Independent Auditor's Report

The Plan Administrative Committee
Big 5 Sporting Goods Savings and Profit Sharing Plan
El Segundo, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Big 5 Sporting Goods Savings and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 20 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

The Plan Administrative Committee
Big 5 Sporting Goods Savings and Profit Sharing Plan

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan Administrative Committee
Big 5 Sporting Goods Savings and Profit Sharing Plan

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAVINGS AND PROFIT SHARING PLAN**

Notes to Financial Statements

December 31, 2022 and 2021

(1) Description of 401(k) Plan

The following description of the Big 5 Sporting Goods Savings and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a single-employer defined contribution plan covering full-time employees of Big 5 Corp. (the "Plan Sponsor", or the "Plan Administrator") who have attained age 21, completed 90 days of service and are not excluded by a collective bargaining agreement. The Plan also covers variable hour employees who have completed one year of eligibility service, as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

The Plan allows participants to make pre-tax and after-tax (Roth) contributions, from 1% to 25% of eligible annual compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. As of December 31, 2022, the Plan offered 27 mutual funds, including a suite of 12 target date funds, two collective/common trusts and one money market fund used solely as an investment vehicle for forfeitures. The Plan Sponsor contributed 50% of the first 4% of eligible compensation that participants contributed to the Plan. Additional profit-sharing amounts may be contributed at the option of the Plan Sponsor. In 2022 and 2021, profit-sharing contributions to the Plan amounted to approximately \$1,337,000 and \$4,035,000, respectively. Contributions are subject to certain limitations.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and the Plan Sponsor's matching contribution as well as allocations of (a) the Plan Sponsor's profit-sharing contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer's contribution portion of their accounts is based on years of service as defined by the Plan. A participant is 100% vested after three years of service. Participants are automatically 100% vested upon the attainment of age 65, death, or permanent disability.

(e) Forfeited Accounts

Nonvested account balances are forfeited, and remain with the Plan, upon distribution of vested account balances. These forfeitures are used to reduce future employer contributions or pay administrative expenses. In 2022 and 2021, forfeitures of \$64,000 and \$91,000, respectively, were used to pay administrative expenses of the Plan. The Plan maintains a federal money market investment fund as an investment vehicle for forfeitures.

**BIG 5 SPORTING GOODS
SAVINGS AND PROFIT SHARING PLAN**

Notes to Financial Statements (continued)

December 31, 2022 and 2021

(f) *Notes Receivable From Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by their highest outstanding loan balance during the preceding twelve months ending on the date the loan is granted, or 50% of their vested account balance. Loan terms range from 1 to 5 years or up to 15 years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at the prime rate, as reported by Reuters, plus 1%. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants carried interest rates ranging from 4.25% to 8.00% as of December 31, 2022.

(g) *Payment of Benefits*

Upon termination, death, disability, retirement, or certain hardship cases, a participant or beneficiary may elect to receive a lump sum amount equal to the value of the vested balance in his or her account. The Plan allows participants to make withdrawals for certain "hardship" cases, which are not loans but permanent fund withdrawals not to exceed the participants' vested account balance. Such withdrawals are reviewed and approved for compliance with documented restrictions.

(2) *Summary of Significant Accounting Policies*

(a) *Basis of Accounting*

The financial statements of the Plan are prepared under the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

(b) *Use of Estimates*

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

(c) *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (2)(d) for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net depreciation or appreciation in fair value of investments relates to mutual funds.

**BIG 5 SPORTING GOODS
SAVINGS AND PROFIT SHARING PLAN**

Notes to Financial Statements (continued)

December 31, 2022 and 2021

(d) Fair Value Measurements

The Plan accounts for fair value in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, which clarifies the definition of fair value for financial reporting, establishes a framework for measuring fair value and requires additional disclosures about fair value measurements.

ASC 820 establishes a fair value hierarchy which prioritizes valuation inputs into the following three levels based on the extent to which inputs used in measuring fair value are observable in the market:

- Level 1 – Inputs are quoted prices in an active market.
- Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.
- Level 3 – Inputs are generally unobservable and typically reflect management's estimates or assumptions regarding what market participants would use in pricing the asset or liability.

The Plan's money market and mutual funds are valued at their quoted market prices (Level 1). This method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan recorded Level 1 investments at their fair values of \$99.3 million and \$135.8 million as of December 31, 2022 and 2021, respectively.

The stable value and the Westfield management funds are common/collective trusts measured at their net asset value ("NAV") per share and are not required to be categorized within the fair value hierarchy. The NAV seeks to maintain a stable net asset value while providing a reasonable rate of return. Shares may be redeemed any time at NAV. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares. The Plan's common/collective trusts had a NAV of \$17.5 million and \$8.5 million as of December 31, 2022 and 2021, respectively.

The carrying value of the Plan's receivables and liabilities approximates the fair value of these instruments due to their short-term nature.

(e) Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced by a deemed distribution and a benefit payment is recorded.

(f) Payment of Benefits

Benefits are recorded when paid.

**BIG 5 SPORTING GOODS
SAVINGS AND PROFIT SHARING PLAN**

Notes to Financial Statements (continued)

December 31, 2022 and 2021

(g) *Administrative Expenses*

All expenses of Plan administration, the fees of the trustee, and all costs associated with obtaining and maintaining the Plan's qualified status, shall be paid by the Plan, unless paid by the Plan Sponsor. The Plan recorded fees of \$48,000 and \$25,000 related to Plan years 2022 and 2021, respectively, for consulting services, and \$36,000 and \$51,000 related to Plan years 2022 and 2021, respectively, for recordkeeping services. These recorded fees were funded by Plan forfeiture accounts. The Plan's remaining administrative expenses of \$57,000 and \$31,000 related to Plan years 2022 and 2021, respectively, were deducted from Plan participants' accounts. The Plan Sponsor incurred fees on behalf of the Plan of \$49,000 and \$101,000 for services rendered in Plan years 2022 and 2021, respectively, which are not included in the Plan's financial statements. The Plan Sponsor also incurred fees on behalf of the Plan of \$9,000 for excise taxes due in Plan years 2022 and 2021 in connection with excess contributions refundable resulting from failed nondiscrimination testing. See Note 8 for a discussion of excess contributions refundable.

(3) Information Certified by the Plan's Trustee

The Plan Administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments reflected in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021;
- Investment activity reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2022 and 2021;
- Investments reflected in Schedule 1, as of December 31, 2022.

The Plan Administrator instructed the independent auditors not to perform any auditing procedures with respect to this information except for comparing such information to the related information in the financial statements and supplemental schedule.

(4) Related Party Transactions

Fidelity Investments Institutional Operations Company, Inc. is the record keeper of the Plan. Therefore, expense amounts paid to this related party qualifies as a party-in-interest transaction. Included in administrative expenses are fees recorded by the Plan for recordkeeping services totaling \$36,000 and \$51,000 for 2022 and 2021.

Fidelity Management Trust Company, the trustee of the Plan, and its related entities offer and/or manage investments held by the Plan. Transactions involving these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**BIG 5 SPORTING GOODS
SAVINGS AND PROFIT SHARING PLAN**

Notes to Financial Statements (continued)

December 31, 2022 and 2021

(5) Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(6) Income Tax

The Plan received a determination letter dated September 11, 2014 from the Internal Revenue Service ("IRS") stating that the Plan was designed in accordance with applicable Internal Revenue Code ("IRC") requirements as of that date. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The IRS maintains a remedial amendment system based on the Required Amendment List (the "RA List") that is issued annually for individually designed qualified retirement plans and provides for a two-year remedial amendment period. The Plan Administrator completed its evaluation of the RA Lists through Notice 2022-62 with no required changes to the Plan.

The Plan accounts for uncertainty in income taxes in accordance with FASB ASC 740, *Income Taxes*. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor ("DOL"). The Plan Administrator believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. The Plan files information returns annually with the IRS and DOL. The Plan is subject to routine audits by these taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the various risk factors, in the near term, could materially affect participants' account balances and the amounts reported in the financial statements.

(8) Excess Contributions Refundable

The Plan failed the nondiscrimination tests for participant contributions for the year ended December 31, 2022 and for participant and employer contributions for the year ended December 31, 2021. Excess contributions amounting to \$81,000 and \$89,000 are recorded as liabilities in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, respectively. These amounts are presented as a reduction of participant and employer contributions in the accompanying Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2022 and 2021, respectively. The participant excess contributions are refunded to participants and the employer excess matching contributions are forfeited back to the Plan during the year subsequent to the deferral.

**BIG 5 SPORTING GOODS
SAVINGS AND PROFIT SHARING PLAN**

Notes to Financial Statements (continued)

December 31, 2022 and 2021

(9) Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of benefits paid to participants per the financial statements for the years ended December 31, 2022 and 2021, to the Form 5500:

	<u>2022</u>	<u>2021</u>
Benefits paid to participants per the financial statements	\$ 10,510,300	\$ 9,903,889
Less: Corrective distributions	98,834	109,152
Less: Certain deemed distributions of participant loans	<u>(5,730)</u>	<u>11,628</u>
Benefits paid to participants per Form 5500	<u>\$ 10,417,196</u>	<u>\$ 9,783,109</u>

Corrective distributions represent all distributions paid during the plan year for excess deferrals and contributions as defined under certain IRC code sections. These amounts include liabilities of the Plan as excess contributions refundable in the previous year and paid to the participants in the following year.

Deemed distributions of participant loans represent defaulted participant loan repayments that are deemed distributions in accordance with IRC Section 72(p) and recorded as benefit payments.

(10) Subsequent Events

The Plan has evaluated all subsequent events through July 28, 2023, the date the Plan financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in the financial statements.
