## **Independent Auditor's Report**

To the Board of Trustees  
Yaskawa America, Inc. 401(k) Plan

### **Opinion**

We have audited the financial statements of Yaskawa America, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021 and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### **Auditor's Responsibilities for the Audits of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Trustees  
Yaskawa America, Inc. 401(k) Plan

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**Note 1 - Plan Description**

The following description of Yaskawa America, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

***General and Eligibility***

The Plan is a defined contribution plan covering all eligible employees of Yaskawa America, Inc. (the "Company"). Employees are eligible to participate in the Plan upon completion of the first of the month coincident with or following their date of hire and if they are age 19 or older. In order to be eligible for profit-sharing contributions, an employee must be employed for six months and be credited with 500 hours of service during such six months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Contributions***

The Plan provides for traditional and Roth employee contributions up to a maximum of 80 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan provides for employer discretionary matching contributions of 100 percent of the participant's contribution, not to exceed 6 percent of the employee's deferred compensation.

In addition to the matching contributions, the Company may make profit-sharing and other discretionary contributions to the Plan. The Company made a profit-sharing contribution in 2022 and 2021 in the amount of \$1,590,653 and \$582,549, respectively, which related to the Company's fiscal years ended February 28, 2022 and 2021, respectively.

***Participant Accounts***

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

***Vesting***

Participants are immediately 100 percent vested in employee salary and rollover contributions and any income or loss thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. Participants are fully vested in contributions made by the Company after three years of service.

***Participant Notes Receivable***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to \$50,000 minus the highest outstanding loan balance during the prior 12 months or 50 percent of their vested account balances, whichever is less. The notes receivable are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates determined periodically by the plan administrator. The notes receivable must be repaid within five years unless the purpose is for a primary residence. Principal and interest are paid ratably through monthly payroll deductions.

**December 31, 2022 and 2021**

**Note 1 - Plan Description (Continued)**

***Benefit Payments***

Distributions are payable upon retirement, age 59½, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account or in annual installments over the life of the participant.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document.

***Party-in-interest Transactions***

Certain plan assets are in investment funds managed by Bank of America, N.A. or its affiliates. Bank of America, N.A. is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

***Forfeitures***

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions or to pay administrative expenses of the Plan.

***Termination***

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the trustee shall distribute all assets remaining in the Plan, after payment of any expenses properly chargeable against the Plan, to the participants in accordance with the value of the units credited to such participants as of the date of such termination. Upon termination of the Plan, participants become 100 percent vested in their account balances.

**Note 2 - Summary of Significant Accounting Policies**

***Investment Valuation***

The Plan's investments are stated at fair value.

The common/collective trust funds are valued at net asset value (NAV) per share or its equivalent of the funds, which is based on the fair value of the funds' underlying assets. There are no redemption restrictions or unfunded commitments on these investments. The interest-bearing cash is valued at fair value based on its outstanding balance.

All other investments are valued based on quoted market prices reported in active markets.

See Note 4 for additional information.

***Participant Notes Receivable***

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

***Benefit Payments***

Benefits are recorded when paid.

***Administrative Expenses***

Various administrative costs are paid with the Plan's funds.

**December 31, 2022 and 2021**

**Note 2 - Summary of Significant Accounting Policies (Continued)**

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

***Subsequent Events***

The financial statements and related disclosures include evaluation of events up through and including July 6, 2023, which is the date the financial statements were available to be issued.

**Note 3 - Tax Status**

During 2022, the Plan adopted a preapproved plan. Previously, the Plan, as adopted, used a volume submitter plan. There were no significant changes as a result of the adoption of the preapproved plan. The preapproved plan and the former volume submitter plan have received a favorable opinion letter from the Internal Revenue Service (IRS) indicating the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

**Note 4 - Fair Value Measurements**

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

***Level 1***

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

***Level 2***

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

***Level 3***

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

## Notes to Financial Statements

December 31, 2022 and 2021

**Note 4 - Fair Value Measurements (Continued)**

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

**Self-directed Brokerage Account**

The Plan allows participants to invest in a self-directed brokerage account. The self-directed brokerage account includes various investments in publicly traded securities, which are valued at the quoted prices reported in active markets, and interest-bearing cash.
