**Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)**

**11a** If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

**11b** Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

**11c** Enter the Receipt Confirmation Code for the 2022 Form M-1 annual report. If the plan was not required to file the 2022 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

**Part I Service Provider Information (continued)**

**3.** If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

## Independent Auditors' Report

### To the Plan Administrator and Plan Participants of the Manasquan Bank 401(k) plan

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Manasquan Bank 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Manasquan Bank 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Manasquan Bank 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Manasquan Bank 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Manasquan Bank 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Manasquan Bank 401(k) Plans ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Manasquan Bank 401(k) Plan

## Notes to Financial Statements Years Ended December 31, 2022 and 2021

### 1. Description of Plan

The following description of the Manasquan Bank 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering all employees of Manasquan Bank (the "Company"), with the exception of union employees, certain non-resident aliens, and interns. Employees are eligible to participate in the Plan upon attainment of age 21 and completion of three consecutive months of service in which 83.3 hours have been completed each month. Participation in the Plan begins on the first day of the month coinciding with or following the date of satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The trustee of the Plan is Reliance Trust Company, and the record-keeper is Automatic Data Processing, Inc. ("ADP").

#### Contributions

Participants may contribute up to 90% of their compensation, as defined by the Plan, as Pre-tax or Roth deferral contributions not to exceed statutory limitations permitted by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing eligible rollovers from other qualified plans.

The Company may make discretionary matching contributions, allocated each payroll period, equal to a uniform percentage of participant contributions up to a certain portion of participant compensation. Employees are eligible for matching contributions upon attainment of age 21 and completion of three consecutive months of service in which 83.3 hours have been completed each month. For the year ended December 31, 2022, the Company made discretionary matching contributions of 50% of participant contributions, including catch-up contributions, up to 5% of participant compensation.

The Company may make discretionary profit-sharing contributions, allocated annually, equal to a uniform percentage of eligible participant compensation as defined by the Plan. Employees are eligible for discretionary profit-sharing contributions upon attainment of age 21 and completion of one year of service. In order to share in the profit-sharing contribution, participants must be employed on the last day of the Plan year except for participants who have reached normal retirement (age 65), disability, and death. For the year ended December 31, 2022, the Company made discretionary profit-sharing contributions of 3% of eligible participant compensation.

The Plan has elected "safe harbor" status and, therefore, the Company makes contributions equal to 3% of eligible participant compensation as defined by the Plan to comply with the safe harbor provisions of the internal revenue code. Employees are eligible for matching contributions upon attainment of age 21 and completion of three consecutive months of service in which 83.3 hours have been completed each month. This contribution is allocated to participants each payroll period.

#### Participant Accounts

Participants direct the investment of participant and employer contributions into various investment options offered by the plan. Each participant's account is credited with the participant's contributions and allocations of the company's contributions and plan earnings (losses) and may be charged with an allocation of administrative expenses paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined by the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## Manasquan Bank 401(k) Plan

### Vesting

Participants are always 100% vested in their contributions and safe harbor contributions, plus actual earnings thereon. Upon reaching normal retirement, disability, or death, participant accounts also become fully vested. Vesting in the Company's matching and profit-sharing contribution portion of their accounts, plus actual earnings thereon, is as follows:

| Years of Service | Vesting |
|------------------|---------|
| Less than 2      | 0%      |
| 2                | 20%     |
| 3                | 40%     |
| 4                | 60%     |
| 5                | 80%     |
| 6                | 100%    |

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have two loans outstanding at any time. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1% as defined by the plan. Interest rates on outstanding loan balances range from 4.25% to 8.50% at December 31, 2022 and 2021. Principal and interest are paid ratably through payroll deductions. All outstanding loan balances will become due and payable in their entirety upon severance of employment. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

### Payment of Benefits

A participants' vested interest in the Plan's assets are distributable generally upon termination, disability, normal retirement age (65), or death. Participants may withdraw from their individual accounts pursuant to specific guidelines as set forth in the plan document. At their election and upon attainment of age 59 ½, participants may receive an in-service distribution.

Participants may receive hardship distributions to satisfy certain immediate and heavy financial needs, which include expenses for medical care for themselves, their spouse, their dependents, or their beneficiaries; costs directly related to the purchase of their principal residence (excluding mortgage payments); tuition, related educational fees, and room and board expenses for the next twelve months of post-secondary education for themselves, their spouse, their dependents, or their beneficiaries; amounts necessary to prevent their eviction from their principal residence or foreclosure on the mortgage of their principal residence; payments for burial or funeral expenses for their deceased parent, spouse, children, other dependents, or beneficiaries; and expenses for the repair of damage to their principal residence that would qualify for the casualty deduction under the internal revenue code. These distributions are not in addition to other benefits and will therefore reduce the value of the benefits received upon retirement.

### Forfeitures

The portion of a participant's balance, which is not vested upon termination of employment, is forfeited and remains in the Plan. Forfeited non-vested accounts are used to reduce future Company contributions and to pay Plan expenses. Approximately \$10,000 of plan forfeitures were used to reduce employer contributions for the year ended December 31, 2022. Forfeitures from participants approximated \$10,000 for the year ended December 31, 2022. There was no available balance of forfeitures as of December 31, 2022 and 2021.

### 2. Summary of Significant Accounting Policies

#### **Basis of Accounting**

The financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Investment Valuation and Income Recognition**

The plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

Certain administrative expenses of maintaining the Plan are paid by the Plan, as permitted by the Plan document. All other administrative expenses are paid by the Company, which are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### **Subsequent Events**

The plan has evaluated subsequent events through July 12, 2023, the date the financial statements were available to be issued.

### 3. Investment Certification

The investment assets of the Plan at December 31, 2022 and 2021 were held, and all transactions therein were executed by Reliant Trust Company (the "Trustee") under the terms of the trust agreement.

In accordance with the provisions of 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Trustee has certified as complete and accurate all the investment information included in the accompanying financial statements and the supplemental schedule. Information included in the accompanying financial statements relating to investments and income derived there from was prepared by or derived from information prepared by the Trustee of the Plan and furnished to the Company. The Company has obtained certifications from the Trustee as of December 31, 2022 and 2021 and for the year ended December 31, 2022, that such information is complete and accurate. Such information includes investments at fair value, notes receivable from participants, interest income on notes receivable from participants, dividend income, interest income on deposit account and net appreciation in fair value of investments as shown in the accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits.

### 4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB 820 are described as follows:

- Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 – inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds: are stated at fair value based on quoted prices in an active market for each share held by the Plan.

Collective / collective trust funds: the fair value of the common / collective trust funds is determined by the custodians of the common / collective trust funds based on the underlying assets, which represent the net asset value ("NAV"), a practical expedient to fair value of units held by the Plan. The common / collective trusts do not have any unfunded commitments relating to its investments, or any restrictions on redemptions. Redemptions can be made on any business day and do not have a redemption notice period.

Stable value collective trust fund: a stable value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the plan initiates a full redemption of the stable value collective trust, the issuer reserves the right to require 90 days' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(A) Certain investments that are measured at fair value using the nav per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

### 5. Tax Status

On October 6 2020, the Internal Revenue Service ("IRS") stated that the prototype plan adopted by the Plan, as then designed, qualifies under 401(a) of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

## Manasquan Bank 401(k) Plan

### 6. Related Party and Party-In-Interest Transactions

ADP is the record keeper for the Plan and therefore, these services qualify as party-in-interest transactions. Fees paid to ADP for record keeping and administrative services amounted to \$3,370 for the year ended December 31, 2022.

ADP receives revenue from certain investments in the Plan. ADP and the Company have agreed that if this revenue exceeds an agreed upon revenue rate, ADP shall make an amount equal to such excess available to the Plan to pay ERISA qualified plan administrative expenses. For the year ended December 31, 2022, an excess of \$80,098 was made available to the Plan and was used to pay the investment advisor. There was no remaining balance available to pay future expenses as of December 31, 2022.

### 7. Risks and Uncertainties

The Plan provides for various investment options in mutual funds and common / collective trust funds that invest in investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

### 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

### 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2022 and 2021 to Form 5500:

|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
