. The Galliard Fund has certain restrictions that could limit the ability of the Plan to transact at NAV with participants. Such events include the following: (i) termination of the Plan’s participation in the Galliard Fund; (ii) the introduction of an investment option that competes with the Galliard Fund; (iii) the failure of the Plan to meet the requirements under Section 401 of the Code; or, (iv) a material breach of contract provisions. The Plan Administrator does not believe that the occurrence of any of these events which would limit the Plan’s ability to transact at contract value with participants is probable of occurring.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

5. NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets as of December 31, 2022 and 2021 and the significant components of the changes in net assets for the years ended December 31, 2022 and 2021 relating to the Plan’s nonparticipant-directed investments are as follows:

	2022	2021
Net assets:		
Company stock	\$400,681,652	\$407,515,952
Employer contributions receivable	8,046,005	6,900,132

Interest income on notes receivable from participants	40,069	50,976
Transfers to participant-directed investments	(1,406,794)	(5,504,757)
Distributions to Plan participants	(19,179,329)	(35,910,839)
Total	<u>(\$5,672,403)</u>	<u>\$5,149,212</u>

6. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited financial information regarding the Plan, which has been certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and is included in the Plan's financial statements as of and for the years ended December 31, 2022 and 2021, and supplemental schedule of assets (held at end of year) as of December 31, 2022. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

	2022	2021
Investments at fair value	\$688,382,847	\$728,763,280
Net (depreciation) appreciation in fair value of investments	(70,065,767)	57,048,266
Dividend income	11,341,010	16,245,263
Notes receivable from participants	3,948,588	4,546,975
Unsettled trades	19,855	7,495

Supplemental schedule: All investment balances and information included in the Supplemental Schedule of Assets (Held at End of Year) are certified by the Trustee.

The Plan's independent public accountant did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

7. PLAN TERMINATION

While the Company intends to continue the Plan indefinitely, it assumes no contractual obligation as to its continuance, and the Board reserves the right to terminate the Plan or portions of the Plan at any time. In the event of complete discontinuance of Employer Contributions or the complete or partial termination of the Plan, the account balances of affected participants shall be fully vested and nonforfeitable as of the time of such discontinuance or termination.

8. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

As HEICO is the Plan's sponsoring employer, transactions involving Company stock qualify as party-in-interest transactions for the periods presented. The Plan's investment in Company stock totaled \$400,681,652 as of December 31, 2022, and \$407,515,952 as of December 31, 2021. Further, the Plan recorded dividend income of \$532,286 and \$537,991 from Company stock during the years ended December 31, 2022 and 2021, respectively.

As of December 31, 2022 and 2021, the Plan held notes receivable from participants of \$3,948,588 and \$4,546,975, respectively. Further, the Plan recorded interest income related to the notes receivable from participants of \$223,086 and \$336,298 during the years ended December 31, 2022 and 2021, respectively.

The Plan invests in certain mutual funds managed by Fidelity and transactions involving the Fidelity 500 Index Fund, Fidelity Government Cash Reserves, Fidelity Low-Priced Stock Fund, and Fidelity Small Cap Value Fund (collectively, "Fidelity Funds"), qualify as party-in-interest transactions during the years ended December 31, 2022 and 2021. The Plan's investment in Fidelity Funds totaled \$29,991,770 and \$33,001,135 as of December 31, 2022 and 2021, respectively. Further, the Plan recorded dividend income of \$893,293 and \$1,027,939 from Fidelity Funds during the years ended December 31, 2022 and 2021, respectively.

9. SUBSEQUENT EVENT

In March 2023, the Company's Board approved the admission of Exxelia USA, Inc. and Micropen Technologies Corporation as participating employers in the Plan effective April 1, 2023 for both employers. The Board elected to treat a participant's prior service toward the vesting schedule as specified in the Plan document for these participating employers. The Board also approved an Employer Matching Contribution for these participating employers that is generally consistent with that of its other participating employers.

The Plan has evaluated the need for disclosures and/or adjustments resulting from subsequent events through July 31, 2023, which is the date the financial statements were available to be issued. Other than as disclosed above, no significant matters were identified for disclosure during this evaluation.
