RSM US LLP

Plan Administrative Committee and Plan Participants
Northern Engraving Corporation Savings Plus Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Northern Engraving Corporation Savings Plus Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Northern Engraving Corporation Savings Plus Plan

Notes to Financial Statements

Note 1. Plan Description

The following brief description of Northern Engraving Corporation Savings Plus Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established for the benefit of employees that are eligible to be covered by collective bargaining agreements with Northern Engraving Corporation (the Plan Sponsor and Plan Administrator). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor has appointed Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC) as trustee of the Plan. The trustee is responsible for maintaining custody of the Plan's assets, processing participant contributions and distributions and executing transactions to appropriate investment options.

Eligibility: Each employee, who so elects, shall become eligible on the first day of the following January, April, July or October, upon completion of one year of service, and the attainment of age 21.

Contributions: Participants may contribute up to 75% of their eligible compensation, as defined in the Plan. The Plan Sponsor will make a matching contribution equal to 35% of the participants' contributions, provided that not more than 5% of each participant's compensation shall be eligible for matching contributions. Participants are eligible to receive matching contributions if they are employed on the last day of the Plan year (except in a year of death, disability or retirement). Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Contributions are subject to certain limitations.

Participant accounts and investment options: Individual accounts are maintained for each participant of the Plan. Each participant's account is credited or charged with the participant's contributions and the Plan Sponsor's matching contribution, as well as allocations of Plan investment results and administrative expenses that are paid by the Plan. Allocations are based on participant contributions, eligible participant compensation, account balances or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their account balance into various investment options offered by the Plan. Participants can elect to invest from 1% to 100% in any investment option, and the election can be changed at any time.

Vesting: Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. Vesting of the participants' Plan Sponsor contribution account occurs as set forth in the following schedule:

Years of Service	Percentage
Less than 1	0
1	20
2	40
3	60
4	80
5 or more	100

Northern Engraving Corporation Savings Plus Plan

Notes to Financial Statements

Note 1. Plan Description (Continued)

A participant also becomes 100% vested upon reaching normal retirement age of 65 (as defined by the Plan), Plan termination, or death or disability, while employed by the Plan Sponsor.

Payment of benefits: On termination from service, a participant with a vested account balance in excess of \$5,000 may elect to receive (1) a lump-sum amount equal to the value of his or her vested account or (2) payment in a series of substantially equal periodic installments for a period of time not to exceed the assumed life expectancy of the participant or (3) an ad hoc distribution. The Plan provides that, if participants terminate employment, they can elect whether to hold their investments in the Plan, take a distribution of their vested account balance, or roll it over to another retirement plan; such as an individual retirement account (IRA). However, if no election is made and the participant's vested account balance is \$1,000 or less, the vested balance will be automatically distributed in a single lump-sum payment, less the applicable income tax withholding. If the vested account balance is more than \$1,000, but not more than \$5,000, and no distribution election is made, the vested balance will automatically be rolled over to an IRA chosen by the Plan.

Forfeited accounts: Amounts not vested upon termination of employment are forfeited by participants and are used to fund future Plan Sponsor matching contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled approximately \$0 and \$400, respectively. During 2022, Plan Sponsor contributions due were funded by approximately \$400 from forfeited nonvested accounts.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The Plan's financial statements are presented on an accrual basis of accounting.

Investment valuation and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors, the trustee and other third parties. See Note 7 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Administrative expenses: The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as provided by the Plan document. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to administration of payment of benefits are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses reduce total investment results.

Payment of benefits: Benefits are recorded when paid.

Use of estimates in the preparation of financial statements: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events: The Plan Administrator has evaluated subsequent events through July 27, 2023, the date these financial statements were available to be issued.

Northern Engraving Corporation Savings Plus Plan

Notes to Financial Statements

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to change or discontinue its contributions and to terminate the Plan subject to the provisions of ERISA and the union contracts. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4. Tax Status

The Plan adopted a nonstandardized pre-approved plan sponsored by Empower Trust Company, LLC. The pre-approved plan provider has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan. The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain income tax positions that require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Risk and Uncertainties

Participants are allowed to invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment balances have occurred since December 31, 2022, or will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the 2022 statement of net assets available for benefits.

Note 6. Information Certified or Provided by Empower Trust Company, LLC

The following is a summary of the Plan's investment information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Empower Trust Company, LLC, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following investments:

	2022	2021
Investments at fair value:		
Mutual funds	\$ 8,463,545	\$ 10,131,321
Money market mutual fund	76,628	70,079
	<u>\$ 8,540,173</u>	<u>\$ 10,201,400</u>

Empower Trust Company, LLC also certified to the completeness and accuracy of \$(1,623,211) of net depreciation in fair value of investments and \$194,652 of interest and dividends related to the aforementioned investments for the year ended December 31, 2022.

Note 7. Fair Value Measurements

Accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds and money market mutual fund: Mutual funds and the money market mutual fund are valued at the unadjusted quoted market prices for identical assets in active markets for the shares of the funds held by the Plan at year-end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 8. Related-Party and Party-in-Interest Transactions and Administrative Expenses

Empower Trust Company, LLC is the trustee of the Plan's assets. Transactions with the aforementioned trustee qualify as party-in-interest transactions. Certain expenses paid by the Plan to the trustee, as well as other service providers, are included in administrative expenses in the accompanying statement of changes in net assets available for benefits.

Certain administrative functions are performed by employees of the Plan Sponsor. No such employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Plan Sponsor and are excluded from these financial statements.

Note 9. Transfers

Participants in another qualified retirement plan of the Plan Sponsor incurred a change in employment status and, thus, became eligible to participate in the Plan. Consequently, these participants' account balances under the other qualified retirement plan were transferred to the Plan during the year ended December 31, 2022.
