Independent Auditor's Report

Fiduciary Investment Committee
Benco Dental Supply Co. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Benco Dental Supply Co. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate or is complete and accurate to the best of their knowledge and belief.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, the schedule of delinquent participant contributions for the year ended December 31, 2021 and the schedule of assets held at end of year as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Benco Dental Supply Co. 401(k) Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Benco Dental Supply Co. 401(k) Plan (the Plan) provides general information only. Participants should refer to the Plan agreement for more complete information.

General: The Plan is a defined-contribution plan that provides retirement benefits for all eligible employees of Benco Dental Supply Co. (the Company), as defined. Employees are eligible to participate in the Plan immediately upon completing three months of service and attaining the age of 21. Employees are eligible to participate in employer matching and qualified non-elective contributions upon completing one year of service and attaining the age of 21. Highly compensated employees are not eligible for qualified non-elective contributions. Eligible employees can enter the Plan on the first day of the payroll period following completion of eligibility requirements. Eligible employees are automatically enrolled in the Plan at 4% of their total compensation unless they elect not to enroll or if they elect a different percentage deferral. Eligible employees who have been automatically enrolled and have not made a deferral election are subject to a 1% increase in their deferral rate every year effective July 1 up to a maximum of 8%. Participants must be employed on the last day of the Plan year to receive the qualified non-elective contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: The Plan provides for the following contributions, which are to be maintained in separate accounts for each participant:

Participant-directed contributions: Participants may elect to make pre-tax and Roth post-tax contributions up to 100% of their eligible compensation not to exceed statutory limits of the Internal Revenue Code (IRC). The maximum amount was \$19,500 for the year ended December 31, 2021. Individuals who attain the age of 50 by the end of the plan year may make additional catch-up contributions of up to \$6,500 for 2021.

Discretionary Company matching contributions: The Company makes matching contributions based on a certain percentage as participant-directed contributions are made. For 2021, the Company's matching contribution was 50% of an employee's deferral up to 8% of eligible compensation. For 2021, the Company's matching contribution was \$3,764,195.

Nondiscretionary Company qualified non-elective contributions: The Company makes qualified non-elective contributions for eligible participants equal to the lesser of \$1,000 and 5% of a participant's compensation for the plan year. For 2021, the Company's qualified non-elective contribution was \$936,867.

Rollover contributions: The Plan allows for rollover contributions to be made by the employee from amounts distributed or transferred from other qualified deferred compensation plans.

Participant accounts: Each participant's account is credited with participant-directed contributions, Company contributions, rollover contributions and allocations of plan gains and administrative expenses. Allocations are based on participant earnings or the participant's account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Vesting: Participants are immediately vested in their deferral contributions, their rollover contributions and the Company's nondiscretionary qualified non-elective contributions plus actual earnings thereon. Participants are 100% vested in the Company's matching contributions after five years of credited service based on an annual 20% vesting schedule starting in the participant's first year of service. Participants are 100% vested immediately upon death, disability or reaching early retirement age.

Note 1. Plan Description (Continued)

Investment options: Upon enrollment in the Plan, participants may direct contributions in whole percent increments in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time.

Payments of benefits: On termination of service, death, disability or retirement, participants may elect to receive the value of their accounts in the form of a lump sum equal to the value of the participant's vested amount in his or her account. Partial withdrawals, annuities and installment payments are also allowed under the Plan. Distributions may also be made from the Plan in cases of financial hardship as defined in the Plan agreement. In addition, participants over age 59 ½ may withdraw all or a portion of their vested account balance while still employed. Participants over age 70 ½ are required to receive minimum annual distributions as required in the Plan document. Account balances less than \$1,000 at date of termination are paid in a lump sum upon termination.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 (reduced by the excess, if any, of the participant's highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date on which such loan is made, over the participant's outstanding balance of loans from the Plan as of the date such loan is made) or 50% of their vested account balance. Participants may have only two loans outstanding at any given time. Loan terms may not exceed five years unless used for the purchase of a primary residence, in which case the repayment period may not exceed 30 years. The loans are collateralized by the balance in the participant's account and bear interest at a reasonable rate based on the prevailing interest rates charged for similar loans at the time of loan origination. Interest rates range from 5.25% to 9.75% on outstanding loans. Principal and interest are paid ratably through payroll deductions.

Forfeitures: Forfeited nonvested accounts totaled \$73,000 and \$23,900 as of December 31, 2021 and 2020, respectively. Forfeited nonvested accounts are used to pay expenses or reduce Company contributions. Forfeitures of \$295 were used in 2021 to pay expenses. Forfeitures of \$87,424 were used in 2021 to fund the employer match contribution.

Administrative expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Benco Dental Supply Co. 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment contracts held by a defined-contribution plan are required to be reported at fair value (except for direct investments in fully benefit-responsive investment contracts). Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to direct investments in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Payment of benefits: Benefits are recorded when paid.

Subsequent events: The Plan Administrator has evaluated subsequent events through July 24, 2023, the date the financial statements were available to be issued.

Note 3. Information Certified by Reliance Trust Company (Reliance) and Great-West Life & Annuity Insurance Company (Great-West)

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and income information for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by Reliance Trust Company (Reliance), the trustee, and Great-West Life & Annuity Insurance Company (Great-West), the custodian, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee and custodian as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that the information provided to the Plan administrator by the trustee and custodian is complete and accurate, or complete and accurate to the best of their knowledge and belief, related to the following assets and income. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets and income.

Note 3. Information Certified by Reliance Trust Company (Reliance) and Great-West Life & Annuity Insurance Company (Great-West) (Continued)

The following was certified by Reliance as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

	2021	2020
Shares of registered investment companies, at fair value	\$ 121,671,832	\$ 101,653,108
Self-directed brokerage accounts, at fair value	2,506,814	1,939,650
Notes receivable from participants	3,120,483	2,910,574
Net appreciation in fair value of investments	8,739,732	
Interest and dividends	6,500,618	
Interest income on notes receivable from participants	178,112	

The following was certified by Great-West* as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

	2021	2020
Guaranteed investment contracts, at contract value	\$ 38,808,231	\$ 37,527,229
Units of pooled separate accounts, at fair value	72,126,331	60,565,013
Net appreciation in fair value of investments	12,181,401	
Interest and dividends	1,175,781	

* On December 31, 2020, Empower Retirement, LLC (Empower) acquired Massachusetts Mutual Insurance Company (MassMutual). Great-West is a subsidiary of Empower. The Plan utilizes an insurance product contract issued by MassMutual, accordingly under a power of attorney granted to Great-West, Great-West and MassMutual are providing the certification in affiliation. Great-West and MassMutual are qualified institutions consistent with 29 CFR 2520.103-8.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Benco Dental Supply Co. 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Shares of registered investment companies: Valued at the daily closing price as reported by the fund. Shares of registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The shares held by the Plan are deemed to be actively traded.

Units of pooled separate accounts: Valued at NAV based on quoted market prices of underlying investments. The Plan's interest in the pooled separate account is valued based on information reported by the investment advisor. The NAV is used as a practical expedient to estimating fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Self-directed brokerage accounts: Valued at the closing price reported on the active market on which the individual securities are traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021 and 2020:

	2021			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 121,671,832	\$ -	\$ -	\$ 121,671,832
Self-directed brokerage accounts	2,506,814	-	-	2,506,814
Total assets in fair value hierarchy	<u>\$ 124,178,646</u>	<u>\$ -</u>	<u>\$ -</u>	<u>124,178,646</u>
Investment measured at NAV (a)				72,126,331
Investments at fair value				<u>\$ 196,304,977</u>

	2020			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 101,653,108	\$ -	\$ -	\$ 101,653,108
Self-directed brokerage accounts	1,939,650	-	-	1,939,650
Total assets in fair value hierarchy	<u>\$ 103,592,758</u>	<u>\$ -</u>	<u>\$ -</u>	<u>103,592,758</u>
Investment measured at NAV (a)				60,565,013
Investments at fair value				<u>\$ 164,157,771</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Benco Dental Supply Co. 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2021 and 2020:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Pooled separate accounts	\$ 72,126,331	\$ 60,565,013	\$ -	Daily	None

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

Management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no transfers in or out of Level 3.

Note 5. Guaranteed Interest Accounts with Insurance Company

The Plan has entered into a fully benefit-responsive insurance contract with Mass Mutual. The fully benefit-responsive guaranteed investment contract provides preservation of principal, maintains a stable interest rate, and provides daily liquidity at contract value for participant withdrawals and transfer in accordance with the provisions of the Plan. The fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan.

The guaranteed rates of interest for 2021 and 2020 were 3% in both years. For purposes of crediting interest to participants, the rates for 2021 and 2020 were 3.08% and 3.05%, respectively.

As described in Note 2, because the guaranteed investment contract are fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for the benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of the investment at contract value.

Certain events might limit the ability of the Plan or the participant to transact at contract value with the issuer, as defined in the contract. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The contract automatically renews every six months.

Benco Dental Supply Co. 401(k) Plan

Notes to Financial Statements

Note 6. Related Party and Parties-in-Interest Transactions

The Plan's investments are held and managed by Reliance, the trustee, and Great-West, the custodian. These transactions qualify as party-in-interest. Administrative expenses paid by the Plan to Great-West were \$35,546 for the year ended December 31, 2021.

Certain employees of the Company provide administrative services to the Plan. The employees are not compensated by the Plan for these services. Additionally, the Company pays certain other administrative expenses on behalf of the Plan.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8. Income Tax Status

The Plan had adopted a volume submitter plan sponsored by Massachusetts Mutual Life Insurance Company. Effective March 1, 2022, the Plan has adopted a volume submitter plan sponsored by Great-West Life & Annuity Insurance Company. The volume submitter plan providers have received advisory letters from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan advisory letters have been relied upon by the Plan. The Plan has been amended since the volume submitter plans received the advisory letters. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken on an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to outside audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Change in net assets available for benefits per Form 5500	<u>\$ 33,638,116</u>

Note 11. Prohibited Transaction

During 2021, the Plan sponsor inadvertently failed to deposit \$938,581 of participant contributions and loan repayments within the required timeframe as stated by the United States Department of Labor regulations. The Plan sponsor intends to deposit lost earnings to correct this failure. The Plan sponsor will file Form 5330 and pay applicable excise tax to the IRS. The correction and any excise taxes will be made from the Plan sponsor's assets and not from assets of the Plan.
