Independent Auditor's Report

The Plan Administrator
Human Rights Watch, Inc. Retirement Savings Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Human Rights Watch, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Prior to January 1, 2009, records were maintained at a contract, not a plan level; therefore, management has not maintained, and Principal Trust Company and Teachers Insurance and Annuity Association (TIAA) and College Retirement Equities Fund (CREF) (formerly, Teachers Insurance and Annuity Association - College Retirement Equities Fund (TIAA-CREF)) did not provide sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America (GAAS) and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to, and we do not express an opinion on the supplemental schedule referred to above.

Human Rights Watch, Inc. Retirement Savings Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Human Rights Watch, Inc. Retirement Savings Plan (the Plan), which is sponsored by Human Rights Watch, Inc. (HRW), provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) pension plan covering all eligible employees of HRW. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan Administration

Teachers Insurance and Annuity Association (TIAA) is the Plan's third-party administrator. The Plan's investment assets are held by TIAA and the College Retirement Equity Fund (CREF) and TIAA, FSB (formerly, TIAA-CREF Trust Company, FSB (TCTC)). HRW, as the Plan administrator, controls and manages the operation and administration of the Plan.

Eligibility

All employees that are not excluded employees, as defined by the Plan document, are eligible to participate in the Plan as of their date of hire with HRW. To be eligible for participation in the employer component of the Plan, an employee must have completed at least two years of service and have provided 1,000 hours of service in each of the two years before becoming eligible to receive employer contribution, as defined, under the Plan. An employee is credited with a year of service upon reaching 1,000 hours of service in a 12-month period beginning with the hire date.

Participant Contributions

Each year, participants are permitted to contribute to the Plan, beginning on the date of hire, an amount not to exceed the dollar limitations of \$20,500 for the year ended December 31, 2022, as prescribed by the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions not to exceed \$6,500. Income taxes on employee compensation contributed to the Plan are deferred, subject to limitations as prescribed by the Code.

All contributions are invested in various investment options offered by the Plan. Employees may allocate contributions among the TIAA or the CREF accounts in any whole-number proportion, including full allocation to any annuity or account.

Employer Contributions

HRW may contribute a discretionary amount based on a formula. Under this formula, the amount of HRW contributions will be divided among all eligible Plan participants based on their compensation for the year. HRW contributions made to a participant's account are allocated between the TIAA or CREF accounts in accordance with the employee's designated investment mix. During the year ended December 31, 2022, HRW's employer contributions made to participants' accounts amounted to \$2,344,169.

Human Rights Watch, Inc. Retirement Savings Plan

Notes to Financial Statements

Participants' Accounts

Each participant's account is credited with the participant's contributions, HRW's contribution, and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in both their contributions and any employer contributions made to the account.

Payment of Benefits

A participant is eligible to receive a distribution from their deferral and employer contribution balances under the following circumstances: (a) retirement, (b) termination of employment, (c) disability, (d) death, and (e) attaining 59½ years of age. A participant is eligible to receive a hardship withdrawal only from their deferral balance.

Plan Loans

Participants may borrow, directly from TIAA or the Plan, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or ½ of their vested account balance. Such loans are subject to certain limitations and are not included in the Plan's financial statements, as the loans are not made from Plan assets and are, therefore, not considered assets of the Plan. Participants receiving loans from TIAA are required to pledge, as collateral, an annuity account value of 110% of the loan amount for the period the loan is outstanding. The loan balance outstanding from TIAA to the Plan's participants was \$65,605 and \$137,577 as of December 31, 2022 and 2021, respectively. As such, \$72,166 and \$151,335 of annuity account values (110% of outstanding loans from TIAA) as of December 31, 2022 and 2021, respectively, serve as collateral for the related loans. Participants receiving loans from the Plan must retain at least 50% of their account balance prior to the loan distribution to be used as collateral. As of December 31, 2022, no loans were deemed to be in default. According to the Plan document, if the participants default on the loan, they will be taxed on the amount of the outstanding loan balance and will be subject to a 10% penalty if they are under the age of 59½. In addition, TIAA has the right to foreclose its security interest in the portion of participants' vested accounts under the Plan that they pledged as security for the loan.

Participant Loans

Participants may borrow from their fund accounts, up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. The term of the participant loan is up to five years, or up to ten years if the loan is utilized to acquire a principal residence. Participant loans are secured by the balance in the participant's account and bear interest equal to the Federal Reserve Board Bank prime loan rate plus 1% at the time of the loan origination. Principal and interest are repaid directly to TIAA, at least quarterly.

Human Rights Watch, Inc. Retirement Savings Plan

Notes to Financial Statements

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by HRW. Expenses that are paid by HRW are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. Delinquent loans are treated as distributions based upon the terms of the Plan document. There were no deemed loans for the year ended December 31, 2022.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments (except for the fully benefit-responsive investment contract, which is reported at contract value) are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. Risks and Uncertainties

The Plan provides for various investment options in any combination of funds offered by the Plan. These funds are exposed to various risks, such as interest rate, market, and credit. Due to the level

Human Rights Watch, Inc. Retirement Savings Plan

Notes to Financial Statements

of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quotes prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quotes prices that are observable for the asset or liability.
- Inputs that are derived primarily from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Company Shares - Investments of registered investment company accounts are valued at the net asset value (NAV) of shares held by the Plan at year-end. The registered investment company shares are traded at quoted prices through the National Securities Clearing Corporation. Management has reviewed the fair value classifications from TIAA and agrees that Level 1 is the most appropriate classification.

Pooled Separate Account - The pooled separate account is valued at its accumulation unit value (AUV), which approximates fair value. The AUV is determined daily based on the NAV of shares of the underlying fund and the separate account charges (i.e., the daily asset charge). The Plan's

Human Rights Watch, Inc. Retirement Savings Plan

Notes to Financial Statements

investments in the pooled separate account may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments as of December 31, 2022 and 2021.

Insurance Company General Contracts (ICGC) - The value of the ICGCs is reported at contract value, which approximates fair value. The contract value equals accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals and applicable fees. The ICGCs are not deemed to be fully benefit-responsive contracts.

The following tables present the level within the fair value hierarchy at which the Plan's financial assets are measured on a recurring basis. The assets are presented on a disaggregated basis by class, determined by the nature and risk associated with the investment.

December 31, 2022

	Assets at Fair Value			Total
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 67,441,432	\$ -	\$ -	\$ 67,441,432
Insurance company general contracts	-	8,041,472	-	8,041,472
Pooled separate account*	-	-	-	3,685,600
Investments, at fair value	\$ 67,441,432	\$ 8,041,472	\$ -	\$ 79,168,504

December 31, 2021

	Assets at Fair Value			Total
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 80,149,146	\$ -	\$ -	\$ 80,149,146
Insurance company general contracts	-	7,752,423	-	7,752,423
Pooled separate account*	-	-	-	3,391,057
Investments, at fair value	\$ 80,149,146	\$ 7,752,423	\$ -	\$ 91,292,626

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan had no financial assets that were measured at fair value on a nonrecurring basis during the year ended December 31, 2022.

Human Rights Watch, Inc. Retirement Savings Plan

Notes to Financial Statements

5. Fully Benefit-Responsive Guaranteed Interest Contracts

The Plan entered fully benefit-responsive guaranteed interest contracts with TIAA. TIAA maintains the contributions in a general account. The accounts are credited with earning on the underlying interests and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed interest contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest contracts. The guaranteed interest contracts are presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by TIAA, represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), and the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

The guaranteed interest contracts do not permit the insurance company to terminate the agreements prior to the scheduled maturity date.

6. Information Certified by TIAA and CREF

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefit as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, dividend and interest income, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment information reflected on the supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

7. Plan Termination

Although it has not expressed any intent to do so, HRW has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event

Human Rights Watch, Inc. Retirement Savings Plan

Notes to Financial Statements

of Plan termination, participants will be entitled to take their entire balance from the Plan following termination.

8. Records Not Maintained at Contract Level

In November 2007, the DOL issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting and disclosure requirements under Part 1 of Subtitle B of Title I of ERISA. Prior to the amended regulations, the Plan was not viewed as a separate reporting entity. Historically, the Plan was viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan sponsor. Accordingly, various accounting and payroll records related to the Plan's 403(b) annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, were not sufficiently maintained by the Plan. Consequently, the financial statements have been prepared based on available records analyzed by Plan management. As certain records were not available for years prior to 2009, the effect, if any, on the completeness or accuracy of the Plan's financial statements cannot be determined.

9. Tax Status

The Plan has been designed to qualify under section 403(b) of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). The prototype basic plan document adopted by the Plan has not received an opinion letter from the Internal Revenue Service (IRS); however, in the opinion of the Plan's administrator, the Plan is currently designed and being operated in compliance with the applicable requirements of the Code, and the Plan qualifies for tax-exempt status.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Party-in-Interest Transactions

Certain Plan investments are registered investment companies, ICGCs, guaranteed annuity contracts, and a pooled separate account managed by TIAA and CREF and, therefore, these transactions qualify as party-in-interest transactions. Purchases and sales of these funds are open-market transactions at fair market value. The Plan also issues loans to participants that are secured by the vested balance of the participants' accounts. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA and applicable exemptions promulgated thereunder.

11. Subsequent Events

The Plan's management has performed subsequent event procedures through July 31, 2023, which is the date the financial statements were available to be issued. There were no subsequent events requiring adjustments to the financial statements or disclosures herein.
